ZOOM TECHNOLOGIES, INC. PROXY STATEMENT

This proxy statement is being furnished to our stockholders beginning on or about December 1, 2011, in connection with the solicitation of proxies by the Zoom Technologies, Inc. Board of Directors to be used at our Annual Meeting of Stockholders (the "Annual Meeting") to be held at 10:00am EST on Friday, December 16, 2011 at the Offices of Ellenoff Grossman and Schole LLP, 150 East 42nd Street, 11th Floor, New York, NY 10017, and at all adjournments or postponements of the Annual Meeting for the purposes listed in the preceding Notice of Annual Meeting of Stockholders.

INFORMATION AND Q&A ABOUT THE ANNUAL MEETING

When is the Annual Meeting?

10:00am EST on Friday, December 16, 2011

Where will the Annual Meeting be held?

The annual meeting will be held at the offices of Ellenoff Grossman and Schole LLP, 150 East 42nd Street, 11th Floor, New York, NY 10017 .

What is being considered at the meeting?

At the Meeting, Shareholders will consider and vote on the following proposals:

1. To elect six incumbent directors to the Board of Directors to serve until the 2012 Annual Meeting of Shareholders or until their successors have been duly elected or appointed and qualified ("Proposal 1");
2. To amend the Company's 2009 Equity Incentive Compensation Plan to increase the number of shares of Common Stock authorized for issuance from 2,500,000 to 5,000,000; and
3. To transact such other business as may properly come before the meeting or any adjournment or postponements thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the meeting?

You may vote at the Annual Meeting if you owned Common Stock as of the close of business on Record Date which is November 21, 2011. Each share of Common Stock is entitled to one vote.

YOUR BOARD OF DIRECTORS HAS APPROVED THE PROPOSALS SET FORTH HEREIN.

ACCORDINGLY, THE BOARD RECOMMENDS A VOTE "FOR" THE RE-ELECTION OF THE SIX INCUMBENT DIRECTORS.

How do I vote?

You can vote in two ways:

•

by attending the Annual Meeting at 10:00am EST on Friday, December 16, 2011, at the offices of Ellenoff Grossman and Schole LLP, 150 East 42nd Street, 11th Floor, New York, NY 10017, and at any adjournment or postponements thereof and voting thereat; or

•

by completing, signing, dating and returning the enclosed Proxy Card.

What if I return my Proxy Card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted **FOR** the re-election of the six candidates as directors, and **FOR** the amendment of the Company's 2009 Equity Incentive Compensation Plan to increase the number of shares of Common Stock authorized for issuance from 2,500,000 to 5,000,000, and **FOR** all other matters described in the attached Notice of Annual Meeting and Proxy Statement.

What does it mean if I receive more than one Proxy Card?

It means you may have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares of Common Stock. We recommend that you contact your broker (if are the beneficial owner of our shares in street name) or our transfer agent (if you are a stockholder of record) to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare, 330 N. Brand Blvd., Suite 701, Glendale, CA 91203-2149, telephone (818) 254-3160.

Will my shares be voted if I do not provide my Proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a Proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. The re-election of Company's Directors is not considered a "routine" matter. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to the amendment of the Company's 2009 Equity Incentive Compensation Plan to increase the number of shares of Common Stock authorized for issuance from 2,500,000 to 5,000,000.

How do I vote in person if I hold shares registered in the name of a broker or bank?

If, on Record Date which is November 21, 2011, your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. Because you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the annual meeting. If you want to attend the Annual Meeting, and/or vote at the Annual Meeting, you must become a registered owner by asking your broker to do one of the following:

- "Certificate" your position, in which case you will receive an actual certificate for your stock (the broker may charge you an additional fee for this service and you would lose some ability to quickly sell your shares because you would have to physically deliver the certificate to do so); or
- Move your holdings into a "direct registration system" or "DRS" account at the company. DRS is a system that allows investors to hold the securities electronically on the records of the company and to electronically transfer those securities between the company and their broker.

