In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section, nor shall such information and Exhibit be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

USE OF NON-GAAP FINANCIAL INFORMATION

To supplement our consolidated financial statements presented in accordance with generally accepted accounting principles (“GAAP”), Perficient uses non-GAAP measures, such as EBITDA and Cash Earnings Per Share, which are adjusted from results based on GAAP to exclude certain expenses. We have included at the end of our Consolidated Statement of Operations, included in Exhibit 99.1, a reconciliation of Cash Earnings Per Share to the GAAP measure diluted net income per share, and a reconciliation of EBITDA to the GAAP measure net income. Perficient believes that these non-GAAP financial measures are important representations of a company's financial performance and uses such non-GAAP information internally to evaluate and manage its operations. These non-GAAP measures are provided to enhance the reader's overall understanding of our financial performance, but are not intended to be regarded as an alternative to or more meaningful than GAAP measures. The non-GAAP measures presented may not be comparable to similarly titled measures presented by other companies.
