Ellenoff Grossman & Schole LLP

150 East 42nd Street

New York, New York 10017

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Why am I receiving this Proxy Statement?

This Proxy Statement describes the proposals on which our Board of Directors would like you, as a stockholder, to vote at our 2012 Annual Meeting of the Stockholders, which will take place on Monday, November 5, 2012 at 11:30 a.m. local time at Ellenoff Grossman & Schole LLP, 150 East 42nd Street, New York, New York 10017.

This Proxy Statement also gives you information on these proposals so that you can make an informed decision. We intend to mail this Proxy Statement and accompanying proxy card on or about October 2, 2012, to all stockholders of record entitled to vote at the Meeting.

In this Proxy Statement, we refer to SMG Indium Resources Ltd. as the “Company”, “we”, “us” or “our.”

Who can vote at the annual meeting of stockholders?

Stockholders who owned shares of our common stock, par value \$.001 per share (“**Common Stock**”), on September 18, 2012 (the “**Record Date**”) may attend and vote at the Meeting. Each share is entitled to one vote. There were 8,832,301 shares of Common Stock outstanding on the Record Date. All shares of Common Stock shall have one vote per share and vote together as a single class. Information about the stockholdings of our directors and executive officers is contained in the section of this Proxy Statement entitled “Beneficial Ownership of Principal Stockholders, Officers and Directors” on page 28 of this Proxy Statement.

What is the proxy card?

The proxy card enables you to appoint Ailon Z. Grushkin, our President, and/or Richard Biele, our Secretary and Chief Operating Officer, as your representative at the Meeting. By completing and returning the proxy card as described herein, you are authorizing these persons to vote your shares at the Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Meeting. Even if you plan to attend the Meeting, we think that it is a good idea to complete and return your proxy card before the Meeting date just in case your plans change. If a proposal comes up for vote at the Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

What am I voting on?

You are being asked to vote on: (i) the election of our Class I Directors, Mark Stephen Neuhof, Fred Arena and Patrick James (P.J.) Richardson to terms of two (2) years, (ii) the ratification of the appointment of KPMG LLP, our independent registered public accounting firm for the year ending December 31, 2012, and (iii) the adoption of an amendment to the Company's Certificate of Incorporation to decrease the authorized Common Stock from 40,000,000 shares to 25,000,000. We may also transact such other business that properly comes before the Meeting.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends that the stockholders vote "FOR" all nominees as Class I Directors and all other proposals being put before our stockholders at the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If, on the Record Date, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are a "stockholder of record" who may vote at the Meeting, and we are sending these proxy materials directly to you. As the stockholder of record, you have the right to direct the voting of your shares by returning the enclosed proxy card to us or to vote in person at the Meeting. Whether or not you plan to attend the Meeting, please complete, date and sign the enclosed proxy card to ensure that your vote is counted.

Beneficial Owner

If, on the Record Date, your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held “in street name,” and these proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record for purposes of voting at the Meeting. As the beneficial owner, you have the right to direct your broker on how to vote your shares and to attend the Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you receive a valid proxy from your brokerage firm, bank or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank or other nominee holder. If you do not make this request, you can still vote by using the voting instruction card enclosed with this proxy statement; however, you will not be able to vote in person at the Meeting.

How do I vote?

(1) You may vote by mail. You may vote by mail by completing, signing and dating your proxy card and returning it in the enclosed, postage-paid and addressed envelope. If we receive your proxy card prior to the Meeting and if you mark your voting instructions on the proxy card, your shares will be voted:

as you instruct, and

according to the best judgment of the proxies if a proposal comes up for a vote at the Meeting that is not on the proxy card.

