#### ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On April 25, 2007, Aaron Rents, Inc. issued a press release to announce its financial results for the first quarter of 2007. A copy of the press release is attached as Exhibit 99.1.

The press release presents the Company's net earnings and diluted earnings per share for the first quarter of 2007 excluding the gain from the sale of a parking deck at the Company's corporate headquarters. As material real estate sales are not part of the Company's usual businesses, management believes that presentation of this particular non-GAAP financial measure is useful because it allows investors to more easily evaluate and compare the performance of the Company's core sales and lease ownership and corporate furnishings businesses. Non-GAAP financial measures however should not be considered in isolation or as an alternative to financial measures calculated and presented in accordance with GAAP, such as the Company's GAAP basis net earnings and diluted earnings per share, which are also presented in the press release.
