**Item 8.01. Other Events.**

Acadia Realty Trust (the “Registrant”) is registering the resale of up to 1,396,063 common shares of beneficial interest, of which up to 162,730 units relate to potential earn-out compensation, which may be issuable upon exchange of units of limited partnership interest (“OP units”) by the holders of such units (the “OP unit holders”), under the Registrant’s registration statement on Form S-3 (File No. 333-180607), as supplemented by the prospectus supplement filed March 27, 2014 (the “Prospectus Supplement”) with the Securities and Exchange Commission.

In December 2013, the Registrant’s operating partnership, Acadia Realty Limited Partnership (the “Operating Partnership”), issued 1,233,333 OP Units, not including up to 162,730 OP units that relate to potential earn-out compensation, to the OP unit holders in exchange for certain real estate property contributed to the Operating Partnership. Concurrent with the closing of the transaction and the issuance of the OP units, the Registrant entered into a registration rights agreement pursuant to which it agreed to file the Prospectus Supplement registering the resale of the common shares that may be issuable upon exchange of the OP units. The registration of the common shares covered by the Prospectus Supplement satisfies the Registrant’s contractual obligation to do so but does not necessarily mean that the shares will be sold by the OP unit holders.

Attached hereto and incorporated by reference hereto is the opinion of Venable LLP relating to the validity of the securities offered by the Prospectus Supplement.
