PROXY STATEMENT

The Board of Directors (the “Board”) of Energous Corporation (the “Company,” “Energous,” “we,” “us” or “our”) is providing these materials to you in connection with Energous’ annual meeting of stockholders. The annual meeting will take place on Thursday, May 21, 2015, 11:00 a.m., local time, at the Company’s corporate headquarters located at 3590 North First Street, Suite 210, San Jose, California. This proxy statement and the accompanying notice and form of proxy are expected to be first sent to stockholders on or about April 17, 2015.

GENERAL INFORMATION

Why am I receiving these materials?

You have received these proxy materials because our Board of Directors is soliciting your proxy to vote your shares at the annual meeting. The proxy statement includes information that we are required to provide you under Securities and Exchange Commission (“SEC”) rules and is designed to assist you in voting your shares.

What is a proxy?

Our Board of Directors is asking for your proxy. This means you authorize persons selected by us to vote your shares at the annual meeting in the way that you instruct. All shares represented by valid proxies received before the annual meeting will be voted in accordance with the stockholder’s specific voting instructions.

What is included in these materials?

These materials include:

- the Proxy Statement for the annual meeting;

- a proxy card for the annual meeting; and

the 2014 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the year ended December 31, 2014.

What items will be voted on at the annual meeting?

There are four proposals scheduled to be voted on at the annual meeting:

- the election of the nominees to the Board nominated by our Board of Directors;

- the approval of the Energous Corporation Employee Stock Purchase Plan;

the approval of the Energous Corporation 2015 Performance Share Unit Plan; and

the ratification of the Audit Committee's appointment of Marcum LLP ("Marcum") as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

The Board of Directors is not aware of any other matters to be brought before the meeting. If other matters are properly raised at the meeting, the proxy holders may vote any shares represented by proxy in their discretion.

What are the board's voting recommendations?

Our Board of Directors recommends that you vote your shares:

FOR the nominees to the Board of Directors;

FOR the approval of the Energous Corporation Employee Stock Purchase Plan;

FOR the approval of the Energous Corporation 2015 Performance Share Unit Plan; and

FOR the ratification of the Audit Committee's appointment of Marcum as our independent registered public accounting firm for 2015.

Who can attend the annual meeting?

Admission to the annual meeting is limited to:

stockholders as of the close of business on April 10, 2015;

holders of valid proxies for the annual meeting; and

our invited guests.

Each stockholder may be asked to present valid picture identification such as a driver's license or passport and proof of stock ownership as of the record date.

When is the record date and who is entitled to vote?

The Board of Directors set April 10, 2015 as the record date. All record holders of Energous common stock as of the close of business on that date are entitled to vote. Each share of common stock is entitled to one vote. As of the record date, there were 12,888,243 shares of common stock outstanding.

What is a stockholder of record?

A stockholder of record or registered stockholder is a stockholder whose ownership of Energous stock is reflected directly on the books and records of our transfer agent, Wells Fargo Shareowner Services. If you hold stock through an account with a bank, broker or similar organization, you are considered the beneficial owner of shares held in "street name" and are not a stockholder of record. For shares held in street name, the stockholder of record is your bank, broker or similar organization. We only have access to ownership records for the registered shares. If you are not a stockholder of record, we will require additional documentation to evidence your stock ownership as of the record date, such as a copy of your brokerage account statement, a letter from your broker, bank or other nominee or a copy of your notice or voting instruction card. As described below, if you are not a stockholder of record, you will not be able to vote your shares unless you have a proxy from the stockholder of record authorizing you to vote your shares.

How do I vote?

You may vote by any of the following methods:

In person. Stockholders of record and beneficial stockholders with shares held in street name may vote in person at the meeting. If you hold shares in street name, you must also obtain a proxy from the stockholder of record authorizing you to vote your shares.

By mail. Stockholders of record may vote by signing and returning the proxy card provided.

By phone or via the Internet. You may vote by proxy, by phone or via the Internet by following the instructions provided in the accompanying proxy card or the voting instruction card provided.

Beneficial owners of shares held in "street name." You may vote by following the voting instructions provided to you by your bank or broker.

How can I change or revoke my vote?

You may change or revoke your vote as follows:

Stockholders of record. You may change or revoke your vote by submitting a written notice of revocation to Energous Corporation c/o Secretary at 3590 North First Street, Suite 210, San Jose, California 95134 or by submitting another vote on or before May 20, 2015.

Beneficial owners of shares held in "street name." You may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker.

What happens if I do not give specific voting instructions?

Stockholders of record. If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion for any

other matters properly presented for a vote at the meeting.

Beneficial owners of shares held in "street name." If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is referred to as a "broker non-vote."

Which ballot measures are considered “routine” or “non-routine”?

The election of directors (“Proposal 1”), the approval of the Energous Corporation Employee Stock Purchase Plan (“Proposal 2”) and the approval of the Energous Corporation 2015 Performance Share Unit Plan (“Proposal 3”) are considered to be non-routine matters under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1, 2 and 3.

The ratification of the appointment of Marcum as our independent registered public accounting firm for 2015 (“Proposal 4”) is considered to be a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and we do not expect there to be any broker non-votes with respect to Proposal 4.

What is the quorum for the annual meeting?

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary for the transaction of business at the annual meeting. This is called a quorum.

What is the voting requirement to approve each of the proposals?

The following are the voting requirements for each proposal:

Proposal 1, Election of Directors. The nominees receiving the highest number of votes will be elected as directors.

Proposal 2, Approval of Energous Corporation Employee Stock Purchase Plan. The Energous Corporation Employee Stock Purchase Plan will be approved if a majority of the votes of stockholders present or represented, in person or by proxy, and voting on this matter are cast in favor of the proposal.

Proposal 3, Approval of Energous Corporation 2015 Performance Share Unit Plan. The Energous Corporation 2015 Performance Share Unit Plan will be approved if a majority of the votes of stockholders present or represented, in person or by proxy, and voting on this matter are cast in favor of the proposal.

Proposal 4, Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of the Audit Committee's appointment of Marcum as our independent registered public accounting firm for 2015 will be approved if a majority of stockholders present or represented, in person or by proxy, and voting on this matter are cast in favor of the proposal.

How are abstentions and broker non-votes treated?

Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present. Broker non-votes and abstentions are not counted as votes cast on any proposal considered at the annual meeting and, therefore, will have no effect on the proposals regarding the election of directors, the approval of the Energous Corporation Employee Stock Purchase Plan and the approval of the Energous Corporation 2015 Performance Share Unit Plan. We expect no broker non-votes on the appointment of Marcum as our independent registered public accounting firm for 2015, and abstentions will have no effect on this proposal.

Who pays for solicitation of proxies?

We are paying the cost of soliciting proxies. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for sending proxy materials to stockholders and obtaining their votes. In addition to soliciting the proxies by mail, certain of our directors, officers and regular employees, without compensation, may solicit proxies personally or by telephone, facsimile and email.

Where can I find the voting results of the annual meeting?

We will announce voting results in a Form 8-K filed with the SEC within four business days following the meeting.

What is the deadline to propose actions for consideration or to nominate individuals to serve as directors at the 2016 annual meeting of stockholders?

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Board Independence

The Board of Directors has determined that each of Dr. Alexopoulos, Mr. Gaulding, Mr. Griffin and Mr. Jackson is an independent director within the meaning of the director independence standards of The NASDAQ Stock Market (“NASDAQ”). Furthermore, the Board has determined that all of the members of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are independent within the meaning of the director independence standards of NASDAQ and the rules of the SEC applicable to each such committee.

Executive Sessions of Independent Directors

Executive sessions of our independent directors are generally scheduled following each regularly scheduled in-person meeting of the Board of Directors. Executive sessions do not include any non-independent directors and are led by the chairman of the Board of Directors, John R. Gaulding, who is independent.

Board Leadership Structure

The Board does not have a general policy regarding the separation of the roles of Chairman and Chief Executive Officer. The Board believes that it should have the flexibility to make these determinations at any given time in the way that it believes best to provide appropriate leadership for the Company at that time. The Board has reviewed our current Board leadership structure in light of the composition of the Board, the Company’s size, the nature of the Company’s business and other relevant factors. Considering these factors, the Company has determined to have a Chief Executive Officer and a separate Chairman of the Board. The Board believes that having an independent

Chairman enhances the opportunity that management is subject to independent and objective oversight and the independent directors have an active voice in the governance of the Company. Mr. Rizzone serves as the Company's Chief Executive Officer and Mr. Gaulding serves as the Chairman of the Board.

Policy Governing Security Holder Communications with the Board of Directors

Security holders who wish to communicate directly with the Board, the independent directors of the Board or any individual member of the Board may do so by sending such communication by certified mail addressed to the Chairman of the Board, as a representative of the entire Board of Directors or to the individual director or directors, in each case, c/o Secretary, Energous Corporation, 3590 North First Street, Suite 210, San Jose, California 95134. The Secretary reviews any such security holder communication and forwards relevant communications to the addressee.

Policies Regarding Director Nominations

The Board of Directors has adopted a policy concerning director nominations, a copy of which is available at www.energous.com. Set forth below is a summary of certain provisions of this policy.

Director Qualifications

The Corporate Governance and Nominating Committee is responsible for identifying the appropriate qualifications, skills and characteristics desired of members of the Board of Directors in the context of the needs of the business and the current composition and needs of the Board of Directors.

Director candidates are considered based upon a variety of criteria, including demonstrated business and professional skills and experiences relevant to our business and strategic direction, concern for long-term stockholder interests, personal integrity and sound business judgment. The Board of Directors seeks members from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. In addition, nominees for director are selected to have complementary, rather than overlapping, skill sets. However, the Corporate Governance and Nominating Committee does not have a formal policy concerning the diversity of the Board of Directors. All candidates for director nominee must have time available to devote to the activities of the Board of Directors. The Corporate Governance and Nominating Committee also considers the independence of candidates for director nominee, including the appearance of any conflict in serving as a director. Candidates for director nominees who do not meet all of these criteria may still be considered for nomination to the Board of Directors, if the Corporate Governance and Nominating Committee believes that the candidate will make an exceptional contribution to us and our stockholders.

Process for Identifying and Evaluating Director Nominees

The Board of Directors is responsible for selecting nominees for election to the Board of Directors by the stockholders. The Board of Directors delegates the selection process to the Corporate Governance and Nominating Committee, with the expectation that other members of the Board of Directors, and of management, may be requested to take part in the process as appropriate. Generally, the Corporate Governance and Nominating Committee identifies candidates for director nominees in consultation with management, through the use of search firms or other advisers, through the recommendations submitted by other directors or stockholders or through such other methods as the Corporate Governance and Nominating Committee deems appropriate. Once candidates have been identified, the Corporate Governance and Nominating Committee confirms that the candidates meet the qualifications for director nominees established by the Corporate Governance and Nominating Committee. The Corporate Governance and

Nominating Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks, or any other means that the Corporate Governance and Nominating Committee deems to be helpful in the evaluation process. The Corporate Governance and Nominating Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board of Directors. Based on the results of the evaluation process, the Corporate Governance and Nominating Committee recommends candidates for the Board of Directors' approval as director nominees for election to the Board of Directors. The Corporate Governance and Nominating Committee also recommends candidates for the Board of Directors' appointments to the standing committees of the Board of Directors.