If you return a signed card, but do not provide voting instructions, your shares will be voted:

for, Mark Stephen Neuhof, Fred Arena and Patrick James (P.J.) Richardson as nominees for the three (3) Class I Directors of our Board of Directors;

to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2012;

to approve the adoption of an amendment to the Company's Certificate of Incorporation to decrease the authorized Common Stock from 40,000,000 to 25,000,000; and

according to the best judgment of either Mr. Grushkin or Mr. Biele, if a proposal comes up for a vote at the Meeting that is not on the proxy card.

(2) You may vote in person at the Meeting. We will pass out written ballots to anyone who wants to vote at the Meeting. However, if you hold your shares in street name, you must bring to the Meeting a valid proxy from the broker, bank or other nominee holding your shares that confirms your beneficial ownership of the shares and gives you the right to vote your shares. Holding shares in street name means you hold them through a brokerage firm, bank or other nominee, and therefore the shares are not held in your individual name. We encourage you to examine your proxy card closely to make sure you are voting all of your shares in the Company.

What does it mean if I receive more than one proxy card?

You may have multiple accounts at the transfer agent and/or with brokerage firms. Please sign and return all proxy cards to ensure that all of your shares are voted.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Meeting. You may do this by:

· sending a written notice to the Secretary of the Company stating that you would like to revoke your proxy of a particular date;

· signing another proxy card with a later date and returning it before the polls close at the Meeting; or

· attending the Meeting and voting in person.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee. If your shares are held in street name, and you wish to attend the annual meeting and vote at the Meeting, you must bring to the Meeting a legal proxy from the broker, bank or other nominee holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name or in your name and you do not sign and return your proxy card, your shares will not be voted unless you vote in person at the Meeting. “Broker non-votes,” which occur when brokers are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions, will not be counted for the purpose of determining the number of shares present in person or by proxy on a voting matter and will have no effect on the outcome of the vote. Brokers who hold shares in street name may vote on behalf of beneficial owners with respect to Proposal 2.

How many votes are required to elect Mark Stephen Neuhof, Fred Arena and Patrick James (P.J.) Richardson as a Class I Directors?

The affirmative vote of a plurality of the votes cast at the meeting of the stockholders by the holders of shares of Common Stock entitled to vote in the election are required to elect Mark Stephen Neuhof, Fred Arena and Patrick James (P.J.) Richardson as a Class I Directors.

How many votes are required to ratify the appointment of Company’s independent registered public accounting firm.

The affirmative vote of a majority of the votes cast at the meeting of the stockholders for this proposal by the holders of shares of Common Stock entitled to vote are required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2012.

How many votes are required to amend the Company’s certificate of incorporation to decrease the authorized Common Stock from 40,000,000 to 25,000,000?

The affirmative vote of a majority of the holders of the Company is required for approval of the amendment to the Company’s certificate of incorporation.

What happens if I don’t indicate how to vote my proxy?

If you just sign your proxy card without providing further instructions, your shares will be counted as a “for” vote for all of the nominees for Class I Directors and all other proposals being placed before our stockholders at the Meeting.

Where do I find the voting results of the Meeting?

We will announce voting results at the Meeting and file a Current Report on Form 8-K announcing the voting results of the Meeting.

Who can help answer my questions?

You can contact our Secretary and Chief Operating Officer, Mr. Richard Biele, at (212) 984-0635 or by sending a letter to Mr. Biele at offices of the Company at 100 Park Avenue, 16th Floor, New York, New York 10017, with any questions about proposals described in this Proxy Statement or how to execute your vote.

Board of Directors

Board Composition

Our certificate of incorporation, as amended, and bylaws provide that the authorized number of directors may be changed only by resolution of the board of directors. We currently have seven directors that are divided into two classes with staggered two-year terms. At each annual meeting of stockholders, the successors to the directors whose terms then expire will be elected to serve until the second annual meeting following the election. The term of office of the first class of directors, Class I, consisting of Mark Stephen Neuhof, Fred Arena and Patrick James (P.J.) Richardson will expire at our first annual meeting of stockholders in 2012. The term of office of the second class of directors, Class II, consisting of Alan Benjamin, Richard Biele, Ailon Z. Grushkin and William C. Martin, will expire at the annual meeting of stockholders in 2013.

