### ITEM 4.01. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

Malone & Bailey, PC was the independent certifying accountant for the Company for the fiscal year ended February 29, 2004.

On September 22, 2004, Malone & Bailey, PLLC was dismissed as the Company's certifying accountant. We have engaged Lopez, Blevins, Bork & Associates, LLP, Three Riverway, Suite 1400, Houston, Texas 77056 as our certifying accountant for the fiscal year ending December 31, 2004. The appointment of Lopez, Blevins, Bork & Associates, LLP was approved by our board of directors.

The reports of Malone & Bailey, PLLC on the Company's financial statements for the fiscal years ended February 28, 2003 and February 29, 2004, contained no adverse opinion or disclaimer of opinion, nor was either qualified or modified as to uncertainty, audit scope or accounting principle, except that Malone & Bailey, PLLC expressed in their reports substantial doubt about the ability of the Company to continue as a going concern.

During the two most recent fiscal years ended February 29, 2004 and February 28, 2003 and in the subsequent interim periods through the date of dismissal, there were no disagreements between the Company and Malone & Bailey, PLLC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to its satisfaction, would have caused Malone & Bailey, PLLC to make reference to the subject matter of the disagreement in connection with its reports.

During the two most recent fiscal years ended February 29, 2004 and February 28, 2003 and in the subsequent interim periods through the date of dismissal, Malone & Bailey, PLLC did not advise the Company that:

(A) internal controls necessary for the Company to develop reliable financial statements did not exist;

(B) information had come to its attention that led it to no longer to be able to rely on the Company's management's representations or made it unwilling to be associated with the financial statements prepared by management;

(C) there was a need to expand significantly the scope of its audit, or that information had come to its attention during such time periods that if further investigated might: (i) materially impact the fairness or reliability of either a previously issued audit report or the underlying financial statements, or the financial statements issued or to be issued covering the fiscal periods subsequent to the date of the most recent financial statements covered by an audit report, or (ii) cause it to be unwilling to rely on management's representations or be associated with the Company's financial statements.

2

We have requested Malone & Bailey, PLLC to furnish it a letter addressed to the Commission stating whether it agrees with the above statements. A copy of that letter, dated September 24, 2004 is filed as Exhibit 16.1 to this Form 8-K.

Prior to engaging Lopez, Blevins, Bork & Associates, LLP, we did not consult with it regarding the application of accounting principles to a specific or completed transaction or the type of audit opinion that might be rendered on our financial statements.