Procedures for Recommendation of Director Nominees by Stockholders

The policy of the Corporate Governance and Nominating Committee is to consider properly submitted stockholder recommendations for director candidates. To submit a recommendation to the Corporate Governance and Nominating Committee for director nominee candidates, a stockholder must make such recommendation in writing and include:

the name and address of the stockholder making the recommendation, as they appear on our books and records, and of such record holder's beneficial owner, if any;

the class and number of shares of our equity that are owned beneficially and held of record by such stockholder and such beneficial owner including all "synthetic equity instruments" (e.g., derivatives, swaps, hedges, etc.), voting rights, rights to fees, dividends, or other material rights;

a description of the material terms of any agreements, arrangements or understandings (whether or not in writing) entered into between such stockholder or such beneficial owner and any other person for the purpose of acquiring, holding, disposing or voting of any shares of any class of our equity;

the name of the individual recommended for consideration as a director nominee;

why such recommended candidate meets our criteria and would be able to fulfill the duties of a director;

how the recommended candidate meets applicable independence requirements established by the SEC and NASDAQ;

the recommended candidate's beneficial ownership in our securities;

any relationships between the recommended candidate and us which may constitute a conflict of interest; and

all other information relating to the recommended candidate that would be required to be disclosed in solicitations of proxies for the election of directors or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, including the recommended candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if approved by the Board of Directors and elected.

Recommendations must be sent to the Chairman of the Corporate Governance and Nominating Committee, c/o Secretary, Energous Corporation, 3590 North First Street, Suite 210, San Jose, California 95134. The Secretary must receive any such recommendation for nomination not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the date of the proxy statement delivered to stockholders in connection with the preceding year's annual meeting of stockholders; provided, however, that with respect to a special meeting of stockholders called by us for the purpose of electing directors to the Board of Directors, the Secretary must receive any such recommendation not earlier than the 90th day prior to such special meeting nor later than the later of (1) the close of business on the 60th day prior to such special meeting or (2) the close of business on the 10th day following the day on which a public announcement is first made regarding such special meeting. We will promptly forward any such nominations to the Corporate Governance and Nominating Committee. Once the Corporate Governance and Nominating Committee receives a recommendation for a director candidate, such candidate will be evaluated in the same manner as other candidates and a recommendation with respect to such candidate will be delivered to the Board of Directors.

Policy Governing Director Attendance at Annual Meetings of Stockholders

While we do not have a formal policy governing director attendance at our annual meeting of stockholders, we do encourage our directors to attend. Only Dr. Alexopoulos and Mr. Griffin were unable to attend our 2014 annual meeting of stockholders.

Code of Business Conduct and Ethics

We have in place a Code of Business Conduct and Ethics (the "Code of Ethics") that applies to all of our directors, officers and employees. The code of ethics is designed to deter wrongdoing and promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

- full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications that we make;

- compliance with applicable governmental laws, rules and regulations;

- the prompt internal reporting of violations of the Code of Ethics to an appropriate person identified in the Code of Ethics; and

accountability for adherence to the Code of Ethics.

A current copy of the Code of Ethics is available at www.energous.com. A copy may also be obtained, free of charge, from us upon a request directed to Energous Corporation, 3590 North First Street, Suite 210, San Jose, California 95134, attention: Investor Relations. We intend to disclose any amendments to or waivers of a provision of the Code of Ethics by posting such information on our website available at www.energous.com and/or in our public filings with the SEC.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Board of Directors

Our bylaws state that the number of directors constituting the entire Board of Directors shall be determined by resolution of the Board and that the Board has the authority to increase the number of directors, fill any vacancies on the Board and to decrease the number of directors to eliminate any vacancies. The number of directors currently fixed by our Board of Directors is six.

Our Board of Directors met eight times during the year ended December 31, 2014. All directors attended at least 75% of the aggregate of all meetings of the Board of Directors on which he served during 2014. The Board of Directors currently has standing Compensation, Audit and Corporate Governance and Nominating Committees. The Board of Directors and each standing committee retains the authority to engage its own advisors and consultants. Each standing committee has a charter that has been approved by the Board of Directors. A copy of each committee charter is available at www.energous.com. Each committee reviews the appropriateness of its charter annually or at such other intervals as each committee determines.

The following table sets forth the current members of each standing committee of the Board:

Name	Audit	Compensation	Corporate Governance and Nominating

John R. Gaulding	x	Chair	Chair
Robert J. Griffin	x		x

Committees

Audit Committee. Our Audit Committee consists of Mr. Gaulding, Mr. Griffin and Mr. Jackson. The Board of Directors has determined that each member of the Audit Committee is independent within the meaning of the NASDAQ director independence standards and applicable rules of the SEC for audit committee members. The Board of Directors has elected Mr. Jackson as Chairperson of the Audit Committee and has determined that he qualifies as an “audit committee financial expert” under the rules of the SEC. The Audit Committee is responsible for assisting the Board of Directors in fulfilling its oversight responsibilities with respect to financial reports and other financial information. The Audit Committee (1) reviews, monitors and reports to the Board of Directors on the adequacy of the Company’s financial reporting process and system of internal controls over financial reporting, (2) has the ultimate authority to select, evaluate and replace the independent auditor and is the ultimate authority to which the independent auditors are accountable, (3) in consultation with management, periodically reviews the adequacy of the Company’s disclosure controls and procedures and approves any significant changes thereto, (4) provides the audit committee report for inclusion in our proxy statement for our annual meeting of stockholders and (5) recommends, establishes and monitors procedures for the receipt, retention and treatment of complaints relating to accounting, internal accounting controls or auditing matters and the receipt of confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters. The Audit Committee met three times in 2014.

Compensation Committee. Our Compensation Committee presently consists of Dr. Alexopoulos and Mr. Gaulding, each of whom is a non-employee director as defined in Rule 16b-3 of the Exchange Act. The Board of Directors has also determined that each member of the Compensation Committee is also an independent director within the meaning of NASDAQ's director independence standards. Mr. Gaulding serves as Chairperson of the Compensation Committee. The Compensation Committee (1) discharges the responsibilities of the Board of Directors relating to the compensation of our directors and executive officers, (2) oversees the Company's procedures for consideration and determination of executive and director compensation, and reviews and approves all executive compensation, and (3) administers and implements the Company's incentive compensation plans and equity-based plans. The Compensation Committee met three times in 2014.

The Compensation Committee engaged Compensia, Inc., a nationally recognized independent compensation consultant, to provide competitive benchmarking and recommendations regarding the design, form and amount of the Company's compensation arrangements with our Chief Executive Officer, including advice regarding the terms of the new employment agreement with Mr. Rizzone entered into in April 2015. At the Compensation Committee's request, the consultant does not provide any services to our Company other than the assistance it provides to the Committee. The consultant reports directly to the Committee on all work assignments from the Committee. The Committee has assessed the independence of Compensia, Inc. pursuant to SEC rules and concluded that no conflict of interest exists that would prevent Compensia, Inc. from serving as an independent consultant to the Committee.

Corporate Governance and Nominating Committee. Our Corporate Governance and Nominating Committee consists of Mr. Gaulding and Mr. Griffin. The Board of Directors has determined that each member of the Corporate Governance and Nominating Committee is an independent director within the meaning of the NASDAQ director independence standards and applicable rules of the SEC. Mr. Gaulding serves as Chairperson of the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee (1) recommends to the Board of Directors persons to serve as members of the Board of Directors and as members of and chairpersons for the committees of the Board of Directors, (2) considers the recommendation of candidates to serve as directors submitted from the stockholders of the Company, (3) assists the Board of Directors in evaluating the performance of the Board of Directors and the Board committees, (4) advises the Board of Directors regarding the appropriate board leadership structure for the Company, (5) reviews and makes recommendations to the Board of Directors on corporate governance and (6) reviews the size and composition of the Board of Directors and recommends to the Board of Directors any changes it deems advisable. The Corporate Governance and Nominating Committee did not meet in 2014.

Role of the Board of Directors in Risk Oversight

The Board of Directors administers its risk oversight function directly and through the Audit Committee. The Board of Directors and the Audit Committee regularly discuss with management the Company's major risk exposures, their potential financial impact on the Company, and the steps taken to monitor and control those risks.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is comprised of John R. Gaulding, Robert J. Griffin and Rex S. Jackson. None of the current or former members of the Audit Committee is an officer or employee of the Company, and the Board of Directors has determined that each member of the Audit Committee meets the independence requirements promulgated by The NASDAQ Stock Market and the SEC, including Rule 10A-3(b)(1) under the Exchange Act.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls and the certification of the integrity and reliability of the Company's internal controls procedures. In fulfilling its oversight responsibilities, the Audit Committee has reviewed the Company's audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2014, and has discussed them with both management and Marcum LLP ("Marcum"), the Company's independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board. The Audit Committee has reviewed permitted services under rules of the SEC as currently in effect and discussed with Marcum their independence from management and the Company, including the matters in the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee has also considered and discussed the compatibility of non-audit services provided by Marcum with that firm's independence.

Based on its review of the financial statements and the aforementioned discussions, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board of Directors that the audited financial statements be included in the Company's Annual Report.

Respectfully submitted by the Audit Committee.

THE AUDIT COMMITTEE:

Rex S. Jackson, Chair
John R. Gaulding
Robert J. Griffin

COMPENSATION AND OTHER INFORMATION CONCERNING DIRECTORS AND OFFICERS

Our compensation philosophy is to offer our executive officers compensation and benefits that are competitive and meet our goals of attracting, retaining and motivating highly skilled management, which is necessary to achieve our financial and strategic objectives and create long-term value for our stockholders. We believe the levels of compensation we provide should be competitive, reasonable and appropriate for our business needs and circumstances. The principal elements of our executive compensation program have to date included base salary, incentive quarterly performance bonuses and long-term equity compensation in the form of stock options and restricted stock units. We believe successful long-term Company performance is more critical to enhancing stockholder value than short-term results. For this reason and to conserve cash and better align the interests of management and our stockholders, we emphasize long-term performance-based equity compensation over base annual salaries.

The following table sets forth information concerning the compensation earned by the individual that served as our Principal Executive Officer during 2014 and our two most highly compensated executive officers other than the individual who served as our Principal Executive Officer during 2014 (collectively, the “named executive officers”):

Employment Agreements and Change of Control Arrangements

Employment Agreements

The following is a summary of the employment arrangements with our executive officers as currently in effect.