Any additional directorships resulting from an increase in the number of directors will be distributed among the two classes so that, as nearly as possible, each class will consist of one-half of the directors.

Director Independence

Our Board has reviewed the materiality of any relationship that each of our directors has with us, either directly or indirectly. Based on this review, the Board has determined that the following directors are “independent directors” as defined by Rule 10A-3 promulgated under the Exchange Act: Messrs. Richardson, Neuhof and Arena.

Meetings of the Board of Directors

Cash Compensation of Board of Directors

Each of the independent members of our Board will be paid such remuneration for their services as our Board may, from time to time, determine. Until otherwise determined, we anticipate paying each of our independent Board members \$10,000 per year and \$1,000 per meeting attended in person (including committee meetings). We will also reimburse the members of our Board for out-of-pocket expenses for attending such meetings, and all directors will participate in the indemnification arrangements described under the Management Services Agreement, as amended.

Director Equity Compensation

On January 31, 2008, we granted, subject to the completion of the IPO, 8,333 options to purchase Common Stock to each of our three independent directors. The options were fully vested and exercisable at \$7.50 per share, upon the completion of the IPO in May 2011 and expire in May 2016. In 2010, we agreed to grant an additional 5,000 options to purchase Common Stock to each of our four nonexecutive directors, contingent upon the successful completion of the IPO. These options are exercisable at \$4.50 per share, vested immediately with the closing of the IPO and expire on May 9, 2016. Effective with the IPO, our non-employee, independent directors participate in our 2008 Long-Term Incentive Compensation Plan, as amended. Directors are granted options to purchase 5,000 shares per annum of Common Stock pursuant to the 2008 Long-Term Incentive Compensation Plan. In June 2011, we granted 5,000 stock options to each of our three independent directors. The options are exercisable at \$4.75 per share, vest immediately and expire in five years. William C. 2008 Long-Term Incentive Compensation Plan

In 2008, our Board adopted and our stockholders approved the 2008 Long-Term Incentive Compensation Plan. Under this plan, we may grant incentive stock options, non-qualified stock options restricted and unrestricted stock awards and other stock-based awards. The purpose of the 2008 Long-Term Incentive Compensation Plan is to provide an incentive to attract directors, officers, consultants, advisors and employees whose services are considered valuable to encourage a sense of proprietorship and to stimulate an active interest of such person in our development and financial achievements. As amended in July 2010, a maximum of 1,000,000 shares of Common Stock has been reserved for issuance under this plan. The plan expires on January 31, 2018. Our Board has authorized our Compensation Committee to administer our plan. In connection with the administration of our 2008 Long-Term Incentive Compensation Plan, the Compensation Committee, with respect to awards to be made to any person who is not one of our directors, will:

-

determine which employees and other persons will be granted awards under our 2008 Long-Term Incentive Compensation Plan;

grant the awards to those selected to participate;

determine the exercise price for options; and

prescribe any limitations, restrictions and conditions upon any awards, including the vesting conditions of awards.

With respect to stock options or restricted stock awards to be made to any of our directors, the Compensation Committee will make recommendations to our Board as to:

- which of such persons should be granted stock options, restricted stock awards, performance units or stock appreciation rights;
- the terms of proposed grants of awards to those selected by our Board to participate;
- the exercise price for options; and
- any limitations, restrictions and conditions upon any awards.

Any grant of awards to any of directors under our 2008 Long-Term Incentive Compensation Plan must be approved by our Board. In addition, the Compensation Committee will:

- interpret our 2008 Long-Term Incentive Compensation Plan; and
- make all other determinations and take all other action that may be necessary or advisable to implement and administer our 2008 Long-Term Incentive Compensation Plan.

