ABOUT THIS PROSPECTUS

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

We are a self-managed and self-administered real estate investment trust, commonly referred to as a REIT, formed under the laws of the State of Maryland. Our primary business is the acquisition, ownership and management of a geographically diverse portfolio of net leased office, industrial and retail properties. Substantially all of our properties are subject to triple net leases, which are generally characterized as leases in which the tenant bears all or substantially all of the costs and cost increases for real estate taxes, utilities, insurance and ordinary repairs and maintenance.

We grow our portfolio primarily by acquiring properties from corporations and other entities in sale-leaseback transactions and from developers of newly-constructed properties built to suit the needs of a corporate tenant. We have diversified our portfolio by geographical location, tenant industry segment, lease term expiration and property type with the intention of providing steady internal growth with low volatility. We believe that such diversification should help insulate us from regional recession, industry specific downturns and price fluctuations by property type. As part of our ongoing efforts, we expect to continue to effect portfolio and individual property acquisitions and dispositions, through joint ventures and for our own account, expand existing properties, extend lease maturities in advance of expiration and refinance outstanding indebtedness when advisable. We also expect to continue to enter into joint ventures with third-party investors as a means of creating additional growth and expanding the revenue realized from advisory and asset management activities.

Our operating partnership structure enables us to acquire properties by issuing to sellers, as a form of consideration, limited partnership interests in any of our three operating partnership subsidiaries. We refer to these limited partnership interests as OP units. The OP units are redeemable, after certain dates, for our common shares. We believe that this structure facilitates our ability to raise capital and to acquire portfolio and individual properties by enabling us to structure transactions which may defer tax gains for a contributor of property while preserving our available cash for other purposes, including the payment of dividends and distributions.

Our principal executive offices are located at 355 Lexington Avenue, New York, New York 10017, our telephone number is (212) 692-7260 and our Internet address is www.lxp.com.

DESCRIPTION OF OUR COMMON SHARES

The following summary of the material terms and provisions of our common shares does not purport to be complete and is subject to the detailed provisions of our declaration of trust and our By-Laws, each of which is incorporated by reference into this prospectus. You should carefully read each of these documents in order to fully understand the terms and provisions of our common shares. For information on incorporation by reference, and how to obtain copies of these documents, see the sections entitled "WHERE YOU CAN FIND MORE INFORMATION" on page 24 of this prospectus and "INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE" on page 24 of this prospectus.

General

Under our declaration of trust, our board of trustees has authority to issue 80,000,000 common shares. Under Maryland law, our shareholders generally are not responsible for our debts or obligations as a result of their status as shareholders.

Terms

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Subject to the preferential rights of any other shares or series of equity securities and to the provisions of our declaration of trust regarding excess shares, holders of our common shares are entitled to receive dividends on our common shares if, as and when authorized and declared by our board of trustees out of assets legally available therefor and to share ratably in those of our assets legally available for distribution to our shareholders in the event that we liquidate, dissolve or wind up, after payment of, or adequate provision for, all of our known debts and liabilities and the amount to which holders of any class of shares classified or reclassified or having a preference on distributions in liquidation, dissolution or winding up have a right.

Subject to the provisions of our declaration of trust regarding excess shares, each outstanding common share entitles the holder to one vote on all matters submitted to a vote of shareholders, including the election of trustees and, except as otherwise required by law or except as otherwise provided in our declaration of trust with respect to any other class or series of shares, the holders of our common shares will possess exclusive voting power. There is no cumulative voting in the election of trustees, which means that the holders of a majority of our outstanding common shares can elect all of the trustees then standing for election, and the holders of the remaining common shares will not be able to elect any trustees.

Holders of our common shares have no conversion, sinking fund or redemption rights, or preemptive rights to subscribe for any of our securities.

We furnish our shareholders with annual reports containing audited consolidated financial statements and an opinion thereon expressed by an independent public accounting firm.

Subject to the provisions of our declaration of trust regarding excess shares, all of our common shares will have equal dividend, distribution, liquidation and other rights and will have no preference, appraisal or exchange rights.

Pursuant to the Maryland REIT Law, a real estate investment trust generally cannot amend its declaration of trust or merge unless approved by the affirmative vote of shareholders holding at least two-thirds of the shares entitled to vote on the matter unless a lesser percentage (but not less than a majority of all of the votes to be cast on the matter) is set forth in our declaration of trust. Our declaration of trust provides that those actions, with the exception of certain amendments to our declaration of trust for which a higher vote requirement has been set, will be valid and effective if authorized by holders of a majority of the total number of shares of all classes outstanding and entitled to vote thereon.

Restrictions on Ownership

For the Company to qualify as a REIT under the Internal Revenue Code of 1986, as amended (which is commonly referred to as the Code), not more than 50% in value of its outstanding capital shares may be owned, directly or indirectly, by five or fewer individuals (as defined in the Code to include certain entities) during the last

half of a taxable year. To assist the Company in meeting this requirement, the Company may take certain actions to limit the beneficial ownership, directly or indirectly, by a single person of the Company's outstanding equity securities. See "RESTRICTIONS ON TRANSFERS OF CAPITAL STOCK AND ANTI-TAKEOVER PROVISIONS" beginning on page 19 of this prospectus.

Transfer Agent

The transfer agent and registrar for our common shares is Mellon Investor Services, LLC.

DESCRIPTION OF OUR PREFERRED SHARES

The following summary of the material terms and provisions of our preferred shares does not purport to be complete and is subject to the detailed provisions of our declaration of trust (including any applicable articles supplementary, amendment or annex to our declaration of trust designating the terms of a series of preferred shares) and our By-Laws, each of which is incorporated by reference into this prospectus. You should carefully read each of these documents in order to fully understand the terms and provisions of our preferred shares. For information on incorporation by reference, and how to obtain copies of these documents, see the sections entitled "WHERE YOU CAN FIND MORE INFORMATION" on page 24 of this prospectus and "INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE" on page 24 of this prospectus.

General

Under our declaration of trust, we have authority to issue 10,000,000 preferred shares from time to time, in one or more series, as authorized by our board of trustees. As of the date of this prospectus, the only series of preferred shares that are outstanding are our 8.05% Series B Cumulative Redeemable Preferred Stock. See "-Terms of Our 8.05% Series B Cumulative Redeemable Preferred Stock" below; all of our Series A Senior Cumulative Convertible Preferred Stock, par value \$0.0001 per share, were converted into our common shares in April 2002.

Subject to limitations prescribed by Maryland law and our declaration of trust, our board of trustees is authorized to fix the number of shares constituting each series of preferred shares and the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption. The preferred shares will, when issued against payment therefor, be fully paid and nonassessable and will not be subject to preemptive rights. Our board of trustees could authorize the issuance of preferred shares with terms and conditions that could have the effect of discouraging a takeover or other transaction that holders of common shares might believe to be in their best interests or in which holders of common shares might receive a premium for their common shares over the then-current market price of their shares.

Terms

Reference is made to the applicable prospectus supplement relating to the preferred shares offered thereby for specific terms, including:

- (1) the title and stated value of the preferred shares;
- (2) the number of preferred shares offered, the liquidation preference per share and the offering price of the preferred shares;
- (3) the dividend rate(s), period(s), and/or payment date(s) or method(s) of calculation thereof applicable to the preferred shares;

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

- (4) the date from which dividends on the preferred shares shall accumulate, if applicable;
- (5) the provisions for a sinking fund, if any, for the preferred shares;
- (6) the provisions for redemption, if applicable, of the preferred shares;
- (7) any listing of the preferred shares on any securities exchange;
- (8) the terms and conditions, if applicable, upon which the preferred shares will be convertible into common shares, including the conversion price (or manner of calculation thereof);
- (9) a discussion of federal income tax considerations applicable to the preferred shares;

4

- (10) the relative ranking and preferences of the preferred shares as to dividend rights and rights upon our liquidation, dissolution or winding-up of our affairs;
- (11) any limitations on issuance of any series of preferred shares ranking senior to or on a parity with the preferred shares as to dividend rights and rights upon our liquidation, dissolution or winding-up of our affairs;
- (12) any limitations on direct or beneficial ownership of our securities and restrictions on transfer of our securities, in each case as may be appropriate to preserve our status as a REIT; and
- (13) any other specific terms, preferences, rights, limitations or restrictions of the preferred shares.

