PROXY STATEMENT

ABOUT THE MEETING

This proxy statement contains information relating to our 2006 Annual Meeting of Stockholders to be held on Thursday, May 18, 2006, at 10:00 a.m. at our executive offices located at 16313 N. Dale Mabry Highway, Tampa, Florida 33618, and at any postponements or adjournments of the meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will elect seven directors to serve on our Board and transact any other business which may properly come before the meeting, or any adjournment thereof. In addition, management will report on our performance for the fiscal year ended January 1, 2006, which we refer to throughout this proxy statement as "fiscal 2005," and respond to appropriate questions from stockholders. We are not currently aware of any other matters which will come before the meeting.

Proxies for use at the meeting are being solicited by the Board of Directors of Shells, chiefly by mail. We began mailing this proxy statement, along with the proxy card, on or about April 20, 2006. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of our common stock and Series B Preferred Stock and will reimburse them for their expenses in so doing. To ensure adequate representation of shares of our common stock and Series B Preferred Stock and the presence of a quorum at the meeting, officers, agents and Shells employees may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile or in person to request that proxies be furnished. Shells will bear all expenses incurred in connection with this solicitation. We have no present plans to hire employees or special paid solicitors to assist in obtaining proxies, but reserve the option of doing so if it should appear that a quorum otherwise might not be obtained.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on April 12, 2006, the record date for the meeting, are entitled to receive notice of, and to participate in, the Annual Meeting, or any postponements and adjournments of the meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares you held on that date at the Annual Meeting. Your proxy card shows the number of shares you held at the close of business on April 12, 2006.

What does it mean if I receive more than one proxy card?

If you received more than one proxy card, you have multiple accounts with your brokers or our transfer agent. Please vote all of these shares. We recommend that you contact your broker or our transfer agent to consolidate as many accounts as possible under the same name and address. You may contact our transfer agent, Continental Stock Transfer & Trust Company, at (212) 509-4000.

What are the voting rights of the holders of common stock?

Each outstanding share of our common stock will be entitled to one vote on each matter to be acted upon at the meeting. On April 12, 2006, there were 16,201,497 shares of common stock outstanding, representing the same number of votes.

What are the voting rights of the holders of Series B Preferred Stock?

Our Series B Preferred Stock votes together with our common stock as a single class on an as-converted basis on all actions to be taken by our stockholders. Each outstanding share of our Series B Preferred Stock will be entitled to one vote per each whole share of common stock into which such share of Series B Preferred Stock is convertible as of the record date for such vote or, if no record date is specified, as of the date of such vote. As of April 12, 2006, the record date for our 2006 Annual Meeting, each share of Series B Preferred Stock was convertible into twenty shares of our common stock. On April 12, 2006, there were 440,516 shares of Series B Preferred Stock outstanding, representing 8,810,320 votes.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the common stock and Series B Preferred Stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, will constitute a quorum, thereby permitting the meeting to conduct its business. On April 12, 2006, 16,201,497 shares of common stock, representing the same number of votes, were outstanding and 440,516 shares of Series B Preferred Stock, representing 8,810,320 votes, were outstanding. Accordingly, the presence of holders representing at least a majority of the votes entitled to be cast, or 12,505,910 votes, is required to establish a quorum.

Proxies received but marked as abstentions and broker non-votes will be counted in determining whether a quorum is present. Abstentions are shares held by stockholders present in person or represented by proxy that are not voted in connection with a particular matter. Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under applicable Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the New York Stock Exchange.

How do I vote?

You may vote your shares by mailing the enclosed proxy card which gives detailed instructions. If you vote by mail, please complete and properly sign the enclosed proxy card and return it in the envelope we have provided. It then will be voted according to your instructions. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card or vote in person. A registered stockholder receives proxy material directly from our transfer agent, Continental Stock Transfer & Trust Co.

If your shares are held in an account in the name of your bank or broker (this is called street name), you will receive from that bank or broker a separate Voter Instruction Form with instructions on how to vote by return mail, by telephone or by Internet. Many (but not all) brokerage firms and banks participate in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote for the election of the nominated slate of directors to serve for the ensuing year. These votes are in accordance with the recommendations of our Board. With respect to any other matter that properly comes before the meeting, the proxy holders will vote according to their best judgment.

