Unless holders of our common shares otherwise specify, the common shares represented by duly executed proxies will be voted **FOR** the indicated nominees for election as trustees. Our board of trustees has no reason to believe that any of the nominees will be unable or unwilling to continue to serve as a trustee if elected. However, in the event that any nominee should be unable or unwilling to serve, the common shares represented by proxies received will be voted for another nominee selected by our board of trustees. **Our board of trustees recommends a vote FOR each of the listed nominees.**

EXECUTIVE COMPENSATION

Trustees and Management

We currently have three executive officers and five trustees (three of whom are independent trustees). We do not pay or accrue any fees, salaries or other forms of compensation to our officers other than options which may be received under our Share Option Plan. Independent trustees receive compensation for serving as independent trustees at the rate of \$20,000 per year payable one-half in cash and one-half in common shares (or all in common shares at the trustee's discretion) in addition to an expense reimbursement for attending meetings of our board of trustees. The chairman of the audit committee receives an additional \$5,000 in cash for serving on the audit committee. The independent trustees also receive \$500 for each in-person meeting and \$250 for each telephonic meeting of the board of trustees they attend.

Our Advisor, at its expense, provides all personnel necessary to conduct our regular business. Our Advisor receives various fees and reimbursements for advisory and other services performed under our Advisory Agreement, as further described in the CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS Advisory Agreement section of this Proxy Statement. An affiliate of our Advisor pays all salaries, bonuses and other compensation (other than options which may be received under our Share Option Plan) to the officers of our Advisor (including such officers who also serve as officers of our Company). Certain officers of our Advisor and certain officers of our Company receive compensation from our Advisor and its affiliates for services performed for various affiliated entities, which may include services performed for us. Such compensation may be based in part on our performance; however, our Advisor believes that any such compensation attributable to services performed for us is immaterial.

Share Option Plan

We have adopted a Share Option Plan, the purpose of which is (i) to attract and retain qualified persons as trustees and officers and (ii) to incentivize and more closely align the financial interests of our Advisor and its employees and officers with the interests of the holders of our common shares by providing our Advisor with a substantial financial interest in our success. The compensation committee, which is comprised of Messrs. Mannes and Rosan, administers our Share Option Plan. Pursuant to our Share Option Plan, if our distributions per common share in the immediately preceding calendar year exceed \$1.45 per common share, the compensation committee has the authority to issue options to purchase, in the aggregate, that number of common shares which is equal to 10% of the aggregate number of common shares outstanding as of December 31 of the immediately preceding calendar year (subject to any limitations imposed by the national securities exchange or national quotation system upon which the Company is listed). This is the life maximum for our Share Option Plan.

All options granted by the compensation committee will have an exercise price equal to or greater than the fair market value of the common shares on the date of the grant. The maximum option term is ten years from the date of grant. All common share options granted pursuant to our Share Option Plan may vest immediately upon issuance or in accordance with the determination of the compensation committee. For the year ended December 31, 2004, we distributed \$1.60 per common share and therefore, the compensation committee was authorized to issue options for the year ended December 31, 2004. On March 23, 2005, we granted 65,052 options for common shares to Mr. Garth as a bonus for fiscal year 2004 pursuant to our Share Option Plan. The options have an effective date of January 3, 2005. When issued, the share options were scheduled to vest over a three-year period, with one third vesting on the first anniversary of the effective date, but pursuant to the terms of Mr. Garth's employment agreement with CharterMac Capital, the options immediately will vest and become exercisable in connection with the termination of Mr. Garth's employment with CharterMac Capital. For the year ended December 31, 2005, we distributed \$1.90 per common share and therefore, the compensation committee is authorized to issue options for the year ended December 31, 2005. No options, however, have been issued for 2005.

Report of the Compensation Committee

The compensation committee of our board of trustees is comprised of two independent trustees (Messrs. Mannes and Rosan). The role of the compensation committee is to administer the policies governing our Share Option Plan. Because we do not pay salaries and bonuses to our officers or our Advisor, the compensation committee does not determine executives' salary levels. Subject to the restrictions contained in our Share Option Plan, option compensation is intended to be set at a level competitive with the amounts paid to the management of similarly sized companies in similar industries. The compensation committee also evaluates the performance of management when determining the number of options to be issued.