Stephen Rizzone. We entered into an amended and restated employment agreement with Stephen Rizzone, our President, Chief Executive Officer and Chairman of our Board of Directors, effective January 1, 2015. The employment agreement has an initial term of four years (the “Initial Employment Period”) and provides for an annual base salary of \$365,000. Mr. Rizzone is eligible to receive quarterly cash bonuses with a total target amount equal to 100% of his base salary based upon achievement of performance-based objectives established by our board of directors. Pursuant to Mr. Rizzone’s previous employment agreement, on December 12, 2013 he was granted a ten year option to purchase 275,689 shares of common stock at an exercise price of \$1.68 which vests over four years in 48 equal monthly installments beginning October 1, 2013. In connection with the consummation of our initial public offering, Mr. Rizzone was granted a second option award to purchase 496,546 shares of common stock at an exercise price of \$6.00. The second option award vests over the same vesting schedule as Mr. Rizzone’s December, 2013 option award.

Subject to the approval by our stockholders of a new performance-based equity plan (see Proposal 2), the new employment agreement provides that Mr. Rizzone shall receive a grant of 639,075 performance share units (the “PSUs”). The PSUs, which represent the right to receive shares of common stock, shall be earned based on our achievement of market capitalization growth between January 1, 2015 and the end of the Initial Employment Period. If the Company’s market capitalization is \$100 million or less, no PSUs will be earned. If the Company reaches a market capitalization of \$1.1 billion or more, 100% of the PSUs will be earned. For market capitalization between \$100 million and \$1.1 billion, the percentage of PSUs earned will be determined on a quarterly basis based on straight line interpolation. PSUs earned as of the end of a calendar quarter will be paid 50% immediately and 50% will be deferred until the end of the Initial Employment Period subject to Mr. Rizzone’s continued employment with the Company.

The employment agreement provides that if Mr. Rizzone's employment is terminated due to his death or disability, if Mr. Rizzone's employment is terminated by the Company without cause or if Mr. Rizzone resigns for good reason, 25% of the shares subject to the option awards described above shall immediately vest and become exercisable, he will have a period of one year post-termination to exercise such options, and if a Liquidation Event (as defined below) shall occur prior to the termination of the option awards described above, 100% of the shares subject to such option awards shall immediately vest and become exercisable effective immediately prior to the consummation of the Liquidation Event. In addition, any outstanding deferred PSUs shall be immediately vested and paid, but any remaining unearned portion of the PSUs shall immediately be canceled and forfeited.

If Mr. Rizzone's employment is terminated due to his death or disability, Mr. Rizzone's beneficiaries or estate will be entitled to receive (a) an amount equal to one times the sum of (i) his base salary plus (ii) the target amount of his performance bonus for the year of termination, plus (b) any base salary that as shall have accrued but remain unpaid.

If Mr. Rizzone's employment is terminated by the Company without cause or if he resigns for good reason, the Company shall pay him (a) an amount equal to two times the sum of (i) his base salary plus (ii) the target amount of his performance bonus for the year of termination, payable in substantially equal installments on a payroll period basis during the twenty-four (24) month period immediately following such termination of employment; (b) an amount equal to two years of COBRA premiums based on the terms of Company's group health plan and Mr. Rizzone's coverage under such plan as of the date of such termination of employment (regardless of any COBRA election actually made by him or the actual COBRA coverage period under Company's group health plan), payable in payroll period installments on the same basis as the amount in clause (a) above; and (c) a performance bonus for the year of termination based on actual performance and prorated based on the number of days in the performance year through the date of such termination of employment, payable in cash at the same time bonuses are paid to other employees of Company for such performance year but not later than March 15 of the following year. In addition, any remaining unearned portion of the PSUs shall be immediately canceled and forfeited, and any other outstanding, unvested time-based equity awards other than the option awards described above shall immediately vest to the extent such award was scheduled to vest during the two-year period immediately following such termination of employment.

If Mr. Rizzone resigns without good reason or is terminated by the Company for cause, he will be entitled to his base salary at the rate then in effect up to and through the effective date of his resignation or termination. In addition, upon such termination of employment, all deferred PSUs and any remaining unearned portion of the PSUs shall be immediately canceled and forfeited.

In connection with Mr. Rizzone's entry into his employment agreement, he also entered into a Non-Competition and Non-Solicitation Agreement with the Company, which prohibits him from competing with the Company and soliciting clients, customers, business partners or employees from the Company for a two-year restricted period in the event of the termination of his employment with the Company for any reason within two years after a transaction resulting in a Liquidation Event (as defined below) or the sale or disposal of all of his ownership interest in the Company. For purposes of Mr. Rizzone's employment agreement, a Liquidation Event means a merger, acquisition, consolidation or other transaction (other than an equity financing) following which our stockholders prior to such transaction hold less than fifty percent (50%) of our outstanding voting securities of the acquiring or surviving entity, or a sale, license or transfer of all or substantially all of our assets.

Mr. Rizzone is also eligible to receive benefits that are substantially similar to those of the Company's other senior executive officers. Mr. Rizzone is subject to certain restrictive covenants, including non-solicitation of employees, consultants and customers and non-competition each for a period one year following termination of his employment with the Company.

Michael Leabman. We entered into an employment agreement with Michael Leabman, our Chief Technology Officer, effective October 1, 2013. The employment agreement has no specific term and constitutes at-will employment. Mr. Leabman's current annual base salary is \$250,000, and he is eligible for an annual performance based bonus award of up to 20% of his base salary based upon achievement of performance-based objectives established by our Chief Executive Officer and board of directors. Pursuant to Mr. Leabman's employment agreement, in January 2013, he was granted a ten year option to purchase 57,644 shares of common stock at an exercise price of \$2.49 that vested 3/48ths on the date of grant, and will vest 1/48th monthly over the following 45 months. In connection with the consummation of our initial public offering, Mr. Leabman was granted a second option award to purchase 251,474 shares of common stock at an exercise price of \$6.00. The second option award vests over the same vesting schedule as Mr. Leabman's initial option award.

If Mr. Leabman's employment is terminated due to his death or disability, by the Company without cause or if Mr. Leabman resigns for good reason, Mr. Leabman will be entitled to receive (i) one year of his base salary at the rate then in effect, (ii) a performance bonuses each equal to the total performance bonuses paid to Mr. Leabman in the calendar year immediately preceding Mr. Leabman's termination or resignation (iii) reimbursement of Mr. Leabman's cost of COBRA coverage for one year, and (iv) 25% of the options to purchase shares of common stock subject to Mr. Leabman's option awards described above will vest immediately and become exercisable, and, along with any previously vested and unexercised options, may be exercised by Mr. Leabman within one year following his termination or resignation. However, if a Liquidation Event (as defined below) shall occur within one year of Mr. Leabman's termination without cause or his resignation for good reason, all of Mr. Leabman's options to purchase shares of common stock pursuant to the option awards described above will vest immediately and become exercisable.

In addition to those benefits described above, if Mr. Leabman's employment is terminated by the Company without cause or he resigns for Good Reason within 18 months of a Liquidation Event (as defined above), all of Mr. Leabman's options to purchase shares of common stock pursuant to the option awards described above will vest immediately and become exercisable. For purposes of Mr. Leabman's employment agreement, a Liquidation Event has the same meaning as in Mr. Rizzone's employment agreement.

If Mr. Leabman resigns without good reason, he will be entitled to his base salary at the rate then in effect up to and through the effective date of his resignation, along with any unreimbursed reasonable, out-of-pocket business expenses incurred by Mr. Leabman in the performance of his duties.

Mr. Leabman is also eligible to receive benefits that are substantially similar to those of the Company's other senior executive officers. Mr. Leabman is subject to certain restrictive covenants, including non-solicitation of employees, consultants and customers and non-competition each for a period one year following termination of his employment with the Company.

George Holmes. Mr. Holmes, our Senior Vice President of Sales and Marketing, is compensated pursuant to an offer letter dated March 31, 2014. Mr. Holmes' offer letter provides for a base salary of \$200,000 and eligibility to participate in our Company sponsored employee benefit plans. Effective January 1, 2015, Mr. Holmes' base salary was increased to \$275,000 per year.

Cesar Johnston. Mr. Johnston, our Senior Vice President of Engineering, is employed pursuant to an offer letter dated July 3, 2014. Mr. Johnston's offer letter provides for a base salary of \$250,000, and he is eligible for an annual performance based bonus award of up to 20% of his base salary based upon achievement of performance-based objectives established by our Chief Executive Officer and Board of Directors. Mr. Johnston's offer letter provided for an initial grant of 100,000 RSUs that vest in four equal annual installments on the first four anniversaries of his start date. Additionally, Mr. Johnston's offer letter provided for a grant of 20,000 performance based RSUs, which such performance conditions have been achieved. In the event of Mr. Johnston's death or disability, all vested options that he owns at such time will have an extended expiration date of twelve months from the date of death or effective date of disability. Additionally, Mr. Johnston's offer letter provides for one year of base salary as severance in the event Mr. Johnston's relationship is terminated with the Company for any reason other than cause. Additionally, Mr. Johnston's offer letter provides that if he is terminated following a change in control (other than for cause) before the fourth anniversary of his hire date, he is entitled to be made a consultant to the acquiring company through the fourth anniversary of his hire date at the same total compensation in effect at the time of the acquisition. During this period, the above described RSU awards will continue to vest according to their original schedule.

Howard Yeaton. Mr. Yeaton, our Interim Chief Financial Officer, is employed pursuant to a consulting agreement with the Company dated July 16, 2013, as amended July 14, 2014. Pursuant to his consulting agreement, Mr. Yeaton is paid \$5,000 monthly plus \$175 per hour for each hour of services in excess of 20 hours per month.

Director Compensation

In August 2014 we adopted a non-employee director compensation policy pursuant to which our non-employee directors receive on an annual basis a \$50,000 retainer paid in cash and an annual equity award with a value of \$50,000. The equity award consists of a restricted stock unit grant made on the first trading day following December 31 of each year covering a number of shares of common stock equal to \$50,000 divided by the closing price of our common stock on such date and that vests in full on the one year anniversary of grant. The lead independent director and committee members receive additional annual cash compensation as follows:

Lead Independent Director:	\$25,000
Audit Committee Chair:	\$20,000
Audit Committee Member:	\$10,000
Compensation Committee Chair:	\$15,000
Compensation Committee Member:	\$5,000

PROPOSAL 2—APPROVAL OF ENERGOUS CORPORATION EMPLOYEE STOCK PURCHASE PLAN

The Board of Directors adopted the Energous Corporation Employee Stock Purchase Plan (the “ESPP”) on April 10, 2015, subject to approval by our stockholders at our 2015 Annual Meeting.

We are asking stockholders to approve the ESPP, under which 600,000 shares of our common stock will be available for purchase by our employees. The ESPP is scheduled to expire 10 years from the date it was approved by the Board of Directors.

The ESPP is meant to encourage stock ownership by all eligible employees of the Company so that they may share in the growth of the Company, and it is designed to encourage employees to remain in the employ of the Company. The ESPP is intended to qualify as an “employee stock purchase plan” as defined under Section 423 of the Internal Revenue Code of 1986 (the “Code”).

We currently anticipate that if the ESPP is approved by our stockholders, the 600,000 shares reserved for issuance under the ESPP will provide us with a sufficient number of shares available for sale for approximately the next three years.