Rank

Unless otherwise specified in the applicable prospectus supplement, the preferred shares rank, with respect to dividend rights and rights upon our liquidation, dissolution or winding-up, and allocation of our earnings and losses: (i) senior to all classes or series of our common shares, and to all equity securities ranking junior to the preferred shares, (ii) on a parity with all equity securities issued by us the terms of which specifically provide that such equity securities rank on a parity with the preferred shares; and (iii) junior to all equity securities issued by us the terms of which specifically provide that such equity securities rank senior to the preferred shares. As used in this prospectus, the term "equity securities" does not include convertible debt securities.

Dividends

Subject to any preferential rights of any outstanding securities or series of securities, the holders of preferred shares will be entitled to receive dividends, when, as and if declared by our board of trustees, out of assets legally available for payment. Dividends will be paid at such rates and on such dates as will be set forth in the applicable prospectus supplement. Dividends will be payable to the holders of record of preferred shares as they appear on our share transfer books on the applicable record dates fixed by our board of trustees. Dividends on any series of our preferred shares may be cumulative or non-cumulative, as provided in the applicable prospectus supplement.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Redemption

If so provided in the applicable prospectus supplement, the preferred shares offered thereby will be subject to mandatory redemption or redemption at our option, as a whole or in part, in each case upon the terms, at the times and at the redemption prices set forth in such prospectus supplement.

Liquidation Preference

Upon any voluntary or involuntary liquidation, dissolution or winding-up of our affairs, and before any distribution or payment shall be made to the holders of any common shares or any other class or series of shares ranking junior to our preferred shares, the holders of our preferred shares shall be entitled to receive, after payment or provision for payment of our debts and other liabilities, out of our assets legally available for distribution to shareholders, liquidating distributions in the amount of the liquidation preference per share, if any, set forth in the applicable prospectus supplement, plus an amount equal to all dividends accrued and unpaid thereon (which shall not include any accumulation in respect of unpaid noncumulative dividends for prior dividend periods). After payment of the full amount of the liquidating distributions to which they are entitled, the holders of preferred shares will have no right or claim to any of our remaining assets. In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding-up of our affairs, the legally available assets are insufficient to pay the amount of the liquidating distributions on all of our outstanding preferred shares and the corresponding amounts payable on all of our other outstanding equity securities ranking on a parity with the preferred shares in the distribution of assets upon our liquidation, dissolution or winding-up of our affairs, then the holders of our preferred shares and the

5

holders of such other outstanding equity securities shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

If liquidating distributions are made in full to all holders of our preferred shares, our remaining assets shall be distributed among the holders of any other classes or series of equity securities ranking junior to the preferred shares in the distribution of assets upon our liquidation, dissolution or winding-up of our affairs, according to their respective rights and preferences and in each case according to their respective number of shares.

If we consolidate or merge with or into, or sell, lease or convey all or substantially all of our property or business to, any corporation, trust or other entity, such transaction shall not be deemed to constitute a liquidation, dissolution or winding-up of our affairs.

Voting Rights

Unless otherwise from time to time required by law, or as otherwise indicated in the applicable prospectus supplement, holders of our preferred shares will not have any voting rights.

Conversion Rights

The terms and conditions, if any, upon which our preferred shares are convertible into common shares will be set forth in the applicable prospectus supplement. Such terms will include the number of common shares into which the preferred shares are convertible, the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at the option of the holders of the preferred shares or at our option, the events

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of such preferred shares.

Restrictions on Ownership

For us to qualify as a REIT under the Code, not more than 50% in value of our outstanding capital shares may be owned, directly or indirectly, by five or fewer individuals (as defined in the Code to include certain entities) during the last half of a taxable year. To assist us in meeting this requirement, we may take certain actions to limit the beneficial ownership, directly or indirectly, by a single person of our outstanding equity securities, including any series of our preferred shares. Therefore, the applicable amendment or annex to our declaration of trust designating the terms of a series of preferred shares may contain provisions restricting the ownership and transfer of such preferred shares. The applicable prospectus supplement will specify any additional ownership limitation relating to the preferred shares being offered thereby. See "RESTRICTIONS ON TRANSFERS OF CAPITAL STOCK AND ANTI-TAKEOVER PROVISIONS" beginning on page 19 of this prospectus.

Transfer Agent

The transfer agent and registrar for our preferred shares will be set forth in the applicable prospectus supplement.

Terms of Our 8.05% Series B Cumulative Redeemable Preferred Stock

General. In June 2003, we sold 3,160,000 preferred shares of beneficial interest classified as 8.05% Series B Cumulative Redeemable Preferred Stock, which we refer to as the Series B Preferred Shares. The Series B Preferred Shares are not convertible into our common shares and are listed on the New York Stock Exchange under the symbol "LXP_pb."

Dividends. The holders of the Series B Shares are entitled to receive cumulative cash dividends at a rate of 8.05% of the \$25.00 liquidation preference per year (equivalent to \$2.0125 per year per share).

Liquidation Preference. If we liquidate, dissolve or wind up, holders of our Series B Preferred Shares will have the right to receive \$25.00 per share, plus accrued and unpaid dividends (whether or not declared) to and

6

including the date of payment before any payments are made to the holders of our common shares and any other capital shares ranking junior to the Series B Preferred Shares as to liquidation rights.

Redemption. We may not redeem the Series B Preferred Shares prior to June 19, 2008, except in limited circumstances relating to the preservation of our status as a REIT. On or after June 19, 2008, we may, at our option, redeem the Series B Preferred Shares, in whole or in part, at any time and from time to time, for cash equal to \$25.00 per share, plus any accrued and unpaid dividends, if any, to and including the date of redemption.

Conversion. The Series B Preferred Shares are not convertible into, or exchangeable for, any other property or securities, except that we may exchange shares of the Series B Preferred Shares for shares of excess stock in order to ensure that we remain a qualified REIT for federal income tax purposes.

Rank. With respect to the payment of dividends and amounts upon liquidation, dissolution or winding up, the Series B Preferred Share rank

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

(i) senior to all classes or series of our common shares and to all equity securities ranking junior to our Series B Preferred Shares, (ii) on a parity with all equity securities issued by us the terms of which specifically provide that such equity securities rank on a parity with our Series B Preferred Shares, and (iii) junior to all equity securities issued by us the terms of which specifically provide that such equity securities rank senior to our Series B Preferred Shares.

Voting Rights. Holders of the Series B Preferred Shares will generally have no voting rights. However, if we do not pay dividends on the Series B Preferred Shares for six or more quarterly periods (whether or not consecutive), the holders of the Series B Preferred Shares voting together as a class with the holders of all other classes or series of our equity securities ranking on parity with the Series B Preferred Shares which are entitled to similar voting rights, will be entitled to vote at the next annual meeting of our shareholders for the election of two additional trustees to serve on our board of trustees until all unpaid cumulative dividends have been paid or declared and set apart for payment.

7

DESCRIPTION OF OUR DEBT SECURITIES

We will issue our debt securities under one or more separate indentures between us and a trustee that we will name in the applicable supplement to this prospectus. A form of the indenture is attached as an exhibit to the registration statement of which this prospectus is a part. Following its execution, the indenture will be filed with the SEC and incorporated by reference in the registration statement of which this prospectus is a part.