9

Our grants of share options are structured to link the compensation of our officers and the officers and employees of our Advisor with our performance. Through the establishment of our Share Option Plan, we have aligned the financial interests of our executives (and the executives and employees of our Advisor) with the results of our performance, which is intended to enhance shareholder value. The compensation committee may only grant options if certain performance levels are met and is limited in the number of options which may be granted each year (See Share Option Plan above). The amount of options which may be granted will be set at levels that the compensation committee believes to be consistent with others in our industry, with such compensation contingent upon our level of annual and long-term performance.

Section 162(m) was added to the Internal Revenue Code (the Code) as part of the Omnibus Budget Reconciliation Act of 1993. Section 162(m) limits the deduction for compensation paid to the chief executive officer and the other executive officers to the extent that compensation of a particular executive exceeds \$1,000,000 (less the amount of any excess parachute payments as defined in Section 280G of the Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain performance-based compensation established by an independent compensation committee which conforms to certain restrictive conditions stated under the Code and related regulations. It is our goal to have compensation paid to our executive officers qualify as performance-based compensation deductible for federal income tax purposes under Section 162(m). Given the fact that we are currently externally managed by our Advisor and the only compensation that currently may be paid to our executive officers are options pursuant to our Share Option Plan, it is unlikely that Section 162(m) will present any concerns.

During the fiscal year ended December 31, 2005, the compensation committee consisted of Messrs. Mannes and Rosan. No compensation committee member had any interlocking relationships requiring disclosure under applicable rules and regulations. No compensation committee member was employed by the Company as an officer or employee during 2005. No executive officer of the Company serves as a member of the

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

board of directors or compensation committee of any other company that has one or more executive officers serving as a member of our board of trustees or the compensation committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have and will continue to have certain relationships with our Advisor and its affiliates. However, there have been no direct financial transactions between us and our trustees and officers or the directors and officers of our Advisor.

Advisory Agreement

Our Company and our Advisor entered into an Advisory Agreement pursuant to which our Advisor is obligated to use its best efforts to seek out and present to us, whether through its own efforts or those of third parties retained by it, suitable and a sufficient number of investment opportunities which are consistent with our investment and conflicts policies and objectives, and consistent with investment programs our board of trustees may adopt from time to time in conformity with our declaration of trust. As explained more fully below, in December 2005 our board of trustees approved various amendments to our Advisory Agreement, which became effective upon the expiration of the existing agreement on March 29, 2006 (See - Terms of Amended Advisory Agreement Effective March 2006 below).

Although our board of trustees has continuing exclusive authority over our management, the conduct of our affairs, and the management and disposition of our assets, our board of trustees has delegated to our Advisor, subject to the supervision and review of our board of trustees and consistent with the provisions of our declaration of trust, the power and duty to: (i) obtain, furnish and/or supervise the services necessary to perform any ministerial functions in connection with the management of our day-to-day operations; (ii) seek out and present to us, whether through its own efforts or those of third parties retained by it, suitable and a sufficient number of investment opportunities which are consistent with our investment objectives and policies as adopted by our trustees from time to time; (iii) exercise absolute discretion, subject to our trustees review, in decisions to originate, acquire, retain, sell or negotiate for the prepayment or restructuring of mortgages and our other investments; (iv) recommend investment opportunities consistent with our investment objectives and policies and negotiate on our behalf with respect to potential investments or the disposition thereof; (v) upon request, cause an affiliate to serve as the mortgagee of record for our mortgages if such affiliate is qualified to do so and in that capacity to hold escrows on behalf of mortgagors in connection with the servicing of mortgages, which it may deposit with various banks including banks with which it may be affiliated; (vi) obtain for us such other services as may be required in acquiring or disposing of investments, disbursing and collecting our funds, paying our debts and fulfilling our obligations, and handling,

prosecuting and settling any of our claims, including foreclosing and otherwise enforcing mortgages and other liens securing investments; (vii) obtain for us such services as may be required for property management, mortgage brokerage and servicing, and other activities relating to our investment portfolio; (viii) evaluate, structure and negotiate potential prepayments or sales of mortgages and other investments and, if applicable, coordinate with government agencies and Fannie Mae and Freddie Mac in connection therewith; (ix) monitor annual participating interest payments, monitor operations and expenses of the developments, and verify computations of annual participating interest payments; (x) from time to time, or as requested by our board of trustees, make reports to us as to its performance of the foregoing services; and (xi) do all things necessary to assure its ability to render the services contemplated herein.

