Time Warner Inc., a Delaware corporation ("Time Warner"), and its wholly owned subsidiaries, Historic TW Inc., a Delaware corporation ("Historic TW"), Time Warner Companies, Inc., a Delaware corporation ("TWC"), Warner Communications Inc., a Delaware corporation ("WCI") and TW/TAE, Inc., a Delaware corporation ("TW/TAE") (collectively, the "Reporting Persons"), hereby file this Amendment No. 2 to their Statement on Schedule 13D (the "Statement") as required by Rule 13d-1(d) under the Securities Exchange Act of 1934, as amended (the "Act"), relating to shares of Class B Common Stock, par value \$.01 per share, (the "Class B Common Stock"), of Time Warner Telecom Inc. ("Time Warner Telecom"), of which Time Warner is the ultimate beneficial owner. Each share of Class B Common Stock is immediately convertible on a share-for-share basis into shares of Class A Common Stock, par value \$.01 per share (the "Class A Common Stock"), of Time Warner Telecom. Pursuant to Rule 13d-1(k) under the Act and as provided in the Joint Filing Agreement filed as Exhibit 3 to the Statement, the Reporting Persons have agreed to file one statement with respect to their ownership of Class B Common Stock of Time Warner Telecom. This Amendment No. 2 to the joint Schedule 13D of the Reporting Persons is hereinafter referred to as the "Amendment."

This Amendment is being filed as a result of the consummation of the sale of shares of Class A common stock, par value \$0.01 per share ("Class A Common Stock") of Time Warner Telecom by American Television and Communications Corporation ("ATC"), TW/TAE, Advance Telecom Holdings Corp. ("Advance") and the Samuel I. Newhouse Foundation, Inc. ("Newhouse") (collectively, the "Selling Stockholders") pursuant to an Underwriting Agreement, dated as of March 23, 2006 (the "Underwriting Agreement") among the Company, the Selling Stockholders and the underwriters listed in Schedule II thereto (the "Underwriters"). The sale of Class A Common Stock was effected pursuant to a Registration Statement on Form S-3 filed by Time Warner Telecom on March 17, 2006 (SEC File No. 333-132504-02), as supplemented by a prospectus supplement filed March 24, 2006. In connection with the sale of such Class A Common Stock, ATC converted all 15,469,415 shares of Class B Common Stock then held by it into shares of Class A Common Stock that were sold to the Underwriters, TW/TAE converted 1,571,409 shares of Class B Common Stock then held by it into shares of Class A Common Stock that were sold to the Underwriters, and Advance and Newhouse together converted an aggregate of 5,269,176 shares of Class B Common Stock then held by them into shares of Class A Common Stock that were sold to the Underwriters.

This Amendment amends and supplements in its entirety the Statement originally filed on January 23, 2001, and Amendment No. 1 thereto filed on March 23, 2006.

Item 1. Security and Issuer.

The Statement relates to the Class A Common Stock and the Class B Common Stock of Time Warner Telecom. The address of the principal executive offices of Time Warner Telecom is 10475 Park Meadows Drive, Littleton, CO 80124.

Item 2. Identity and Background.

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

The Statement is filed on behalf of Time Warner, Historic TW, TWC, WCI and TW/TAE (the "Reporting Persons").

Time Warner has its principal executive offices at One Time Warner Center, New York, NY 10019. Time Warner is a leading media and entertainment company

12

formed in connection with the merger of America Online, Inc. and Historic TW (formerly named Time Warner Inc.), which was consummated on January 11, 2001. Time Warner classifies its businesses into the following five reporting segments: AOL, consisting principally of interactive services; Cable, consisting principally of interests in cable systems providing video, high-speed data and Digital Phone services; Filmed Entertainment, consisting principally of feature film, television and home video production and distribution; Networks, consisting principally of cable television and broadcast networks; and Publishing, consisting principally of magazine publishing.

Historic TW, a wholly owned subsidiary of Time Warner, has its principal executive offices at One Time Warner Center, New York, New York 10019. Historic TW is a holding company with the same business interests as Time Warner, except it does not have an ownership interest in AOL's interactive services businesses.