Can I change my vote after I have voted?

Yes. Even after you have submitted your proxy card you may change your vote at any time before the proxy is exercised, by filing with the Secretary of Shells either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and request to vote in person, although attendance at the meeting alone will not itself revoke a previously granted proxy.

If your shares are held by a bank or broker and you wish to vote your shares in person, you must contact the bank or broker holding your shares and request a special proxy card indicating your ownership of our stock. In addition, you should consult your brokerage firm or bank for directions, in the event you voted your shares by Internet or telephone and want to later change your vote prior to the Annual Meeting.

INFORMATION ABOUT OWNERSHIP OF OUR COMMON STOCK

The following table sets forth certain information as of March 31, 2006 regarding the beneficial ownership of our common stock by (i) each person known by us to own beneficially more than 5% of the outstanding common stock; (ii) each current director (all of whom are standing for re-election); (iii) each executive officer named in the Summary Compensation Table appearing later in this proxy statement; and (iv) all of our directors and executive officers as a group. Except as otherwise specified, the named beneficial owner has the sole voting and investment power over the shares listed, and has an address c/o Shells Seafood Restaurants, Inc., 16313 N. Dale Mabry Highway, Suite 100, Tampa, FL 33618. For purposes of this table, beneficial ownership is determined according to the rules of the Securities and Exchange Commission (the "SEC"), which generally attributes beneficial ownership of securities to persons who possess sole or shared voting power and/or investment power with respect to those securities. Stock options and warrants which are presently exercisable or which become exercisable within 60 days of March 31, 2006 into shares of our common stock (or into securities which are convertible into shares of our common stock) are considered beneficially owned shares of common stock. For purposes of this table, the conversion of the securities convertible into our common stock is based on the rate of conversion on March 31, 2006.

PROPOSAL NO. 1 ELECTION OF DIRECTORS**How is the Board structured?**

There are seven directors to be elected at the Annual Meeting, each of whom currently serves as a director of Shells. Directors are elected for a term of one year which expires at the next annual meeting of stockholders, or at such other time as his or her successor is duly elected and qualified. Unless you specify otherwise, your proxy will be voted in favor of the seven persons named below. We have no reason to believe that any of the listed nominees will be unable to serve, or that any vacancy will occur on the Board of Directors. However, in the event any of these nominees is unable to serve as a director, the shares represented by your proxy will be voted for the person, if any, who is designated by the Board to replace the nominee. All of the listed nominees have consented to be named and have indicated their intent to serve if elected.

In April 2005, the Nominating Committee, consisting of Messrs. Herman and Illick and Dr. Golding was formed to assist the Board of Directors in its selection of individuals as nominees to the Board, to select directors to serve on the various committees of the Board and to fill any vacancies or newly created directorships on the Board or committees of the Board. In accordance with the terms of the Investors Rights Agreement, this right to nominate individuals for election to our Board terminated upon our repayment in 2005 of the underlying outstanding indebtedness.

Board Committees

The Board of Directors has standing Executive, Audit, and Stock Option and Compensation Committees and, since April 2005, a Nominating Committee.

The Executive Committee possesses all the powers and authority of the Board in the management of the business and affairs of our company, except for certain powers which are specifically reserved by Delaware law to the entire Board or the stockholders. Messrs. Chapman and Herman are the current members of the Executive Committee. The Executive Committee did not meet in fiscal 2005.

The Audit Committee's responsibilities, which includes the review of our internal accounting controls and procedures, SEC filings, and financial news releases, as well as, procedures and consulting with and reviewing the services provided by the independent registered public accounting firm, are described in the Audit Committee Charter dated May 17, 2000. The Audit Committee's Report appears later in this proxy statement. Messrs. Hoffner and Illick and Dr. Golding are the current members of the Audit Committee and are independent directors as that term is defined by Rule 4200(a)(15) of the NASDAQ Listing Standards. Messrs. Hoffner and Illick are audit committee financial experts, as that term is defined in Item 401(h)(2) of Regulation S-K. The Audit Committee met five times in fiscal 2005.

