The legality of the shares of Common Stock offered hereby has been passed upon for the Company by Newman, Pollock & Klein, LLP. A portion of the shares being registered herein are being issued to Newman, Pollock & Klein, LLP for legal services provided to the Company.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Nevada State Law provides that a corporation may indemnify its directors, officers, employees and agents against liabilities and reasonable expenses (including attorneys' fees) incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal (a "Proceeding"), by reason of being or having been a director, officer, employee, fiduciary or agent of the Corporation, if such person acted in good faith and reasonably believed that his conduct in his official capacity with the Corporation was in the best interests of the Corporation (or, with respect to employee benefit plans, was in the best interests of the participants in or beneficiaries of the plan), and in all other cases his conduct was at least not

3

opposed to the Corporation's best interests. In the case of a criminal proceeding, the director, officer, employee or agent must have had no reasonable cause to believe his conduct was unlawful. The Corporation may not indemnify a director, officer, employee or agent in connection with a proceeding by or in the right of the Corporation if such person is adjudged liable to the Corporation, or in a proceeding in which such person is adjudged liable for receipt of an improper personal benefit. Unless limited by the Corporation's Articles of Incorporation, the Corporation shall be required to indemnify a director or officer of the Corporation who is wholly successful, on the merits or otherwise, in defense of any proceeding to which he was a party, against reasonable expenses incurred by him in connection with the proceeding. The foregoing indemnification is not exclusive of any other rights to which those indemnified may be entitled under applicable law, the Corporation's Articles of Incorporation, Bylaws, agreement, vote of shareholders or disinterested directors, or otherwise. The Corporation's Articles of Incorporation and Bylaws generally provide for indemnification of directors, officers, employees and agents to the fullest extent allowed by law.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "1933 Act") may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of us in the successful

defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

ITEM 9. UNDERTAKINGS

(a) The undersigned registrant will:

(1) File, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:

(i) Include any prospectus required by Section 10(a)(3) of the Act;

(ii) Reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) Include any additional or changed material information

Edgar Filing: QUANTUM GROUP INC /FL - Form S-8

with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) For purposes of determining any liability under the Securities Act, treat each post-effective amendment as a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) File a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the

5

registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report, to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Articles 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