Before requesting a certificate or moving your shares into DRS form, you should contact your broker-dealer to determine the process, timeframes, and fees associated with certificating the securities held in the investor's broker-dealer account.

Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy in advance of the Annual Meeting to ensure your vote is counted.

Can I change my mind after I return my Proxy?

Yes. You may change your vote at any time before your Proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to your respective corporate secretary, by submitting another Proxy with a later date, or by attending the Annual Meeting and voting in person. If you are a shareholder in "street" or "nominee" name, you should consult with the bank, broker or other nominee regarding that entity's procedures for revoking your voting instructions.

How many shares are eligible to be voted at the Annual Meeting?

The record date for the Annual Meeting is November 21, 2011. Only shareholders of record at the close of business on November 21, 2011, will be entitled to vote at the Annual Meeting. At the close of business on that date, there were issued and outstanding 22,704,225 shares of the Company's Common Stock entitled to one vote per share.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares of Common Stock as of November 21, 2011 must be present in person or by proxy at the meeting. This is referred to as a quorum. On November 21, 2011, there were 22,704,225 shares of Common Stock outstanding and entitled to vote. If a quorum is not present, then either the chairman of the meeting or the shareholders entitled to vote at the meeting may adjourn the meeting until a later time. Abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Abstentions and broker "non-votes" (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon) will have no effect on the vote for re-election of directors.

What vote is required to amend the Company's 2009 Equity Incentive Compensation Plan to increase the number of shares of Common Stock authorized for issuance from 2,500,000 to 5,000,000?

Approval to amend the Company's 2009 Equity Incentive Compensation Plan to increase the number of shares of Common Stock authorized for issuance from 2,500,000 to 5,000,000 will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the Meeting. Only proxies indicating votes "FOR," "AGAINST" or "ABSTAIN" on this proposal or providing the designated proxies with the right to vote in their judgment and discretion on this proposal are counted to determine the number of shares present and entitled to vote.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed Proxy Card gives authority to the Proxy holders to vote on those matters at their discretion.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published on a Current Report on Form 8-K within four business days after conclusion of the Annual Meeting.

PROPOSAL 1

RE-ELECTION OF DIRECTORS

At the Annual Meeting, six individuals will be elected to serve as directors until the next annual meeting or until their successors are duly elected, appointed and qualified. The Company's Board of Directors currently consists of five persons. The three individuals who are nominated for re-election to the Board of Directors are existing directors of the Company. Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated Proxy will be voted "FOR ALL" of the three persons named below to serve as directors, unless the Proxy contains contrary instructions. Management has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a director. However, in the event any nominee is not a candidate or is unable or unwilling to serve as a director at the time of the re-election, unless the shareholder WITHHOLDS AUTHORITY from voting, the proxies will be voted "FOR" any nominee who shall be designated by the present Board of Directors to fill such vacancy.

The six current Directors to be considered for re-election are Lei Gu, Anthony Chan, August Lo, Chang Shan and Chen Wang.

Our Directors will generally serve one-year terms and shall hold office until the 2012 annual meeting of shareholders and until his successor has been duly elected, appointed and qualified. If all the nominees are elected, the Board of Directors will consist of six incumbent directors.

Unless Proxy Cards are otherwise marked, the persons named as proxies will vote all proxies received FOR the re-election of each nominee named in this section.

At each annual meeting of shareholders, directors will be elected by the holders of Common Stock to succeed those directors whose terms are expiring. Directors will be elected annually and will serve until successors are duly elected and qualified or until a director's earlier death, resignation or removal. Our bylaws provide that the authorized number of directors may be changed by action of the majority of the Board of Directors or by a vote of the shareholders of our Company. Vacancies in our Board of Directors may be filled by a majority vote of the Board of Directors with such newly appointed director to serve until the next annual meeting of shareholders, unless sooner removed or replaced.