The material terms of the ESPP are summarized below. This summary of the ESPP is not intended to be a complete description of the ESPP and is qualified in its entirety by the actual text of the ESPP, which is attached as Appendix A to this proxy statement.

Material Features of the ESPP

Plan Administration. The ESPP will be administered by the Compensation Committee, which will have the authority to construe and interpret the ESPP, prescribe, amend, and rescind rules relating to the ESPP’s administration, and take any other actions necessary or desirable for the administration of the ESPP. The Compensation Committee may correct any defect or supply any omission or reconcile any inconsistency or ambiguity in the ESPP. All decisions of the Compensation Committee in connection with the administration of the ESPP will be in the Committee’s sole discretion, and such decisions will be final and binding on all persons. All expenses of administering the ESPP will be borne by the Company. The Board of Directors may take any action under the ESPP that would otherwise be the responsibility of the Compensation Committee.

Stock Subject to the ESPP. A total of 600,000 shares of our common stock have been reserved as authorized for the grant of options under the ESPP. Such shares may be newly issued shares, treasury shares, or shares acquired on the open market. If an option under the ESPP expires or is terminated unexercised for any reason, the shares as to which the option so expired or terminated again may be made subject to an option under the ESPP.

Eligibility and Participation. Unless the Compensation Committee determines otherwise, any full-time or part-time employee of the Company or any participating subsidiary who is employed during an enrollment period will be eligible to enroll in the ESPP for the applicable offering period. However, an employee generally will not be eligible to participate in the ESPP:

if, immediately after the applicable grant date, the employee would be deemed to own 5% or more of the total combined voting power or value of all classes of stock of the Company or of any parent corporation or subsidiary corporation;

to the extent the employee has purchased shares under the ESPP exceeding \$25,000 worth during a calendar year; or

to the extent the employee has purchased more than 7,500 shares under the ESPP for any offering period (subject to adjustment under the ESPP as described below).

As of April 10, 2015, 42 employees would have been eligible to receive options under the ESPP.

Offering Periods. The ESPP will be implemented by a series of offering periods, each of which will be six months in duration, with new offering periods beginning on or about January 1 and July 1 of each year (or such other times as determined by the Committee Committee). The Compensation Committee will have the authority to change the duration, frequency, start date, and end date of offering periods.

Grant of Options. On the first trading day of each offering period, each participant in the offering period will be granted an option to purchase, on the last trading day of the offering period, a number of shares determined by dividing the participant's accumulated payroll deductions during the offering period by the applicable purchase price, except that in no event may any participant purchase more than 7,500 shares during an offering period (subject to adjustment under the ESPP as described below).

Payroll Deductions. The ESPP permits participants to authorize payroll deductions in an amount not less than 1% but not more than 10% of the participant's total compensation, including base pay or salary and any overtime, bonuses or commissions. If the participant's accumulated payroll deductions on the last date of the offering period would enable the participant to purchase more than the maximum of 7,500 shares, the excess of the amount of the accumulated payroll deductions over the aggregate purchase price will be refunded to the participant. During an offering period, a participant may decrease or increase his or her rate of payroll deductions only one time by submitting a change form at least 15 days before the purchase date. A participant may decrease or increase his or her rate of payroll deductions for future offering periods by submitting a change form at least 15 days before the start of the next offering period.

Exercise of Options. Amounts deducted and accumulated by the participant will be used to exercise the options granted to the participant. The participant will be entitled to exercise the options so granted only to the extent of the participant's accumulated payroll deductions on the exercise date. For each share, the exercise price of the option will be the lesser of 85% of the fair market of our common stock on the first business day of the offering period and 85% of the fair market value of our common stock on the applicable exercise date. Each employee who continues to be a participant on an exercise date within an offering period will be deemed to have exercised his or her options and will be deemed to have purchased as many shares as the participant's accumulated payroll deductions will pay for at the exercise price, subject to the 7,500 maximum share limit described above.

Withdrawal from Participation. A participant may withdraw from the ESPP at least 15 days prior to the last day of an offering period by delivering a withdrawal notice to the Company. Any participant who withdraws during an offering period will not be permitted to exercise his or her options. An employee who has previously withdrawn may re-enter the ESPP by filing a new authorization at least 15 days before the first day of the next offering period in which he or she wishes to participate. The employee's re-entry into the ESPP becomes effective at the beginning of such offering period, provided that he or she is an eligible employee on the first business day of the offering period. A participant's participation in the ESPP will also cease if the participant ceases to be an eligible employee or the ESPP is terminated.

Adjustments. In the event that any dividend or other distribution (whether in the form of cash, common stock, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of common stock or other securities of the Company, or other change in the Company's structure affecting the common stock occurs, then in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the ESPP, the Compensation Committee will equitably adjust the number of shares and class of common stock that may be delivered under the ESPP, the purchase price per share, and the number of shares covered by each outstanding option under the ESPP.

Dissolution or Liquidation. Unless otherwise determined by the Compensation Committee, in the event of a proposed dissolution or liquidation of the Company, any offering period then in progress will be shortened by setting a new purchase date and the offering period will end immediately before the proposed dissolution or liquidation. The new purchase date will be before the date of the Company's proposed dissolution or liquidation.

Corporate Transactions. In the event of a merger, consolidation, acquisition of property or stock, separation, reorganization, or other corporate event described in Code Section 424, the then-current offering period under the ESPP will be shortened by setting a new purchase date on which the offering period will end. The new purchase date will occur before the date of the corporate transaction.

Term of the ESPP. Unless sooner terminated, the ESPP will terminate 10 years from the date it was adopted by the Board of Directors. The Compensation Committee may, in its sole discretion, amend, suspend, or terminate the ESPP at any time and for any reason. If the ESPP is terminated, the Compensation Committee may elect to terminate all outstanding offering periods either immediately or once shares of common stock have been purchased on the next purchase date (which may, in the discretion of the Compensation Committee, be accelerated) or permit offering periods to expire in accordance with their terms. If any offering period is terminated before its scheduled expiration, all amounts that have not been used to purchase shares of common stock will be returned to participants as soon as administratively practicable.

Federal Income Tax Consequences. The following is a general summary of the federal income tax consequences to the Company and to U.S. taxpayers of options purchased under the ESPP. Tax consequences for any particular individual or under state or non-U.S. tax laws may be different.

The amounts deducted from a participant's pay under the ESPP will be included in his or her compensation that is subject to federal income taxes, and the Company will withhold taxes on these amounts. Generally, a participant will not recognize any taxable income (1) when options are granted pursuant to the ESPP, (2) when the shares of our common stock are purchased under the ESPP or (3) at the beginning or end of any offering period.

If the participant transfers shares of our common stock received upon the exercise of an option within a period of two years from the beginning of an offering period or one year from the date of receipt of the shares of our common stock (the “holding period”), then, in general, the participant will have taxable ordinary income in the year in which the transfer occurs in an amount equal to the excess of the fair market value at the end of the offering period over the exercise price. The participant will have long-term or short-term capital gain (or loss) in an amount equal to the amount by which the amount received for such common stock exceeds (is less than) the participant’s tax basis in the common stock as increased by the amount of any ordinary income recognized as a result of the disqualifying disposition, if any.

If the participant transfers the shares of our common stock after the expiration of the holding period, he or she will generally have taxable ordinary income in the year in which the transfer occurs in an amount equal to the lesser of (a) any excess of the fair market value at the beginning of the offering period over the exercise price on that same date, and (b) any excess of the fair market value on the date on which the transfer occurs over the amount paid for the shares of our common stock. The participant will recognize capital gain (or loss) equal to the difference between the fair market value on the date of such transfer and the participant’s tax basis in the common stock as increased by the amount of any ordinary income recognized as a result of such transfer.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction for any ordinary income recognized by a participant in respect of options granted pursuant to the ESPP. The participants must remit to the Company amounts sufficient to satisfy all federal (including social security), state, and local withholding taxes incurred in connection with any recognition of ordinary income under the ESPP.

Vote Required for Approval

The affirmative vote of the holders of a majority of the shares present or represented at the 2015 Annual Meeting, in person or by proxy, and voting on the ESPP is required to approve the ESPP.

Board Recommendation

The Board recommends that the stockholders vote **FOR** approval of the ESPP.

PROPOSAL 3—APPROVAL OF ENERGOUS CORPORATION 2015 PERFORMANCE SHARE UNIT PLAN

Overview

The Board of Directors adopted the Energous Corporation 2015 Performance Share Unit Plan (the “Performance Share Plan”) on April 10, 2015, subject to approval by our stockholders at our 2015 Annual Meeting.

We are asking stockholders to approve the Performance Share Plan, under which 1,310,104 shares of our common stock will be available for issuance as performance share units (“PSUs”), to a select group of employees and directors.

A PSU is an award under which the recipient is eligible to earn a specified number of shares of our common stock during an applicable performance period based upon the level of the Company’s market capitalization during and at the end of such performance period. No awards other than PSUs will be available for issuance under the Performance Share Plan.

While the Performance Share Plan is scheduled to expire 10 years from the date it is approved by our stockholders, the majority of the 1,310,104 shares that will be available for issuance under the plan will be subject to PSUs that will be eligible to be earned during the first performance period under the plan, which will expire on December 31, 2018 at the latest.

The Board of Directors and the Compensation Committee believe that the Performance Share Plan is a key part of the Company’s compensation philosophy and programs. Our ability to attract, retain, and motivate highly qualified employees and directors is critical to our success. The Board of Directors and the Compensation Committee believe that the interests of the Company and its stockholders will be advanced if we can continue to offer our key employees and directors the opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company.

Corporate Governance Aspects of the Performance Share Plan

The Performance Share Plan has been designed to include a number of provisions that promote best practices by reinforcing the alignment between equity compensation arrangements for eligible employees and non-employee directors and stockholders’ interests. These provisions include, but are not limited to, the following:

Performance-Based Awards Only. The Performance Share Plan provides for the grant of PSUs only. PSUs will be earned only if and to the extent the Company achieves certain pre-specified levels of market capitalization during the applicable performance period. The Performance Share Plan does not provide for the grant of awards that vest solely based on the passage of time.

Fixed Share Pool; No Share Recycling. A fixed number of shares will be available for issuance under the Performance Share Plan. Moreover, the Performance Share Plan does not provide for share recycling of any type. For example, forfeited awards or shares used to pay withholding taxes related to an outstanding award do not become available for issuance as future awards under the Performance Share Plan.

No Evergreen Provision. The Performance Share Plan does not contain an “evergreen” feature pursuant to which the shares authorized for issuance under the Performance Share Plan can be automatically replenished.

No Tax Gross-Ups. The Performance Share Plan does not provide for any tax gross-ups.

No Transferability. Awards under the Performance Share Plan may not be transferred, except by will or the laws of descent and distribution or under a domestic relations order in settlement of marital property rights.

No Automatic Grants. The Performance Share Plan does not provide for automatic grants to any participant.

Tax-Deductible Awards. It is intended that PSUs granted under the Performance Share Plan to “covered employees” for purposes of Code Section 162(m) will be deductible under Section 162(m) as “performance-based compensation.”