TWC, an indirect wholly owned subsidiary of Time Warner, has its principal executive offices at One Time Warner Center, New York, NY 10019. TWC is a holding company with interests in publishing, cable systems, networks and filmed entertainment.

WCI, an indirect wholly owned subsidiary of Time Warner, has its principal executive offices at One Time Warner Center, New York, New York 10019. WCI is a holding company with interests in publishing, cable systems, networks and filmed entertainment.

TW/TAE, an indirect wholly owned subsidiary of Time Warner, has its principal executive offices at One Time Warner Center, New York, NY 10019. TW/TAE's principal business activity is holding an interest in Time Warner Telecom.

Each of FibrCOM Holdings, LP, a Delaware limited partnership ("Fibrcom"), and Paragon Communications, a Colorado general partnership ("Paragon"), each a subsidiary of Historic TW, were included as reporting persons on the original Statement filed January 23, 2001. On March 31, 2003, in connection with the restructuring of Time Warner Entertainment Company, L.P. ("TWE"), the 4,875,000 shares of Class B Common Stock then held by Fibrcom and the 773,322 shares of Class B Common Stock then held by Paragon were transferred to WCI. As a result, neither Fibrcom nor Paragon is included as a Reporting Person in this Amendment.

ATC, an indirect wholly owned subsidiary of Time Warner, was included as a reporting person on the original Statement filed January 23, 2001 and on Amendment No. 1 thereto filed on March 23, 2006. Upon the closing on March 29, 2006 of the sale of shares to the Underwriters pursuant to the Underwriting Agreement, ATC ceased to own any Class A Common Stock or Class B Common Stock. As a result, ATC is not included as a Reporting Person in this Amendment No. 2.

Effective October 16, 2003, Time Warner changed its name from AOL Time Warner Inc. to Time Warner Inc. and Historic TW changed its name from Time Warner Inc. to Historic TW Inc.

The name, business address, citizenship, present principal occupation or employment (and the name, principal business and address of any corporation or

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

other organization in which such employment is conducted) of each director and executive officer of each of the Reporting Persons is set forth in Annexes A through C, respectively, which Annexes are incorporated herein by reference.

13

Except as described herein, during the last five years, none of the Reporting Persons, nor, to the best knowledge of the Reporting Persons, any person named in Annexes A through C hereto has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Except as described herein, to the best knowledge of the Reporting Persons as of the date hereof, (i) none of the Reporting Persons, nor any of the persons listed on Annexes A to C beneficially owns any shares of Class A Common Stock and (ii) there have been no transactions in the shares of Class A Common Stock or Class B Common Stock effected during the past 60 days by the Reporting Persons, nor to the best of the knowledge of the Reporting Persons, any of the persons listed on Annexes A through C.

On March 21, 2005, pursuant to an approved settlement with the Securities and Exchange Commission (the "SEC") in connection with its investigation of Time Warner's accounting and disclosure practices, Time Warner agreed, without admitting or denying any wrongdoing, to be enjoined from future violations of certain provisions of the securities laws and to comply with a prior SEC cease-and-desist order issued to AOL in May 2000. In connection with the SEC's investigation, Wayne H. Pace (Time Warner's Chief Financial Officer) and James W. Barge (Time Warner's Controller) also reached settlements approved by the SEC pursuant to which they each agreed, without admitting or denying the SEC's allegations, to the entry of an administrative order that they cease and desist from any future violations of certain reporting provisions of the securities laws; however, neither is subject to any suspension, bar or penalty.

Spencer B. Hays, a director of Historic TW, TWC, WCI and TW/TAE, has reported that he has sole voting and dispositive power over 2,000 shares of Class A Common Stock of Time Warner Telecom that were purchased in the open market with personal funds more than 60 days ago.

Item 3. Source and Amount of Funds or Other Consideration.

