TO THE HOLDERS OF THE COMMON STOCK:

PLEASE TAKE NOTICE that the 2005 Annual Meeting of Stockholders of RPC, Inc., a Delaware corporation (**RPC** or the Company), will be held at the Company's offices located at 2170 Piedmont Road, NE, Atlanta, Georgia, on Tuesday, April 26, 2005, at 12:20 P.M., or any adjournment thereof, for the following purposes:

Edgar Filing: RPC INC - Form DEF 14A

1. To elect three Class I directors to the Board of Directors; and
2. To transact such other business as may properly come before the meeting or any adjournment thereof.

The Proxy Statement dated March 31, 2005 is attached.

The Board of Directors has fixed the close of business on March 17, 2005 as the record date for the determination of stockholders entitled to notice of, and to vote at, the meeting.

Stockholders who do not expect to be present at the meeting are urged to complete, date, sign and return the enclosed proxy. No postage is required if the enclosed envelope is mailed in the United States.

BY ORDER OF THE BOARD OF DIRECTORS

Linda H. Graham, Secretary

Atlanta, Georgia
March 31, 2005

PROXY STATEMENT

This Proxy Statement and a form of proxy were first mailed to stockholders on or about March 31, 2005. The following information concerning the enclosed proxy and the matters to be acted upon at the Annual Meeting of the Stockholders to be held on April 26, 2005, is submitted by the Company to the stockholders in connection with the solicitation of proxies on behalf of the Company's Board of Directors.

Three-for-two stock split The Board of Directors, at their meeting on January 25, 2005, authorized a three-for-two stock split to stockholders of record on February 10, 2005, payable on March 10, 2005. **All share, per share and market price data herein have been adjusted for this split.**

SOLICITATION OF AND POWER TO REVOKE PROXY

A form of proxy is enclosed. Each proxy submitted will be voted as directed, but if not otherwise specified, proxies solicited by the Board of Directors of the Company will be voted in favor of the candidates for election to the Board of Directors.

A stockholder executing and delivering a proxy has power to revoke the same and the authority thereby given at any time prior to the exercise of such authority, if he so elects, by contacting either proxy holder or by attending the meeting and voting in person. However, a beneficial stockholder who holds his shares in street name must secure a proxy from his broker before he can attend the meeting and vote.

CAPITAL STOCK

The outstanding capital stock of the Company on March 17, 2005 consisted of 43,473,336 shares of Common Stock, par value \$0.10 per share. Holders of Common Stock are entitled to one vote (non-cumulative) for each share of such stock registered in their respective names at the close of business on March 17, 2005, the record date for determining stockholders entitled to notice of, and to vote at, the meeting or any adjournment thereof.

A majority of the outstanding shares will constitute a quorum at the Annual Meeting. Abstentions will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. Because the only currently scheduled item to be acted on at the meeting is the election of directors, there will be no broker non-votes. In accordance with the General Corporation Law of the state of Delaware, the election of the nominees named herein as Directors will require the affirmative vote of a plurality of the votes cast by the shares of Company Common Stock entitled to vote in the election provided that a quorum is present at the Annual Meeting. In the case of a plurality vote requirement (as in the election of directors), where no particular percentage vote is required, the outcome is solely a matter of comparing the number of votes cast for each nominee, with those nominees receiving the most votes being elected, and hence only votes for director nominees (and not abstentions) are relevant to the outcome. In this case, the three nominees receiving the most votes will be elected.

Edgar Filing: RPC INC - Form DEF 14A

The executives named in the Summary Compensation Table, and the name and address of each stockholder (or group as that term is used in Section 13(d)(3) of the Exchange Act) who owned beneficially five percent (5%) or more of the shares of Common Stock of the Company on March 17, 2005, together with the number of shares owned by each such person and the percentage of outstanding shares that ownership represents, and information as to Common Stock ownership of the directors and executive officers of the Company as a group (according to information received by the Company), are set out below:

ELECTION OF DIRECTORS

On January 25, 2005, on the recommendation of the Nominating and Governance Committee, the Board of Directors expanded the size of the Board to nine members and elected Bill J. Dismuke as a Class II Director effective the same date. Mr. Dismuke, 68, is the retired President of Edwards Baking Company. Mr. Dismuke serves as a director of Rollins, Inc., a position he has held since 1984, and was also recently elected as a director of Marine Products Corporation. Mr. Dismuke has not been appointed to any committee of the Board of Directors. Mr. Dismuke's term expires at the Annual Meeting of Stockholders in 2006.

At the Annual Meeting, Mr. R. Randall Rollins, Mr. Henry B. Tippie, and Mr. James B. Williams will be nominated to serve as Class I directors. The directors in each class serve for a term of three years. The director nominees will serve in their respective class until their successors are elected and qualified. Six other individuals serve as directors but are not standing for re-election because their terms as directors extend past this Annual Meeting pursuant to provisions of the Company's By-laws that provide for the election of directors for staggered terms, with each director serving a term of three years. Unless authority is withheld, the proxy holders will vote for the election of each nominee named below. Although management does not contemplate the possibility, in the event any nominee is not a candidate or is unable to serve as a director at the time of the election, unless authority is withheld, the proxies will be voted for any nominee who shall be designated by the present Board of Directors and recommended by the Nominating and Governance Committee, to fill such vacancy.

