Item 2.02 – Results of Operations and Financial Condition

The financial and statistical disclosure for the fiscal years ended December 31, 2011 and 2010 included in “Item 8.01 – Other Events” of this Current Report on Form 8-K is incorporated herein by reference.

Item 8.01 – Other Events

On January 23, 2012, the Board of Directors of Park National Corporation (“Park”), after consultation with management and the Securities and Exchange Commission (“SEC”), determined that Park’s previously issued audited consolidated financial statements incorporated by reference in Park’s Annual Report on Form 10-K for the fiscal year ended December 31, 2010, filed on February 28, 2011, from Park’s 2010 Annual Report and Park’s unaudited condensed consolidated financial statements included in Park’s Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2011, June 30, 2011, and September 30, 2011 should be revised.

Park’s management is working with Crowe Horwath LLP (“Crowe”), Park’s independent registered public accounting firm, and representatives from the SEC to determine the appropriate characterization of these revisions. The possible outcomes of the discussions with Crowe and the SEC include the characterization of the revisions as either a change in accounting principle or a correction of an error in Park’s application of U.S. GAAP. In the event that the revisions are deemed to be the result of a change in accounting principle, Park will reflect the revisions to the consolidated financial statements as of and for the fiscal year ended December 31, 2010 retrospectively within the consolidated financial statement portion of the 2011 Annual Report which is incorporated by reference in the Annual Report on Form 10-K for the fiscal year ended December 31, 2011. However, if the revisions are deemed to be a correction of an error in Park’s application of U. S. GAAP, Park will file a Current Report on Form 8-K, and disclose in Item 4.02 thereof that the previously filed consolidated financial statements of Park, for the fiscal year ended December 31, 2010 can no longer be relied upon. Park would thereafter file an amendment to the Annual Report on Form 10-K/A for the fiscal year ended December 31, 2010 reflecting a restatement of the previously filed consolidated financial statements as of and for the fiscal year ended December 31, 2010.

In a Current Report on Form 8-K filed on December 14, 2011 (the “December 14, 2011 Form 8-K”), Park announced that the previously-issued Call Report for Vision Bank (“Vision”), the Florida state-chartered bank subsidiary of Park, and the FRY-9C Report for Park for the year ended December 31, 2010 would be amended to reflect an additional loan loss provision of \$19.0 million. Additionally, Park amended the Call Reports for Vision and the FRY-9C Reports for Park for the quarterly periods ended March 31, 2011, June 30, 2011, and September 30, 2011 to reflect the current year impact of the changes made to reflect the impact on the allowance for loan losses related to guarantor support.

Park will revise the consolidated financial statements for the fiscal year ended December 31, 2010. The reduction to net income for 2010, which is \$12.4 million, will be reflected as an increase to net income for the fiscal year ended December 31, 2011 since Park had collected, obtained additional collateral, or written off all of the \$19.0 million in guarantor support by December 31, 2011. The table below summarizes the revised results for the year ended December 31, 2010 and the expected results for the year ended December 31, 2011. Management continues to work with Crowe to finalize our 2010 (revised) and 2011 financial results. These results below assume that the only revision to the year ended December 31, 2010 is the \$19.0 million increase to loan loss provision and the related impact on income before taxes, federal income taxes, net income, and net income available to common shareholders.

(In Thousands)	2011	2010 Revised	2010 As Previously Filed	2012 Projected
Net Interest Income	\$273,234	\$274,044	\$274,044	\$240,000 - \$250,000
Provision for Loan Losses	60,205	83,902	64,902	20,000 - 27,000
Fee Income	61,219	65,632	65,632	62,000 - 66,000
Security Gains	28,829	11,864	11,864	—
Gain from Sale of Vision	—	—	—	18,000 - 20,000
Operating Expenses	188,317	187,107	187,107	170,000 - 175,000
Income Before Taxes	\$114,760	\$80,531	\$99,531	\$130,000 - \$134,000
State Taxes	6,088	(1,161 )	(1,161 )	—
Federal Income Taxes	27,699	19,825	26,475	35,000 - 36,500
Net Income	\$80,973	\$61,867	\$74,217	\$95,000 - \$97,500
Net Income Excluding Gains	\$62,234	\$54,155	\$66,505	\$83,300 - \$84,500

The line item “Net Income Excluding Gains” excludes gains from the sale of securities for the years ended December 31, 2010 and 2011 and excludes the anticipated gains from the sale of Vision for the 2012 projection.

Park has recognized \$6.1 million in state tax expense during 2011, which is the charge necessary to write-off the previously recorded state operating loss carryforward asset at Vision. Prior to the execution of the Purchase and Assumption Agreement (the “Purchase Agreement”) with Home BancShares, Inc. (“Home”) and its wholly-owned subsidiary, Centennial Bank, an Arkansas state-chartered bank (“Centennial”), to sell substantially all of the operating assets and liabilities associated with Vision to Centennial for a purchase price of \$27.9 million, management of Park believed that a merger of Vision into Park’s wholly-owned national bank subsidiary, The Park National Bank (“PNB”), would enable Park to fully utilize the state net operating loss carryforward asset recorded at Vision. The structure of the transactions contemplated by the Purchase Agreement will not allow either the buyer or the seller to benefit from the previously recorded net operating loss carryforward asset at Vision to offset future taxable income; therefore, this asset was written-off by Vision at December 31, 2011.