The following table sets forth certain information concerning each nominee for re-election as a Director of the Company:

Corporate Governance - **Board Leadership Structure**

Our Company is led by Lei Gu, who has served as Chairman of our Board of Directors and Chief Executive Officer since September 2009, and CEO and Chairman of TCB Digital since July 2007. We believe that having Mr. Gu act in both these roles is most appropriate for the Company at this time because it provides the Company with consistent and efficient leadership, both with respect to the Company's operations and the leadership of the Board. In particular, having Mr. Gu act in both these roles increases the timeliness and effectiveness of the Board's deliberations, increases the Board's visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company's strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession, compensation, compliance, and other risks.

Director Independence

As a NASDAQ listed company, the Company uses the independence definitions of NASDAQ in determining whether our directors are independent. The discussion below reflects such standards of independence.

Our Board of Directors has determined that four of our directors, Mr. Lo, Mr. Shan, Mr. Wang and Mr. Li, each qualify as "independent" as the term is used in Item 407 of Regulation S-K as promulgated by the SEC and as that term is defined under NASDAQ Rule 4200(a) (15). In addition, each member of the Audit Committee is independent as required under Section 10A (m) (3) of the Securities Exchange Act of 1934, as amended.

Board Meetings and Committees; Annual Meeting Attendance

Our Board of Directors, including the committees of the Board, held four formal meetings during the most recently completed fiscal year. Other proceedings of the Board of Directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the corporate laws of the State of Delaware and our bylaws, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

We currently do not have a policy regarding the attendance of board members at the annual meeting of shareholders.

Standing committees of the Board include an Audit Committee and a Compensation Committee. During 2011 Messrs. Lo, Shan and Wang, served as the members of each of these Committees.

Audit Committee

The Audit Committee operates under a written charter adopted by the Board of Directors, which is publicly available on Zoom's website at www.zoomleimone.com. Under the provisions of the Audit Committee Charter, the primary functions of the Audit Committee are to assist the Board of Directors with the oversight of (i) Zoom's financial reporting process, accounting functions and internal controls and (ii) the qualifications, independence, appointment, retention, compensation and performance of Zoom's independent registered public accounting firm. The Audit Committee held four meetings during 2011. The Board of Directors determined that Augustine Lo qualifies as an audit committee financial expert.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management Zoom's audited consolidated financial statements for the year ended December 31, 2010. The Audit Committee has also discussed with Goldman Kurland Mohidin LLP, Zoom's independent registered public accounting firm for the year ended December 31, 2010, the matters required to be discussed by the Auditing Standards Board Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. As required by Independence Standards Board Standard No. 1, as amended, "Independence Discussion with Audit Committees," the Audit Committee has received and reviewed the required written disclosures and a confirming letter from Goldman Kurland Mohidin LLP regarding their independence, and has discussed the matter with Goldman Kurland Mohidin LLP.

Based on its review and discussions of the foregoing, the Audit Committee recommended to the Board of Directors that Zoom's audited consolidated financial statements for 2010 be included in Zoom's Annual Report on Form 10-K for the year ended December 31, 2010.

Audit Committee:

Augustine Lo

Chang Shan

Cheng Wang

Compensation Committee

Messrs. Lo, Shan and Wang are currently the members of Zoom's Compensation Committee. The primary functions of the Compensation Committee include (i) reviewing and approving Zoom's executive compensation, (ii) reviewing the recommendations of the Chief Executive Officer regarding the compensation of senior officers, (iii) evaluating the performance of the Chief Executive Officer, and (iv) overseeing the administration of, and the approval of grants of stock options and other equity awarded under Zoom's stock option plans. The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of the Compensation Committee's written charter is publicly available on Zoom's website at www.zoomleimone.com. The Compensation Committee did not hold any meetings but had two resolutions by unanimous written consent during 2011.

Decisions regarding executive compensation are made by the Compensation Committee. The Compensation Committee is also responsible for administering the Company's 2009 Equity Incentive Compensation Plan, including determining the individuals to whom stock options are awarded, the terms upon which option grants are made, and the number of shares subject to each option granted.