The Stock Option and Compensation Committee is charged with reviewing compensation policies and practices, recommending compensation for executives and key employees and administering our stock option plans. The Stock Option and Compensation Committee Report appears later in this proxy statement. Messrs. Chapman and Wolf are the current members of the Stock Option and Compensation Committee. During fiscal 2005, the Stock Option and Compensation Committee met three times.

In April 2005, the Board of Directors established a Nominating Committee to assist the Board in (i) its selection of individuals as nominees for election to the Board of Directors, (ii) the selection of directors to serve on the various committees of the Board, and (iii) to fill any vacancies or newly created directorships on the Board or committees of the Board. The members of the Nominating Committee are Messrs. Herman and Illick and Dr. Golding. Mr. Illick and Dr. Golding are independent directors as that term is defined by Rule 4200(a)(15) of the NASDAQ Listing Standards. Mr. Herman may not be an independent director pursuant to that definition. During fiscal 2005, the Nominating Committee met once.

It is the policy of the Nominating Committee to consider candidates for Board membership suggested by Nominating Committee members and other Board members, management, our stockholders, third-party search firms and any other appropriate sources. As a stockholder, you may recommend any person for consideration as a nominee for director by writing to the Nominating Committee of the Board of Directors, 16313 N. Dale Mabry Highway, Suite 100, Tampa, Florida 33618. Recommendations must be received by January 25, 2007 to be considered for the 2007 Annual Meeting of Stockholders. Recommendations must include the name and address of the stockholder making the recommendation, a representation setting forth the number of shares of common stock beneficially owned by the recommending stockholder, a statement that the recommended nominee has expressed his or her intent to serve on the Board if elected, biographical information about the recommended nominee, any other information the stockholder believes would be helpful to the Nominating Committee in evaluating the recommended nominee, and a description of all arrangements or understandings between the recommending stockholder and each nominee and any other person concerning the nomination.

In evaluating candidates, the Nominating Committee will consider the following criteria: personal integrity, sound business judgment, business and professional skills and experience, independence, potential conflicts of interest, the extent to which a candidate would fill a present need, and concern for the long term interests of stockholders. In any particular situation, the Nominating Committee may focus on persons possessing a particular background, experience or qualifications which the Committee believes would be important to enhance the effectiveness of the Board. The evaluation process for stockholder recommendations is the same as for candidates recommended from any other source. The Nominating Committee does not have a charter.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who beneficially own more than 10% of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based upon a review of the copies of the forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2005, all Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were complied with on a timely basis, except that a (a) Form 4 was not timely filed by each of (i) Philip Chapman, Banyon Investment, LLC, Trinad Capital, L.P. and Bruce Galloway with respect to the exercise of a warrant, (ii) Gary Herman, Robert Ellin, Jay Wolf, Philip Chapman, Michael Golding and Christopher Illick with respect to an option grant, and (iii) Bruce Galloway with respect to the acquisition of a warrant, and (b) Form 3 was not timely filed by each of (i) John Hoffner upon becoming a director, and (ii) James Adler upon becoming a greater than 10% stockholder. Each of the forms listed above have subsequently been filed with the SEC.

What is the vote required to approve Proposal No. 1?

The seven nominees receiving the highest number of affirmative votes of the shares present in person or represented by proxy and entitled to vote, a quorum being present, shall be elected as directors. Only votes cast for a nominee will be counted, except that the accompanying proxy will be voted for all nominees in the absence of instructions to the contrary. Abstentions, broker non-votes and instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by a nominee will not be reduced by any of these actions.

What does the Board recommend?

THE BOARD OF DIRECTORS DEEMS THE ELECTION AS DIRECTORS OF THE SEVEN NOMINEES LISTED ABOVE TO BE IN THE BEST INTERESTS OF SHELLS AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THESE NOMINEES.

How do we compensate our directors?

During 2005, we adopted a policy of compensating our non-employee directors \$2,500 per quarter, with the exception of the Chair of the Audit Committee who is compensated \$5,000 per quarter. We continue to reimburse directors for reasonable expenses incurred in connection with attendance at Board and Board committee meetings.

