Item 2.01. Completion of Acquisition or Disposition of Assets.

On March 30, 2007, SBE, Inc., a Delaware corporation, consummated the sale of its embedded business to One Stop Systems, Inc. pursuant to an asset purchase agreement between SBE and One Stop Systems. One Stop paid \$2,200,000 in cash and assumed SBE's obligations for payments of approximately \$2,200,000 under the lease of SBE's corporate headquarters building and certain equipment leases. SBE's embedded business consists of the manufacture and sale of hardware products, including wide area network and local area network interface cards and central processor units, to original equipment manufacturers that embed SBE's hardware products into their products for the telecommunications markets. SBE stockholders approved the sale of SBE's embedded business at the Special Meeting of Stockholders of SBE on March 29, 2007.

One Stop Systems, Inc. is a manufacturer of industrial-grade computing systems and components, including a line of Peripheral Component Interconnect Express-based products. John Reardon, a member of SBE's board of directors, is also a member of One Stop System's board of directors.

The consideration for the embedded business was determined by arms'-length negotiation between management of both companies and was approved unanimously by the Board of Directors of each corporation (including all disinterested directors of each corporation). Mr. Reardon did not participate in such negotiations. The management and Board of Directors of SBE relied in part on the analysis and opinion as to the fairness, from a financial point of view, of the consideration provided by SBE's financial advisor, Seidman & Co., Inc.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

SBE amended its certificate of incorporation on March 30, 2007 to effect a stock combination (reverse stock split) pursuant to which every five shares of outstanding common stock was reclassified into one share of common stock.

Item 9.01. Financial Statements and Exhibits.