In 1998, Time Warner Telecom LLC ("TWT LLC") was created as a result of a reorganization of the business telephony operations of Historic TW, TWE and a partnership between TWE, Advance and Newhouse ("TWE-A/N"). As part of that reorganization, (1) the business telephony operations conducted by Historic TW, TWE and TWE-A/N were each contributed to TWT LLC and (2) TWE's and TWE-A/N's interests therein were distributed to their partners, certain subsidiaries of Historic TW, AT&T Corporation, as successor to MediaOne of Colorado Inc. ("AT&T"), Advance and Newhouse.

On May 10, 1999, TWT LLC, Time Warner Telecom Inc., a wholly owned subsidiary of TWT LLC ("TWT Inc."), and TW Telecom Merger Corp., a newly formed Delaware corporation, entered into an Agreement and Plan of Merger. Pursuant to the Agreement and Plan of Merger, TWT LLC and TWT Inc. merged into TW Telecom Merger Corp., and TW Telecom Merger Corp., the surviving corporation, changed its name to Time Warner Telecom Inc. (the "Reconstitution"). The holders of Class B limited liability company interests of TWT LLC became holders of Class B

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

Common Stock of Time Warner Telecom and the holders of Class A limited liability company interests of TWT LLC became holders of Class A Common Stock of Time Warner Telecom. In the Reconstitution, the subsidiaries of Historic TW exchanged Class B

14

limited liability company interests equaling a 62% Class B participation percentage in TWT LLC for an aggregate of 50,363,739 shares of Class B Common Stock of Time Warner Telecom.

The description of the Agreement and Plan of Merger contained herein is qualified in its entirety by reference to the Agreement, which is attached as Exhibit 1 to the Statement filed January 23, 2001.

On January 11, 2001, pursuant to the Second Amended and Restated Agreement and Plan of Merger, dated as of January 10, 2000, among Time Warner, AOL, Historic TW, America Online Merger Sub Inc., a wholly owned subsidiary of Time Warner ("AOL Merger Sub"), and Time Warner Merger Sub Inc., a wholly owned subsidiary of Time Warner ("TW Merger Sub"), AOL Merger Sub was merged into AOL and TW Merger Sub was merged into Historic TW (the "Mergers"). As a result, AOL and Historic TW each became a wholly owned subsidiary of Time Warner. In addition, upon consummation of the Mergers, (i) each outstanding share of AOL Common Stock was automatically converted into one share of Time Warner Common Stock, (ii) each outstanding share of Historic TW Common Stock was automatically converted into 1.5 shares of Time Warner Common Stock and (iii) each outstanding share of Historic TW Series LMCN-V Common Stock was automatically converted into 1.5 shares of Time Warner Series LMCN-V Common Stock having terms substantially identical to those of the Historic TW Series LMCN-V common stock.

The foregoing transaction is referred to as the "Holding Company Transaction". As a result of the Holding Company Transaction, Time Warner became the ultimate beneficial owner of the Class B Common Stock of Time Warner Telecom held by the Reporting Persons.

On March 31, 2003, in connection with the restructuring of TWE, the 4,875,000 shares of Class B Common Stock then held by Fibrcom and the 773,322 shares of Class B Common Stock then held by Paragon were transferred to WCI.

On March 29, 2006, in connection with the consummation of the sale of shares of Class A Common Stock pursuant to the Underwriting Agreement, ATC converted all 15,469,415 shares of Class B Common Stock then held by it into shares of Class A Common Stock that were sold to the Underwriters and TW/TAE converted 1,571,409 shares of Class B Common Stock then held by it into shares of Class A Common Stock that were sold to the Underwriters.

Item 4. Purpose of Transaction.

Time Warner beneficially holds 33,322,915 shares of Class B Common Stock of Time Warner Telecom.