In February 2005, after three years of not providing any form of compensation to our non-employee directors, we granted an option to each non-employee director to purchase 20,000 shares of our common stock pursuant to our 2002 Equity Incentive Plan (the Plan) and an additional option to purchase 20,000 shares of our common stock upon their election or re-election to our Board. In June 2005, we granted an additional option to purchase 20,000 shares of our common stock to each of our non-employee directors following the completion of our May 2005 financing

transaction. Further, in June 2005, we increased the annual option grant to the Chair of the Audit Committee, granted upon his or her election or re-election, from an option to purchase 20,000 shares of our common stock to an option to purchase 50,000 shares of our common stock. Options granted to non-employee directors vest monthly over the twelve month period from the date of grant.

How can you contact our directors?

Security holders may contact our directors through written correspondence or e-mail. Written correspondence should be mailed to our executive offices at 16313 N. Dale Mabry Highway, Suite 100, Tampa, Florida 33618 Attn: Secretary. E-Mail correspondence should be directed to TalktoShells@ShellsSeafood.com Attn: Secretary. Each stockholder communication will be forwarded to all directors, or the director to whom it is addressed, unless such communication is unduly hostile, threatening, illegal or inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding such communication. In general, stockholder communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than stockholder communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Based on options to purchase 3,419,035 shares of our common stock granted in fiscal 2005.

(2)

These amounts represent assumed rates of appreciation in the price of our common stock during the terms of the options in accordance with rates specified in applicable federal securities regulations. Actual gains, if any, on stock

option exercises will depend on the future price of the common stock and overall stock market conditions. The 5% rate of appreciation over the terms of each of the \$1.10, \$.76 and \$.85 stock prices on each date of grant would result in a stock price of \$1.79, \$1.07 and \$1.20, respectively. The 10% rate of appreciation over the terms of each of the \$1.10, \$.76 and \$.85 stock prices on each date of grant would result in a stock price of \$2.85, \$1.48 and \$1.66, respectively. There is no representation that the rates of appreciation reflected in this table will be achieved.

(3)

These options vest as to 1/3 on December 31, 2005 and will become vested as to 1/3 on each of March 21, 2007 and March 21, 2008.

Employment Agreements

On July 1, 2003, we entered into a two-year employment agreement with Leslie J. Christon, pursuant to which she serves as our President and Chief Executive Officer. The employment agreement provided for an annual base salary of \$275,000 during fiscal 2004, along with discretionary bonuses, as determined by the Stock Option and Compensation Committee of the Board. In fiscal 2003, pursuant to her employment agreement, Mrs. Christon was granted an option to purchase 297,374 shares of common stock. The option vests annually over two years. Mrs. Christon's employment agreement automatically renews for consecutive one-year terms unless either she or Shells gives notice to the other of an intention not to renew.

On November 14, 2005, we entered into an amended and restated employment agreement with Mrs. Christon. The amended and restated employment agreement extended the term of her employment with us through June 30, 2007, subject to automatic successive one year extensions thereof, unless either party delivers prior written notice of non-extension. Pursuant to the amended and restated employment agreement, Mrs. Christon is entitled to receive an annual base salary of \$300,000 and a target bonus potential up to 100% of her base salary. Mrs. Christon also received options to purchase an additional 1,061,535 shares of our common stock (which vest in one-third installments on December 31, 2005, July 1, 2007 and July 1, 2008, subject to her continued employment with Shells), inclusive of a grant of 903,528 options pursuant to a Stock Option Agreement dated November 14, 2005 by and between Mrs. Christon and us. The remaining options to purchase 158,007 shares of our common stock were granted pursuant to our existing stock option plans. Based on the vesting schedule of the options, we expect to recognize compensation expense of approximately \$112,000 in each of 2007 and 2008 as a result of the adoption of FASB Statement No.

123-R, Share-Based Payment.

Effective March 13, 2006, we entered into an agreement with each of Guy C. Kathman, our Vice-President of Operations, Warren R. Nelson, our Chief Financial Officer, and Christopher R. Ward, Sr., our Vice-President of Purchasing, to provide them with severance and other consideration to be paid in the event of a Change in Control of Shells (as defined in their respective agreements). Mr. Nelson also is party to a letter agreement with the Board of Directors clarifying his severance agreement, if applicable.