The following summary describes certain material terms and provisions of the indenture and our debt securities. This summary is not complete and is subject to, and is qualified in its entirety by reference to, the provisions of the indenture. When we offer to sell a particular series of debt securities, we will describe the specific terms of the series in the applicable supplement to this prospectus. You should read the indenture for more details regarding the provisions we describe below and for other provisions that may be important to you. For information on incorporation by reference, and how to obtain a copy of the indenture, see the sections entitled "WHERE YOU CAN FIND MORE INFORMATION" on page 24 of this prospectus and "INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE" on page 24 of this prospectus.

General

The debt securities will be direct obligations of the Company, which may be secured or unsecured and may be either senior debt securities ("Senior Securities") or subordinated debt securities ("Subordinated Securities"). The debt securities will be issued under one or more indentures in the form filed as an exhibit to the Registration Statement of which this prospectus is a part (the "Form of Indenture"). As provided in the Form of Indenture, the specific terms of any Debt Security issued pursuant to an indenture will be set forth in one or more Supplemental Indentures, each dated as of a date of or prior to the issuance of the debt securities to which it relates (the "Supplemental Indentures" and each a "Supplemental Indenture"). Senior Securities and Subordinated Securities may be issued pursuant to separate indentures (respectively, a "Senior Indenture" and a "Subordinated Indenture"), in each case between the Company and a trustee (an "Indenture Trustee"), which may be the same Indenture Trustee, subject to such amendments or supplements as may be adopted from time to time. The Senior Indenture and the Subordinated Indenture, as amended or supplemented from time to time, are sometimes hereinafter referred to collectively as the "Indentures." The Indentures will be subject to and

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

governed by the Trust Indenture Act of 1939, as amended. The statements made under this heading relating to the debt securities and the Indentures are summaries of the provisions thereof, do not purport to be complete and are qualified in their entirety by reference to the Indentures and such debt securities.

Capitalized terms used herein and not defined shall have the meanings assigned to them in the applicable Indenture.

Terms

The indebtedness represented by the Senior Securities will rank equally with all other unsecured and unsubordinated indebtedness of the Company. The indebtedness represented by Subordinated Securities will be subordinated in right of payment to the prior payment in full of the Senior Debt of the Company as described under "--Subordination." The particular terms of the debt securities offered by a prospectus supplement will be described in the applicable prospectus supplement, along with any applicable federal income tax considerations unique to such debt securities. Accordingly, for a description of the terms of any series of debt securities, reference must be made to both the prospectus supplement relating thereto and the description of the debt securities set forth in this prospectus.

Except as set forth in any prospectus supplement, the debt securities may be issued without limits as to aggregate principal amount, in one or more series, in each case as established from time to time by the Company or as set forth in the applicable Indenture or in one or more Supplemental Indentures. All debt securities of one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of the holders of the debt securities of such series, for issuance of additional debt securities of such series.

8

The Form of Indenture provides that the Company may, but need not, designate more than one Indenture Trustee thereunder, each with respect to one or more series of debt securities. Any Indenture Trustee under an Indenture may resign or be removed with respect to one or more series of debt securities and a successor Indenture Trustee may be appointed to act with respect to such series. If two or more persons are acting as Indenture Trustee with respect to different series of debt securities, each such Indenture Trustee shall be an Indenture Trustee of a trust under the applicable Indenture separate and apart from the trust administered by any other Indenture Trustee, and, except as otherwise indicated herein, any action described herein to be taken by each Indenture Trustee may be taken by each such Indenture Trustee with respect to, and only with respect to, the one or more series of debt securities for which it is Indenture Trustee under the applicable Indenture.

The following summaries set forth certain general terms and provisions of the Indentures and the debt securities. The prospectus supplement relating to the series of debt securities being offered will contain further terms of such debt securities, including the following specific terms:

- (1) The title of such debt securities and whether such debt securities are secured or unsecured or Senior Securities or Subordinated Securities;
- (2) The aggregate principal amount of such debt securities and any limit on such aggregate principal amount;
- (3) The price (expressed as a percentage of the principal amount thereof) at which such debt securities will be issued and, if other than

(18) The provisions, if any, relating to the security provided for such debt securities; and

(19) Any other terms of such debt securities not inconsistent with the provisions of the applicable Indenture.

If so provided in the applicable prospectus supplement, the debt securities may be issued at a discount below their principal amount and provide for less than the entire principal amount thereof to be payable upon declaration of acceleration of the maturity thereof ("Original Issue Discount Securities"). In such cases, any special U.S. federal income tax, accounting and other considerations applicable to Original Issue Discount Securities will be described in the applicable prospectus supplement.

Except as may be set forth in any prospectus supplement, neither the debt securities nor the Indenture will contain any provisions that would limit the ability of the Company to incur indebtedness or that would afford holders of debt securities protection in the event of a highly leveraged or similar transaction involving the Company or in the event of a change of control, regardless of whether such indebtedness, transaction or change of control is initiated or supported by the Company, any affiliate of the Company or any other party. However, certain restrictions on ownership and transfers of the common shares and preferred shares are designed to preserve the Company's status as a REIT and, therefore, may act to prevent or hinder a change of control. See "RESTRICTIONS ON TRANSFERS OF CAPITAL STOCK AND ANTI-TAKEOVER PROVISIONS" beginning on page 19 of this prospectus. Reference is made to the applicable prospectus supplement for information with respect to any deletions from, modifications of, or additions to, the events of default or covenants of the Company that are described below, including any addition of a covenant or other provision providing event risk or similar protection.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Unless otherwise described in the applicable prospectus supplement, the debt securities of any series will be issuable in denominations of \$1,000 and integral multiples thereof.

Unless otherwise specified in the applicable prospectus supplement, the principal of (and applicable premium, if any) and interest on any series of debt securities will be payable at the corporate trust office of the applicable Indenture Trustee, the address of which will be stated in the applicable prospectus supplement; provided, however, that, at the option of the Company, payment of interest may be made by check mailed to the address of the person entitled thereto as it appears in the applicable register for such debt securities or by wire transfer of funds to such person at an account maintained within the United States.

Subject to certain limitations imposed upon debt securities issued in book-entry form, the debt securities of any series will be exchangeable for any authorized denomination of other debt securities of the same series and of a like aggregate principal amount and tenor upon surrender of such debt securities at the corporate trust office of the applicable Indenture Trustee or at the office of any transfer agent designated by the Company for such purpose. In addition, subject to certain limitations imposed upon debt securities issued in book-entry form, the debt securities of any series may be surrendered for conversion or registration of transfer or exchange thereof at the corporate trust office of the applicable Indenture Trustee or at the office of any transfer agent designated by the Company for such purpose. Every Debt Security surrendered for conversion, registration of transfer or exchange must be duly endorsed or accompanied by a written instrument of transfer, and the person requesting such action must provide evidence of title and identity satisfactory to the applicable Indenture Trustee or transfer agent. No service charge will be made for any registration of transfer or exchange of any debt securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. If the applicable prospectus supplement refers to any transfer agent (in addition to the applicable Indenture Trustee) initially designated by the Company with respect to any series of debt securities, the Company may at any time rescind the designation of any such transfer agent or approve a change in the location through which any such transfer agent acts, except that the Company will be required to maintain a transfer agent in each place of payment for such series. The Company may at any time designate additional transfer agents with respect to any series of debt securities.

Neither the Company nor any Indenture Trustee shall be required (i) to issue, register the transfer of or exchange debt securities of any series during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of any debt securities that may be selected for redemption and ending at the close of business on the day of such mailing; (ii) to register the transfer of or exchange any Debt Security, or portion thereof, so selected for redemption, in whole or in part, except the unredeemed portion of any Debt Security being redeemed in part; or (iii) to issue, register the transfer of or exchange any Debt Security that has been surrendered for repayment at the option of the holder, except the portion, if any, of such Debt Security not to be so repaid.