Clawback Policy. All awards, amounts and benefits received under the Performance Share Plan will be subject to potential cancellation, recoupment, rescission, payback, or other action in accordance with the terms of any applicable Company clawback policy or any applicable law even if adopted after the plan becomes effective.

Stringent Forfeiture Provisions. If a participant’s service is terminated for cause, any outstanding awards held by the participant will be forfeited immediately and the participant will have no further rights under the award. Further, if a participant breaches a non-competition or other restrictive covenant between the participant and the Company, whether during or after the participant’s termination of service, the participant generally will forfeit all awards under the plan, all shares received under the plan within the prior 12 months, and any profits received from the sale of such shares.

No Discounted Options; No Repricing. As only PSUs will be granted under the Performance Share Plan, there will be no discounted options or repricing of options under the plan.

Independent Oversight. The Performance Share Plan will be administered by a committee of independent members of the Board of Directors.

The material terms of the Performance Share Plan are summarized below. This summary is not intended to be a complete description of the plan, and is qualified in its entirety by the actual text of the Performance Share Plan, which is attached as Appendix B to this proxy statement.

Material Features of the Performance Share Plan

Administration of the Plan.

The Board of Directors has such powers and authorities related to the administration of the Performance Share Plan as are consistent with our corporate governance documents and applicable law. Pursuant to its charter, the Compensation Committee administers the Performance Share Plan.

Type of Award.

The Performance Share Plan provides for the grant of PSUs only. A PSU is an award under which the recipient is eligible to earn a specified number of shares of our common stock during an applicable performance period based upon the level of the Company's market capitalization during and at the end of such performance period.

The first performance period under the Performance Share Plan will begin on May 21, 2015, subject to approval of the Performance Share Plan by our stockholders at our 2015 Annual Meeting. This first performance period is scheduled to end on December 31, 2018, but will end sooner upon a "liquidation event" or, with respect to any participant, upon that participant's separation from service.

A "liquidation event" is defined under the Performance Share Plan as the consummation of a merger, acquisition, consolidation, or other transaction (other than an equity financing) following which the holders of the Company's outstanding voting securities prior to such transaction hold less than 50% of the outstanding voting securities of the acquiring or surviving corporation, or the consummation of a sale, license, or transfer of all or substantially all of the Company's assets.

During the first performance period under the Performance Share Plan, at the end of each calendar quarter or upon an earlier liquidation event, PSUs will be eligible to become earned based on the Company's market capitalization at that time.

Participants will be entitled to receive one share of our common stock for each PSU that becomes earned and payable, with 50% to be paid as soon as practicable (generally within 30 days) after becoming earned; and 50% to be deferred and paid as soon as practicable (generally within 30 days) after December 31, 2018, subject to the participant's continued service through that date.

Upon a participant's separation from service for any reason, any PSUs that have not been earned and any PSUs that are still in a deferral period will be immediately forfeited.

Number of Authorized Shares.

Subject to adjustment (in connection with certain changes in capitalization), the number of shares of our common stock reserved for issuance under the Performance Share Plan will be 1,310,104. The Performance Share Plan does not provide for share recycling of any kind.

The maximum number of shares of our common stock that may be subject to PSUs that are granted to any one participant during any calendar year and that are intended to qualify as “performance-based compensation” under Code Section 162(m) will be 639,075.

Eligibility and Participation.

Eligibility to participate in the Performance Share Plan is limited to such highly qualified officers, non-employee directors, key employees, consultants, and advisors of the Company, or of any affiliate, as the Compensation Committee may determine and designate from time to time.

Adjustments for Changes in Capital Structure.

Subject to any required action by our stockholders, in the event of any change in the shares of our common stock effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the stockholders in a form other than shares (excepting normal cash dividends) that has a material effect on the fair market value of shares, appropriate and proportionate adjustments will be made in the number and class of shares subject to the Performance Share Plan and to any outstanding awards in order to prevent dilution or enlargement of participants' rights under the plan. If a majority of the shares that are of the same class as the shares that are subject to outstanding awards are exchanged for, converted into, or otherwise become shares of another corporation, the Board of Directors may unilaterally and equitably amend the outstanding awards to provide that such awards are for the new shares. The Board of Directors may also make such adjustments in the terms of any award to reflect, or related to, such changes in the capital structure of the Company or distributions as it deems appropriate.

Consequences of a Change in Control.

The Board of Directors generally may provide for any one or more of the following in connection with a "change in control" of the Company (as that term is defined in the Performance Share Plan):

Accelerated Vesting. In the event of a change in control, all outstanding awards made to non-employee directors will be automatically deemed earned based on the applicable transaction price and such awards will be payable in full. In the event of a change in control, the Board of Directors may take such actions as it deems appropriate to provide for the acceleration of the vesting or settlement in connection with such change in control of each or any other outstanding award.

Assumption, Continuation, or Substitution. In the event of a change in control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof may, without the consent of any participant, either assume or continue the Company's rights and obligations under each or any award outstanding immediately prior to the change in control or substitute for each or any such outstanding award or portion thereof a substantially equivalent award with respect to the acquiror's stock. Any award or portion thereof that is not assumed or continued by the acquiror in connection with the change in control or settled as of the change in control will terminate and cease to be outstanding effective as of the change in control.

Cash-Out of Awards. The Board of Directors may, without the consent of any participant, determine that, upon the occurrence of a change in control, each or any award outstanding immediately prior to the change in control and not previously settled will be canceled in exchange for a payment with respect to each vested share (and each unvested share, if so determined by the Board of Directors) subject to such canceled award in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the change in control, or (iii) other property which, in any such case, will be in an amount having a fair market value equal to the fair market value of the consideration to be paid per share in the change in control.

Nontransferability of Awards.

No award under the Performance Share Plan may be sold, transferred, assigned, pledged, or otherwise encumbered or disposed of by the participant to whom it is granted, other than by will or the laws of descent and distribution or under a domestic relations order in settlement of marital property rights.

Tax Withholding and Tax Offset Payments.

We will have the right to deduct from payments of any kind otherwise due to a participant any federal, state, or local taxes of any kind required by law to be withheld with respect to the vesting of or other lapse of restrictions applicable to an award or upon the issuance of any shares of stock pursuant to an award.

Term of Plan.

The Performance Share Plan is scheduled to expire 10 years from the date it is approved by our stockholders. However, the majority of the 1,310,104 shares that will be available for issuance under the Performance Share Plan will be subject to PSUs that will be eligible to be earned during the first performance period under the Performance Share Plan, which will expire on December 31, 2018 at the latest.

Amendment and Termination.

The Board of Directors may, at any time and from time to time, amend, suspend, or terminate the Performance Share Plan as to any awards that have not been made. An amendment shall be contingent on approval of our stockholders to the extent stated by the Board of Directors, required by applicable law, or required by applicable securities exchange listing requirements. No amendment, suspension, or termination of the Performance Share Plan may, without the consent of the participant, materially impair rights or obligations under any award previously awarded.

Clawback Policy.

All awards, amounts, and benefits received under the Performance Share Plan will be subject to potential cancellation, recoupment, rescission, payback, or other action in accordance with the terms of any applicable Company clawback policy or any applicable law even if adopted after the plan becomes effective.

Forfeiture.

If a participant's service is terminated for cause, any outstanding award held by the participant will be forfeited immediately and the participant will have no further rights under the award.

Further, if a participant breaches a non-competition, non-solicitation, non-disclosure, non-disparagement, or other restrictive covenant in any agreement between the participant and the Company, the participant will forfeit and pay the following to the Company:

All outstanding awards granted to the participant under the Performance Share Plan, including awards that have become earned or vested;

Any shares held by the participant in connection with the Performance Share Plan that were acquired after the participant's termination of service and within the 12-month period immediately preceding the participant's termination of service;

The profit realized by the participant from the sale or other disposition of any shares received by the participant in connection with the Performance Share Plan after the participant's termination of service and within the 12-month period immediately preceding the participant's termination of service, where such sale or disposition occurs in such similar time period.

New Plan Benefits.

The following New Plan Benefits table lists (i) each of the Company's named executive officers, (ii) all of the Company's named executive officers and current executive officers as a group, (iii) all of the Company's eligible non-employee directors as a group, and (iv) all other current employees who are not executive officers as a group, indicating the number of PSUs that have been approved by the Compensation Committee under the Performance Share Plan for each of the foregoing, subject to stockholder approval of the Performance Share Plan:

Name and Position	Number of Units (#)
Stephen R. Rizzone, <i>President and CEO</i>	639,075
George B. Holmes, <i>Senior Vice President of Sales and Marketing</i>	127,815
Cesar Johnston, <i>Senior Vice President of Engineering</i>	127,815
Executive Group	958,613
Non-Executive Director Group	127,816
Non-Executive Officer Employee Group	127,816

Federal Income Tax Consequences.

The following is a summary of the general federal income tax consequences to the Company and to U.S. taxpayers of awards granted under the Performance Share Plan. Tax consequences for any particular individual or under state or non-U.S. tax laws may be different.

PSUs. Typically, a recipient will not have taxable income upon the grant of PSUs. Subsequently, when the conditions and requirements for the PSUs have been satisfied and the payment determined, any cash received and the fair market value of any common stock received will constitute ordinary income to the recipient.

Tax Effect for the Company. We generally will receive a tax deduction for any ordinary income recognized by a participant in respect of an award under the Performance Share Plan.

Because we are a public company, special rules limit the deductibility of compensation paid to our CEO and to each of our three most highly compensated executive officers other than our CEO (and not including our CFO) whose compensation is required to be reported annually in our proxy statement. Under Code Section 162(m), the annual compensation paid to each of these executives may not be deductible to the extent that it exceeds \$1 million. The limitation on deductions does not apply, however, to qualified “performance-based compensation.” We intend for PSUs granted under the Performance Share Plan to constitute qualified performance-based compensation and, as such, to be exempt from the \$1 million limitation on deductible compensation.

PROPOSAL 4—RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed Marcum LLP (“Marcum”) as our independent registered public accounting firm for the fiscal year ending December 31, 2015. We are presenting this selection to our stockholders for ratification at the annual meeting.

Marcum audited our financial statements for 2014. A representative of Marcum is not expected to be present at the 2015 Annual Meeting.

Vote Required for Approval

Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the shares present or represented at the 2015 Annual Meeting, in person or by proxy, and voting on such ratification. If our stockholders fail to ratify the selection of Marcum as the independent registered public accounting firm for 2015, the Audit Committee will reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

Board Recommendation

The Board recommends that the stockholders vote **FOR** ratification of the appointment of Marcum as our independent registered public accounting firm for 2015.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than compensation agreements and other arrangements which are described in “*Compensation And Other Information Concerning Directors And Officers*” beginning on page 19 and as described below, in 2014 there was not, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a party in which the amount involved exceeded or will exceed \$120,000 in which any director, executive officer, holder of five percent or more of any class of our capital stock or any member of their immediate family had or will have a direct or indirect material interest.

On January 28, 2013, Mr. Leabman purchased 80,201 shares of common stock in exchange for \$417.

