2. To consider and vote on a proposal to amend the Certificate of Incorporation of the Company to increase the authorized shares of Common Stock, par value \$.001 per share, from 40,000,000 shares to 100,000,000 shares; and
3. To transact such other business as may properly come before the meeting, or any adjournments thereof.

Information with respect to the above is set forth in the Proxy Statement which accompanies this Notice. Only holders of shares of the Company's Common Stock of record at the close of business on May 1, 2002 (the "Record Date") are entitled to notice of and to vote at the Meeting.

### PROXY STATEMENT ANNUAL MEETING OF SHAREHOLDERS

The enclosed proxy is solicited by the Board of Directors of Suite101.com, Inc., a Delaware corporation (the "Company"), from the holders of shares of Common Stock, \$.001 par value ("Common Stock") to be voted at the Annual Meeting of Shareholders (the "Meeting") to be held at the offices of the Company at 1122 Mainland Street, Suite 210, Vancouver, British Columbia, Canada, on Tuesday, June 11, 2002, at 10:00AM, local time, and at any adjournments thereof.

The only business which the Board of Directors intends to present or knows that others will present at the Meeting is: (i) the election of four (4) Directors of the Company to hold office until the next Annual Meeting of Shareholders in 2003 and until their successors have been elected and qualified, and (ii) to consider and vote on a proposal to amend the Certificate of Incorporation of the Company to increase the authorized shares of Common Stock, par value \$.001 per share, from 40,000,000 shares to 100,000,000 shares. Management does not know of any other business to be brought before the Meeting but it is intended that as to any other business, a vote may be cast pursuant to the proxy in accordance with the judgment of the person or persons acting thereunder. If proxies in the enclosed form are properly executed and returned, the Common Stock represented thereby will be voted at the Meeting in accordance with the shareholder's direction. Unless otherwise specified, proxies in the enclosed form will be voted for the election of the four (4) Directors named as nominees and in favor of the amendment to the Certificate of Incorporation. Any shareholder giving a proxy has the power to revoke it at any time before the proxy is voted by revoking it in writing, by executing a later dated proxy or appearing at the Meeting and voting in person. Any writing revoking a proxy should be addressed to John K. Campbell, Secretary of the Company, at the address set forth below.

The Directors to be elected at the Meeting will be elected by a plurality of the votes cast by the holders of Common Stock present in person or by proxy and entitled to vote. The amendment of the Certificate of Incorporation will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock. With regard to the election of Directors, votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because Directors will be elected by a plurality of votes cast.

Abstentions may be specified on the proposal submitted to a stockholder vote other than the election of Directors. Abstentions will be counted as present for purposes of determining the existence of a quorum regarding the proposal on which the abstention is noted. However, abstentions on the proposal will have the effect of a negative vote on the proposal to amend the Certificate of Incorporation because the proposal requires the affirmative vote of a majority of the outstanding shares of Common Stock.

Under the rules of the New York Stock Exchange, brokers who hold shares in street name have the authority to vote on certain routine matters on which they have not received instructions from beneficial owners. Brokers holding shares of the Company's Common Stock in street name who do not receive instructions are entitled to vote on the election of Directors and the amendment to the Certificate of Incorporation. Under applicable Delaware law, "broker non-votes" on any proposal (where a broker submits a proxy but does not vote a customer's shares on such proposal) will be considered not entitled to vote on that proposal and thus will not be counted in determining the outcome of such vote.

## Edgar Filing: SUITE 101 COM INC - Form DEF 14A

Likewise, where authority to vote for the election of Directors is withheld by a stockholder, such shares will not be counted in determining the outcome of such vote. Therefore, broker non-votes with respect to the election of Directors and stockholders who mark their proxies to withhold authority to vote their shares will have no effect on the outcome of such proposal, although broker non-votes and proxies submitted where the vote for the election of Directors is withheld are counted in determining the existence of a quorum.

Only holders of record of Common Stock as of the close of business on May 1, 2002 are entitled to vote at the Meeting or any adjournments thereof. On such date, the Company had outstanding voting securities consisting of 13,249,519 shares of Common Stock, each of which shares is entitled to one (1) vote on all proposals submitted to a vote of shareholders at the Meeting.