Our Board may amend our Long-Term Incentive Compensation Plan at any time. However, without stockholder approval, our 2008 Long-Term Incentive Compensation Plan may not be amended in a manner that would:

- increase the number of shares that may be issued under our 2008 Long-Term Incentive Compensation Plan;
- materially modify the requirements for eligibility for participation in our 2008 Long-Term Incentive Compensation Plan;
- materially increase the benefits to participants provided by our 2008 Long-Term Incentive Compensation Plan; or
-

otherwise disqualify our 2008 Long-Term Incentive Compensation Plan for coverage under Rule 16b-3 promulgated under the Exchange Act.

Awards previously granted under our 2008 Long-Term Incentive Compensation Plan may not be impaired or affected by any amendment of our 2008 Long-Term Incentive Compensation Plan, without the consent of the affected grantees.

Transferability

With the exception of Non-Qualified Stock Options, awards are not transferable other than by will or by the laws of descent and distribution. Non-Qualified Stock Options are transferable on a limited basis. Restricted stock awards are not transferable during the restriction period.

Change of Control Event

The 2008 Long-Term Incentive Compensation Plan provides that in the event of a change of control the Board shall have the discretion to determine whether, and to what extent to, accelerate the vesting, exercise or payment of an Award.

Termination of Employment/Relationship

Awards granted under our 2008 Long-Term Incentive Compensation Plan that have not vested will generally terminate immediately upon the grantee's termination of employment or business relationship with us or any of our subsidiaries for any reason other than retirement with our consent, disability or death. The Board or a committee of the Board may determine at the time of the grant that an award agreement should contain provisions permitting the grantee to exercise the stock options for any stated period after such termination, or for any period the Board or a committee of the Board determines to be advisable after the grantee's employment or business relationship with us terminates by reason of retirement, disability, death or termination without cause. Incentive Stock Options will, however, terminate no more than three months after termination of the optionee's employment, twelve months after termination of the optionee's employment due to disability and three years after termination of the optionee's employment due to death. The Board or a committee of the Board may permit a deceased optionee's stock options to be exercised by the optionee's executor or heirs during a period acceptable to the Board or a committee of the Board following the date of the optionee's death but such exercise must occur prior to the expiration date of the stock option.

Dilution; Substitution

As described above, our 2008 Long-Term Incentive Compensation Plan will provide protection against substantial dilution or enlargement of the rights granted to holders of awards in the event of stock splits, recapitalizations, asset acquisitions, consolidations, reorganizations or similar transactions. New award rights may, but need not, be

substituted for the awards granted under our 2008 Long-Term Incentive Compensation Plan, or our obligations with respect to awards outstanding under our 2008 Long-Term Incentive Compensation Plan may, but need not, be assumed by another corporation in connection with any asset acquisition, consolidation, acquisition, separation, reorganization, sale or distribution of assets, liquidation or like occurrence in which we are involved. In the event that our 2008 Long-Term Incentive Compensation Plan is assumed, the stock issuable with respect to awards previously granted under our 2008 Long-Term Incentive Compensation Plan shall thereafter include the stock of the corporation granting such new option rights or assuming our obligations under the 2008 Long-Term Incentive Compensation Plan.

THE BOARD RECOMMENDS A VOTE “FOR” THE ELECTION OF MARK STEPHEN NEUHOF, FRED ARENA AND PATRICK JAMES (P.J.) RICHARDSON TO SERVE AS CLASS I DIRECTORS ON THE COMPANY’S BOARD, TO HOLD OFFICE UNTIL THE 2014 ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR SUCCESSORS ARE ELECTED AND QUALIFIED OR UNTIL THEIR EARLIER RESIGNATION OR REMOVAL.

PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF THE COMPANY'S INDEPENDENT Registered Public Accounting Firm FOR 2012

On October, 2011, the Audit Committee of the Board approved the appointment of the firm of KPMG LLP (“KPMG”) to serve as our independent registered public accountant for our year ending December 31, 2012. The independent registered public accountant’s report of KPMG on our consolidated financial statements for the year ended December 31, 2011 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. In the event of a negative vote on this proposal by the stockholders, the Audit Committee may consider whether it is appropriate, either for this fiscal year or in the future, to consider the selection of other independent registered public accounting firms.

Audit Fees. The aggregate fees billed by KPMG for professional services rendered for the audit of our annual financial statements, review of the financial information included in our Forms 10-Q for the respective periods and other required filings with the SEC for the year ended December 31, 2011 totaled \$100,000.

Audit-Related Fees. The aggregate fees billed by KPMG for audit-related fees for the year ended December 31, 2011 was \$18,000 including assurance and related services that are traditionally performed by the independent registered public accounting firm and included services relating to the issuance of consents for registration statements filed with the SEC.

Tax Fees. The aggregate fees billed by KPMG for professional services rendered for tax compliance, for the year ended December 31, 2011 was \$10,000.

All Other Fees. None.

The Audit Committee of our Board has established its pre-approval policies and procedures, pursuant to which the Audit Committee approved the foregoing audit, and other services provided by KPMG in 2011. Consistent with the Audit Committee’s responsibility for engaging our independent registered public accounting firm all audit and permitted non-audit services require pre-approval by the Audit Committee. The full Audit Committee approves proposed services and fee estimates for these services. The Audit Committee chairperson has been designated by the Audit Committee to approve any audit-related services arising during the year that were not pre-approved by the Audit Committee. Any non-audit service must be approved by the full Audit Committee. Services approved by the Audit

Committee chairperson are communicated to the full Audit Committee at its next regular meeting and the Audit Committee reviews services and fees for the fiscal year at each such meeting. Pursuant to these procedures, the Audit Committee approved the foregoing audit services provided by KPMG.

Changes In and Disagreements with Accountants on Accounting and Financial Disclosure. None.

A representative of KPMG may attend the Meeting, may have the opportunity to make a statement should they desire to do so and may respond to appropriate questions.

THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPROVAL OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY’S INDEPENDENT Registered Public Accounting Firm FOR THE YEAR ENDING DECEMBER 31, 2012.

PROPOSAL 3

APPROVAL OF THE ADOPTION OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO DECREASE THE AUTHORIZED COMMON STOCK, Par Value \$0.001 PER Share, FROM 40,000,000 SHARES TO 25,000,000 SHARES.

Our Board has declared advisable, adopted and is submitting for stockholder approval an amendment to our Certificate of Incorporation to decrease the number of authorized shares of our Common Stock from 40,000,000 to 25,000,000.

On September 18, 2012, there were 8,832,301 shares of our Common Stock outstanding. In addition, an aggregate of 8,238,101 shares of Common Stock were reserved for issuance under our currently outstanding warrants to purchase Common Stock, Unit Purchase Options and in connection with our various employee benefit and compensation plans. This leaves 22,929,598 shares of Common Stock available for future use if the authorized number of shares of Common Stock remains at 40,000,000 and 7,929,598 shares of Common Stock available for future use if the authorized number of shares of Common Stock is reduced to 25,000,000.

Our Certificate of Incorporation also authorizes the issuance of 1,000,000 shares of preferred stock. On September 18, 2012, no shares of preferred stock were outstanding. The proposed amendment does not change the number of shares of preferred stock that we are authorized to issue.

Form of the Amendment

If stockholders approve this proposal, our Certificate of Incorporation will be amended to decrease the number of shares of Common Stock we are authorized to issue from 40,000,000 to 25,000,000. The par value of the Common Stock will remain at \$0.001 per share. The amendment would amend the first sentence of, Article FOURTH of our Certificate of Incorporation to read in its entirety as follows:

“FOURTH. The total number of shares of capital stock which the Corporation shall have authority to issue is 26,000,000 shares, consisting of 25,000,000 (Twenty-Five Million) shares of Common Stock (the “Common Stock”), each of par value one-thousandths of one cent (\$0.001) (the “Common Stock”), and 1,000,000 (One Million) shares of Preferred Stock, each of par value one-thousandths of one cent (\$0.001) (the “Preferred Stock”).

