#### Item 1.01 Entry into a Material Definitive Agreement

On February 6, 2007, we entered into agreements with Aquila, Inc. ( Aquila ) to acquire the gas utilities operated by Aquila in Colorado, Iowa, Kansas and Nebraska, and the electric utility operated by Aquila in Colorado, together with certain related assets, for \$940 million in cash. At the same time we entered into our agreements with Aquila, Aquila also entered into an agreement with Great Plains Energy Incorporated ( Great Plains ) for the merger of a subsidiary of Great Plains with and into Aquila. Each transaction is contingent on the completion of the other transaction, meaning that one transaction will not be completed unless the other transaction is completed.

The Agreement and Plan of Merger (Merger Agreement), the Asset Purchase Agreement (APA) and the Partnership Interests Purchase Agreement (PIPA), each dated February 6, 2007, provided they may be terminated if the transactions have not been consummated by February 6, 2008 (the Termination Date). Each agreement further provides that if any party to the agreement determines that additional time is necessary to obtain any of the specified regulatory consents or approvals, the Termination Date may be extended from time to time by written notice, up to August 6, 2008. Black Hills Corporation, Aquila and Great Plains previously extended the Termination Date under the agreements to May 1, 2008.

On April 29, 2008, Black Hills Corporation, Aquila and Great Plains provided notices to each other again mutually extending the Termination Date under their APA, PIPA and Merger Agreement to August 6, 2008.