Fees and Other Compensation Terms of Advisory Agreement Effective During 2005

During 2005, pursuant to the terms of our Advisory Agreement, our Advisor was entitled to receive the fees and other compensation set forth below:

Fees/Compensation/Points*	Amount
Asset Management Fee	Equal to .625% on existing Original Mortgage Investments; .355% on new Original Mortgage Investments; .355% on investment grade Additional Mortgage Investments; .750% on non-investment grade Additional Mortgage Investments; and 1.000% on unrated Additional Mortgage Investments.**

Our Advisor received, with respect to each mortgage investment originated by us, a portion of the origination fees paid by borrowers equal to up to 1% of the principal amount and we received the portion of the origination fees paid by borrowers in excess of 1% of the principal amount of such mortgage investment.
Fees/Compensation/Points*	Amount
Expense Reimbursement	For direct expenses incurred by our Advisor.
Incentive Share Options	Our Advisor could receive options to acquire additional common shares pursuant to our Share Option Plan only if our distributions in any year exceed \$1.45 per common share and the compensation committee of our board of trustees determines to grant such options.

* Our Advisor is also permitted to earn miscellaneous compensation, which may include, without limitation, construction fees, escrow interest, property management fees, leasing commissions and insurance brokerage fees. The payment of any such compensation is generally limited to the competitive rate for the services being performed.

** Original Mortgage Investments means investments authorized under our original investment policy, which include originated Mortgages, acquired Mortgages and additional loans (and within such terms are also included REMICS, CMOs, GNMA, FHA and FHLMC Pass-Through Certificates). Additional Mortgage Investments shall mean uninsured mortgage loans, construction loans, bridge loans, mezzanine loans, mortgage derivatives, and commercial mortgage-backed securities (CMBS) subordinated interests (including

subordinated interests in CMBS).

Pursuant to the terms of our Advisory Agreement in effect during 2005, our Advisor was entitled to receive as compensation a number of shares equal to 1% of all common shares issued by us. No common shares were issued to our Advisor in 2005 in connection with any follow-on offerings.

Terms of Amended Advisory Agreement Effective March 2006

In December 2005, our board of trustees approved various amendments to our Advisory Agreement, which became effective upon the expiration of the existing agreement on March 28, 2006. The changes include the following:

Asset Management Fee: The prior asset by asset based fees ranging from .355% to 1% of the aggregate amount invested, depending on the category of asset, have been replaced with an asset management fee which is equal to 1.75% of stockholder's equity.

Loan Origination Fees: The prior sharing of origination fees (which are paid by borrowers and not AMAC) provided that the Advisor receives all origination fees up to 1% with the excess, if any, payable to AMAC. The revised Advisory Agreement provides that the Advisor will receive all origination fees.

Annual Incentive Fee: This fee has not changed.

Share Issuance: The prior agreement provided that the Advisor would receive 1% of all common shares issued by AMAC. This provision has been eliminated.

Expense Reimbursement: As in the current agreement, the Advisor will be entitled to receive reimbursement of all expenses incurred with respect to providing services to AMAC. The limitation on such reimbursement, which was imposed under earlier regulatory guidelines no longer applicable to AMAC, has been eliminated.

Term: The current one-year term will be retained. The Advisory Agreement will be subject to earlier termination for cause (as defined in the Advisory Agreement), without payment of a termination fee. If there is any dispute as to the fee structure (including the termination fee) upon any renewal, such dispute will be subject to arbitration.

Termination Fee : If the Advisory Agreement is terminated without cause or not renewed, the Advisor will be entitled to receive a termination fee equal to (i) four times the asset management fee and incentive fee paid during the 12-month period preceding such termination during the four-year period commencing on March 29, 2006 and (ii) the greater of (a) two times the asset management fee and incentive fee paid during the 12-month period preceding such termination or (b) the market termination fee after such four-year period.

14

Our Advisor is also permitted to earn miscellaneous compensation, which may include, without limitation, construction fees, escrow interest, property management fees, leasing commissions and insurance brokerage fees. The payment of any such compensation is generally limited to the competitive rate for the services being performed.

Affiliated Transactions

In June 2004, we entered into a revolving credit facility (the Revolving Facility) with CharterMac. The Revolving Facility, which is unsecured, will provide up to \$20.0 million in borrowings to be used to purchase new investments, and bears interest at 30-day LIBOR plus 300 basis points. The Revolving Facility is for a term of one year with a one-year optional extension and contains customary restrictions/covenants that are similar to our mortgage warehouse line of credit with Bank of America. In the opinion of our management, the terms of this facility are consistent with those of transactions with independent third parties. As of December 31, 2005, we had no advances outstanding on the Revolving Facility.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

In September 2005, we sold a mortgage loan, at par plus accrued interest for approximately \$1.6 million, to CharterMac, the parent of our Advisor.