Time Warner, Historic TW, TWC, WCI and TW/TAE review and evaluate their investment in Time Warner Telecom from time to time consistent with the contractual restrictions described in Item 6. On the basis of such review and evaluation, Time Warner, Historic TW, TWC, WCI and TW/TAE may transfer or otherwise dispose of some or all of their holdings of Time Warner Telecom securities from time to time in market transactions, private placements or otherwise or may participate in an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Time Warner Telecom. Time Warner has engaged in the sale of non-strategic assets, and has indicated to

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

Time Warner Telecom that it does not consider its investment in Time Warner Telecom to be strategic.

15

The consummation of the sale of shares of Class A common stock of Time Warner Telecom by the Selling Stockholders pursuant to the Underwriting Agreement occurred on March 29, 2006. The sale was effected pursuant to a Registration Statement on Form S-3 filed by Time Warner Telecom on March 17, 2006 (SEC File No. 333-132504-02), as supplemented by a prospectus supplement filed March 24, 2006. In connection with the sale of such Class A Common Stock, ATC converted all 15,469,415 shares of Class B Common Stock then held by it into shares of Class A Common Stock that were sold to the Underwriters, TW/TAE converted 1,571,409 shares of Class B Common Stock then held by it into shares of Class A Common Stock that were sold to the Underwriters, and Advance and Newhouse together converted an aggregate of 5,269,176 shares of Class B Common Stock then held by them into shares of Class A Common Stock that were sold to the Underwriters.

In addition, as described in Item 6 below, pursuant to the Class B Stockholders' Agreement, as long as the Reporting Persons beneficially own at least 13.34% of the total outstanding common stock of Time Warner Telecom, the Reporting Persons have the ability to appoint four directors to the board of directors of Time Warner Telecom.

Other than as reported in this Item 4, none of the Reporting Persons has any current plans or proposals that relate to or would result in (i) the acquisition or disposition of securities of Time Warner Telecom; (ii) initiating an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Time Warner Telecom or any of its subsidiaries; (iii) a sale or transfer of a material amount of assets of Time Warner Telecom or any of its subsidiaries; (iv) any change in the present board of directors or management of Time Warner Telecom including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (v) any material change in the present capitalization or dividend policy of Time Warner Telecom; (vi) initiating any other material change in Time Warner Telecom's business or corporate structure; (vii) changes in Time Warner Telecom's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition or control of Time Warner Telecom by any person; (viii) causing a class of securities of Time Warner Telecom to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (ix) causing a class of equity securities of Time Warner Telecom to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (x) any action similar to any of those enumerated in clauses (i) through (ix) of this sentence.

However, as set forth above in this Item 4, Time Warner does not consider its investment in Time Warner Telecom to be strategic and, subject to the restrictions described in Item 6 below, the Reporting Persons may transfer or otherwise dispose of some or all of their holdings of Time Warner Telecom securities from time to time in the future.

16

Item 5. Interest in Securities of the Issuer.

The Reporting Persons directly own the following shares of Class B Common

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

Stock of Time Warner Telecom:

Reporting Person -----	Class A Common Stock -----
Warner Communications Inc.	28,159,106

TW/TAE, Inc.	1,796,200

In addition, each Reporting Person listed above beneficially owns an equal number of shares of Class A Common Stock by virtue of that party's ownership of Class B Common Stock, which is convertible at any time on a share-for-share basis into Class A Common Stock.

Because each of the Reporting Persons listed above is an indirect wholly owned subsidiary of Time Warner, Time Warner may be deemed to be the indirect beneficial owner of the shares of Class B Common Stock (and Class A Common Stock due to the conversion explained above) owned by such Reporting Persons. Accordingly, Time Warner and the Reporting Persons, as a group, beneficially own 33,322,915 shares of Class B Common Stock and an equal number of shares of Class A Common Stock (due to the conversion right) and may be deemed to share voting and dispositive power.

Because of the provisions of the Class B Stockholders' Agreement, described in Item 6 below, relating to the voting and disposition of the Class B Common Stock by Time Warner, Advance and Newhouse (together with the Reporting Persons, the "Existing Stockholders"), the Existing Stockholders may be deemed to constitute a "group". The Existing Stockholders collectively have beneficial ownership of 43,626,658 shares of Class B Common Stock (and 43,626,658 shares of Class A Common Stock, based upon conversion of the Class B Common Stock). The Reporting Persons disclaim beneficial ownership of any of the shares owned by Advance or Newhouse.

