To the Stockholders of Mexco Energy Corporation:

The Company's Compensation Committee makes recommendations regarding compensation of the Company's executive officers, including the CEO, subject to approval of the entire Board of Directors.

The Compensation Committee was formed as of June 15, 2005 and Messrs. Ladd, Grover and Smith were appointed members thereof. REPORT OF THE AUDIT COMMITTEE

To the Stockholders of Mexco Energy Corporation:

It is the responsibility of the members of the Audit Committee to contribute to the reliability of the Company's Financial Statements. In keeping with this goal, the Board of Directors adopted a written charter to govern the Audit Committee. The Audit Committee is satisfied with the adequacy of the charter based upon its evaluation of the charter during fiscal 2006. The Audit Committee met four times during fiscal 2006. The current members of the Audit Committee are independent directors.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management. It has also discussed with the independent auditors the matters required to be discussed by Statement on Accounting Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. Additionally, the Audit Committee has received the written

Edgar Filing: MEXCO ENERGY CORP - Form DEF 14A

disclosures and the letter from the independent accountants at Grant Thornton LLP, as required by Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent accountants that firm's independence from the Company and its management. The Audit Committee has concluded that on-audit services provided by Grant Thornton LLP do not result in conflict in maintaining that firm's independence.

Audit fees billed to the Company by Grant Thornton LLP for the audit of the Company's annual financial statements and the review of those financial statements included in the Company's quarterly reports on Form 10-Q totaled \$75,168 during the Company's 2006 fiscal year and \$60,151 during the Company's 2005 fiscal year. There were no fees for audit related services for fiscal years ending March 31, 2006 and March 31, 2005. The Company has obtained no other services from Grant Thornton LLP.

Based on reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements for fiscal 2006 be included in the Company's Annual Report on Form 10-K.