During November 2005, we and CharterMac entered into a Subordinated Participation Agreement, under which we have acquired a subordinated participation equal to \$5.0 million in a loan receivable that CharterMac holds. We anticipate that we will purchase the remaining loan receivable balance from CharterMac at its \$26.0 million par value during the second quarter of 2006.

During April 2006 we closed a \$27 million loan to an affiliate of an entity controlled by Stephen M. Ross, the non-executive Chairman of the board of trustees of CharterMac, in connection with his purchase of an apartment project located in Worcester, Massachusetts.

ACCOUNTING AND AUDIT INFORMATION

The audit committee assists the board in fulfilling its oversight responsibilities with respect to the integrity of the Company's financial statements;

The audit committee met periodically with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations of the financial statements and internal controls;

The audit committee has reviewed and discussed with our management our fiscal 2005 audited financial statements;

The audit committee also reviewed management's report on its assessment of the effectiveness of internal control over financial reporting as of December 31, 2005;

The audit committee has discussed with Deloitte & Touche LLP (our independent registered public accounting firm) the matters required to be discussed by Statements on Auditing Standards No. 61 as amended by Statements on Auditing Standards No. 90; and

The audit committee has received the written disclosures and letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (which related to the registered public accounting firm's independence from our Company and its related entities) and has discussed with the registered public accounting firm their independence from us.

Based on the review and discussions referred to above, the audit committee recommended to our board of trustees that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2005.

Submitted by the audit committee of our board of trustees:

Independent Registered Public Accounting Firm

Deloitte & Touche LLP have been and are presently our independent registered public accounting firm. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting and to be available to respond to appropriate questions from holders of our common shares. In addition, such representatives will have the opportunity to make a statement if they desire to do so.

The following table presents fees for professional audit services rendered by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, Deloitte & Touche) for the audit of our financial statements for the fiscal years ended December 31, 2005 and December 31, 2004, and fees for other services rendered by Deloitte & Touche during those periods.

	2005	2004
Audit Fees (a)	\$392,250	\$350,050
Audit-Related Fees (b)		
Tax Fees (c)		52,000
All Other Fees (d)		
Total	\$392,250	\$402,050

- (a) Fees for audit services billed in 2005 and 2004 consisted of the audit of the Company's annual financial statements and internal controls, reviews of the Company's quarterly financial statements, comfort letters, consents and other services related to SEC matters. Costs of internal control audits represent an allocation from CharterMac.
- (b) No audit-related services were rendered by Deloitte & Touche in 2005 or 2004.
- (c) Fees for tax services consisted of tax compliance services. Tax compliance services are services rendered based upon facts already in existence or transactions that have already occurred to document, compute, and obtain government approval for amounts to be included in tax filings and consisted of Federal, state and local income tax return assistance and REIT compliance testing. Deloitte provided no tax compliance services in 2005.
- (d) No other services were rendered by Deloitte & Touche during 2005 or 2004.

All audit-related services, tax services and other services were pre-approved by the audit committee, which concluded that the provision of those services by Deloitte & Touche was compatible with the maintenance of Deloitte & Touche's independence in the conduct of its auditing functions.

Policy on Pre-Approval of Independent Registered Public Accounting Firm Services

The audit committee is responsible for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. The audit committee has established a policy regarding pre-approval of all audit and non-audit services provided by our Company's independent registered public accounting firm.

On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the audit committee is requested. The audit committee reviews these requests and advises management if the audit committee approves the engagement of the independent registered public accounting firm. The audit committee may also delegate the ability to pre-approve audit and permitted non-audit services to one or more of its members, provided that any pre-approvals are reported to the audit committee at its next regularly scheduled meeting.

EXPENSES OF SOLICITATION

We will bear the costs of the solicitation of proxies in connection with the annual meeting, including the costs of preparing, assembling and mailing proxy materials and the handling and tabulation of proxies received. In addition to the solicitation of proxies by mail, proxies may be solicited by trustees of our Company, or officers and employees of our Advisor, for no additional compensation, by telephone, telegram, personal interviews or otherwise. Arrangements have also been made with brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of common shares held of record by these persons or firms with their nominees, and in connection therewith, these firms will be reimbursed for their reasonable out-of-pocket expenses in forwarding these materials.