Independent Director Oversight of Director Nominations

Director nominees must either be selected, or recommended for the Board's selection by our independent directors constituting a majority of the Board's independent directors in a vote in which only independent directors participate. Messrs. Lo, Shan, Wang and Li are the independent members of the Board of Directors. The Board did not receive any shareholder nominations to the Board of Directors and each of the independent members on the Board nominated for re-election for each of Messrs. Gu, Chan, Lo, Shan, Wang and Li based on their experience on the Company's Board of Directors.

In nominating directors for election, the independent directors may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the independent directors may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for Director for election at the 2011 Annual Meeting of Stockholders, it must follow the procedures described in "Deadline for Receipt of Stockholder Proposals and Recommendations for Director." PROPOSAL 2

AMENDMENT OF THE 2009 EQUITY INCENTIVE COMPENSATION PLAN TO INCREASE THE NUMBER OF SHARES UNDER THE PLAN FROM 2,500,000 SHARES TO 5,000,000 SHARES.

General

The Board of Directors is seeking the approval of our stockholders of an amendment to the 2009 Equity Incentive Compensation Plan (the "Plan"), which amendment was adopted by our Board of Directors on November 21, 2011, subject to stockholder approval (the "Plan Amendment"). The Plan Amendment increases the number of shares of our common stock available for issuance pursuant to awards under the Plan by 2,500,000 shares, to a total of 5,000,000 shares. Before the Plan Amendment may be effective, Shareholder approval is required under NASDAQ Rule 5635(c).

Under the Plan, Awards (as defined in the Plan) may be granted which are intended to qualify as Incentive Stock Options under Section 422 of the Internal Revenue Code of 1986 (the "**Code**") or which are not intended to qualify as Incentive Stock Options thereunder.

The Plan as amended will provide that a maximum of five million (5,000,000) shares of Common Stock may be issued (subject to adjustment in the event of stock split or other changes in the Common Stock as provided in the Plan). To the extent that: (i) an Award is canceled, terminates, expires, is forfeited or lapses for any reason, any unissued or forfeited Shares, (ii) shares subject to Awards settled in cash, or (iii) shares withheld from an Award or delivered by a Participant to satisfy minimum tax withholding requirements, will again be available for Award under the Plan.

Shares issued under the Plan will be "restricted" as defined under the Securities and Exchange Commission ("**SEC**") Rule 144, until such time as the Company determines in its discretion, if at all, to register such shares under the Securities Act of 1933. The Company has registered in a registration statement on Form S-8, one hundred thousand shares issued under the Plan.

Reasons for the Plan Amendment

The purpose of the Plan Amendment is to enable the Company to obtain and retain competent personnel who will contribute to the Company's success by their ability, ingenuity and industry knowledge, and to provide incentives to such personnel and members that are linked directly to increases in stockholder value, and will therefore, inure to the benefit of all stockholders of the Company. Eligible recipients of awards under the Plan include employees, directors, consultants and advisors of the Company.

The Board of Directors determined to increase the number of shares of common stock reserved for issuance under the Plan because it believes that the current number is insufficient for the purposes of the Plan as stated above. The market for quality personnel is competitive, and the ability to obtain and retain competent personnel is of great importance to the Company's business operations.

Administration

The Plan is administered by our Compensation Committee of the Board of Directors. The Compensation Committee has full authority and discretion in the administration of the Plan, including determining the designation of those persons receiving Awards, the types of Awards to be granted, and the number of shares of Stock to be subject to each Award, the exercise price, and determine other terms, conditions, and restrictions applicable to Awards. The Compensation Committee's decisions in the administration of the Plan are final and binding on all persons for all purposes.

Type of Awards

Award means Incentive Stock Option, Non-Qualified Stock Option, Restricted Shares or other arrangement or program granted to or covering a Participant pursuant to the provisions of this Plan.