Merger, Consolidation or Sale of Assets

The Indentures will provide that the Company may, without the consent of the holders of any outstanding debt securities, consolidate with, or sell, lease or convey all or substantially all of its assets to, or merge with or into, any other entity provided that (a) either the Company shall be the continuing entity, or the successor entity (if other than the Company) formed by or resulting from any such consolidation or merger or which shall have received the transfer of such assets, is organized under the laws of any domestic

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

jurisdiction and assumes the Company's obligations to pay principal of (and premium, if any) and interest on all of the debt securities and the due and punctual performance and observance of all of the covenants and conditions contained in each Indenture; (b) immediately after giving effect to such transaction and treating any indebtedness that becomes an obligation of the Company or any subsidiary as a result thereof as having been incurred by the Company or such subsidiary at the time of such transaction, no event of default under the Indentures, and no event which, after notice or the lapse of time, or both, would become such an event of default, shall have occurred and be continuing; and (c) an officers' certificate and legal opinion covering such conditions shall be delivered to each Indenture Trustee.

11

Certain Covenants

Existence. Except as permitted under "--Merger, Consolidation or Sale of Assets," the Indentures will require the Company to do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (by declaration of trust, by-laws and statute) and franchises; provided, however, that the Company will not be required to preserve any right or franchise if its board of trustees determines that the preservation thereof is no longer desirable in the conduct of its business by appropriate proceedings.

Maintenance of Properties. The Indentures will require the Company to cause all of its material properties used or useful in the conduct of its business or the business of any subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; provided, however, that the Company and its subsidiaries shall not be prevented from selling or otherwise disposing of their properties for value in the ordinary course of business.

Insurance. The Indentures will require the Company to cause each of its and its subsidiaries' insurable properties to be insured against loss or damage with insurers of recognized responsibility and, if described in the applicable prospectus supplement, having a specified rating from a recognized insurance rating service, in such amounts and covering all such risks as shall be customary in the industry in accordance with prevailing market conditions and availability.

Payment of Taxes and Other Claims. The Indentures will require the Company to pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (i) all taxes, assessments and governmental charges levied or imposed upon it or any subsidiary or upon the income, profits or property of the Company or any subsidiary and (ii) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Company or any subsidiary; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith.

Provision of Financial Information. Whether or not the Company is subject to Section 13 or 15(d) of the Exchange Act, the Indentures will require the Company, within 15 days of each of the respective dates by which the Company

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

would have been required to file annual reports, quarterly reports and other documents with the Commission if the Company were so subject, (i) to file with the applicable Indenture Trustee copies of the annual reports, quarterly reports and other documents that the Company would have been required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act if the Company were subject to such Sections and (ii) to supply, promptly upon written request and payment of the reasonable cost of duplication and delivery, copies of such documents to any prospective holder.

Additional Covenants. Any additional covenants of the Company with respect to any series of debt securities will be set forth in the prospectus supplement relating thereto.

Events of Default, Notice and Waiver

Unless otherwise provided in the applicable prospectus supplement, each Indenture will provide that the following events are "Events of Default" with respect to any series of debt securities issued thereunder (i) default for 30 days in the payment of any installment of interest on any Debt Security of such series; (ii) default in the payment of principal of (or premium, if any, on) any Debt Security of such series at its maturity; (iii) default in making any sinking fund payment as required for any Debt Security of such series; (iv) default in the performance or breach of any other covenant or warranty of the Company contained in the Indenture (other than a covenant added to the Indenture solely for the benefit of a series of debt securities issued thereunder other than such series), continued for 60 days after written notice as provided in the applicable Indenture; (v) a default under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or any of its subsidiaries (including obligations under leases required to be capitalized on the balance sheet of the lessee under generally accepted accounting principles but not including any indebtedness or obligations for which recourse is limited to property purchased) in an aggregate principal amount in excess of \$30,000,000 or under any mortgage, indenture or instrument under which

12

there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or any its subsidiaries (including such leases, but not including such indebtedness or obligations for which recourse is limited to property purchased) in an aggregate principal amount in excess of \$30,000,000, whether such indebtedness exists on the date of such Indenture or shall thereafter be created, with such obligations being accelerated and not rescinded or annulled; (vi) certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee of the Company or any Significant Subsidiary of the Company; and (vii) any other event of default provided with respect to a particular series of debt securities. The term "Significant Subsidiary" has the meaning ascribed to such term in Regulation S-X promulgated under the Securities Act.

If an event of default under any Indenture with respect to debt securities of any series at the time outstanding occurs and is continuing, then in every such case the applicable Indenture Trustee or the holders of not less than 25% in principal amount of the debt securities of that series will have the right to declare the principal amount (or, if the debt securities of that series are Original Issue Discount Securities or indexed securities, such portion of the principal amount as may be specified in the terms thereof) of all the debt securities of that series to be due and payable immediately by written notice

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

thereof to the Company (and to the applicable Indenture Trustee if given by the holders). However, at any time after such a declaration of acceleration with respect to debt securities of such series (or of all debt securities then outstanding under any Indenture, as the case may be) has been made, but before a judgment or decree for payment of the money due has been obtained by the applicable Indenture Trustee, the holders of not less than a majority in principal amount of outstanding debt securities of such series (or of all debt securities then outstanding under the applicable Indenture, as the case may be) may rescind and annul such declaration and its consequences if (i) the Company shall have deposited with the applicable Indenture Trustee all required payments of the principal of (and premium, if any) and interest on the debt securities of such series (or of all debt securities then outstanding under the applicable Indenture, as the case may be), plus certain fees, expenses, disbursements and advances of the applicable Indenture Trustee and (ii) all events of default, other than the non-payment of accelerated principal (or specified portion thereof), with respect to debt securities of such series (or of all debt securities then outstanding under the applicable Indenture, as the case may be) have been cured or waived as provided in such Indenture. The Indentures will also provide that the holders of not less than a majority in principal amount of the outstanding debt securities of any series (or of all debt securities then outstanding under the applicable Indenture, as the case may be) may waive any past default with respect to such series and its consequences, except a default (x) in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series or (y) in respect of a covenant or provision contained in the applicable Indenture that cannot be modified or amended without the consent of the holder of each outstanding Debt Security affected thereby.

The Indentures will require each Indenture Trustee to give notice to the holders of debt securities within 90 days of a default under the applicable Indenture unless such default shall have been cured or waived; provided, however, that such Indenture Trustee may withhold notice to the holders of any series of debt securities of any default with respect to such series (except a default in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series or in the payment of any sinking fund installment in respect to any Debt Security of such series) if specified responsible officers of such Indenture Trustee consider such withholding to be in the interest of such holders.

The Indentures will provide that no holder of debt securities of any series may institute any proceeding, judicial or otherwise, with respect to such Indenture or for any remedy thereunder, except in the case of failure of the applicable Indenture Trustee, for 60 days, to act after it has received a written request to institute proceedings in respect of an event of default from the holders of not less than 25% in principal amount of the outstanding debt securities of such series, as well as an offer of indemnity reasonably satisfactory to it. This provision will not prevent, however, any holder of debt securities from instituting suit for the enforcement of payment of the principal of (and premium, if any) and interest on such debt securities at the respective due dates thereof.

The Indentures will provide that, subject to provisions in each Indenture relating to its duties in case of default, an Indenture Trustee will be under no obligation to exercise any of its rights or powers under an Indenture at the request or direction of any holders of any series of debt securities then outstanding under such Indenture, unless such holders shall have offered to the Indenture Trustee thereunder reasonable security or indemnity. The holders of not less than a majority in principal amount of the outstanding debt securities of any series (or of all debt securities then outstanding under an Indenture, as the case may be) shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the applicable Indenture Trustee, or of exercising any trust

or power conferred upon such Indenture Trustee. However, an Indenture Trustee may refuse to follow any direction which is in conflict with any law or the applicable Indenture, which may involve such Indenture Trustee in personal liability or which may be unduly prejudicial to the holders of debt securities of such series not joining therein.

