Item 1.01 Entry into a Material Definitive Agreement.

On December 18, 2014, Sevion Therapeutics, Inc. (the “Company”) entered into a Collaboration Agreement with CNA Development, LLC, an affiliate of Janssen Pharmaceuticals, Inc. (“Janssen”) to discover antibodies using the Company’s spatially addressed library platform (the “Collaboration Agreement”). The collaboration facilitated by the Johnson & Johnson Innovation center in California will include discovery of antibodies against multiple targets in several therapeutic areas. The Company and Janssen will jointly conduct research on antibodies discovered by the Company, and Janssen will have an option to an exclusive license to develop, manufacture, and commercialize candidates resulting from the collaboration.

Under the terms of the agreement, the Company will receive an up-front payment and research support payments for activities conducted in collaboration with Janssen. For candidates licensed by Janssen, the Company would be eligible to receive payments upon the achievement of certain development and commercial milestones potentially totaling up to \$125 million as well as low single digit royalties on product sales.

The foregoing summary of the Collaboration Agreement does not purport to be complete and is qualified in its entirety by reference to the Collaboration Agreement, which the Company intends to file as an exhibit to the Company’s quarterly report on Form 10-Q for the quarter ending December 31, 2014 or as an exhibit to an amendment to this current report on Form 8-K, with portions omitted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment.

Item 8.01 Other Events.

On December 22, 2014, the Company issued a press release announcing the Collaboration Agreement.

A copy of the press release is filed as Exhibit 99.1 hereto and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
