EXPLANATORY NOTE

Time Warner Inc. (the “Registrant”) has prepared this Registration Statement in accordance with the requirements of Form S-8 under the Securities Act of 1933, as amended (the “Securities Act”), to register an additional \$18,000,000 of deferred compensation obligations relating to the Time Warner Inc. Deferred Compensation Plan (the “Plan”).

Pursuant to General Instruction E to Form S-8, this Registration Statement incorporates by reference the contents of the Registrant’s Registration Statements on Form S-8, Registration Nos. 333-53580 and 333-104135, filed with the Securities and Exchange Commission (the “SEC”) on January 11, 2001 and March 31, 2003, respectively, except as otherwise updated or modified in this registration statement.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents filed with the SEC by the Registrant pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”) or as otherwise indicated, are hereby incorporated by reference in this Registration Statement and shall be deemed to be a part hereof:

- (a) The Registrant’s Annual Report on Form 10-K for the year ended December 31, 2010 (filing date February 18, 2011).
- (b) The Registrant’s Current Report on Form 8-K dated January 19, 2011 (filing date January 21, 2011).
- (c) The Registrant’s Current Report on Form 8-K dated January 11, 2001 (filing date January 12, 2001) in which it is reported that the common stock, par value \$0.01 per share, of the Registrant is deemed registered pursuant to Rule 12g-3(c) under the Exchange Act.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act (other than any portion of such filings that are furnished under applicable SEC rules rather than filed) prior to the filing of a post-effective amendment that indicates that all securities offered have been sold or that deregisters all securities then remaining unsold, shall be deemed to be incorporated herein by reference and shall be deemed a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein and to be a part hereof shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Under the Plan, the Registrant has provided eligible employees the opportunity to defer a specified percentage or amount of their cash compensation. The obligations of the Registrant under the Plan (the “Obligations”) will be unsecured general obligations of the Registrant to pay the deferred compensation in the future in accordance with the terms of the Plan, and will rank on a parity with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding. However, because the Registrant is a holding company, the right of the Registrant, and

hence the right of creditors of the Registrant (including participants in the Plan), to participate in any distribution of the assets of any subsidiary upon its liquidation or reorganization or otherwise is necessarily subject to the prior claims of creditors of the subsidiary, except to the extent that claims of the Registrant itself as a creditor of the subsidiary may be recognized. Accordingly, participants in the Plan may be deemed to be effectively subordinated to such claims. In addition, dividends, loans and advances from certain subsidiaries to the Registrant are restricted by certain agreements.

The amount of compensation deferred by each participating employee (each a "Participant") is determined in accordance with the Plan based on elections by each Participant. Each Obligation will be payable on the date selected by each Participant in accordance with the terms of the Plan or, if earlier, death, disability or other termination of employment pursuant to the terms of the Plan. The Obligations will be indexed to one or more investment crediting rate options (the "Crediting Rate Options") individually chosen by each Participant from a list of investment fund options. Each Participant's Obligation will be adjusted to reflect the investment experience, whether positive or negative, of the selected Crediting Rate Options, including any appreciation or depreciation. The Obligations will be denominated and be payable in United States dollars.

A Participant's right or the right of any other person to the Obligations cannot be assigned, alienated, sold, garnished, transferred, pledged, or encumbered except by a written designation of a beneficiary under the Plan, by written will, or by the laws of descent and distribution.

The Obligations are not subject to redemption, in whole or in part, prior to the individual payment dates specified by each Participant, at the option of the Registrant or through operation of a mandatory or optional sinking fund or analogous provision. However, the Registrant reserves the right to amend or terminate the Plan at any time, except that no such amendment or termination shall adversely affect the right of the Participant to the balance of his or her deferred account as of the date of such amendment or termination.

The Obligations are not convertible into another security of the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Registrant. No trustee has been appointed having the authority to take action with respect to the Obligations and each Participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendments pertaining to the Obligations, enforcing covenants and taking action upon default.