Within 120 days after the close of each fiscal year, the Company will be required to deliver to each Indenture Trustee a certificate, signed by one of several specified officers of the Company, stating whether or not such officer has knowledge of any default under the applicable Indenture and, if so, specifying each such default and the nature and status thereof.

Modification of the Indentures

Modifications and amendments of an Indenture will be permitted to be made only with the consent of the holders of not less than a majority in principal amount of all outstanding debt securities issued under such Indenture affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the holder of each such Debt Security affected thereby, (i) change the stated maturity of the principal of, or any installment of interest (or premium, if any) on, any such Debt Security; (ii) reduce the principal amount of, or the rate or amount of interest on, or any premium payable on redemption of, any such Debt Security, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon declaration of acceleration of the maturity thereof or would be provable in bankruptcy, or adversely affect any right of repayment of the holder of any such Debt Security; (iii) change the place of payment, or the coin or currency, for payment of principal of, premium, if any, or interest on any such Debt Security; (iv) impair the right to institute suit for the enforcement of any payment on or with respect to any such Debt Security; (v) reduce the above-stated percentage of outstanding debt securities of any series necessary to modify or amend the applicable Indenture, to waive compliance with certain provisions thereof or certain defaults and consequences thereunder or to reduce the quorum or voting requirements set forth in the applicable Indenture; or (vi) modify any of the foregoing provisions or any of the provisions relating to the waiver of certain past defaults or certain covenants, except to increase the required percentage to effect such action or to provide that certain other provisions may not be modified or waived without the consent of the holder of such Debt Security.

The holders of a majority in aggregate principal amount of the outstanding debt securities of each series may, on behalf of all holders of debt securities of that series, waive, insofar as that series is concerned, compliance by the Company with certain restrictive covenants of the applicable Indenture.

Modifications and amendments of an Indenture will be permitted to be made by the Company and the respective Indenture Trustee thereunder without the consent of any holder of debt securities for any of the following purposes: (i) to evidence the succession of another person to the Company as obligor under such Indenture; (ii) to add to the covenants of the Company for the benefit of the holders of all or any series of debt securities or to surrender any right or power conferred upon the Company in such Indenture; (iii) to add events of default for the benefit of the holders of all or any series of debt securities; (iv) to add or change any provisions of an Indenture to facilitate the issuance of, or to liberalize certain terms of, debt securities in bearer form, or to permit or facilitate the issuance of debt securities in uncertificated form;

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

provided that such action shall not adversely affect the interest of the holders of the debt securities of any series in any material respect; (v) to change or eliminate any provisions of an Indenture; provided that any such change or elimination shall be effective only when there are no debt securities outstanding of any series created prior thereto which are entitled to the benefit of such provision; (vi) to secure the debt securities; (vii) to establish the form or terms of debt securities of any series, including the provisions and procedures, if applicable, for the conversion of such debt securities into common shares or preferred shares; (viii) to provide for the acceptance of appointment by a successor Indenture Trustee or facilitate the administration of the trusts under an Indenture by more than one Indenture Trustee; (ix) to cure any ambiguity, defect or inconsistency in an Indenture; provided that such action shall not adversely affect the interests of holders of debt securities of any series issued under such Indenture; or (x) to supplement any of the provisions of an Indenture to the extent necessary to permit or facilitate defeasance and discharge of any series of such debt securities; provided that such action shall not adversely affect the interests of the holders of the outstanding debt securities of any series.

The Indentures will provide that, in determining whether the holders of the requisite principal amount of outstanding debt securities of a series have given any request, demand, authorization, direction, notice, consent or waiver thereunder or whether a quorum is present at a meeting of holders of debt securities, (i) the principal amount

14

of an Original Issue Discount Security that shall be deemed to be outstanding shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon declaration of acceleration of the maturity thereof (ii) the principal amount of any Debt Security denominated in a foreign currency that shall be deemed outstanding shall be the U.S. dollar equivalent, determined on the issue date for such Debt Security, of the principal amount (or, in the case of an Original Issue Discount Security, the U.S. dollar equivalent on the issue date of such debt securities of the amount determined as provided in (i) above), (iii) the principal amount of an indexed security that shall be deemed outstanding shall be the principal face amount of such indexed security at original issuance, unless otherwise provided with respect to such indexed security pursuant to such Indenture, and (iv) debt securities owned by the Company or any other obligor upon the debt securities or an affiliate of the Company or of such other obligor shall be disregarded.

The Indentures will contain provisions for convening meetings of the holders of debt securities of a series issued thereunder. A meeting may be called at any time by the applicable Indenture Trustee, and also, upon request by the Company or the holders of at least 25% in principal amount of the outstanding debt securities of such series, in any such case upon notice given as provided in such Indenture. Except for any consent that must be given by the holder of each Debt Security affected by certain modifications and amendments of an Indenture, any resolution presented at a meeting or adjourned meeting duly reconvened at which a quorum is present may be adopted by the affirmative vote of the holders of a majority in principal amount of the outstanding debt securities of that series; provided, however, that, except as referred to above, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that may be made, given or taken by the holders of a specified percentage, which is less than a majority, in principal amount of the outstanding debt securities of a series may be adopted at a meeting or adjourned meeting duly reconvened at which a quorum is present by the

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

affirmative vote of the holders of such specified percentage in principal amount of the outstanding debt securities of that series. Any resolution passed or decision taken at any meeting of holders of debt securities of any series duly held in accordance with an Indenture will be binding on all holders of debt securities of that series. The quorum at any meeting called to adopt a resolution, and at any reconvened meeting, will be persons holding or representing a majority in principal amount of the outstanding debt securities of a series; provided, however, that if any action is to be taken at such meeting with respect to a consent or waiver which may be given by the holders of not less than a specified percentage in principal amount of the outstanding debt securities of a series, the persons holding or representing such specified percentage in principal amount of the outstanding debt securities of such series will constitute a quorum.

Notwithstanding the foregoing provisions, the Indentures will provide that if any action is to be taken at a meeting of holders of debt securities of any series with respect to any request, demand, authorization, direction, notice, consent, waiver and other action that such Indenture expressly provides may be made, given or taken by the holders of a specified percentage in principal amount of all outstanding debt securities affected thereby, or of the holders of such series and one or more additional series; (i) there shall be no minimum quorum requirement for such meeting, and (ii) the principal amount of the outstanding debt securities of such series that vote in favor of such request, demand, authorization, direction, notice, consent, waiver or other action shall be taken into account in determining whether such request, demand, authorization, direction, notice, consent, waiver or other action has been made, given or taken under such Indenture.

Subordination

Unless otherwise provided in the applicable prospectus supplement, Subordinated Securities will be subject to the following subordination provisions.

Upon any distribution to creditors of the Company in a liquidation, dissolution or reorganization, the payment of the principal of and interest on any Subordinated Securities will be subordinated to the extent provided in the applicable Indenture in right of payment to the prior payment in full of all Senior Debt (as defined below), but the obligation of the Company to make payments of the principal of and interest on such Subordinated Securities will not otherwise be affected. No payment of principal or interest will be permitted to be made on Subordinated Securities at any time if a default on Senior Debt exists that permits the holders of such Senior Debt to accelerate its maturity and the default is the subject of judicial proceedings or the Company receives notice of the default. After all Senior Debt is paid in full and until the Subordinated Securities are paid in full, holders will be subrogated to the rights of holders of Senior Debt to the extent that distributions otherwise payable to holders have been applied to the

15

payment of Senior Debt. The Subordinated Indenture will not restrict the amount of Senior Indebtedness or other indebtedness of the Company and its subsidiaries. As a result of these subordination provisions in the event of a distribution of assets upon insolvency, holders of Subordinated Indebtedness may recover less, ratably, than senior creditors of the Company.