Additionally, we have retained The Altman Group, a proxy solicitation firm, to assist in the solicitation of proxies. We anticipate that the cost of this proxy solicitation firm in the aggregate will not exceed \$3,000, plus expenses. The telephone number of The Altman Group is (201) 806-7300. Other than as set forth above, neither we nor any other person acting on our behalf has retained any other person to make solicitations or recommendations to shareholders with respect to the approval of the acquisition transaction or any other proposal submitted to the shareholders for consideration at the annual meeting.

VOTING PROCEDURES

General

Computershare Trust Company, N.A. (the Inspector) has been appointed the inspector of elections. The Inspector will count all votes cast, in person or by submission of a properly executed proxy, received at or prior to the annual meeting. Abstentions and broker non-votes (nominees holding common shares for beneficial owners who have not voted on a specific matter) will be treated as present for purposes of determining whether a quorum is present at the annual meeting.

However, abstentions and broker non-votes will have no effect on the vote for the election of the trustees because the vote required is a plurality of the votes actually cast (assuming the presence of a quorum).

Voting

You may vote by completing, signing and mailing the enclosed proxy card in the enclosed return envelope. In the alternative, you may also submit a proxy by telephone or on the Internet by following the instructions on the enclosed proxy card. To submit a proxy on the Internet, log on to the Internet and go to <http://www.computershare.com/expressvote>, enter your authentication number which can be found in the grey shaded box on the proxy card, and follow the directions outlined on the secure website. To submit a proxy by telephone, call toll-free 1-800-652-VOTE (1-800-652-8683), enter your voter control number and follow the recorded instructions. Even if you plan to attend the annual meeting in person, we urge you to return your proxy card or submit a proxy by telephone or on the Internet to assure the representation of your shares at the annual meeting.

Record Date

Only holders of our common shares of record at the close of business on April 14, 2006 are entitled to receive notice of, and to vote at, the annual meeting, or any postponements or adjournments thereof. As of that date, there were approximately 8,303,839 common shares issued and outstanding. Each common share entitles the record holder thereof to one vote, exercisable in person or by properly executed proxy, on all matters which properly come before the annual meeting (or any postponement or adjournment thereof).

Quorum; Adjournments

For purposes of the annual meeting, the presence, in person or by proxy, of shareholders entitled to cast a majority of all votes entitled to be cast at the annual meeting will constitute a quorum. If a quorum is not obtained or, as to any one or more of the proposals, if fewer common shares are voted in favor of the proposal than the number of shares required for approval, the annual meeting may be adjourned for the purpose of obtaining additional proxies or votes or for any other purpose and, at any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the annual meeting, except for any proxies which have theretofore effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same day for any other matter at a previous meeting.

Vote Required

The affirmative vote of a plurality of the votes actually cast by the holders of our common shares either in person or by proxy at the annual meeting is required for the election of each of the trustee nominees. The affirmative vote of the holders of a majority of the common shares voting either in person or by proxy at the annual meeting is required to approve, if necessary, the extension of the solicitation period and the

adjournment of the annual meeting.

18

SHAREHOLDER PROPOSALS

Any shareholder proposal intended to be presented at the 2007 Annual Meeting of Shareholders must be received by us at our principal executive office not later than January 8, 2007, for inclusion in the proxy statement and form of proxy relating to that meeting. Any such proposal must also comply with other requirements of the proxy solicitation rules of the SEC. No business other than that stated in the proxy statement and form of proxy shall be transacted at any meeting without the unanimous consent of all the shareholders entitled to vote thereat.

ANNUAL REPORT ON FORM 10-K

Upon written request by any shareholder entitled to vote at the meeting, we will furnish that person without charge a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, which is filed with the SEC, including the financial statements and schedules thereto. Requests should be addressed to Brenda Abuaf at American Mortgage Acceptance Company, 625 Madison Avenue, New York, New York 10022.

OTHER BUSINESS

Our board of trustees does not know of any other matters to be brought before the annual meeting except those set forth in the notice thereof. If other business is properly presented for consideration at the annual meeting, it is intended that the proxies will be voted by the persons named therein in accordance with their judgment on such matters.