The remaining text of Article FOURTH of our Certificate of Incorporation will remain unchanged.

Purpose of the Amendment

The Board is recommending this decrease in authorized shares of Common Stock primarily to give us the ability to reduce its annual franchise tax in the State of Delaware. Delaware franchise tax is calculated in accordance with either: (i) the authorized shares method or (ii) the assumed par value capital method. The “Authorized Shares Method” is calculated based on: (i) \$75 for 1-5,000 shares; (ii) \$150 for 5,001 – 10,000 shares; or (iii) \$150 PLUS \$75 for each additional 10,000 shares (or portion thereof) above 10,000 shares. The “Assumed Par Value Capital Method” is calculated based on all issued shares, authorized shares, and total gross assets in the following manner: (1) divide total gross assets by total issued shares (“Assumed Par Value”); (2) multiply Assumed Par Value by total authorized shares (“Assumed Par Value Capital”); and (3) the franchise tax is calculated at \$350 per every \$1,000,000 or portion thereof of Assumed Par Value Capital.

We currently use the Authorized Shares Method to calculate our Delaware franchise tax. As of the date of this Proxy Statement, we would owe approximate \$51,000 in franchise tax using the Authorized Shares Method. However, if the overall authorized capital is decreased, as proposed, our Delaware franchise tax would approximate \$32,000.

The Board believes that if the amendment passes, we will still have 7,929,598 shares of Common Stock available for issuance in the future and the Board believes that such 7,929,598 shares is a sufficient amount of Common Stock authorized for the Company at this time. In the event we need to increase our authorized shares of Common Stock in the future, the Company's Certificate of Incorporation may be amended to increase the number of authorized shares of Common Stock.

Effectiveness of the Amendment and Vote Required

If the proposed amendment is adopted, it will become effective upon the filing of a certificate of amendment to the Company's Certificate of Incorporation with the Secretary of State of the State of Delaware. The adoption of this amendment requires the approval of a majority of the holders of the Company's outstanding shares of Common Stock entitled to vote.

THE BOARD RECOMMENDS A VOTE "FOR" THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO DECREASE THE NUMBER OF AUTHORIZED SHARES OF THE COMPANY'S COMMON STOCK.

Certain Relationships and Related Transactions

The following is a description of the transactions we have engaged in during the year ended December 31, 2011, with our directors and officers and beneficial owners of more than five percent of our voting securities and their affiliates.

On February 8, 2010, we entered into a Common Stock for option exchange with the Manager where upon consummation of our IPO (which closed in May 2011), 75,000 shares of Common Stock owned by the Manager were automatically converted into 150,000 Common Stock options exercisable at \$4.50 per common share until May 2016. As a result of the exchange, the Manager currently holds 75,000 shares of Common Stock.

On May 10, 2011, we entered into an Amended and Restated Management Services Agreement with the Manager to govern the management and operations of our company. See “Management of SMG Indium Resources Ltd. — Management Services Agreement.” The members of our Manager are as follows: Ailon Z. Grushkin, our president; BRACK Advisors LLC, a New Jersey limited liability company, with the managing member being Richard A. Biele, our chief operating officer; Alan C. Benjamin, our chairman and chief executive officer and RCM Indium LLC, a Delaware limited liability company, whose members include Raging Capital Management, LLC, with the sole member being William C. Martin, our director. Specialty Metals Group Advisors LLC is managed by Ailon Z. Grushkin. Pursuant to this agreement the Manager fees during the year ended December 31, 2011 approximated \$0.4 million.