No director or executive officer of Time Warner, Historic TW, TWC, WCI or TW/TAE owns shares of common stock of Time Warner Telecom, other than Spencer B. Hays, a director of Historic TW, TWC, WCI and TW/TAE, who has reported that he has sole voting and dispositive power over 2,000 shares of Class A Common Stock of Time Warner Telecom that were purchased in the open market with personal funds.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Class B Stockholders Agreement -----

The Reporting Persons are party to the Class B Stockholders' Agreement, which was entered into when Time Warner Telecom was reconstituted as a corporation from a limited liability company in May 1999. The Class B Stockholders' Agreement was amended on July 19, 2000. AT&T, a former Class B Stockholder, converted its Class B Common Stock into Class A Common Stock during 2001 and subsequently sold or transferred all of its Class A Common Stock. The following summary description of the Class B Stockholders' Agreement does not purport to be complete and is qualified in its entirety by reference to the text of such agreement, which is attached as Exhibit 2 to the original Statement filed on January 23, 2001, and to

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

the first amendment to the Class B Stockholders' Agreement, which is filed as Exhibit 4.2 to Time Warner Telecom's Annual Report on Form 10-K for the year ended December 31, 2000 and incorporated by reference herein. Additionally, there can be no assurance that the Existing Stockholders will not cause the Class B Stockholders' Agreement to be amended, waived or terminated or cause Time Warner Telecom to waive any provision of such agreement.

Under the Class B Stockholders' Agreement, the Reporting Persons have the right to designate four nominees for the Time Warner Telecom Board of Directors. Advance and Newhouse (the "Advance/Newhouse stockholder group") have the right to designate one board member. The ability of the Reporting Persons and the Advance/Newhouse stockholder group to designate any nominees depends on the identity of the particular stockholder and the percentage of shares of common stock owned by them. As of the date hereof, the Reporting Persons (as a group) and the Advance/Newhouse stockholder group must each beneficially own at least 6.68% of Time Warner Telecom's total outstanding common stock, including Class A Common Stock and Class B Common Stock (the "TWTC Common Stock"), to appoint one director. The Reporting Persons are entitled to nominate four directors so long as they beneficially own at least 13.34% of the TWTC Common Stock. If the Reporting Persons beneficially own less than 13.34% of the TWTC Common Stock, the number of directors they may nominate decreases proportionally with their ownership of the TWTC Common Stock until they beneficially own less than 6.68%. The Advance/Newhouse stockholder group is entitled to nominate one director as long as it beneficially owns at least 6.68% of the TWTC Common Stock. Neither the Reporting Persons (as a group) nor the Advance/Newhouse stockholder group has the right to designate nominees if it beneficially owns less than 6.68% of the TWTC Common Stock. These percentages will continue to adjust from time to time if Time Warner Telecom issues additional shares of TWTC Common Stock or takes actions such as stock splits or recapitalizations so as to maintain the same relative rights.

The Class B Stockholders' Agreement requires the holders of Class B Common Stock to vote their shares in favor of the following nominees to the Time Warner Telecom Board of Directors:

- o the nominees selected by the holders of Class B Common Stock as previously described;
- o the Chief Executive Officer of the Company; and
- o three nominees who are not affiliated with the Company or any holder of Class B Common Stock and are approved by the directors other than the CEO and the independent directors.

The Class B Stockholders' Agreement prohibits the Class B Stockholders from any transfer of Class B Common Stock, unless expressly permitted by the agreement. In addition, the Class B Stockholders' Agreement prohibits any of the Class B Stockholders from entering into voting agreements relating to the Class B Common Stock with any third party.