It is important that your common shares be represented at the annual meeting. If you are unable to be present in person, please complete, date, sign and return the enclosed stamped, self-addressed proxy card, submit a proxy on the Internet at <http://www.computershare.com/expressvote>, or submit a proxy by telephone by calling toll free 1-800-652-VOTE (1-800-652-8683). Your failure to do so will increase the costs of operating our Company and decrease the return on your investment.

AMERICAN MORTGAGE ACCEPTANCE COMPANY

Charter of the Audit Committee of the Board of Trustees

I. PURPOSE

The Audit Committee is established by and amongst the Board of Trustees for the primary purpose of assisting the board in:

- overseeing the integrity of the Company's financial statements,
- overseeing the Company's compliance with legal and regulatory requirements,
- overseeing the independent auditor's qualifications and independence,
- overseeing the performance of the company's independent auditor, and
- overseeing the Company's system of disclosure controls and system of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee should also provide an open avenue of communication among the independent auditors, financial and senior management, and the Board of Trustees.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company shall provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor and to any advisers that the audit committee chooses to engage.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter. The Audit Committee will report regularly to the Board of Trustees regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The Audit Committee shall be comprised of three or more trustees as determined by the Board, each of whom shall be independent trustees (as defined by all applicable rules and regulations), and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Each trustee shall be free of any relationship that, in the opinion of the Board, would interfere with his or her individual exercise of independent judgment, and shall meet the director independence requirements for serving on the Committee as set forth in the corporate governance standards of the American Stock Exchange. All members of the Committee shall have a working familiarity with basic finance and accounting practices. The board shall determine whether at least one member of the Committee qualifies as an audit committee financial expert in compliance with the criteria established by the SEC and other relevant regulations. The Company will disclose, in periodic filings as required by the SEC, (i) the name of the audit committee financial expert and whether or not he or she is independent, or (ii) the reason for the absence of a current audit committee financial expert. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant. The Board has determined that simultaneous service on more than one Audit Committee would not impair the ability of any trustee to effectively serve on the Company's audit committee.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. Each regularly scheduled meeting shall conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may elect. As part of its job to foster open communication, the Committee should meet periodically with management and the independent auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee

20

should meet quarterly with the independent auditors and management to discuss the annual audited financial statements and quarterly financial statements, including the Company's disclosure under Management's Discussion and Analysis of Financial Condition and Results of Operations.

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

Documents/Reports/Accounting Information Review

1. Review this Charter periodically, at least annually, and recommend to the Board of Trustees any necessary amendments as conditions dictate.
2. Review and discuss with management the Company's annual financial statements, quarterly financial statements, and all internal controls reports (or summaries thereof). Review other relevant reports or financial information submitted by the Company to any governmental body, or the public, including management certifications as required by the Sarbanes-Oxley Act of 2002 (Sections 302, 404 and 906) and relevant reports rendered by the independent auditors (or summaries thereof).
3. Recommend to the Board whether the financial statements should be included in the Annual Report on Form 10-K. Review with financial management and the independent auditors the 10-Q prior to its filing (or prior to the release of earnings).
4. Review earnings press releases with management, including review of pro-forma or adjusted non-GAAP information.
5. Discuss with management financial information and earnings guidance provided to analysts and rating agencies. Such discussions may be on general terms (i.e., discussion of the types of information to be disclosed and the type of presentation to be made).
6. Oversee compliance with the Company's Code of Conduct and oversee and review such code and recommend changes as necessary.

Independent Auditors

7. Appoint (subject to shareholder ratification, if applicable), compensate, and oversee the work performed by the independent auditor for the purpose of preparing or issuing an audit report or related work. Review

the performance of the independent auditors and remove the independent auditors if circumstances warrant. The independent auditors shall report directly to the audit committee and the audit committee shall oversee the resolution of disagreements between management and the independent auditors in the event that they arise. The committee will review the experience and qualifications of senior members of the independent audit team annually and ensure that all partner rotation requirements, as promulgated by applicable rules and regulations, are executed. The committee will also consider whether the auditor's performance of permissible nonaudit services is compatible with the auditor's independence.

8. Review with the independent auditor any problems or difficulties and management's response; review the independent auditor's attestation and report on management's internal control report; and hold timely discussions with the independent auditors regarding the following:

all critical accounting policies and practices;

all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor;

other material written communications between the independent auditor and management including, but not limited to, the management letter and schedule of unadjusted differences; and

an analysis of the auditor's judgment as to the quality of the Company's accounting principles, setting forth significant reporting issues and judgments made in connection with the preparation of the financial statements.