Stock Option Plans

Currently, Shells has three stock option plans for employees, consisting of the 1996 Employee Stock Option Plan (the 1996 Plan), the 1995 Employee Stock Option Plan (the 1995 Plan), and the 2002 Equity Incentive Plan (the 2002 Plan). The stock option plans authorize us to issue incentive stock options (ISOs), as defined in Section 422 of the Internal Revenue Code, and stock options that do not conform to the requirements of that Code section (Non-ISOs). The exercise price of each ISO may not be less than 100% of the fair market value of the common stock at the time of grant, except that in the case of a grant to an employee who owns (within the meaning of Section 422 of the Code) 10% or more of our outstanding stock, the exercise price cannot be less than 110% of

such fair market value. The exercise price of each Non-ISO may not be less than the par value of the common stock. Options may not be exercised on or after the tenth anniversary (fifth anniversary in the case of an ISO granted to a 10% stockholder), of the date of grant. Options may not be transferred during the lifetime of an option holder.

The 1996 Plan, the 1995 Plan, and the 2002 Plan are administered by the Stock Option and Compensation Committee. Subject to the provisions of the stock option plans, the Stock Option and Compensation Committee has the authority to determine the individuals to whom the stock options are to be granted, the number of shares to be covered by each option, the option price, the type of option, the option period, the restrictions, if any, on the exercise of the option, the terms for the payment of the option price and other terms and conditions. Payment by option holders upon exercise of an option may be made (as determined by the Stock Option and Compensation Committee) in cash or other such form of payment acceptable to the Stock Option and Compensation Committee, including shares of common stock.

The 2002 Plan also provides for grants of restricted stock units, the value of which is tied to shares of common stock, and other equity based awards related to common stock, including unrestricted shares of common stock, stock appreciation rights and dividend equivalents. Awards of restricted stock, restricted stock units and other types of equity based awards may be made in such amounts, and are subject to such terms and conditions as the Stock Option and Compensation Committee may determine.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The information set forth below briefly describes certain transactions between Shells and certain parties who or which may be deemed to be affiliated with us.

On March 1, 1994, our wholly-owned subsidiary, Shells of Melbourne, Inc. entered into a joint venture agreement with WLH Investments, Inc., a corporation wholly-owned by Wanda L. Hattaway, wife of William E. Hattaway, our then president. The joint venture owns and operates the Shells restaurant located in Melbourne, Florida. The Joint Venture Agreement provides that WLH Investments receives a cumulative annual preferred return of 15% on the \$400,000 of capital contributed to the joint venture by WLH Investments. Shells of Melbourne will then be allocated an equal amount to this preferred return. The remaining net income of the joint venture will be allocated 51% to Shells of Melbourne and 49% to WLH Investments. Based upon these allocations, we paid \$60,000 to WLH Investments for its fiscal 2005 preferred return, and \$180,600 in net income allocations to WLH Investments during 2005. There were no capital contributions in 2005 by WLH Investments.

On December 28, 2004, we entered into a consulting agreement with Lawrence Wolf, the father of Jay A. Wolf, a member of our Board of Directors. The consulting agreement has a one year term, and under it, Mr. Lawrence Wolf is to assist Shells in providing marketing services, including guidance toward building our creative strategy around the Shells brand positioning and providing support in coordinating our media production. As compensation, Mr. Lawrence Wolf received options, pursuant to our 2002 Equity Incentive Plan, to purchase 130,000 shares of common stock at an exercise price of \$0.83, the market price of the common stock on the date of grant. The options fully vest on the first anniversary of the grant date. During fiscal year 2005, the contract was renewed for an additional year, and Mr. Lawrence Wolf was granted an additional option to purchase 130,000 shares of our common stock at an exercise price of \$0.90, the market price of our common stock on the date of grant.

In September 2005, we completed a sale and leaseback transaction of the Winter Haven location for \$1,667,000 with Fortress Realty, an entity affiliated with Drawbridge Global Funds, a beneficial owner of greater than 5% of our common stock.

