The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$143.7900 to \$144.7800. The reporting person undertakes to provide to the Company, any security holder of the Company, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within this range.

- (4) Aggregate number of shares held in ESPP as of the last day of the calendar month that ended at least 10 days prior to the date of this report, including shares acquired or disposed of on various dates since balance was last reported. Because interest in Plan is denominated in cash, fluctuation in share price since the balance was last reported may have resulted in either an increase or decrease in associated number of shares.
- (5) Currently 100% vested