Option Terms

The options granted under the Plan will be evidenced by an award agreement. The Administrator shall specify the grant date, exercise price, terms, conditions, and restriction for the exercise of the options.

The exercise price for an Incentive Stock Option shall be no less than one hundred percent of the Fair Market Value per Share on the date of grant and the exercise price of a Non-qualified Stock Option shall be no less than eighty-five percent of the Fair Market Value per Share on the date of grant.

Eligibility

Employees, directors, officers and consultants in the service of the Company or its affiliated are eligible to participate in the Plan. Determinations as to eligibility shall be made by the Administrator. Options issued in the form of Incentive Stock Options may only be granted to our employees.

Transferability

No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution; provided, unless that the Administrator determines otherwise.

Amendments

The Administrator may at any time amend, alter, suspend or terminate the Plan with approval by the Stockholders. However, no outstanding Award shall be deemed effected by such amendment unless mutually agreed otherwise between the Grantee holding such outstanding Awards at the time of the proposed termination or amendment and the Administrator.

Governing Law

The Plan is governed by and construed in accordance with the laws of the State of Delaware except as superseded or preempted by applicable federal law.

Restrictions on Resale

Certain officers and directors of the Company may be deemed to be "affiliates" of the Company as that term is defined under the Securities Act. The Common Stock acquired under the Plan by an affiliate may be reoffered or resold only pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or other exemption from the registration requirements of the Securities Act.

Federal Income Tax Consequences of Awards Under The Plan

To ensure compliance with requirements imposed by the internal revenue service, we inform you that any federal tax advice contained in this information statement is not intended or written to be used, and cannot be used, for purposes of: (i) avoiding penalties under the Code, or (ii) promoting, marketing or recommending to another party any transaction or tax-related matter addressed herein.

Options granted under the Plan may be either incentive stock options which satisfy the requirements of Section 422 of the Internal Revenue code or non-qualified options which are not intended to meet such requirements.

Non-Qualified Stock Options

No taxable income is recognized by a Grantee upon the grant of a non-qualified stock option. The Grantee will, in general, recognize ordinary income in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for the shares and the Grantee will be required to satisfy the tax withholding requirements applicable to such income.

The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the Grantee with respect to the exercised non-qualified option. The deduction will in general be allowed for the taxable year of the Company in which such ordinary income is recognized by the Grantee.

Incentive Stock Options

No taxable income is recognized by the Grantee at the time of the option grant and no taxable income is generally recognized at the time the option is exercised. The Grantee will, however, recognize taxable income in the year in which the purchased shares are sold or otherwise made the subject of a taxable disposition. For Federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made after the Grantee has held the shares for more than two (2) years after the option grant date and more than one (1) year after the exercise date. If either of these two holding periods is not satisfied, then a disqualifying disposition will result.

Upon a qualifying disposition of the shares, the Grantee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for those shares. If there is a disqualifying disposition of the shares, then the excess of (i) the fair market value of the shares on the exercise date over (ii) the exercise price paid for those shares will be taxable as ordinary income to the Grantee. Any additional gain or loss recognized upon the disposition will be taxable as a capital gain or loss.

If the Grantee makes a disqualifying disposition of the purchased shares, then the Company will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal to the excess of (i) the fair market value of such shares on the options exercise date over (ii) the exercise price paid for the shares. In no other instance will the Company be allowed a deduction with respect to the Grantee's disposition of the purchased shares.

Restricted Stock Awards

The recipient receives no taxable income upon the receipt of a restricted stock Award. The recipient is taxed at the time the restrictions lapse, with the amount of such tax being based on the fair market value of the shares of the stock at such time. As an alternative, the Internal Revenue Service allows recipient, at their option, to make an election to include the value of the restricted stock Award in income in the year in which the shares are allocated to the recipient. In the event a recipient makes such an election, a Section 83(b) election must be filed within 30 days of the shares being allocated to them. Under Section 83(b) an electing recipient will realize ordinary income, at the time of the election, equal to the fair market value of the shares of stock on the date of receipt. As a result, when the shares of restricted stock vest, there is no additional taxable income. When the shares are subsequently sold, any gain or loss, based on the amount previously reported as income, will be a capital gain or loss. If a recipient who has made a Section 83(b) election subsequently forfeits the shares, the recipient will not be entitled to any deductions; however, he or

she may be entitled to realize a loss. The Company recognizes a deduction for income tax purposes at the time the recipient recognizes income.