The Company's principal executive office address is 1122 Mainland Street - Suite 210, Vancouver, British Columbia, Canada V6B 5L1, and its telephone number is (604) 682-1400. This Proxy Statement and the enclosed Form of Proxy will be mailed to the Company's shareholders on or about May 9, 2002.

### 1. ELECTION OF DIRECTORS

At the Meeting, it is proposed to elect four (4) Directors to hold office until the next Annual Meeting of Shareholders in 2003 and until their respective successors are elected and qualified. It is intended that, unless otherwise indicated, the shares of Common Stock represented by proxies solicited by the Board of Directors will be voted for the election as Directors of the four nominees hereinafter named. If, for any reason, any of said nominees shall become unavailable for election, which is not now anticipated, the proxies will be voted for the other nominees and may be voted for a substitute nominee designated by the Board of Directors. Each nominee has indicated that he is willing and able to serve as a Director if elected, and, accordingly, the Board of Directors does not have in mind any substitute.

## 2. PROPOSAL TO AMEND CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.

The Board of Directors of the Company has recommended that the Company's stockholders adopt a proposal to approve an amendment to the Certificate of Incorporation of the Company to increase the number of authorized shares of Common Stock, \$.001 par value, from 40,000,000 shares to 100,000,000 shares. The proposed form of the amendment to the Certificate of Incorporation to increase the number of shares of Common Stock authorized is attached hereto as Exhibit A.

### MANAGEMENT RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.

The amendment has received the unanimous approval of the Company's Board of Directors and will be adopted by shareholders upon receiving the affirmative vote of a majority of the outstanding stock entitled to vote thereon at the Meeting.

The Company is currently authorized to issue 40,000,000 shares of Common Stock, of which 13,249,519 shares were outstanding at the close of business on May 1, 2002. Also at May 1, 2002, the Company had both reserved for issuance and was contractually committed to reserve for issuance an additional 3,476,297 shares under the terms of outstanding options and warrants. Accordingly, at May 1, 2002, the number of shares of Common Stock reserved for issuance, together with the number of shares outstanding on that date, was 16,725,816 shares.

Since early 1999, using approximately \$6.1 million out of total proceeds of \$9.5 million the Company raised in private sales of its securities in 1999 and 2000, the Company endeavored to develop its activities into an Internet Web-based community with revenue-generating operations. During the period January 1, 1999 through December 31, 2001, the Company's total revenues were \$43,600 and its available cash fell from \$9,321,525 at the end of March 2000 to

\$4,048,630 at the end of December 2001. Also, since 1999, there have been enormous changes in the stock market's perception of the likelihood of success for Internet-based enterprises which has affected substantially the Company's ability to raise capital and achieve its business objectives. Accordingly, by unanimous action of the Company's Board of Directors then in office taken in the

## Edgar Filing: SUITE 101 COM INC - Form DEF 14A

fourth quarter of 2001, the Company determined to review its business activities with a view to redirecting those activities.

The Company's current business plan is to utilize its available cash and other resources, including possibly, shares of its Common Stock, to redirect its activities out of the operation and maintenance of a Web-based community into another area of business. Management of the Company believes that the Company's future activities will be unrelated to the operation of an Internet Web site. It is expected that the redirection of the Company's business activities will involve the Company in a business combination or other material transaction. Management of the Company is engaged in ongoing efforts to identify a suitable opportunity for the Company in this regard. At May 1, 2002, these efforts have not resulted in discussions with others that management believes can be considered to be probable of resulting in a completed transaction. As of May 1, 2002, there are no definitive agreements or agreements in principal relating to the acquisition of any other business activities by the Company and the Company is unable to state the nature of the business activities that may be undertaken in the future. There can be no assurance that an acquisition can be completed.

