EXPLANATORY NOTE: DEREGISTRATION

This Post-Effective Amendment No. 1 (the “Post-Effective Amendment”) relates to the Registration Statement on Form S-3 (File No. 333-132451) of Teton Energy Corporation (the “Company”), which was filed with the Securities and Exchange Commission on March 15, 2006, as supplemented from time to time, relating to up to \$50,000,000 of securities of the Company, including shares of common stock, debt securities, shares of preferred stock, which may be issued in the form of depositary shares evidenced by depositary receipts, stock purchase contracts, stock purchase units, and securities warrants to purchase debt securities, common stock, preferred stock or depositary shares (the “Registration Statement”).

On November 8, 2009, the Company and each of its subsidiaries filed voluntary petitions for relief and a proposed plan of reorganization (collectively, the “Bankruptcy Filing”) under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware. On November 9, 2009, the Company received written notice from the listing qualifications department of The NASDAQ Stock Market (“NASDAQ”) that trading in the Company’s securities would be suspended on November 18, 2009 and subsequently would be delisted from the NASDAQ Capital Market by the filing of a Form 25 with the Securities and Exchange Commission (the “Commission”). NASDAQ filed the Form 25 with the Commission on December 15, 2009, and the delisting became effective ten days after such filing.

Additionally, on November 16, 2009, the Company failed to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2009 by the extension deadline and therefore is no longer in compliance with the requirement of Rule 144 of the Securities Act of 1933, as amended, regarding the availability of adequate current public information about an issuer of securities.

As a result of concerns about (i) the liquidity of the Company’s stock due to the Bankruptcy Filing and the delisting from the NASDAQ Capital Market and (ii) the lack of availability of adequate current public information about the Company, the Company hereby removes from registration all securities that have not been sold under the Registration Statement.