Withholding Taxes

The Company is entitled to take appropriate measures to withhold from the shares of common stock, or to otherwise obtain from the recipients, sufficient sums in cash, check or shares of stock as the Plan Administrator deems necessary to satisfy any applicable federal, state and local withholding taxes, including FICA taxes, before the delivery of the common stock to the recipient

Special Tax Provisions

Under certain circumstances, the accelerated vesting, cash-out or accelerated lapse of restrictions on Awards in connection with a Change in Control might be deemed an "excess parachute payment" for purposes of the golden parachute tax provisions of Code section 280G, and the participant may be subject to a 20% excise tax and we may be denied a tax deduction. Furthermore, we may not be able to deduct the aggregate compensation in excess of \$1,000,000 attributable to Awards that are not "performance- based" within the meaning of Code section 162(m) in certain circumstances.

Code Section 409A Requirements

Certain awards under the Stock Incentive Plan may be considered "nonqualified deferred compensation" for purposes of Section 409A of the Code, which imposes certain requirements on compensation that is deemed, under Section 409A, to involve nonqualified deferred compensation. Among other things, the requirements relate to the timing of elections to defer and the timing of distributions and prohibitions on the acceleration of distributions. Failure to comply with these requirements (or an exception from such requirements) may result in the immediate taxation of all amounts deferred under the nonqualified deferred compensation plan for the taxable year and all preceding taxable years, by or for any participant with respect to whom the failure relates, the imposition of an additional 20% income tax on the participant for the amounts required to be included in gross income, and the possible imposition of penalty interest on the unpaid tax.

Generally, Section 409A does not apply to incentive awards that are paid at the time the award vests. Likewise, Section 409A typically does not apply to restricted stock. Section 409A may, however, apply to incentive awards the payment of which is delayed beyond the calendar year in which the award vests. Treasury regulations generally provide that the type of Awards provided under the Plan will not be considered nonqualified deferred compensation. However, to the extent that Section 409A applies to an Award issued under the Plan, the Plan and all such Awards will, to the extent practicable, be construed in accordance with Section 409A. Under the Plan, the Administrator has the discretion to grant or to unilaterally modify any Award issued under the Plan in a manner that conforms with the requirements of Section 409A with respect to deferred compensation or void any participant election to the extent it would violate Section 409A. The Committee also has sole discretion to interpret the requirements of the Code, including Section 409A, for purposes of the Plan and all Awards issued under the Plan.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF U.S. FEDERAL INCOME TAXATION INTENDED FOR THE INFORMATION OF THE COMPANY'S STOCKHOLDERS AND NOT AS TAX GUIDANCE TO RECIPIENTS OF AWARDS. THE FOREGOING DOES NOT PURPORT TO BE A COMPLETE STATEMENT OF THE LAW IN THIS AREA. DIFFERENT TAX RULES MAY APPLY TO SPECIFIC RECIPIENTS AND TRANSACTIONS UNDER THE PLAN AND UNDER THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH ANY ELIGIBLE INDIVIDUAL MAY RESIDE.

A copy of the Plan Amendment and the amended and restated Plan is included as Annex A and Annex B, respectively, to this Proxy Statement. Below is a summary of certain key provisions of the Plan, which is qualified in its entirety by reference to the full text of the Plan.

Vote Required

The affirmative vote of the holders of a majority of the shares of our voting securities represented in person or by proxy at the Annual Meeting entitled to vote on such proposal that vote for or against such proposal is required for the approval of the Plan Amendment.

The Board of Directors recommends a vote *FOR* the Plan Amendment.