If a holder of Class B Common Stock wants to sell all of its Class B Common Stock pursuant to a bona fide offer from an unaffiliated third party, that stockholder must give notice (the "Refusal Notice") to all holders of Class B Common Stock. The Refusal Notice must contain the identity of the offeror and an offer to sell the stock to the other Class B stockholders on the same terms and subject to the same conditions as the offer from the third party. The non-selling holders of Class B Common Stock will have the right to purchase pro rata all, but not less than all, of the Class B Common Stock. If the non-selling holders fail to

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

exercise their right to purchase all of the shares, the selling Class B stockholder is free, for a period of 90 days, to sell the shares of Class B Common Stock (as shares of Class B Common Stock) to the third party offeror on terms and conditions no less favorable to the selling Class B stockholder than those contained in the Refusal Notice. A Class B stockholder may transfer all of its right to nominate Class B nominees for election to the Board of Directors if it sells all of its shares of Class B Common Stock. If Time Warner wants to sell all of its Class B Common Stock and its Class A Common Stock that represent more than one-third of the outstanding shares of TWTC Common Stock, the other holders of Class B Common Stock will have certain "tag-along" rights. These rights provide them the right to sell their shares of Class A Common Stock and Class B Common Stock on a pro rata basis along with, and on the same terms and conditions as, Time Warner. In that sale, Time Warner (and any other stockholder transferring all of its shares of Class B Common Stock) will have the right to transfer its right to nominate Class B nominees for election to the Board of Directors.

Except for transfers to affiliates and the other transfers described above, all shares of Class B Common Stock must be converted to Class A Common Stock immediately prior to any direct transfer or certain indirect transfers of Class B Common Stock. In addition, except for transfers described in the paragraph above, a stockholder will not have the right to transfer its right to nominate Class B nominees. A Class B stockholder that spins off to its stockholders a company holding its shares of Class B Common Stock (as well as other assets) is not required to convert its shares into Class A Common Stock and its right to nominate Class B nominees to the Board of Directors will not terminate.

Lockup Agreement

In connection with the sale of Class A Common Stock by Selling Stockholders, the Selling Stockholders agreed, without the prior written consent of Deutsche Bank Securities Inc. and Morgan Stanley & Co. Incorporated, not to, during the period ending 90 days immediately after March 23, 2006:

o offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of directly or indirectly, any shares of TWTC Common Stock or any securities convertible into or exercisable or exchangeable for TWTC Common Stock;

o enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of TWTC Common Stock; or

o file any registration statement with the SEC relating to the offering of any shares of TWTC Common Stock or any securities convertible into or exercisable or exchangeable for TWTC Common Stock;

whether any transaction described above is to be settled by delivery of TWTC Common Stock or such other securities, in cash or otherwise.

The restrictions described in the preceding paragraph do not apply to:

o the issuance and sale of the Class A Common Stock offered by the prospectus supplement relating to the sale of the shares;

Edgar Filing: TIME WARNER TELECOM INC - Form SC 13D/A

o the sale by any Time Warner Telecom directors and officers of shares of Time Warner Telecom Class A Common Stock through existing Time Warner Telecom Rule 10b5-1 plans as in effect on March 16, 2006;

o the transfer by any Time Warner Telecom directors and officers as a bona fide gift of Time Warner Telecom Class A Common Stock, provided that the transferee agrees to be bound by such restrictions and certain other conditions are satisfied;

o direct or indirect transfers or disposals by any of the Selling Stockholders of shares of TWTC Common Stock or any security convertible into or exercisable or exchangeable for TWTC Common Stock, provided that the transferee (if other than Time Warner Telecom) agrees to be bound by such restrictions;

o the tender by any of the Selling Stockholders of their shares of TWTC Common Stock into a tender offer for all of the shares of TWTC Common Stock or the direct or indirect transfer or disposal of shares of TWTC Common Stock or any security convertible into or exercisable or exchangeable for TWTC Common Stock as part of a business combination transaction involving Time Warner Telecom; or

o certain transactions by any person other than Time Warner Telecom relating to shares of Time Warner Telecom Class A Common Stock or other securities acquired in open market transactions after the completion of the sale of the shares in the offering described in the prospectus supplement.