The Company's business plan and any resulting transaction may involve the following:

- o Any such acquisition transaction may result in the Company issuing securities, including possibly the issuance of shares of Common Stock, as part of the transaction. The issuance of previously authorized and un-issued shares of Common Stock, including the additional 60,000,000 shares of Common Stock authorized if the proposed amendment to the Certificate of Incorporation is adopted, could result in substantial dilution of the Company's existing stockholders and could possibly result in a change in control or management of the Company.
- o The 23,274,184 shares of Common Stock and 1,000,000 shares of Preferred Stock that the Company is authorized to issue but are not issued or outstanding or reserved for issuance as of April 22, 2002, as well as the additional 60,000,000 shares of Common Stock for which the Company is seeking authorization to issue, will be able to be issued by action of the Company's Board of Directors in a transaction resulting in the redirection of the Company's activities without any requirement under Delaware law or the rules of any national securities exchange or automated quotation system of

-8-

further action being taken by the Company's stockholders to authorize the issuance of the shares or to approve the transaction or the redirected business activities. Any additional issuances of any of the Company's securities will not require the approval of the Company's stockholders and may have the effect of further diluting the equity interest of stockholders.

- o Any transaction the Company enters into involving the redirection of its activities may require that the Company raise additional capital which may also involve the issuance of shares of its Common Stock and be dilutive to its existing stockholders. Issuance of shares to raise capital can be approved by the Company's Board of Directors and would not require stockholder approval.
- o Any transaction the Company enters into in redirecting its

## Edgar Filing: SUITE 101 COM INC - Form DEF 14A

business activities may be structured on terms whereby the approval of the Company's existing stockholders is not required which would result in the Company's existing stockholders being unable to vote in favor of or against the transaction and the redirection of the Company's business activities.

- o Until the Company completes a transaction resulting in a redirection of its business activities, the Company expects to continue to incur expenses without any material revenues. In addition, the Company may incur reductions in the carrying value of its fixed assets in connection with its efforts to redirect its activities.

The Board of Directors of the Company believes that the adoption of the amendment to the Certificate of Incorporation to increase the number of shares of Common Stock authorized will provide it with additional flexibility in negotiating a transaction. If any transaction proposed to be entered into in connection with the redirection of the Company's activities would require for its completion the issuance or reservation for issuance of a number of shares of Common Stock exceeding the number the Company is authorized to issue before adopting the proposed amendment to the Certificate of Incorporation, the adoption of the amendment to the Certificate of Incorporation to be acted upon at the Meeting will enable the Board of Directors to negotiate and complete the transaction without the delay and expense that would be involved if it were required to seek shareholder approval for an increase in its authorized shares of Common Stock at the time the transaction is entered into and as a condition to the completion of the transaction. Subject to the possibility the Company may issue shares in transactions such as are described above, the Company has no present specific plans to issue any additional shares of its Common

-9-

Stock or other options, warrants or convertible securities requiring the issuance, on exercise or conversion, of any additional shares of Common Stock.

As a corporation organized under the laws of the State of Delaware, the Company is required to file an annual Franchise Tax Report and pay a franchise tax to the State of Delaware based, in part, on its authorized capitalization. A consequence of the increase in the Company's shares of authorized Common Stock will be to increase the amount of the franchise tax the Company is required to pay to the State of Delaware. For the year ended 2001, the franchise tax paid by the Company to the State of Delaware, based on the assumed par value capital method of calculating the tax, was \$5,800. As a consequence of adopting the amendment to the Certificate of Incorporation and the increase in the Company's authorized shares, based on the assumed par value capital method of calculating the tax, and based on the Company's assets as of December 31, 2001, the franchise tax would have been \$14,000 for the year 2001.

MANAGEMENT RECOMMENDS THAT THE PROPOSAL BE ADOPTED. ADOPTION OF THE PROPOSAL REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK.

### RELATIONSHIP WITH PUBLIC ACCOUNTANTS

During the two fiscal years ended December 31, 2001, the Company has not filed any Current Report on Form 8-K reporting any change in accountants in which there was a reported disagreement on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

## Edgar Filing: SUITE 101 COM INC - Form DEF 14A

A representative of N.I. Cameron Inc. is not expected to be present at the Meeting. However, if such a representative is present, he or she will be offered the opportunity to make a statement if such representative desires to do so and will be available to respond to appropriate questions.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by use of the mails, certain officers and regular employees may solicit proxies personally and by telephone and the Company will request banks, brokerage houses and nominees and fiduciaries to forward soliciting material to their principals and will reimburse them for their reasonable out-of-pocket expenses.

The Company's Annual Report on Form 10-KSB for the year ended December 31, 2001, including financial statements, is being mailed to shareholders herewith. However, that report is not part of the proxy soliciting information.