The 2002 Financing Transaction

In January 2002, we raised \$2,000,000 in a private financing transaction, consisting of secured promissory notes and warrants to purchase common stock. The two investors in the financing transaction were Shells Investment Partners,

L.L.C. (SIP) and Banyon Investment, LLC (Banyon). SIP is an entity comprised of Messrs. J. Stephen Gardner, John N. Giordano and Thomas R. Newkirk, each of whom served as a member of our Board of Directors until his resignation in June 2004. At the time of the transactions, none of Messrs. Gardner, Giordano or Newkirk were affiliated with us. Banyon is an entity associated with Philip R. Chapman, Chairman of our Board of Directors, and certain family members of Frederick R. Adler, who was at the time, and presently is, a greater than 10% stockholder. The proceeds of the financing transaction were used for working capital requirements.

In the financing, we issued to each of SIP and Banyon (i) a \$1,000,000 secured promissory note initially due January 31, 2005 (subsequently extended to January 31, 2007) which bore interest at 15% per annum, of which initially 8% was payable monthly in arrears and 7% was deferred and payable when the principal was payable in full and (ii) a warrant to purchase 4,454,015 shares of common stock at an exercise price of \$0.16 per share.

In April 2004, the \$1,000,000 promissory note issued to Banyon was sold to Frederick R. Adler. In June 2004, the \$1,000,000 promissory note issued to SIP was sold to GCM Shells Seafood Partners, LLC (GCM) (\$600,000) and Trinad Capital, L.P. (Trinad) (\$400,000), and warrants to purchase an aggregate of 4,454,015 shares of common stock were transferred by SIP to GCM, Trinad and certain of their related entities. In August 2004, we agreed with these holders of the then outstanding \$2,000,000 of promissory notes to an extension of the term of the original expiration date of January 31, 2005 to January 31, 2007. In connection with this extension, we issued warrants to purchase 400,000, 600,000 and 1,000,000 shares of common stock, respectively, to GCM, Trinad and Frederick R. Adler. In March 2005 the \$1,000,000 held by Frederick R. Adler was modified to allow Shells to defer entirely the monthly interest payment on \$500,000 of principal amount of the note until the maturity date of January 31, 2007. In October 2005, Trinad transferred all of its shares to its affiliate, Trinad Capital Master Fund, Ltd.

During 2005, in two transactions, the aforementioned financing was retired through payoff of the promissory notes and the exercise of the warrants. On March 9, 2005, warrants to purchase 1,000,000 shares of our common stock were exercised at an exercise price of \$0.50 per share; the aggregate proceeds of \$500,000 were used to pay down the principal of the outstanding notes held by such warrant holders. In May 2005, in a transaction that was completed in conjunction with our private placement financing, the remaining warrants were exercised, thus converting the entire January 2002 financing transaction to equity.

As part of the January 2002 financing, we entered into an Investor Rights Agreement, with the two investor groups and certain other stockholders. Pursuant to this agreement, the composition of our Board was fixed at seven members, and each of Banyon (subsequently Frederick R. Adler) and SIP (subsequently Trinad and GCM) were entitled to nominate three individuals to serve on our Board. Upon the repayment of the promissory notes, the Investor Rights Agreement terminated and the contractual rights of Mr. Adler, Trinad and GCM to nominate individuals for election to our board of directors ceased to exist.

The May 2005 Financing Transaction

In May 2005, we completed a financing of \$6.9 million through the private placement of securities to certain accredited investors. Under the terms of the transaction, we issued 461,954 units, with each unit consisting of (i) one share of our Series B Preferred Stock, initially convertible into twenty shares of our common stock, and (ii) a warrant to purchase ten shares of our common stock at an exercise price of \$1.30 per share. The purchase price was \$15.00 per unit. In addition, we issued a warrant to purchase 37,651 units (consisting of 37,651 shares of our Series B Preferred Stock and warrants to purchase 376,510 shares of our common stock) at a purchase price of \$15.00 per unit to our placement agent in our May 2005 financing.

We realized net proceeds of approximately \$5.8 million from the May 2005 financing. Of the total proceeds from our securities issued, \$1,282,000 represented cancellation or conversion of related party debt and \$348,000 represented the conversion of our existing convertible debentures, all of which converted into the securities issued in the transaction. We used a portion of the net proceeds from the May 2005 financing to retire the remaining \$2,232,000 of loans and accrued interest from debenture holders from a debt financing completed in December 2004, as well as \$8,000 of related party accrued interest. Additionally, in conjunction with the May 2005 financing, \$500,000 principal amount of related party debt was used to exercise warrants to purchase 1,000,000 shares of our common stock.