Item 5. Interests of Named Experts and Counsel.

Brenda C. Karickhoff, who is providing an opinion on the legality of the Obligations being registered hereby, is Senior Vice President and Deputy General Counsel of the Registrant. As an employee of the Registrant, Ms. Karickhoff participates in equity compensation plans of the Registrant, on the same basis as other similarly eligible employees, pursuant to which she owns or has options or rights to acquire an aggregate of less than 1% of the Registrant's outstanding common stock. Ms. Karickhoff is eligible to and does participate in the Plan.

Item 6. Indemnification of Directors and Officers.

Under Delaware law, a corporation may indemnify any individual made a party or threatened to be made a party to any type of proceeding, other than an action by or in the right of the corporation, because he or she is or was an officer, director, employee or agent of the corporation or was serving at the request of the corporation as an officer, director, employee or agent of another corporation or entity against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such proceeding: (a) if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; or (b) in the case of a criminal proceeding, he or she had no reasonable cause to believe that his or her conduct was unlawful. A corporation may indemnify any individual made a party or threatened to be made a party to any threatened, pending or completed action or suit brought by or in the right of the corporation because he or she was an officer, director,

employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, against expenses actually and reasonably incurred in connection with such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, provided that such indemnification will be denied if the individual is found liable to the corporation unless, in such a case, the court determines the person is nonetheless entitled to indemnification for such expenses. A corporation must indemnify a present or former director or officer who successfully defends himself or herself in a proceeding to which he or she was a party because he or she was a director or officer of the corporation against expenses actually and reasonably incurred by him or her. Expenses incurred by an officer or director, or any employees or agents as deemed appropriate by the board of directors, in defending civil or criminal proceedings may be paid by the corporation in advance of the final disposition of such proceedings upon receipt of an undertaking by or on behalf of such director, officer, employee or agent to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the corporation. The Delaware law regarding indemnification and expense advancement is not exclusive of any other rights which may be granted by the Registrant's Restated Certificate of Incorporation or By-laws, as amended, a vote of stockholders or disinterested directors, agreement or otherwise.

Under Delaware law, termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that such person is prohibited from being indemnified.

Delaware law permits a corporation to adopt a provision in its certificate of incorporation eliminating or limiting the personal liability of a director, but not an officer in his or her capacity as such, to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except that such provision shall not limit the liability of a director for (a) any breach of the director's duty of loyalty to the corporation or its stockholders, (b) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (c) unlawful payment of dividends or stock purchases or redemptions or (d) any transaction from which the director derived an improper personal benefit.

Article IX of the Registrant's Restated Certificate of Incorporation provides that, to the fullest extent of Delaware law, no director of the Registrant shall be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director.

Article VI of the Registrant's By-laws requires indemnification, to the fullest extent permitted under Delaware law or other applicable law, of any person who is or was a director or officer of the Registrant and who is or was involved in any manner or threatened to be made so involved in any threatened, pending or completed investigation, claim, action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was serving as a director, officer, employee or agent of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such proceeding; provided, however, that the foregoing shall not apply to a director or officer with respect to a proceeding that was commenced by such director or officer except under certain circumstances.

In addition, the Registrant's By-laws provide that all reasonable expenses incurred by or on behalf of a director or officer in connection with any investigation, claim, action, suit or proceeding will be advanced to the director or officer by the Registrant upon the request of the director or officer, which request, if required by law, will include an undertaking by or on behalf of the director or officer to repay the amounts advanced if ultimately it is determined that the director or officer was not entitled to be indemnified against the expenses.

The indemnification rights provided in Article VI of the Registrant's By-laws are not exclusive of any other right to which persons seeking indemnification may otherwise be entitled.

As permitted by Delaware law, Article VI of the Registrant's By-laws authorizes the Registrant to purchase and maintain insurance to protect itself and any director, officer, employee and agent against claims and liabilities that such persons may incur in such capacities.