On March 1, 2013, Absolute Ventures LLC, an affiliate of a former director of the Company, Greg Brewer, purchased 668,337 shares of common stock in exchange for \$160,000.

On October 4, 2013, we entered into a Standard Industrial/Commercial Multi-Tenant Lease with ProSoft Engineering, Inc. for former principal office space located at 303 Ray Street, Pleasanton, CA 94566. The lease covered approximately 3500 square feet of office and laboratory space and expires on June 4, 2014. The monthly rental rate under the lease was \$6,055 and the aggregate amount payable to ProSoft Engineering under the lease was approximately \$48,440 plus an additional security deposit of \$6,055. Greg Brewer, a former member of our board of directors, is the owner and founder of ProSoft Engineering, Inc. In May 2014, the Company extended the lease until September 4, 2014 with a monthly rental rate under the lease during the extension period of \$8,549.

During the fiscal year ended December 31, 2014, we paid a total of \$194,566 to Financial Consulting Strategies LLC (“FCS”). Our Interim Chief Financial Officer, Howard Yeaton, is the founder and managing partner of FCS. The amount paid to FCS during 2014 consisted of \$68,413 for Mr. Yeaton’s services as our Interim Chief Financial Officer and \$126,153 for other financial advisory and accounting services provided by FCS.

In February 2014, our Board of Directors adopted a written policy with regard to related person transactions, which sets forth our procedures and standards for the review, approval or ratification of any transaction required to be reported in our filings with the SEC or in which one of our executive officers or directors has a direct or indirect material financial interest, with limited exceptions. Our policy is that the Corporate Governance and Nominating Committee shall review the material facts of all related person transactions (as defined in the related person transaction approval policy) and either approve or disapprove of the entry into any related person transaction. In the event that obtaining the advance approval of the Corporate Governance and Nominating Committee is not feasible, the Corporate Governance and Nominating Committee shall consider the related person transaction and, if the Corporate Governance and Nominating Committee determines it to be appropriate, may ratify the related person transaction. In determining whether to approve or ratify a related person transaction, the Corporate Governance and Nominating Committee will take into account, among other factors it deems appropriate, whether the related person transaction is on terms comparable to those available from an unaffiliated third-party under the same or similar circumstances and the extent of the related person’s interest in the transaction.

6. Participation

6.1 Enrollment; Payroll Deductions. An Eligible Employee may elect to participate in this Plan by properly completing an Enrollment Form, which may be electronic, and submitting it to the Company, in accordance with the enrollment procedures established by the Committee. Participation in this Plan is entirely voluntary. By submitting an Enrollment Form, the Eligible Employee authorizes payroll deductions from his or her paycheck in an amount equal to at least one percent (1%), but not more than ten percent (10%) (or such other maximum percentage as the Committee may establish from time to time before an Offering Period begins), of his or her Compensation on each pay day occurring during an Offering Period. Payroll deductions shall commence on the first payroll date after the Grant Date and end on the last payroll date on or before the Purchase Date. The Company shall maintain records of all payroll deductions but shall have no obligation to pay interest on payroll deductions or to hold such amounts in a trust or in any segregated account. Unless expressly permitted by the Committee, a Participant may not make any separate contributions or payments to this Plan.

6.2 Election Changes. During an Offering Period, a Participant may decrease or increase his or her rate of payroll deductions applicable to such Offering Period only one (1) time. To make such a change, the Participant must submit a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen (15) days before the Purchase Date, with any permitted change to take effect as soon as administratively practicable. 6.3 Automatic Re-enrollment. The deduction rate selected in the Enrollment Form shall remain in effect for subsequent Offering Periods unless the Participant (i) submits a new Enrollment Form authorizing a new level of payroll deductions in accordance with **Section 6.2**, (ii) withdraws from this Plan in accordance with **Section 10**, or (iii) terminates employment or otherwise becomes ineligible to participate in this Plan.

A-4

7. Grant of Option

On each Grant Date, each Participant in the applicable Offering Period shall be granted an option to purchase, on the Purchase Date, a number of shares of Common Stock determined by dividing the Participant's accumulated payroll deductions by the applicable Purchase Price; *provided, however*, that in no event shall any Participant purchase more than seven thousand five hundred (7,500) shares of Common Stock during an Offering Period (subject to adjustment in accordance with **Section 18** and the limitations set forth in **Sections 4.2** and **13**).

8. Exercise of Option/Purchase of Shares

A Participant's option to purchase shares of Common Stock shall be exercised automatically on the Purchase Date of each Offering Period. The Participant's accumulated payroll deductions shall be used to purchase the maximum number of whole shares that can be purchased with the amounts in the Participant's notional account, subject to the limitations set forth in this Plan. No fractional shares may be purchased but notional fractional shares of Common Stock shall be allocated to the Participant's ESPP Share Account to be aggregated with other notional fractional shares of Common Stock on future Purchase Dates, subject to earlier withdrawal by the Participant in accordance with **Section 10** or termination of employment in accordance with **Section 11**. Any accumulated payroll deductions that remain in a Participant's notional account after applying the limitations of **Section 4.2** and **Section 7** shall be returned to the Participant as soon as administratively practicable.

9. Transfer of Shares

As soon as reasonably practicable after each Purchase Date, the Company shall arrange for the delivery to each Participant of the shares of Common Stock purchased upon exercise of his or her option. The Committee may permit or require that the shares be deposited directly into an ESPP Share Account established in the name of the Participant with a Designated Broker and may require that the shares of Common Stock be retained with such Designated Broker for a specified period of time. Participants shall not have any voting, dividend, or other rights of a stockholder with respect to the shares of Common Stock subject to any option granted hereunder until such shares have been delivered pursuant to this **Section 9**.

10. Withdrawal

10.1 Withdrawal Procedure. A Participant may withdraw from an Offering by submitting to the Company a revised Enrollment Form indicating his or her election to withdraw at least fifteen (15) days before the Purchase Date. The accumulated payroll deductions held on behalf of a Participant in his or her notional account (that have not been used to purchase shares of Common Stock) shall be paid to the Participant promptly after receipt of the Participant's Enrollment Form indicating his or her election to withdraw and the Participant's option shall be automatically terminated. If a Participant withdraws from an Offering Period, no payroll deductions shall be made during any

succeeding Offering Period, unless the Participant re-enrolls in accordance with **Section 6.1**.

10.2 Effect on Succeeding Offering Periods. A Participant's election to withdraw from an Offering Period shall not have any effect upon his or her eligibility to participate in succeeding Offering Periods that commence after the completion of the Offering Period from which the Participant withdraws.

A-5

11. Termination of Employment; Change in Employment Status

In the event of a Participant's termination of employment from the Company and the Participating Subsidiaries due to the Participant's Retirement, Disability, or death within three (3) months before a Purchase Date, such Participant's accumulated payroll deductions shall be used to purchase shares on the Purchase Date. Upon termination of a Participant's employment from the Company and the Participating Subsidiaries for any other reason or at any other time, or a change in the Participant's employment status after which the Participant is no longer an Eligible Employee, the Participant shall be deemed to have withdrawn from this Plan and the payroll deductions in the Participant's notional account (that have not been used to purchase shares of Common Stock) shall be returned to the Participant, or in the case of the Participant's death, to the person(s) entitled to such amounts under **Section 17**, and the Participant's option shall be automatically terminated.

12. Interest

No interest shall accrue on or be payable with respect to the payroll deductions of a Participant in this Plan.

13. Shares Reserved for Plan

13.1 Number of Shares. A total of six hundred thousand (600,000) shares of Common Stock have been reserved as authorized for the grant of options under this Plan. The shares of Common Stock may be newly issued shares, treasury shares, or shares acquired on the open market. If an option under this Plan expires or is terminated unexercised for any reason, the shares as to which such option so expired or terminated again may be made subject to an option under this Plan.

13.2 Oversubscribed Offerings. The number of shares of Common Stock that a Participant may purchase in an Offering under this Plan may be reduced if the Offering is oversubscribed. No option granted under this Plan shall permit a Participant to purchase shares of Common Stock that, if added together with the total number of shares of Common Stock purchased by all other Participants in such Offering, would exceed the total number of shares of Common Stock remaining available under this Plan. If the Committee determines that, on a particular Purchase Date, the number of shares of Common Stock with respect to which options are to be exercised exceeds the number of shares of Common Stock then available under this Plan, the Company shall make a pro rata allocation of the shares of Common Stock remaining available for purchase in as uniform a manner as practicable and as the Committee determines to be equitable.

14. Transferability

No payroll deductions credited to a Participant, nor any rights with respect to the exercise of an option or any rights to receive Common Stock hereunder, may be assigned, transferred, pledged, or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in **Section 17**) by the Participant. Any attempt to assign, transfer, pledge, or otherwise dispose of such rights or amounts shall be without effect.

15. Application of Funds

All payroll deductions received or held by the Company under this Plan may be used by the Company for any corporate purpose to the extent permitted by applicable law, and the Company shall not be required to segregate such payroll deductions or contributions.

16. Statements

Participants shall be provided with statements at least annually that shall set forth the contributions made by the Participant to this Plan, the Purchase Price of any shares of Common Stock purchased with accumulated funds, the number of shares of Common Stock purchased, and any payroll deduction amounts remaining in the Participant's notional account.

17. Designation of Beneficiary

A Participant may file, on forms supplied by the Committee, a written designation of beneficiary who is to receive any shares of Common Stock and cash in respect of any fractional shares of Common Stock, if any, from the Participant's ESPP Share Account under this Plan in the event of such Participant's death. In addition, a Participant may file, on forms supplied by the Committee, a written designation of beneficiary who is to receive any cash withheld through payroll deductions and credited to the Participant's notional account in the event of the Participant's death before the Purchase Date of an Offering Period.

18. Adjustments for Changes in Capitalization; Dissolution or Liquidation; Corporate Transactions

18.1 Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or other change in the Company's structure affecting the Common Stock occurs, then in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, the Committee shall, in such manner as it deems equitable, adjust the number of shares and class of Common Stock that may be delivered under this Plan, the Purchase Price per share, and the number of shares of Common Stock covered by each outstanding option under this Plan, and the numerical limits of **Section 7** and **Section 13**.

18.2 Dissolution or Liquidation. Unless otherwise determined by the Committee, in the event of a proposed dissolution or liquidation of the Company, any Offering Period then in progress shall be shortened by setting a new Purchase Date and the Offering Period shall end immediately before the proposed dissolution or liquidation. The new Purchase Date shall be before the date of the Company's proposed dissolution or liquidation. Before the new Purchase Date, the Committee shall provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option shall be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with **Section 10**.

18.3 Corporate Transactions. In the event of a Corporate Transaction, the then-current Offering Period shall be shortened by setting a new Purchase Date on which the Offering Period shall end. The new Purchase Date shall occur before the date of the Corporate Transaction. Before the new Purchase Date, the Committee shall provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option shall be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with **Section 10**.

19. General Provisions

19.1 Equal Rights and Privileges. Notwithstanding any provision of this Plan to the contrary and in accordance with Code Section 423, all Eligible Employees who are granted options under this Plan shall have the same rights and privileges.