Senior Debt will be defined in the applicable Indenture as the principal

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

of and interest on, or substantially similar payments to be made by the Company in respect of, the following, whether outstanding at the date of execution of the applicable Indenture or thereafter incurred, created or assumed:

(i) indebtedness of the Company for money borrowed or represented by purchase-money obligations, (ii) indebtedness of the Company evidenced by notes, debentures, or bonds, or other securities issued under the provisions of an indenture, fiscal agency agreement or other agreement, (iii) obligations of the Company as lessee under leases of property either made as part of any sale and leaseback transaction to which the Company is a part or otherwise, (iv) indebtedness of partnerships and joint ventures which is included in the consolidated financial statements of the Company, (v) indebtedness obligations and liabilities of others in respect of which the Company is liable contingently or otherwise to pay or advance money or property or as guarantor, endorser or otherwise or which the Company has agreed to purchase or otherwise acquire, and (vi) any binding commitment of the real estate investment, in each case other than (a) any such indebtedness, obligation or liability referred to in clauses (i) through (vi) above as to which, in the instrument creating or evidencing the same pursuant to which the same is outstanding, it is provided that such indebtedness, obligation or liability is not superior in right of payment to the Subordinated Securities or ranks pari passu with the Subordinated Securities, (b) any such indebtedness obligation or liability which is subordinated to indebtedness of the Company to substantially the same extent as or to a greater extent than the Subordinated Securities are subordinated, and (c) the Subordinated Securities. There will not be any restriction in any Indenture relating to Subordinated Securities upon the creation of additional Senior Debt.

If this prospectus is being delivered in connection with a series of Subordinated Securities, the accompanying prospectus supplement or the information incorporated herein by reference will set forth the approximate amount of Senior Debt outstanding as of the end of the Company's most recent fiscal quarter.

Discharge, Defeasance and Covenant Defeasance

Unless otherwise indicated in the applicable prospectus supplement, the Company will be permitted, at its option, to discharge certain obligations to holders of any series of debt securities issued under any Indenture that have not already been delivered to the applicable Indenture Trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the applicable Indenture Trustee, in trust, funds in such currency or currencies, currency unit or units or composite currency or currencies in which such debt securities are payable in an amount sufficient to pay the entire indebtedness on such debt securities with respect to principal (and premium, if any) and interest to the date of such deposit (if such debt securities have become due and payable) or to the stated maturity or redemption date, as the case may be.

The Indentures will provide that, unless otherwise indicated in the applicable prospectus supplement, the Company may elect either (i) to defease and be discharged from any and all obligations (except for the obligation to pay additional amounts, if any, upon the occurrence of certain events of tax assessment or governmental charge with respect to payments on such debt securities and the obligations to register the transfer or exchange of such debt securities, to replace temporary or mutilated, destroyed, lost or stolen debt securities, to maintain an office or agency in respect of such debt securities, to hold moneys for payment in trust and, with respect to Subordinated debt securities which are convertible or exchangeable, the right to convert or exchange) with respect to such debt securities ("defeasance") or (ii) to be released from its obligations with respect to such debt securities under the applicable Indenture (being the restrictions described under "--Certain

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Covenants") or, if provided in the applicable prospectus supplement, its obligations with respect to any other covenant, and any omission to comply with such obligations shall not constitute an event of default with respect to such debt securities ("covenant defeasance"), in either case upon the irrevocable deposit by the Company with the applicable Indenture Trustee, in trust, of an amount in such currency or currencies, currency unit or units or composite currency or currencies in which such debt securities are payable at stated maturity, or Government Obligations (as defined below), or both, applicable to such debt securities, which through the scheduled payment of principal and interest in accordance with their terms will

16

provide money in an amount sufficient to pay the principal of (and premium, if any) and interest on such debt securities, and any mandatory sinking fund or analogous payments thereon, on the scheduled due dates therefor.

Such a trust will only be permitted to be established if, among other things, the Company has delivered to the applicable Indenture Trustee an opinion of counsel (as specified in the applicable Indenture) to the effect that the holders of such debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred, and such opinion of counsel, in the case of defeasance, will be required to refer to and be based upon a ruling received from or published by the Internal Revenue Service or a change in applicable United States federal income tax law occurring after the date of the Indenture. In the event of such defeasance, the holders of such debt securities would thereafter be able to look only to such trust fund for payment of principal (and premium, if any) and interest.

"Government Obligations" means securities that are (i) direct obligations of the United States of America or the government which issued the foreign currency in which the debt securities of a particular series are payable, for the payment of which its full faith and credit is pledged, or (ii) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America or such government which issued the foreign currency in which the debt securities of such series are payable, the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America or such other government, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such Government Obligation or a specific payment of interest on or principal of any such Government Obligation held by such custodian for the account of the holder of a depository receipt; provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the Government Obligation or the specific payment of interest on or principal of the Government Obligation evidenced by such depository receipt.

Unless otherwise provided in the applicable prospectus supplement, if after the Company has deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to debt securities of any series, (i) the holder of a Debt Security of such series is entitled to, and does, elect pursuant to the applicable Indenture or the terms of such Debt Security to receive payment in a currency, currency unit or composite currency other than

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

that in which such deposit has been made in respect of such Debt Security, or (ii) a Conversion Event (as defined below) occurs in respect of the currency, currency unit or composite currency in which such deposit has been made, the indebtedness represented by such Debt Security will be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest on such Debt Security as they become due out of the proceeds yielded by converting the amount so deposited in respect of such Debt Security into the currency, currency unit or composite currency in which such Debt Security becomes payable as a result of such election or such cessation of usage based on the applicable market exchange rate. "Conversion Event" means the cessation of use of (a) a currency, currency unit or composite currency both by the government of the country which issued such currency and for the settlement of transactions by a central bank or other public institutions of or within the international banking community, (b) the ECU both within the European Monetary System and for the settlement of transactions by public institutions of or within the European Communities, or (c) any currency unit or composite currency other than the ECU for the purposes for which it was established. Unless otherwise provided in the applicable prospectus supplement, all payments of principal of (and premium, if any) and interest on any Debt Security that is payable in a foreign currency that ceases to be used by its government of issuance shall be made in U.S. dollars.

If the Company effects covenant defeasance with respect to any debt securities and such debt securities are declared due and payable because of the occurrence of any event of default other than the event of default described in clause (iv) under "--Events of Default, Notice and Waiver" with respect to specified sections of an Indenture (which sections would no longer be applicable to such debt securities) or described in clause (vii) under "--Events of Default, Notice and Waiver" with respect to any other covenant as to which there has been covenant defeasance, the amount in such currency, currency unit or composite currency in which such debt securities are payable, and Government Obligations on deposit with the applicable Indenture Trustee, will be sufficient to pay amounts due on such debt securities at the time of their stated maturity but may not be sufficient to pay amounts due on such debt

17

securities at the time of the acceleration resulting from such event of default. However, the Company would remain liable to make payment of such amounts due at the time of acceleration.

The applicable prospectus supplement may further describe the provisions, if any, permitting such defeasance or covenant defeasance, including any modifications to the provisions described above, with respect to the debt securities of or within a particular series.

Conversion Rights

The terms and conditions, if any, upon which the debt securities are convertible into common shares or preferred shares will be set forth in the applicable prospectus supplement relating thereto. Such terms will include whether such debt securities are convertible into common shares or preferred shares, the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at the option of the holders or the Company, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of such debt securities and any restrictions on conversion, including restrictions directed at maintaining the Company's REIT status.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Payment

Unless otherwise specified in the applicable prospectus supplement, the principal of (and applicable premium, if any) and interest on any series of debt securities will be payable at the corporate trust office of the Indenture Trustee, the address of which will be stated in the applicable prospectus supplement; provided that, at the option of the Company, payment of interest may be made by check mailed to the address of the person entitled thereto as it appears in the applicable register for such debt securities or by wire transfer of funds to such person at an account maintained within the United States.

All moneys paid by the Company to a paying agent or an Indenture Trustee for the payment of the principal of or any premium or interest on any Debt Security which remain unclaimed at the end of one year after such principal, premium or interest has become due and payable will be repaid to the Company, and the holder of such Debt Security thereafter may look only to the Company for payment thereof.

