### WHO CAN VOTE AT THE MEETING?

The record date for the 2009 Annual Meeting of Stockholders is September 25, 2009. The record date was established by our Board of Directors. Stockholders of record at the close of business on the record date are entitled to:

On the record date, 32,756,575 shares of our common stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held on the record date, as further described under "Voting Securities," in this Proxy Statement.

### HOW DO I VOTE?

You may vote in person at the meeting or you may appoint a proxy, by mail, to vote your shares. If you return a signed card but do not provide voting instructions, your shares will be voted FOR the proposal to be voted on at the meeting.

### WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

(a) By Written Proxy: Stockholders of record can vote by marking, signing, and timely returning the enclosed proxy card. Street name or beneficial holders must follow the directions provided by their broker, bank, or other nominee in

order to direct such broker, bank, or nominee how to vote.

### HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

At least a majority of the holders of our outstanding shares of common stock, as of the record date, must be present at the annual meeting in order to hold the annual meeting and conduct business. This is called a quorum. Shares of our common stock are counted as present at the annual meeting if the holder of such shares:

Abstentions are counted as present for the purpose of determining the presence of a quorum.

# PROPOSAL FOR ACTION AT THE ANNUAL MEETING Proposal One: Election of Directors

Our Articles of Incorporation and By-laws provide that the Board of Directors shall consist of at least one but not more than ten directors, the exact number of which may be fixed and changed from time to time by ordinary resolution of the Board of Directors or the shareholders of the Corporation. The Board of Directors has adopted a resolution establishing five (5) as the number of directors of the Company.

Our Articles of Incorporation and By-laws provide that the Board of Directors shall be elected at each annual meeting. Based on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated its current members to be re-elected for another term.

The persons named in the accompanying proxy card intend to vote such proxy in favor of the election of the nominees named below, who are currently directors, unless authority to vote for the director is withheld in the proxy. Although the Board of Directors has no reason to believe that the nominees will be unable to serve as a director, if one of the nominees withdraws or otherwise becomes unavailable to serve, the persons named as proxies will vote for any substitute nominee designated by the Board of Directors, unless contrary instructions are given on the proxy.

The affirmative vote of a plurality of the shares of our common stock present in person or by proxy at the meeting and entitled to vote is required for the election of directors. Proxies for which authority to vote for the nominee is withheld and broker non-votes will be tabulated for the purpose of computing the number of shares of our common stock present for purposes of determining the presence of a quorum for the meeting. ### CORPORATE GOVERNANCE

### INDEPENDENCE OF DIRECTORS

Subject to certain exceptions, under the listing standards of NASDAQ, a listed company's board of directors must consist of a majority of independent directors. Currently, our board of directors has determined that each of Messers. Staloff, Li, and Dr. Wang are independent directors for purposes of the NASDAQ's listed company standards currently in effect and approved by the SEC and all applicable rules and regulations of the SEC. We have established the following standing committees of the board: Audit, Compensation, and Corporate Governance and Nominating. All members of the Audit Committee and a majority of the members of the Compensation and Nominating and Corporate Governance Committees satisfy the "independence" standards applicable to members of each such committee. The board of directors made this affirmative determination regarding these directors' independence based on discussion with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and transactions with the Company. The board of directors considered relationships and transactions between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of the board of director's review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NASDAQ rules.

### MEETINGS OF THE BOARD OF DIRECTORS

Our Board of Directors held three regular meetings and no special meetings during fiscal year 2008. Each director attended at least 75% of the meetings of the Board of Directors and the Board committees on which he served in fiscal year 2008. Under our Corporate Governance Guidelines, directors are expected to attend meetings of our Board of Directors and committees of which he is a member and to spend the time necessary to properly discharge his respective duties and responsibilities.

The board of directors has adopted a written charter for the Compensation Committee. A current copy of the Compensation Committee Charter is posted on our website at www.smartheatinc.com.

The compensation of our executive officers and other employees is composed of base salaries. For 2008, compensation for our officers, including our named executive officers, was determined by our executive officers prior to the establishment of the compensation committee. The compensation committee will review base salaries of the executives considering SmartHeat's overall financial position and the state of its business. The compensation committee will determine any increase in compensation, with respect to each officer, based on individual performance, level of responsibility, and skills and experience, taking into account the anticipated level of difficulty in replacing such officers and employees with persons of comparable experience, skill and knowledge.

### Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in June of 2008. The Nominating and Corporate Governance Committee consists of Messrs. Staloff, Li and Dr. Wang, each of whom is an independent

director, and Mr. Lin. Mr. Li is the Chairman of the Nominating and Corporate Governance Committee. ### NOMINATION PROCESS

The members of the Nominating and Corporate Governance Committee, other than incumbent director nominees, discuss the qualifications of the director nominees and the needs of the Company. The Nominating and Corporate Governance Committee will consider nominees recommended by our directors and officers. In evaluating director candidates, the Nominating and Corporate Governance Committee considers factors that are in the best interests of the Company and its stockholders, including, but not limited to, the knowledge, experience, integrity and judgment of possible candidates for nomination as directors; the potential contribution of each candidate to the diversity of backgrounds, experience and competencies which the Nominating and Corporate Governance Committee desires to have represented on the Board of Directors, including familiarity with and experience in our specific industry; the NASDAQ's requirements for directors, including any applicable independence standards and other qualifications and experience; each candidate's ability to devote sufficient time and effort to his or her duties as a director of the Company and, where applicable, prior service as a director of the Company. There are, however, no stated minimum criteria for director nominees. The Nominating and Corporate Governance Committee recommends candidates to the Board of Directors for election at the annual meeting of stockholders.
