Item 3.02 Unregistered Sale of Equity Securities

On August 3, 2016 the Company agreed to issue 3,000,000 shares of common stock of the Company (the “*Transaction Shares*”) pursuant to a services and data agreement (the “*Services Agreement*”) as partial consideration for certain rights provided thereunder. Among other things, the Services Agreement provides the Company with certain exclusive rights to provide promotions and media, and to use shopper data, for approximately 5.5 years. In addition, certain rights may continue on a non-exclusive basis for up to an additional 4.5 years. At this time, the Company does not expect the Services Agreement to materially impact its guidance for the third quarter 2016 or the full year 2016.

1,000,000 of the Transaction Shares will be issued within 5 business days of August 3, 2016. The remaining 2,000,000 of the Transaction Shares (the “*Additional Shares*”) will be held in escrow. Subject to compliance with the Services Agreement, half of the Additional Shares shall be released from escrow within 15 business days of the end of 2017 and 2018.

This issuance and sale of the Transaction Shares are exempt from registration under the Securities Act of 1933, as amended (the “*Securities Act*”) pursuant to Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D thereunder. The recipient of the Transaction Shares is an “accredited investor” as defined in Rule 501 of the Securities Act and represented that the common stock is being acquired for investment purposes and not with a view to, or for sale in connection with, any distribution thereof, and appropriate legends will be affixed to any certificates evidencing the shares of common stock issued.