Park’s net income for the two-year period ended December 31, 2011 following the revision was \$142.8 million. Prior to the revision reflecting the increase of \$19.0 million to the loan loss provision for the year ended December 31, 2010, the combined net income for the two-year period ended December 31, 2011 was expected to be \$142.8 million as the \$19.0 million of additional loan loss provision was originally expensed during 2011. Therefore, the impact of the revision is simply to reflect the timing of the recording of the impact of the loan loss provision related to guarantor support at Vision.

The Board of Directors of Park has discussed the matters identified above in this Form 8-K with Crowe.

Management expects to issue a News Release announcing the results for the fiscal year ended December 31, 2011 on or about February 7, 2012. Below, management provides some information regarding the anticipated results for PNB,

Vision, Guardian Financial (“Guardian”), and Park’s Parent Company.

3

The two year results for PNB, a wholly-owned bank subsidiary of Park, are as follows:

(In Thousands)	2011	2010	2012 Projected
Net Interest Income	\$236,282	\$237,281	\$231,000
Provision for Loan Losses	30,220	23,474	16,500
Fee Income	67,348	68,648	65,500
Security Gains	23,634	11,864	—
Operating Expenses	146,235	144,051	151,000
Income Before Taxes	\$150,809	\$150,268	\$129,000
Income Taxes	43,958	47,320	36,000
Net Income	\$106,851	\$102,948	\$93,000
Net Income Adjusted for Security Gains	\$91,489	\$95,236	\$93,000

The results for PNB (excluding security gains) have been strong and consistent over the last several years. For the year ending December 31, 2012, management expects net interest income to decline \$5 to \$10 million from the level reported in 2011. Offsetting the expected decline in net interest income, management expects the loan loss provision for 2012 to decline by \$10 to \$15 million from the level reported in 2011.

The following table shows a summary of Vision results and the projection for 2012. The projected results for Vision assume that the closing of the transactions contemplated by the Purchase Agreement with Home and Centennial will occur on March 1, 2012.

(In Thousands)	2011	2010 As Revised	2010 As Previously Filed	2012 Projection
Net Interest Income	\$27,078	\$27,867	\$27,867	\$3,750
Provision for Loan Losses	27,985	58,451	39,451	1,000
Fee Income	(3,439 )	(3,407 )	(3,407 )	650
Security Gains	5,195	—	—	—
Operating Expenses	31,379	31,623	31,623	6,000
Loss Before Taxes	\$(30,530)	\$(65,392)	\$(46,392 )	\$(2,600 )
State Taxes	6,088	(1,161 )	(1,161 )	
Federal Income Taxes	12,926	(22,584)	(18,256 )	(900 )
Net Loss	\$(23,692)	\$(41,647)	\$(29,297 )	\$(1,700 )
Net Loss Adjusted for Security Gains	\$(27,069)	\$(41,647)	\$(29,297 )	\$(1,700 )

Management expects that the closing of the transactions contemplated by the Purchase Agreement with Home and Centennial will occur on March 1, 2012 and therefore projects approximately two months of results for Vision in 2012, which is expected to generate a net loss of approximately \$1 million to \$2 million.

The following table shows the results of Guardian, a wholly-owned non-banking subsidiary of Park, for the past two fiscal years.

(In Thousands)	2011	2010	2012 Projection
Net Interest Income	\$8,693	\$7,611	\$ 9,000
Provision for Loan Losses	2,000	2,200	1,800
Fee Income	—	2	—
Security Gains	—	—	—
Operating Expenses	2,506	2,325	2,700
Income Before Taxes	\$4,187	\$3,088	\$ 4,500
Income Taxes	1,466	1,082	1,600
Net Income	\$2,721	\$2,006	\$ 2,900

Management expects the results of Guardian for 2012 to be very consistent with the results for 2011.

The following table shows the summary results for Park's Parent Company, which includes SE Property Holdings, LLC ("SE LLC"), the non-banking subsidiary of Park's Parent Company, which holds Other Real Estate Owned ("OREO") purchased from Vision since March 2011.

Parent Company (In Thousands)	2011	2010	2012 Projection
Net Interest Income	\$1,180	\$1,285	\$1,800
Provision for Loan Losses	—	—	4,500
Fee Income	(2,689)	389	(1,600 )
Security Gains	—	—	—
Gain from Sale of Vision	—	—	18,000
Operating Expenses	8,196	9,106	13,500
Income (Loss) Before Taxes	\$(9,705)	\$(7,432)	\$200
Income Taxes	(4,799)	(5,993)	(1,000 )
Net Income (Loss)	\$(4,906)	\$(1,439)	\$1,200
Net Loss Excluding Gain from Sale of Vision	\$(4,906)	\$(1,439)	\$(10,500 )

The losses from the Parent Company have been substantially offset by the net income from Guardian from 2008 through 2010. However, in 2011 Vision began selling OREO property to SE LLC. Park's parent company experienced approximately \$4 million in pre-tax expenses related to the OREO transferred from Vision during 2011. Subsequent to the transactions contemplated under the Purchase Agreement and Vision's merger with and into SE LLC, SE LLC will have approximately \$95.9 million of non-performing loans and \$22.6 million of performing loans, both net of reserves, as of December 31, 2011. SE LLC also has approximately \$29 million of OREO as of December 31, 2011. Management estimates that it will cost approximately \$10 million to \$12 million to service and collect on these non-performing assets during 2012. Finally, as a result of the transactions contemplated in the Purchase Agreement, management estimates a pre-tax gain on the sale of Vision of \$18 million to \$20 million. The loans being acquired by

Centennial Bank are approximately \$370 million as of December 31, 2011 and the deposit liabilities to be assumed were approximately \$533 million as of December 31, 2011.