STOCK OPTION AND COMPENSATION COMMITTEE REPORT TO STOCKHOLDERS REGARDING EXECUTIVE COMPENSATION

The report of the Stock Option and Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

What is our Executive Compensation Philosophy?

Shells manages and operates full service, mid-priced, casual dining seafood restaurants. One of our central goals is to ensure that our remuneration policy enables us to attract, retain and reward capable employees who can contribute, both short and longer-term, to our success. Equity participation and a strong alignment to stockholders' interests are key elements of our compensation philosophy.

Our executive compensation program consists of three parts: base salary, bonus and stock options. In awarding salary increases and bonuses, we considered whether the compensation package as a whole appropriately compensated each executive for Shells' performance during fiscal 2005 for that executive's contribution to this performance.

Base Salaries of Executive Officers

Base salary represents the fixed component of the executive compensation program. Our practice generally is to maintain base salaries at approximately competitive industry averages. Determinations of base salary levels are established for an annual review of marketplace competitiveness with similar restaurant companies. Periodic increases in base salary relate to individual contributions to our overall performance and relative marketplace competitiveness.

Bonuses

Bonuses represent the variable component of the executive compensation program that is tied to our overall performance and to individual achievement. To the extent deemed appropriate, our policy is to grant bonuses as a portion of the compensation paid to Shells' management personnel. In determining bonuses, we consider factors such as our performance during the year and the individual's contribution to that performance. During fiscal 2002, we adopted an executive and management bonus program specifying criteria relating to the Company's financial performance as well as individual contributions to Shells.

Stock Options

We believe that an important goal of the executive compensation program should be to provide executives and key employees, who have significant responsibility for the management, growth and future success of Shells, with an opportunity to increase their ownership in Shells and the potential for financial gain from increases in our stock price. This approach ensures that the interests of the stockholders, executives and employees will be closely aligned. Therefore, executive officers and other key employees of Shells are granted stock options which give them a right to purchase shares of common stock at a specified price in the future. The grant of options is based primarily on an employee's potential contribution to Shells' growth and financial results. In determining the size of option grants, we also consider the number of options owned by such executive, the number and exercise price of options previously granted and currently outstanding, and the aggregate size of the current option grants. Options generally are granted at the prevailing market value of the common stock and will only have value if our stock price increases. Generally, grants of options vest over time, and the individual must be employed by Shells for the options to vest.

How is our President and Chief Executive Officer compensated?

On November 14, 2005, we entered into an amended and restated employment agreement with Mrs. Christon. The amended and restated employment agreement extended the term of her employment with us through June 30, 2007, subject to automatic successive one year extensions thereof, unless either party delivers prior written notice of non-extension. Pursuant to the amended and restated employment agreement, Mrs. Christon is entitled to receive an annual base salary of \$300,000 and a target bonus potential up to 100% of her base salary. Mrs. Christon also received options to purchase an additional 1,061,535 shares of our common stock (which vest in one-third installments on December 31, 2005, July 1, 2007 and July 1, 2008, subject to her continued employment with Shells), inclusive of a grant of 903,528 options pursuant to a Stock Option Agreement dated November 14, 2005 by and between Mrs. Christon and us. The remaining options to purchase 158,007 shares of our common stock were granted pursuant to our existing stock option plans. Based on the vesting schedule of the options, we expect to recognize compensation expense of approximately \$105,000 in each of 2007 and 2008 as a result of the adoption of FASB Statement No. 123-R, Share-Based Payment.

