a bit of work it is capable of performing in various water depths ranging from the shallow water of the Continental Shelf to the deepwater regions of the world."

Established in 1978, Torch Offshore, Inc. is involved in offshore pipeline installation and subsea construction for the oil and natural gas industry. Torch Offshore, Inc. is expanding beyond its established shallow water niche market in order to serve the industry's worldwide growing needs in the deep waters.

Any statements made in this news release, other than those of historical fact, about an action, event or development, which the Company hopes, expects, believes or anticipates may or will occur in the future, are forward-looking statements under the Private Securities Litigation Act of 1995. The forward-looking statements in this news release include statements about the capabilities of the Midnight Hunter as well as upcoming work to be performed by the vessel. Such statements are subject to various assumptions, risks and uncertainties, which are specifically described in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 filed with the Securities and Exchange Commission, as well as other factors that may not be within the Company's control, including, specifically, oil and natural gas commodity prices, weather conditions and offshore construction activity levels. Although the Company believes its expectations are based on reasonable assumptions, it gives no assurance that the Company's assumptions and projections will prove to be correct. Actual results may differ materially from those projected.
