Item 1.01. Entry into a Material Definitive Agreement.

On August 10, 2007, Lexington Realty Trust (the “Trust”), through The Lexington Master Limited Partnership (the “Partnership”) and LMLP GP LLC, a wholly-owned subsidiary of the Partnership (“LMLP GP”), entered into a limited partnership agreement of Net Lease Strategic Assets Fund L.P. (the “Co-Investment Program”), dated as of August 10, 2007 (the “Partnership Agreement”), among LMLP GP, as the general partner, the Partnership, as a limited partner, and Inland American (Net Lease) Sub, LLC (“Inland”), a wholly-owned subsidiary of Inland American Real Estate Trust, Inc.

The Co-Investment Program was formed to invest in specialty single-tenant net leased assets in the United States.

In connection with the formation of the Co-Investment Program, the Partnership agreed to contribute six single tenant net leased assets to the Co-Investment Program pursuant to a contribution agreement, dated as of August 10, 2007 (the “Contribution Agreement”).

Also, in connection with the formation of the Co-Investment Program, the Trust and certain of its subsidiaries agreed to sell and the Co-Investment Program agreed to purchase, 47 primarily single tenant net leased assets pursuant to a purchase and sale agreement, dated as of August 10, 2007 (the “Purchase Agreement”).

The contribution of the six assets and the purchase and sale of the 47 assets, values the 53 assets at approximately \$940.0 million. The table below contains selected information about the 53 assets. Upon the closing of the acquisition of the 53 assets, the Partnership and Inland will make initial capital contributions to the Co-Investment Program, with the Partnership’s initial capital contribution consisting of cash and the six previously mentioned assets, so that the Partnership and Inland will have percentage interests in the Co-Investment Program of 15% and 85%, respectively.

The acquisition of each of the 53 assets by the Co-Investment Program is subject to satisfaction of conditions precedent to closing, including obtaining financing on certain terms, obtaining certain consents and waivers, the continuing financial solvency of the tenants, certain other customary conditions, and, in the case of one asset, the acquisition of the asset by the Trust. Accordingly, neither the Trust nor the Partnership can provide any assurance that the acquisition by the Co-Investment Program will be completed. In the event that the Co-Investment Program does not acquire any of the 53 assets by March 1, 2008, the Co-Investment Program will be terminated.

In addition to the initial capital contributions, the Partnership and Inland intend to invest an additional \$22.5 million and \$127.5 million, respectively, in the Co-Investment Program to acquire additional specialty single-tenant net leased assets. Assuming mortgage financing of 70% of acquisition cost, the Co-Investment Program will acquire up to \$1.4 billion of assets when, and if, fully funded.

Inland and the Partnership are entitled to a return on their respective investments equal to 9% per annum, with Inland’s return having a priority over the Partnership’s return. Following, the 9%

per annum, Inland and the Partnership are entitled to a return of the capital each invested, with Inland's return of capital having a priority over the Partnership's return of capital. Once all capital has been returned, the Partnership will receive certain incentive distributions.

The Partnership Agreement provides each partner with a right of first offer for transfers if either the Partnership or Inland desires to sell its interest in the Co-Investment Program or cause the Co-Investment Program to sell a certain asset. In addition, the Partnership Agreement contains a buy/sell arrangement in the event either the Partnership or Inland desires to buy the other partner's interest in the Co-Investment Program or sell its interest in the Co-Investment Program.

The Trust's wholly-owned taxable real estate investment trust subsidiary, Lexington Realty Advisors, Inc. ("LRA"), has entered into a management agreement with the Co-Investment Program whereby LRA will receive (1) a partnership management fee of 0.375% of the equity capital, (2) a property management fee of up to 3.0% of actual gross revenues from certain assets for which the landlord is obligated to provide property management services (contingent upon the recoverability under the applicable lease), and (3) an acquisition fee of 0.5% of the gross purchase price of each acquired asset by the Co-Investment Program under the terms of the Partnership Agreement.

The foregoing description is qualified in its entirety by reference to the Partnership Agreement, the Contribution Agreement, the Purchase Agreement and the Management Agreement, which are respectively attached as Exhibit 10.1, 10.2 and 10.3 to this Current Report on Form 8-K.
