BOOKS-A-MILLION, INC. ANNOUNCES INTENTION TO COMMENCE A
DUTCH AUCTION TENDER OFFER

BIRMINGHAM, ALA. (JUNE 21, 2005) -- BOOKS-A-MILLION, INC. (NASDAQ/NM:BAMM) announced today that its Board of Directors has approved a modified "Dutch Auction" tender offer to purchase up to 4,000,000 shares of its

Edgar Filing: - Form

common stock at a price per share not less than \$8.75 and not greater than \$10.00.

The number of shares proposed to be purchased in the tender offer represents approximately 24.6% of the Company's currently outstanding shares. The tender offer is expected to commence within five days. The purchase will be financed primarily from borrowings from the Company's existing revolving credit facility. The closing price per share of the Company's common stock on the Nasdaq National Market on June 20, 2005 was \$8.38 per share.

The Company's directors and executive officers have advised the Company that they do not intend to tender any of their shares in the offer. In addition, certain of the Company's other significant stockholders, Charles C. Anderson, Joel R. Anderson, Harold M. Anderson and Charles C. Anderson, Jr., have advised the Company that they do not intend to tender any of their shares in the offer.

On the terms and subject to the conditions of the tender offer, the Company's stockholders will have the opportunity to tender some or all of their shares at a price within the \$8.75 to \$10.00 per share range. Based on the number of shares tendered and the prices specified by the tendering stockholders, the Company will determine the lowest per share price within the range that will enable it to buy 4,000,000 shares, or such lesser number of shares that are properly tendered and not properly withdrawn. All shares accepted in the tender offer will be purchased at the same determined price per share regardless of whether the stockholder tendered at a lower price. If stockholders properly tender and do not properly withdraw more than 4,000,000 shares at or below the determined price per share, the Company will purchase shares tendered at or below the determined purchase price by those stockholders owning fewer than 100 shares, without pro ration, and all other shares tendered at or below the determined purchase price will be purchased on a pro rata basis, subject to the conditional tender offer provisions described in the offer to purchase that will be distributed to stockholders. Stockholders whose shares are purchased in the offer will be paid the determined purchase price, net in cash, without interest, promptly after the expiration of the offer period. The offer will not be contingent upon the receipt of financing or upon any minimum number of shares being tendered. The offer will however, be subject to a number of other terms and conditions to be specified in the offer to purchase that will be distributed to stockholders.

None of the Company, its Board of Directors, the dealer manager or the information agent makes any recommendation to stockholders as to whether to tender or refrain from tendering their shares into the tender offer. Stockholders must decide how many shares they will tender, if any, and the price within the stated range at which they will offer their shares for purchase by the Company.

The dealer manager for the tender offer will be Goldman, Sachs & Co. and the information agent will be D.F. King & Co., Inc. The Company has also retained Latham & Watkins LLP to act as its legal counsel in the tender offer. The offer to purchase, letter of transmittal and related documents will be mailed to stockholders of record and also will be made available for distribution to beneficial owners of the Company's common stock. For questions and information, please call the information agent toll free at (888) 644-5854.
