In addition, on January 29, 2008, we notified AngloGold Ashanti North America (“AngloGold”) that pursuant to the terms of the Stock Purchase Option Agreement dated effective December 15, 2000, between AngloGold and us, we have made a good faith determination that the drill indicated resources at the El Chanate gold mine now exceed two million ounces of contained gold. The term “drill indicated resources” is defined in the agreement. A drill indicated resources number does not rise to the level of, and should not be considered proven or probable reserves as those terms are defined under SEC guidelines. AngloGold now has 180 days to determine whether or not it will choose to exercise its one time back-in right to acquire a 51% interest in the El Chanate project, for a purchase price equal to two times the total project costs, as defined in the agreement, since 2001. Please see the press release attached hereto as Exhibit 99.1