Global Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global securities (the "Global Securities") that will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement relating to such series. Global Securities may be issued in either registered or bearer form and in either temporary or permanent form. The specific terms of the depository arrangement with respect to a series of debt securities will be described in the applicable prospectus supplement relating to such series.

RESTRICTIONS ON TRANSFERS OF CAPITAL STOCK AND ANTI-TAKEOVER PROVISIONS

Restrictions Relating To REIT Status

For us to qualify as a REIT under the Code, among other things, not more than 50% in value of the outstanding shares of our capital stock may be owned, directly or indirectly, by five or fewer individuals (defined in the Code to include certain entities) during the last half of a taxable year, and such shares of our capital stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year (in each case, other than the first such year). To assist us in continuing to remain a qualified REIT, our declaration of trust, subject to certain exceptions, provides that no holder may own, or be deemed to own by virtue of the attribution provisions of the Code, more than 9.8% of our equity shares, defined as common shares or preferred shares. We refer to this restriction as the Ownership Limit. Our board of trustees may waive the Ownership Limit if evidence satisfactory to our board of trustees and our tax counsel is presented that the changes in ownership will not then or in the future jeopardize our status as a REIT. Any transfer of equity shares or any security convertible into equity shares that would create a direct or indirect ownership of equity shares in excess of the Ownership Limit or that would result in our disqualification as a REIT, including any transfer that results in the equity shares being owned by fewer than 100 persons or results in us being "closely held" within the meaning of Section 856(h) of the Code, will be null and void, and the intended transferee will acquire no rights to such equity shares. The foregoing restrictions on transferability and ownership will

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

not apply if our board of trustees determines that it is no longer in our best interests to attempt to qualify, or to continue to qualify, as a REIT.

Equity shares owned, or deemed to be owned, or transferred to a shareholder in excess of the Ownership Limit, will automatically be exchanged for excess shares that will be transferred, by operation of law, to us as trustee of a trust for the exclusive benefit of the transferees to whom such shares of our capital stock may be ultimately transferred without violating the Ownership Limit. While the excess shares are held in trust, they will not be entitled to vote, they will not be considered for purposes of any shareholder vote or the determination of a quorum for such vote and, except upon liquidation, they will not be entitled to participate in dividends or other distributions. Any dividend or distribution paid to a proposed transferee of excess shares prior to our discovery that equity shares have been transferred in violation of the provisions of our declaration of trust will be repaid to us upon demand. The excess shares are not treasury shares, but rather constitute a separate class of our issued and outstanding shares. The original transferee-shareholder may, at any time the excess shares are held by us in trust, transfer the interest in the trust representing the excess shares to any individual whose ownership of the equity shares exchanged into such excess shares would be permitted under our declaration of trust, at a price not in excess of the price paid by the original transferee-shareholder for the equity shares that were exchanged into excess shares, or, if the transferee-shareholder did not give value for such shares, a price not in excess of the market price (as determined in the manner set forth in our declaration of trust) on the date of the purported transfer. Immediately upon the transfer to the permitted transferee, the excess shares will automatically be exchanged for equity shares of the class from which they were converted. If the foregoing transfer restrictions are determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the intended transferee of any excess shares may be deemed, at our option, to have acted as an agent on our behalf in acquiring the excess shares and to hold the excess shares on our behalf.

In addition to the foregoing transfer restrictions, we will have the right, for a period of 90 days during the time any excess shares are held by us in trust, to purchase all or any portion of the excess shares from the original transferee-shareholder for the lesser of the price paid for the equity shares by the original transferee-shareholder or the market price (as determined in the manner set forth in our declaration of trust) of the equity shares on the date we exercise our option to purchase. The 90-day period begins on the date on which we receive written notice of the transfer or other event resulting in the exchange of equity shares for excess shares.

Each shareholder will be required, upon demand, to disclose to us in writing any information with respect to the direct, indirect and constructive ownership of beneficial interests as our board of trustees deems necessary to comply with the provisions of the Code applicable to REITs, to comply with the requirements of any taxing authority or governmental agency or to determine any such compliance.

This Ownership Limit may have the effect of precluding an acquisition of control unless our board of trustees determines that maintenance of REIT status is no longer in our best interests.

Authorized Capital

Under our declaration of trust, we have authority to issue up to

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

130,000,000 shares of beneficial interest par value \$0.0001 per share, of which 80,000,000 shares are classified as common shares, 40,000,000 shares are classified as excess shares and 10,000,000 shares are classified as preferred shares. We may issue such shares (other than reserved shares) from time to time in the discretion of our board of trustees to raise additional capital, acquire assets, including additional real properties, redeem or retire debt or for any other business purpose. In addition, the undesignated preferred shares may be issued in one or more additional classes with such designations, preferences and relative, participating, optional or other special rights including, without limitation, preferential dividend or voting rights, and rights upon liquidation, as will be fixed by our board of trustees. Our board of trustees is authorized to classify and reclassify any unissued shares of our capital stock by setting or changing, in any one or more respects, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications or terms or conditions of redemption of such shares. This authority includes, without limitation, subject to the provisions of our declaration of trust, authority to classify or reclassify any unissued shares into a class or classes of preferred shares, preference shares, special shares or other shares, and to divide and reclassify shares of any class into one or more series of that class.

In some circumstances, the issuance of preferred shares, or the exercise by our board of trustees of its right to classify or reclassify shares, could have the effect of deterring individuals or entities from making tender offers for our common shares or seeking to change incumbent management.

Maryland Law

Maryland law includes certain other provisions which may also discourage a change in control of management. Maryland law provides that, unless an exemption applies, we may not engage in any "business combination" with an "interested stockholder" or any affiliate of an interested stockholder for a period of five years after the interested stockholder became an interested stockholder, and thereafter may not engage in a business combination with such interested stockholder unless the combination is recommended by our board of trustees and approved by the affirmative vote of at least (i) 80% of the votes entitled to be cast by the holders of all of our outstanding voting shares, and (ii) 66 2/3% of the votes entitled to be cast by all holders of outstanding voting shares other than voting shares held by the interested stockholder. An "interested stockholder" is defined, in essence, as any person owning beneficially, directly or indirectly, 10% or more of the outstanding voting shares of a Maryland real estate investment trust. The voting requirements do not apply at any time to business combinations with an interested stockholder or its affiliates if approved by our board of trustees prior to the time the interested stockholder first became an interested stockholder. Additionally, if the business combination involves the receipt of consideration by our shareholders in exchange for common shares that satisfies certain "fair price" conditions, such supermajority voting requirements do not apply.

Maryland law provides that "control shares" of a Maryland real estate investment trust acquired in a "control share acquisition" have no voting rights except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter, excluding shares owned by the acquiror or by officers or trustees who are employees of the trust. "Control shares" are voting shares that, if aggregated with all other shares previously acquired by that person, would entitle the acquiror to exercise voting power in electing trustees within one of the following ranges of voting power:

- o one-tenth or more but less than one-third;
- o one-third or more but less than a majority; or
- o a majority or more of all voting power.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained shareholder approval.

A "control share acquisition" means the acquisition of ownership of or the power to direct the exercise of voting power of issued and outstanding control shares, subject to certain exceptions. A person who has made or

20

proposes to make a control share acquisition, upon satisfaction of certain conditions (including an undertaking to pay expenses), may compel the trust's board of trustees to call a special meeting of shareholders, to be held within 50 days of demand, to consider the voting rights of the shares. If no request for a meeting is made, the trust may itself present the question at any shareholders' meeting.