On January 8, 2008, we entered into a revolving line of credit with the Manager in the aggregate amount of \$0.3 million. The revolving line of credit was used to fund the deferred offering costs incurred by us in connection with our IPO. We borrowed approximately \$0.3 million under the revolving line of credit. The revolving line of credit was unsecured and bore interest at the rate of 6.0% per annum. The loan was settled upon the consummation of the Company’s IPO in May 2011. Approximately \$0.3 million of principal due plus accrued and unpaid interest under such revolving line of credit was automatically converted into 150,000 five-year options to purchase shares of Common Stock, at an exercise price of \$4.50 per share.

In 2008, we agreed to grant 8,333 options to purchase Common Stock to each of our three independent directors and 50,000 options to Richard Morena, our former CFO, contingent upon the successful completion of the IPO. In May 2011, such options were granted upon the closing of the IPO. The options are exercisable at \$7.50 per share, vested immediately with the closing of the IPO and expire on May 9, 2016. On June 5, 2009, in connection with his work for us since inception, we awarded 5,000 shares of Common Stock to Mr. Morena.

In 2010, we agreed to grant an additional 5,000 options to purchase Common Stock to each of our four non-executive directors and 30,000 options our former chief financial officer, contingent upon the successful completion of the IPO. In May 2011, such options were granted upon the closing of the IPO. The options are exercisable at \$4.50 per share, vested immediately with the closing of the IPO and expire on May 9, 2016.

On May 10, 2011 upon the closing of our IPO, we granted to the Manager 155,000 five-year stock options, exercisable at \$4.50 per share. In June 2011, we awarded (1) 22,000 fully-vested restricted shares of Common Stock

to the Manager resulting in non-cash compensation expense of approximately \$0.1 million based on the fair value at the time of the awards and (2) \$0.1 million in a cash bonus.

In June 2011, we granted an additional 5,000 stock options to each of our three independent directors and 30,000 options to our former CFO. The options are exercisable at \$4.75 per share, vest immediately and expire in five years. In July 2011 and October 2011, we awarded its new CFO options to acquire 2,500 shares of Common Stock at \$4.51 and \$3.90 per share, respectively. The options vested immediately and expire on July 22, 2016 and October 23, 2016, respectively.

We recorded non-cash officers' and directors' compensation expense aggregating approximately \$0.1 million for the above stock options during the year ended December 31, 2011.

On March 8, 2011, RCM Indium, LLC, a Delaware limited liability company, with the members include Raging Capital Management, LLC, with the sole member being William C. Martin, our director, became a member of Specialty Metals Group Advisors LLC, our Manager. RCM Indium, LLC does not have any ownership rights to any Common Stock or stock options owned by or granted to Specialty Metals Group Advisors LLC. RCM Indium, LLC shares in our Manager's compensation. Raging Capital Management, LLC and its affiliates is our largest stockholder.

On January 5, 2012, we closed a private placement of an aggregate of 2.0 million shares of our Common Stock at \$3.75 per share to two accredited investors, Raging Capital Fund, L.P. and Raging Capital Fund (QP), L.P., for an aggregate purchase price of \$7.5 million. Raging Capital Management, LLC is the general partner of Raging Capital Fund, L.P. and Raging Capital Fund (QP), L.P., respectively, and collectively, the entities represent the our largest stockholder(s). Such entities are affiliated and controlled by William C. Martin, our director and member of our Manager. We intends to use 85% of the gross proceeds, or approximately \$6.4 million, from such transaction to purchase and stockpile the metal indium and 15% of the gross proceeds, or approximately \$1.1 million, for general corporate purposes.

We believe that all of the transactions above were made on terms no less favorable to us than could have been obtained from unaffiliated third-parties. We will not engage in any transactions with our officers, principal stockholders, or affiliates involving purchasing, lending, or selling indium to or from us, except pursuant to the terms of our Management Services Agreement.