19.2 No Right to Continued Service. Neither this Plan nor any compensation paid hereunder shall confer on any Participant the right to continue as an Employee or in any other capacity.

A-7

19.3 Rights as Stockholder. A Participant shall become a stockholder with respect to the shares of Common Stock that are purchased pursuant to options granted under this Plan when the shares are transferred to the Participant's ESPP Share Account. A Participant shall have no rights as a stockholder with respect to shares of Common Stock for which an election to participate in an Offering Period has been made until such Participant becomes a stockholder as provided above.

19.4 Successors and Assigns. This Plan shall be binding on the Company and its successors and assigns.

19.5 Entire Plan. This Plan constitutes the entire plan with respect to the subject matter hereof and supersedes all prior plans with respect to the subject matter hereof.

19.6 Compliance with Law. The obligations of the Company with respect to payments under this Plan are subject to compliance with all applicable laws and regulations. Common Stock shall not be issued with respect to an option granted under this Plan unless the exercise of such option and the issuance and delivery of the shares of Common Stock pursuant thereto shall comply with all applicable provisions of law, including the Securities Act, the Exchange Act, and the requirements of any stock exchange upon which the shares may then be listed.

19.7 Notice of Disqualifying Dispositions. Each Participant shall give the Company prompt written notice of any disposition or other transfer of shares of Common Stock acquired pursuant to the exercise of an option acquired under this Plan, if such disposition or transfer is made within two (2) years after the applicable Grant Date or within one (1) year after the applicable Purchase Date.

19.8 Term of Plan. This Plan shall become effective on the Effective Date and, unless terminated earlier pursuant to **Section 19.9**, shall have a term of ten (10) years.

19.9 Amendment or Termination. The Committee may, in its sole discretion, amend, suspend, or terminate this Plan at any time and for any reason. If this Plan is terminated, the Committee may elect to terminate all outstanding Offering Periods either immediately or once shares of Common Stock have been purchased on the next Purchase Date (which may, in the discretion of the Committee, be accelerated) or permit Offering Periods to expire in accordance with their terms (and subject to any adjustment in accordance with **Section 18**). If any Offering Period is terminated before its scheduled expiration, all amounts that have not been used to purchase shares of Common Stock shall be returned to Participants (without interest, except as otherwise required by law) as soon as administratively practicable.

19.10 Applicable Law. The laws of the State of Delaware shall govern all questions concerning the construction, validity, and interpretation of this Plan, without regard to such state's conflict of law rules.

19.11 Stockholder Approval. This Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date this Plan is adopted by the Board.

3.1. General

The Board shall have such powers and authorities related to the administration of the Plan as are consistent with the Company’s certificate of incorporation and bylaws and applicable law. The Board shall have the power and authority to delegate its responsibilities hereunder to the Committee, which shall have full authority to act in accordance with its charter (as in effect from time to time), and with respect to the power and authority of the Board to act hereunder, all references to the Board shall be deemed to include a reference to the Committee, unless such power or authority is specifically reserved by the Board. Except as specifically provided in **Section 9** or as otherwise may be required by applicable law, regulatory requirement, or the certificate of incorporation or the bylaws of the Company, the Board shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Award, or any Award Agreement, and shall have full power and authority to take all such other actions and make all such other determinations not inconsistent with the specific terms and provisions of the Plan that the Board deems to be necessary or appropriate to the administration of the Plan. The Committee shall administer the Plan; *provided, however*, the Board shall retain the right to exercise the authority of the Committee to the extent consistent with applicable law and the applicable requirements of any securities exchange on which the Shares may then be listed. All decisions and actions by the Board or the Committee under the Plan, including the interpretation or construction of any provision of the Plan, any Award, or any Award Agreement, shall be in the sole discretion of the Board or the Committee, as applicable, and shall be final, binding, and conclusive. Without limitation, the Board shall have full and final power and authority, subject to the other terms and conditions of the Plan, to:

- (i) designate Grantees;
- (ii) determine the number of Shares to be subject to an Award;
- (iii) establish the terms and conditions of each Award;
- (iv) prescribe the form of each Award Agreement; and
- (v) amend, modify, or supplement the terms of any outstanding Award, including the authority, in order to effectuate the purposes of the Plan, to modify Awards to foreign nationals or individuals who are employed outside the United States to recognize differences in local law, tax policy, or custom.

3.2. Forfeitures; Clawbacks

Upon notification of a Separation from Service for Cause, any outstanding Award held by the Grantee, whether vested or unvested, shall terminate immediately, such Award shall be forfeited, and the Grantee shall have no further rights thereunder.

Any Award, amount, or benefit received under the Plan shall be subject to potential cancellation, recoupment, rescission, payback, or other action in accordance with the terms of any applicable Company clawback policy or any applicable law, as may be in effect from time to time, including the requirements of (i) Section 304 of the Sarbanes Oxley Act and Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and any implementing rules and regulations thereunder; (ii) similar rules under the laws of any other jurisdiction; and (iii) any policies adopted by the Company to implement such requirements, all to the extent determined by the Board to be applicable to the Grantee. By accepting an Award, the Grantee shall be deemed to have acknowledged and consented to the Company's application, implementation, and enforcement of any applicable Company clawback policy that may apply to the Grantee, whether adopted prior to or following the date of the Award, and any provision of applicable law relating to cancellation, recoupment, rescission, or payback of compensation, and to have agreed that the Company may take such actions as may be necessary to effectuate any such policy or applicable law, without further consideration or action.

If the Grantee breaches a non-competition, non-solicitation, non-disclosure, non-disparagement, or other restrictive covenant set forth in an Award Agreement or any other agreement between the Grantee and the Company or any Affiliate, whether during the Grantee's Service or after the Grantee's Separation from Service, in addition to any other penalties or restrictions that may apply under any such agreement, state law, or otherwise, the Grantee shall forfeit or pay to the Company:

- (i) any and all outstanding Awards granted to the Grantee, including Awards that have become earned or vested;

- (ii) any Shares held by the Grantee in connection with the Plan that were acquired by the Grantee after the Grantee's Separation from Service and within the 12-month period immediately preceding the Grantee's Separation from Service; and

(iii) the profit realized by the Grantee from the sale, or other disposition for consideration, of any Shares received by the Grantee in connection with the Plan after the Grantee's Separation from Service, and within the 12-month period immediately preceding the Grantee's Separation from Service where such sale or disposition occurs in such similar time period.

3.3. Deferral Arrangement

The Board may permit or require the deferral of any Award payment into a deferred compensation arrangement, subject to such rules and procedures as it may establish and in accordance with Section 409A, which may include provisions for the payment or crediting of interest or dividend equivalents, including converting such credits into deferred stock units.

3.4. No Liability

No member of the Board or of the Committee shall be liable for any action or determination made in good faith with respect to the Plan, any Award, or Award Agreement.

4. SHARES SUBJECT TO THE PLAN

Subject to adjustment under **Section 10**, the aggregate number of Shares that shall be available for the grant of Awards is 1,310,104. Shares issued under the Plan may consist in whole or in part of authorized but unissued Shares, treasury Shares, or Shares purchased on the open market or otherwise.

5. EFFECTIVE DATE, DURATION AND AMENDMENTS

5.1. Term

The Plan shall be effective as of the Effective Date, *provided* that it has been approved by the Stockholders. The Plan shall terminate automatically on the 10-year anniversary of the Effective Date and may be terminated on any earlier date as provided in **Section 5.2**.

5.2. Amendment and Termination of the Plan

The Board may, at any time and from time to time, amend, suspend, or terminate the Plan as to any Awards that have not been made. An amendment shall be contingent on approval of the Stockholders to the extent stated by the Board, required by applicable law, or required by applicable securities exchange listing requirements. No Awards shall be made after the Termination Date. The applicable terms and conditions of the Plan, and any terms and conditions applicable to Awards granted prior to the Termination Date, shall survive the termination of the Plan and continue to apply to such Awards. No amendment, suspension, or termination of the Plan shall, without the consent of the Grantee, materially impair rights or obligations under any Award theretofore awarded.

6. AWARD ELIGIBILITY

Awards may be made to any Service Provider as the Committee shall determine and designate from time to time.

7. AWARD AGREEMENT

The grant of any Award may be contingent upon the Grantee executing an Award Agreement. Without limiting the foregoing, an Award Agreement may be provided in the form of a notice which provides that acceptance of the Award constitutes acceptance of all terms of the Plan and the notice. Award Agreements granted from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan.

B-5

8. TERMS AND CONDITIONS OF PERFORMANCE SHARE UNITS

8.1. Performance Measures and Terms and Conditions

Performance Share Units shall be eligible to become earned during an applicable performance period based upon the level of the Company's market capitalization during and at the end of such performance period, as set forth in the applicable Award Agreement. At the time of grant, the Board may establish a period of time and any additional terms and conditions applicable to Performance Share Units. Each Award of Performance Share Units may be subject to different restrictions.

8.2. Rights of Holders of Performance Share Units

8.2.1. Settlement of Performance Share Units

Performance Share Units shall be settled in Shares in accordance with the terms of the applicable Award Agreement.

8.2.2. Voting and Dividend Rights

Holders of Performance Share Units shall not have rights as Stockholders, including voting or dividend or dividend equivalent rights.

8.2.3. Creditor's Rights

A holder of Performance Share Units shall have no rights other than those of a general creditor of the Company. Performance Share Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the Plan and the applicable Award Agreement.

8.3. Delivery of Shares

Upon the satisfaction of all applicable terms and conditions prescribed by the Board, the restrictions applicable to Performance Share shall lapse, and a stock certificate for such Shares shall be delivered, free of all such restrictions, to the Grantee or the Grantee's beneficiary or estate, as the case may be; *provided, however*, that the Company may elect to satisfy any requirement for the delivery of stock certificates through the use of book entry.

8.4. Status of Performance Share Units under Section 162(m)

It is the intent of the Company that Performance Share Units granted to persons who are designated by the Board as likely to be Covered Employees within the meaning of Section 162(m) shall, if so designated by the Board, qualify as "performance-based compensation" under Section 162(m); accordingly, such Performance Share Units shall be administered and interpreted in a manner consistent with Section 162(m). The foregoing notwithstanding, because the Board cannot determine with certainty whether a given Grantee will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Board, at the time of grant of Performance Share Units, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan or any agreement relating to Performance Share Units does not comply or is inconsistent with the applicable requirements of Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements. The maximum number of Shares that may be subject to Performance Share Units that are granted to any one Grantee during any calendar year and that are intended to qualify as "performance-based compensation" under Section 162(m), and then only to the extent that such limitation is required by Section 162(m), shall be 639,075. Notwithstanding anything herein to the contrary, the Board may provide for Performance Share Units to Covered Employees that are not intended qualify as "performance-based compensation" under Section 162(m).