If voting rights are not approved at the meeting or if the acquiring person does not deliver an "acquiring person statement" as permitted by the statute, then, subject to certain conditions and limitations, the trust may redeem any or all of the control shares (except those for which voting rights have previously been approved) for fair value determined, without regard to the absence of voting rights, as of the date of the last control share acquisition or of any meeting of shareholders at which the voting rights of such shares were considered and not approved. If voting rights for control shares are approved at a shareholders' meeting and the acquiror becomes entitled to vote a majority of the shares entitled to vote, all other shareholders may exercise appraisal rights. The fair value of the shares as determined for purposes of the appraisal rights may not be less than the highest price per share paid in the control share acquisition, and certain limitations and restrictions otherwise applicable to the exercise of dissenters' rights do not apply in the context of a control share acquisition.

The control share acquisition statute does not apply to shares acquired in a merger, consolidation or share exchange if the trust is a party to the transaction, or to acquisitions approved or exempted by our declaration of trust or by-laws prior to the control share acquisition. No such exemption appears in our declaration of trust or by-laws. The control share acquisition statute could have the effect of discouraging offers to acquire us and of increasing the difficulty of consummating any such offer.

Certain Elective Provisions of Maryland Law

Publicly-held Maryland statutory real estate investment trusts ("REITs") may elect to be governed by all or any part of Maryland law provisions relating to extraordinary actions and unsolicited takeovers. The election to be governed by one or more of these provisions can be made by a Maryland REIT in its declaration of trust or bylaws ("charter documents") or by resolution adopted by its board of trustees so long as the REIT has at least three trustees who, at the time of electing to be subject to the provisions, are not:

- o officers or employees of the REIT;
- o persons seeking to acquire control of the REIT;
- o trustees, officers, affiliates or associates of any person seeking to acquire control; or

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

- o nominated or designated as trustees by a person seeking to acquire control.

Articles supplementary must be filed with the Maryland State Department of Assessments and Taxation if a Maryland REIT elects to be subject to any or all of the provisions by board resolution or bylaw amendment. Shareholder approval is not required for the filing of these articles supplementary.

The Maryland law provides that a REIT can elect to be subject to all or any portion of the following provisions, notwithstanding any contrary provisions contained in that REIT's existing charter documents:

Classified Board: The REIT may divide its board into three classes which, to the extent possible, will have the same number of trustees, the terms of which will expire at the third annual meeting of shareholders after the election of each class;

Two-thirds Shareholder Vote to Remove Trustees Only for Cause: The shareholders may remove any trustee only by the affirmative vote of at least two-thirds of all votes entitled to be cast by the shareholders generally in the election of trustees, but a trustee may not be removed without cause;

Size of Board Fixed by Vote of Board: The number of trustees will be fixed only by resolution of the board;

21

Board Vacancies Filled by the Board for the Remaining Term: Vacancies that result from an increase in the size of the board, or the death, resignation, or removal of a trustee, may be filled only by the affirmative vote of a majority of the remaining trustees even if they do not constitute a quorum. Trustees elected to fill vacancies will hold office for the remainder of the full term of the class of trustees in which the vacancy occurred, as opposed to until the next annual meeting of shareholders, and until a successor is elected and qualified; and

Shareholder Calls of Special Meetings: Special meetings of shareholders may be called by the secretary of the REIT only upon the written request of shareholders entitled to cast at least a majority of all votes entitled to be cast at the meeting and only in accordance with procedures set out in the Maryland General Corporation Law.

We have not elected to be governed by these specific provisions. However, our declaration of trust and/or bylaws, as applicable, already provide for an 80% vote to remove trustees only for cause, and that the number of trustees may be determined by a resolution of our Board, subject to a minimum number. In addition, we can elect to be governed by any or all of the provisions of the Maryland law at any time in the future.

USE OF PROCEEDS

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

Unless otherwise described in the applicable prospectus supplement, we intend to use the net proceeds from the sale of the securities for general corporate purposes, which may include the acquisition of additional properties, the repayment of outstanding indebtedness or the improvement of certain properties already in our portfolio.

PLAN OF DISTRIBUTION

The Company may sell Securities through underwriters or dealers, directly to one or more purchasers, through agents or through a combination of any such methods of sale.

The distribution of the Securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices, or at negotiated prices.

We may sell equity securities in an offering "at the market" as defined in Rule 415 under the Securities Act or negotiated transactions. One or more of A.G. Edwards & Sons, Inc., Bear, Stearns & Co. Inc., Cantor Fitzgerald & Co., Friedman, Billings, Ramsey & Co., Inc., Raymond James & Associates, Inc. and Wachovia Capital Markets, LLC may act as underwriters in connection with such an offering. None of the broker-dealers listed in the preceding sentence shall be an underwriter in connection with any offering of our equity securities unless such broker-dealer is named as an underwriter in the applicable prospectus supplement. Unless the prospectus supplement states otherwise, our agent in "at the market" or negotiated transactions will act on a best-efforts basis for the period of its appointment.

In connection with the sale of Securities, underwriters or agents may receive compensation from the Company and/or from purchasers of Securities, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers, and agents that participate in the distribution of Securities may be deemed to be underwriters under the Securities Act, and any discounts or commissions they receive from the Company and any profit on the resale of Securities they realize may be deemed to be underwriting discounts and commissions under the Securities Act. Any such underwriter or agent will be identified, and any such compensation received from the Company will be described, in the applicable prospectus supplement.

Unless otherwise specified in the related prospectus supplement, each series of Securities will be a new issue with no established trading market, other than the common shares which are listed on the NYSE. Any common shares sold pursuant to a prospectus supplement will be listed on the NYSE, subject to official notice of issuance. The Company may elect to list any series of debt securities or preferred shares on an exchange, but is not obligated to do so. It is possible that one or more underwriters may make a market in a series of Securities, but will not be obligated to do so and may discontinue any market making at any time without notice. Therefore, no assurance can be given as to the liquidity of, or the trading market for, the Securities.

Under agreements into which the Company may enter, underwriters, dealers and agents who participate in the distribution of Securities may be entitled to indemnification by the Company against certain liabilities, including liabilities under the Securities Act.

Underwriters, dealers and agents may engage in transactions with, or perform services for, or be tenants of, the Company in the ordinary course of

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

business.

In order to comply with the securities laws of certain states, if applicable, the Securities offered hereby will be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states Securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

ITEM 15. INDEMNIFICATION OF TRUSTEES AND OFFICERS.

Our trustees and officers are and will be indemnified against certain liabilities under Maryland law, and under our declaration of trust. Our declaration of trust requires us to indemnify our trustees and officers to the fullest extent permitted from time to time by the laws of Maryland. Our declaration of trust also provides that, to the fullest extent permitted under Maryland law, our trustees and officers will not be liable to us or our shareholders for money damages.

Section 2-418 of the Maryland General Corporation Law of generally permits indemnification of any trustee made a party to any proceedings by reason of service as a trustee unless it is established that (i) the act or omission of such person was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty; or (ii) such person actually received an improper personal benefit in money property or services; or (iii) in the case of any criminal proceeding, such person had reasonable cause to believe that the act or omission was unlawful. The indemnity may include judgments, penalties, fines, settlements and reasonable expenses actually incurred by the trustee in connection with the proceeding; but, if the proceeding is one by or in the right of the corporation, indemnification is not permitted with respect to any proceeding in which the trustee has been adjudged to be liable to the corporation, or if the proceeding is one charging improper personal benefit to the trustee, whether or not involving action in the trustee's official capacity, indemnification of the trustee is not permitted if the trustee was adjudged to be liable on the basis that personal benefit was improperly received. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or any entry

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-3

of an order of probation prior to judgment, creates a rebuttable presumption that the trustee did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by judgment, order or settlement, however, does not create a presumption that the trustee failed to meet the requisite standard of conduct for permitted indemnification.

The foregoing reference is necessarily subject to the complete text of our declaration of trust and the statute referred to above and is qualified in its entirety by reference thereto.

We have also entered into indemnification agreements with certain officers and trustees for the purpose of indemnifying such persons from certain claims and action in their capacities as such.

ITEM 17. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the

effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

II-2

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes (i) for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and (ii) for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