Stock Option and Compensation Committee Interlocks and Insider Participation

In fiscal 2005, Messrs. Chapman and Ellin served on our Stock Option and Compensation Committee. On July 28, 2005, Mr. Ellin resigned from our Board of Directors and Mr. Jay Wolf became a member of the Stock Option and Compensation Committee. In January 2002, we raised \$2,000,000 in the financing transaction described earlier in this proxy statement under the heading Certain Relationships and Related Transactions The 2002 Financing Transaction. Both of the investment entities which participated in the financing transaction, SIP and Banyon, had members who were nominated and elected to our Board of Directors. On June 23, 2004, SIP sold to GCM and Trinad the \$1,000,000 promissory note issued to SIP, and GCM and Trinad acquired the rights to nominate individuals to serve as Board members under the Investor Rights Agreement. Robert S. Ellin was nominated by GCM and Trinad and was elected to serve as a Board member. Mr. Ellin is affiliated with Trinad. Philip R. Chapman is a co-managing member of Banyon. In accordance with the terms of the Investor Rights Agreement, the right to nominate individuals for election to our Board terminated upon the repayment in full of the \$2,000,000 promissory notes in May 2005.

In fiscal 2005, Leslie J. Christon participated in deliberations of the Stock Option and Compensation Committee regarding executive compensation. However, Mrs. Christon did not participate in deliberations concerning her own compensation.

AUDIT COMMITTEE REPORT

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that Shells specifically incorporates the information by reference, and shall not otherwise be deemed filed under such Acts.

Management has the primary responsibility for the financial statements and the financial reporting process, including the systems of internal control. On behalf of the Board, the Audit Committee, among other things, reviews and monitors the financial reporting process, the systems of internal control, the audit process, the independence and performance of our independent registered public accounting firm and the process for monitoring compliance with laws and regulations. The members of the Audit Committee are Dr. Michael R. Golding and Messrs. John F. Hoffner and Christopher D. Illick. On May 17, 2000, the Company adopted a written charter for the Audit Committee.

During 2005, the Audit Committee reviewed Shells' financial statements and related SEC filings with management and the Board of Directors and discussed with Kirkland Russ Murphy & Tapp P.A. (Kirkland Russ), Shells' independent registered public accounting firm for fiscal 2005, the matters required to be discussed by Statement of Auditing Standard No. 61. The Audit Committee received from Kirkland Russ the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed with Kirkland Russ its independence. The Audit Committee has reviewed the audit fees of Kirkland Russ and any non-audit services and fees, to assure compliance with Shells' and the Committee's policies restricting the independent registered public accountants from performing services that might impair their independence.

After reviewing and discussing the financial statements, and in reliance upon the matters reviewed and discussed with Kirkland Russ above, and without other independent verification, the Audit Committee recommended that the audited consolidated financial statements of Shells be included in Shells' Annual Report on Form 10-K for fiscal 2005.

RELATIONSHIP WITH OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**Who is our Independent Registered Public Accounting Firm?**

The firm of Kirkland, Russ, Murphy & Tapp, P.A. audited and issued a report on our financial statements for fiscal 2005 and has been selected by the Audit Committee to issue a report on our financial statements for the fiscal year ending December 31, 2006. A representative of Kirkland Russ is expected to be present at the Annual Meeting and available to respond to appropriate questions from stockholders, and will have an opportunity to make a statement if he or she desires to do so.

What were our audit fees for fiscal 2005 and 2004?

For fiscal 2005 and 2004, fees for professional services performed by Kirkland Russ were as follows:

	Fiscal 2005	Fiscal 2004
Audit Fees	\$ 63,500	\$ 62,321
Audit-Related Fees	0	0
Tax Fees	17,000	23,000
All Other Fees	62,608	5,250
Total	143,108	90,571

All Other Fees consists of \$60,858 relating to fees incurred in connection with our securities offering and \$1,750 relating to tax planning. The Audit Committee of the Board of Directors has determined that the performance and services related to Tax Fees and All Other Fees is compatible with maintaining the independence of Kirkland Russ.

We have a policy that discourages the retention of our independent registered public accounting firm for non-audit services. We will not retain our independent registered public accounting firm for non-audit work unless: (a) the approvals of the Chair of the Audit Committee and the Chief Financial Officer are obtained prior to the retention; and (b) the retention will not affect the status of the auditors as independent accountants under applicable rules of the SEC and the Independence Standards Board.

The details regarding any engagement of the independent registered public accounting firm for non-audit services are provided promptly to the full Audit Committee. During fiscal 2005 and 2004, all of the services provided by Kirkland Russ for the services described above under Tax Fees and All Other Fees were pre-approved using the above procedures.