Traxys Projects LP, 100% owned by Traxys S.a.r.l and its wholly owned subsidiary, Traxys North America LLC, and Traxys Commodity Fund LP each invested \$0.5 million in our 2009 Private Placement. This represents beneficial ownership in our Company by entities affiliated with Traxys North America LLC of 15.2% prior to our IPO, 4.3% after the IPO, and 3.2% after the 2012 Private Placement assuming they did not purchase or sell any shares in the open market since the IPO closed. We purchased an aggregate of 7.2 metric tons of indium, approximately 78.2% of our indium stockpile at that time from Traxys North America LLC utilizing proceeds from the 2009 private placement in which we expended approximately \$4.6 million between December 2009 and March 2010 in 21 separate purchase orders. Traxys North America LLC is an established and reputable indium supplier. We did not and do not have any outstanding special agreements or arrangements with Traxys S.a.r.l or any of its subsidiaries including its wholly owned subsidiary, Traxys North America LLC.

Conflicts of Interest

None of our officers and directors are required to commit their full time to our affairs and, accordingly, they may have conflicts of interest in allocating their time among various business activities. In the course of their other business activities, our officers and directors may become aware of investment and business opportunities that may be appropriate for presentation to us as well as the other entities with which they are affiliated. They may have conflicting fiduciary duties in determining to which entity a particular business opportunity should be presented. Our officers and directors currently are, and may in the future become affiliated with additional entities that are, engaged in business activities similar to those intended to be conducted by us and, accordingly, may have conflicts of interest in determining to which entity a particular business opportunity should be presented. Such officers and directors may become subject to conflicts of interest regarding us and other business ventures in which they may be involved, which conflicts may have an adverse effect on our ability to purchase, hold and sell indium.

We have not adopted a policy that expressly prohibits our directors, officers, securityholders or affiliates from having a direct or indirect pecuniary interest in any investment to be acquired or disposed of by us or in any transaction to which we are a party or have an interest. Nor do we have a policy that expressly prohibits any such persons from engaging for their own account in business activities of the types conducted by us. Accordingly, such parties may have an interest in certain transactions in which we are involved, and may also compete with us.

Our Manager is responsible for negotiating, purchasing and stockpiling indium on our behalf. The management fee paid by us to the Manager is dependent on our NMV. In the event we raise additional capital or conduct future offerings, there is a risk that the Manager may value its own interest in the management fee more than the interest of our public stockholders, resulting in a conflict of interest, which may not necessarily be resolved in the best interest of our public stockholders.

In general, officers and directors of a corporation incorporated under the laws of the State of Delaware are required to present business opportunities to a corporation if:

- the corporation could financially undertake the opportunity;

- the opportunity is within the corporation's line of business; and

- it would not be fair to the corporation and its stockholders for the opportunity not to be brought to the attention of the corporation.

Accordingly, as a result of multiple business affiliations, our officers and directors may have similar legal obligations relating to presenting business opportunities meeting the above-listed criteria to multiple entities. In addition, conflicts of interest may arise when our board evaluates a particular business opportunity with respect to the above-listed criteria. There is no assurance that any of the above mentioned conflicts will be resolved in our favor.

Deadline for Submission of Stockholder Proposals for 2013 Annual Meeting of Stockholders

Stockholders may present proposals intended for inclusion in our proxy statement for our 2013 Annual Meeting of Stockholders provided that such proposals are received by the Secretary of the Company on or before March 5, 2013, and otherwise in compliance with, applicable SEC regulations, and the Company's Amended and Restated Bylaws, as applicable. Proposals submitted not in accordance with such regulations will be deemed untimely or otherwise deficient; however, the Company will have discretionary authority to include such proposals in the 2013 Proxy Statement.

Stockholder Communications

Stockholders wishing to communicate with the Board may direct such communications to the Board c/o the Company, Attn: Richard Biele. Mr. Biele will present a summary of all stockholder communications to the Board at subsequent Board meetings. The directors will have the opportunity to review the actual communications at their discretion.