9. REQUIREMENTS OF LAW

9.1. General

The Company shall not be required to issue Shares under any Award if the issuance of such Shares would constitute a violation by the Grantee, any other person, or the Company of any provision of any law or regulation of any governmental authority, including any federal or state securities laws or regulations. If at any time the Company determines that the listing, registration, or qualification of any Shares subject to an Award upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of Shares hereunder, no Shares may be issued or sold to the Grantee or any other person pursuant to such Award unless such listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Award. Specifically, in connection with the Securities Act, upon the delivery of any Shares underlying an Award, unless a registration statement under such Act is in effect with respect to the Shares covered by such Award, the Company shall not be required to sell or issue such Shares unless the Board has received evidence satisfactory to it that the Grantee or other person may acquire such Shares pursuant to an exemption from registration under the Securities Act. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the issuance of Shares pursuant to the Plan to comply with any law or regulation of any governmental authority.

9.2. Rule 16b-3

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards granted to officers and directors will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or Committee does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may modify the Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

10. EFFECT OF CHANGES IN CAPITALIZATION

10.1. Adjustments for Changes in Capital Structure

Subject to any required action by the Stockholders, in the event of any change in the Shares effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the Stockholders in a form other than Shares (excepting normal cash dividends) that has a material effect on the Fair Market Value of Shares, appropriate and proportionate adjustments shall be made in the number and class of Shares subject to the Plan and to any outstanding Awards in order to prevent dilution or enlargement of Grantees' rights under the Plan. For purposes of the foregoing, conversion of any convertible securities of the Company shall not be treated as "effected without receipt of consideration by the Company." If a majority of the Shares that are of the same class as the Shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to a Change in Control) shares of another corporation (the "New Shares"), the Board may unilaterally amend the outstanding Awards to provide that such Awards are for New Shares. In the event of any such amendment, the number of shares subject to the outstanding Awards and the outstanding Awards shall be adjusted by the Board in a fair and equitable manner. The Board may also make such adjustments in the terms of any Award to reflect, or related to, such changes in the capital structure of the Company or distributions as it deems appropriate. Adjustments determined by the Board pursuant to this **Section 10.1** shall be made in accordance with Section 409A to the extent applicable.

10.2. Change in Control

10.2.1. Consequences of a Change in Control

Subject to the requirements and limitations of Section 409A if applicable, the Board may provide for any one or more of the following in connection with a Change in Control:

(a) **Accelerated Vesting.** In the event of a Change in Control, all outstanding Awards made to non-employee directors shall be automatically deemed earned based on the applicable transaction price and such Awards shall be payable in full in connection therewith. In the event of a Change in Control, the Board may take such actions as it deems appropriate to provide for the acceleration of the vesting or settlement in connection with such Change in Control of each or any other outstanding Award or portion thereof and Shares acquired pursuant thereto upon such conditions, including termination of the Grantee's Service prior to, upon, or following such Change in Control, to such extent as the Board shall determine.

(b) **Assumption, Continuation, or Substitution.** In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the "**Acquiror**"), may, without the consent of any Grantee, either assume or continue the Company's rights and obligations under each or any Award or portion thereof outstanding immediately prior to the Change in Control or substitute for each or any such outstanding Award or portion thereof a substantially equivalent award with respect to the Acquiror's stock, as applicable. For purposes of this **Section 10.2.1**, if so determined by the Board, an Award denominated in Shares shall be deemed assumed if, following the Change in Control, the Award confers the right to receive, subject to the terms and conditions of the Plan and the applicable Award Agreement, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, other securities or property, or a combination thereof) to which a holder of a Shares on the effective date of the Change in Control was entitled; *provided, however*, that if such consideration is not solely common stock of the Acquiror, the Board may, with the consent of the Acquiror, provide for the consideration to be received upon the settlement of the Award, for each Share subject to the Award, to consist solely of common stock of the Acquiror equal in Fair Market Value to the per Share consideration received by holders of Shares pursuant to the Change in Control. If any portion of such consideration may be received by holders of Shares pursuant to the Change in Control on a contingent or delayed basis, the Board may determine such Fair Market Value per Share as of the time of the Change in Control on the basis of the Board's good faith estimate of the present value of the probable future payment of such consideration. Any Award or portion thereof which is neither assumed or continued by the Acquiror in connection with the Change in Control nor settled as of the time of consummation of the Change in Control shall terminate and cease to be outstanding effective as of the time of consummation of the Change in Control.

(c) **Cash-Out of Awards.** The Board may, without the consent of any Grantee, determine that, upon the occurrence of a Change in Control, each or any Award or a portion thereof outstanding immediately prior to the

Change in Control and not previously settled shall be canceled in exchange for a payment with respect to each vested Share (and each unvested Share, if so determined by the Board) subject to such canceled Award in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control, or (iii) other property which, in any such case, shall be in an amount having a Fair Market Value equal to the Fair Market Value of the consideration to be paid per Shares in the Change in Control. If any portion of such consideration may be received by holders of Shares pursuant to the Change in Control on a contingent or delayed basis, the Board may determine such Fair Market Value per Share as of the time of the Change in Control on the basis of the Board's good faith estimate of the present value of the probable future payment of such consideration. In the event such determination is made by the Board, the amount of such payment (reduced by applicable withholding taxes, if any) shall be paid to Grantees in respect of the vested portions of their canceled Awards as soon as practicable following the date of the Change in Control and in respect of the unvested portions of their canceled Awards in accordance with the vesting schedules applicable to such Awards.

B-8

10.2.2. Change in Control Defined

A “**Change in Control**” means the consummation of any of the following events:

- (a) the acquisition, other than from the Company, by any individual, entity, or group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act), other than the Company or any subsidiary, affiliate (within the meaning of Rule 144 promulgated under the Securities Act), or employee benefit plan of the Company, of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than 50% of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the “**Voting Securities**”); or
- (b) a reorganization, merger, consolidation, or recapitalization of the Company (a “**Business Combination**”), other than a Business Combination in which more than 50% of the combined voting power of the outstanding voting securities of the surviving or resulting entity immediately following the Business Combination is held by the persons who, immediately prior to the Business Combination, were the holders of the Voting Securities; or
- (c) a complete liquidation or dissolution of the Company, or a sale of all or substantially all of the assets of the Company; or
- (d) during any period of 24 consecutive months, the Incumbent Directors cease to constitute a majority of the Board; “**Incumbent Directors**” means individuals who were members of the Board at the beginning of such period or individuals whose election or nomination for election to the Board by the Stockholders was approved by a vote of at least a majority of the then Incumbent Directors (but excluding any individual whose initial election or nomination is in connection with an actual or threatened proxy contest relating to the election of directors).

Notwithstanding the foregoing, if it is determined that an Award is subject to the requirements of Section 409A and payable upon a Change in Control, the Company shall not be deemed to have undergone a Change in Control for purposes of the Plan unless the Company is deemed to have undergone a “change in control event” pursuant to the definition of such term in Section 409A.

10.3. Adjustments

Adjustments under this **Section 10** related to Shares or other securities of the Company shall be made by the Board. No fractional Shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole Share.

11.No Limitations on Company

The making of Awards shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

B-9

12. TERMS APPLICABLE GENERALLY TO AWARDS GRANTED UNDER THE PLAN

12.1. Disclaimer of Rights

No provision in the Plan or in any Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Company or any Affiliate either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company or any Affiliate. In addition, notwithstanding anything contained in the Plan to the contrary, no Award shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a Service Provider. The obligation of the Company to pay any benefits pursuant to the Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

12.2. Nonexclusivity of the Plan

Neither the adoption of the Plan nor the submission of the Plan to the Stockholders for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals), including the granting of stock options as the Board determines desirable.

12.3. Withholding Taxes

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state, or local taxes of any kind required by law to be withheld (i) with respect to the vesting of or other lapse of restrictions applicable to an Award or (ii) otherwise due in connection with an Award. At the time of such vesting or lapse, the Grantee shall pay to the Company or the Affiliate, as the case may be, any amount that the Company or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Company or the Affiliate, which may be withheld by the Company or the Affiliate, as the case may be, in its sole discretion, the Grantee may elect to satisfy such obligations, in whole or in part, (i) by causing the Company or the Affiliate to withhold the minimum required number of Shares otherwise issuable to the Grantee as may be necessary to satisfy such withholding obligation or (ii) by delivering to the Company or the Affiliate Shares already owned by the Grantee. The Shares so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. The Fair Market Value of the Shares used to

satisfy such withholding obligation shall be determined by the Company or the Affiliate as of the date that the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 12.3** may satisfy his or her withholding obligation only with Shares that are not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements.

12.4. Captions

The use of captions in the Plan or any Award Agreement is for the convenience of reference only and shall not affect the meaning of any provision of the Plan or any Award Agreement.

12.5. Other Provisions

Each Award Agreement may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Board. In the event of any conflict between the terms of an employment agreement and the Plan, the terms of the employment agreement shall govern.

12.6. Number and Gender; References

With respect to words used in the Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, *etc.*, as the context requires. Unless provided otherwise, all references to articles, sections, exhibits, attachments, and the like shall be to articles, sections, exhibits, attachments, and the like in the Plan.

12.7. Severability

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

12.8. Governing Law

The Plan shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of law.

12.9. Section 409A

The Plan is intended to comply with Section 409A to the extent subject thereto and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered to be in compliance therewith. Any payments described in the Plan that are due within the “short-term deferral period” as defined in Section 409A shall not be treated as deferred compensation unless applicable laws require otherwise. Notwithstanding anything to the contrary in the Plan, to the extent required to avoid accelerated taxation and tax penalties under Section 409A, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to the Plan during the six-month period immediately following the Grantee’s Separation from Service shall instead be paid on the first payroll date after the six-month anniversary of the Grantee’s Separation from Service (or the Grantee’s death, if earlier). Notwithstanding the foregoing, neither the Company nor the Committee shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Grantee under Section 409A and neither the Company nor the Committee shall have any liability to any Grantee for such tax or penalty.

12.10. Transferability of Awards and Issued Shares

12.10.1. Transfers in General

No Award shall be sold, transferred, assigned, pledged, or otherwise encumbered or disposed of by the Grantee to whom it is granted, other than by will or the laws of descent and distribution or under a domestic relations order in settlement of marital property rights and, during the lifetime of the Grantee, only the Grantee personally (or the Grantee's personal representative) may exercise rights under the Plan.

12.10.2. Issued Shares

No Issued Shares shall be sold, assigned, transferred, pledged, hypothecated, given away, or in any other manner disposed of or encumbered, whether voluntarily or by operation of law, unless (i) such transfer is in compliance with the terms of the applicable Award, all applicable securities laws, and with the terms and conditions of the Plan and (ii) the transferee consents in writing to be bound by the provisions of the Plan, if so required by the Board. In connection with any proposed transfer, the Board may require the transferor to provide at the transferor's own expense an opinion of counsel to the transferor, satisfactory to the Board, that such transfer is in compliance with all foreign, federal, and state securities laws. Any attempted disposition of Issued Shares not in accordance with the terms and conditions of this **Section 12.10.2** shall be null and void, and the Company shall not reflect on its records any change in record ownership of any Issued Shares as a result of any such disposition, shall otherwise refuse to recognize any such disposition, and shall not in any way give effect to any such disposition of Issued Shares.
