HOUSTON, January 6, 2014 — NCI Building Systems, Inc. (NYSE: NCS) (“NCI” or the “Company”) today announced an underwritten offering of 8,500,000 shares of its common stock by investment funds associated with Clayton, Dubilier & Rice, LLC (“CD&R”), pursuant to NCI’s shelf registration statement previously filed with the Securities and Exchange Commission (the “SEC”). The underwriters of the offering will have an option to purchase up to 1,275,000 additional shares from CD&R. CD&R will receive all of the proceeds from the underwritten offering; no shares in the underwritten offering are being sold by NCI or any of its officers or directors.

In addition, NCI announced that it has entered into a separate agreement with CD&R to repurchase 1,150,000 shares of its common stock at a price per share equal to the price per share to be paid by the underwriters to CD&R in the underwritten offering. The repurchase agreement between NCI and CD&R represents a private, non-underwritten transaction that was approved and recommended by the Affiliate Transactions Committee of NCI’s board of directors. Following completion of the underwritten offering and the concurrent stock repurchase, NCI intends to cancel the shares repurchased from CD&R. The closing of the concurrent stock repurchase is contingent on the closing of the underwritten offering and subject to other conditions, and the stock repurchase is expected to close concurrently with the closing of the underwritten offering. The closing of the underwritten offering is not contingent on the closing of the concurrent stock repurchase.
