Closing of Over-Allotment Option Sale

As previously reported, Shore Bancshares, Inc., or the Company, and its wholly-owned subsidiaries CNB, a Maryland commercial bank with trust powers, and The Talbot Bank of Easton, Maryland, a Maryland commercial bank, entered into an underwriting agreement, dated May 20, 2014, or the Underwriting Agreement, with Sandler O'Neill + Partners, L.P., as underwriter, with respect to the offer and sale of 3,600,000 shares of the Company's common stock, par value \$0.01 per share, or Common Stock, at a public offering price of \$8.25 per share in an underwritten public offering, or the Offering. As part of the Offering, the Company granted the underwriter a 30-day option to purchase up to an additional 540,000 shares of Common Stock, or the Option Shares, at a public offering price of \$8.25 per share to cover over-allotments, if any, or the Over-allotment Option. On June 2, 2014, the underwriter provided notice to the Company that it would exercise the Over-allotment Option in full.

The sale of the Option Shares was completed on June 5, 2014. The Company received aggregate net proceeds from the sale of the Option Shares of approximately \$4.2 million after deducting underwriting discounts and commissions, bringing the total net proceeds to the Company from the Offering to approximately \$31.7 million.

The Option Shares were registered under the Securities Act of 1933, as amended, pursuant to a shelf registration statement on Form S-3 (Registration No. 333-195527) declared effective by the Securities and Exchange Commission on May 8, 2014, or the Registration Statement. The offer and sale of the Option Shares are described in the Company's prospectus, constituting a part of the Registration Statement, as supplemented by a final prospectus supplement dated May 20, 2014.

Sale of Insurance Subsidiary

On June 6, 2014, the Company sold its wholesale insurance subsidiary, Tri-State General Insurance Agency, LTD, or TSGIA. Net assets of \$231 thousand, which excluded intangible assets and deferred tax assets, were sold for \$2.9 million. Subsequently, write-offs of approximately \$2.7 million were taken primarily on TSGIA's remaining intangible assets and deferred tax assets. This transaction did not have a significant impact on the Company's financial condition and results of operations. In addition, the reductions in intangible assets and deferred tax assets will have a positive impact on the Company's regulatory capital ratios.