The name and age of the director nominees, their principal occupations, together with the number of shares of Common Stock beneficially owned, directly or indirectly, by each and the percentage of outstanding shares that ownership represents, all as of the close of business on March 17, 2005, (according to information received by the Company) are set out below. **CORPORATE GOVERNANCE AND BOARD OF DIRECTORS
COMPENSATION, COMMITTEES AND MEETINGS**

Board Meetings and Compensation

Under current compensation arrangements, non-employee directors each receive an annual retainer fee of \$16,000. The Chairman of the Audit Committee receives an annual retainer of \$12,000 and the Chairman of each of the Compensation Committee, Nominating and Governance Committee and Diversity Committee receives an annual retainer of \$4,000. A director that chairs more than one committee receives a retainer with respect to each committee he chairs. All of the retainers are paid on a quarterly basis. Per meeting fees for non-employee directors are as follows:

For meetings of the Board of Directors, Compensation Committee, Nominating and Governance Committee and Diversity Committee, \$1,000.

Edgar Filing: RPC INC - Form DEF 14A

For meetings of the Audit Committee, \$2,000. In addition, the Chairman of the Audit Committee receives an additional \$1,000 for preparing to conduct each quarterly meeting.

All non-employee directors are also entitled to reimbursement of expenses for all services as a director, including committee participation or special assignments.

The Board of Directors met four times during the fiscal year ended December 31, 2004. No director attended fewer than 75 percent of the aggregate of all Board meetings and meetings of committees on which he or she served during 2004. Board members are encouraged to attend the Company's Annual Stockholder Meetings and all Board members were in attendance at last year's meeting.

The Board of Directors has the following standing committees: Audit Committee, Compensation Committee, Executive Committee, Diversity Committee and Nominating and Governance Committee.

Audit Committee

The Audit Committee of the Board of Directors of the Company consists of Henry B. Tippie, (Chairman), Wilton Looney and James B. Williams. The Audit Committee held five meetings during the fiscal year ended December 31, 2004. The Board of Directors has determined that all of the Audit Committee members are independent as that term is defined by the rules of the Securities and Exchange Commission (SEC) and the New York Stock Exchange (NYSE). The Board of Directors has also determined that all of the Audit Committee members are Audit Committee Financial Experts as defined in the SEC rules. Additionally, the Board of Directors determined that the simultaneous service by Mr. James B. Williams on the Audit Committees of three other publicly traded companies does not impair his ability to effectively serve on the Audit Committee of RPC, Inc. The Audit Committee meets with the Company's independent registered public accountants, internal auditor, Chief Executive Officer and Chief Financial Officer to review the scope and results of audits and

5

recommendations made with respect to internal and external accounting controls and specific accounting and financial reporting issues. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from the Company for, outside legal, accounting or other advisors as it deems necessary to carry out its duties. The Audit Committee charter is included herein as Appendix A and is also available on the Company's website at www.rpc.net under the Governance section. A written copy of the charter can be obtained free of charge by writing to The Secretary, RPC, Inc., 2170 Piedmont Road NE, Atlanta, Georgia 30324.

Compensation Committee

The Compensation Committee of the Board of Directors of the Company consists of Henry B. Tippie (Chairman), Wilton Looney, and James B. Williams. It held two meetings during the fiscal year ended December 31, 2004. The function of the Compensation Committee is to set the base salary and cash based incentive compensation of all of the Named Executive Officers. The Compensation Committee also administers the RPC, Inc. Stock Incentive Plans.

Executive Committee

The Executive Committee of the Board of Directors of the Company consists of R. Randall Rollins and Gary W. Rollins. It held no meetings during the fiscal year ended December 31, 2004. However, it took action three times by unanimous consent. The function of the Executive Committee is to take all permitted actions of the Board in its stead as permitted by the Company's By-laws and Delaware law. The members of the Executive Committee do not receive any additional compensation for their duties on this committee.

Diversity Committee

The Diversity Committee of the Board of Directors of the Company consists of Henry B. Tippie (Chairman), Wilton Looney, and James B. Williams. It held one meeting during the fiscal year ended December 31, 2004. The function of the Diversity Committee is to monitor compliance with applicable non-discrimination laws.

Nominating and Governance Committee

Edgar Filing: RPC INC - Form DEF 14A

The Nominating and Governance Committee of the Board of Directors of the Company consists of Henry B. Tippie (Chairman), Wilton Looney, and James B. Williams, each of whom is independent, as discussed more fully under Director Independence and NYSE guidelines. The Committee was formed in 2002 pursuant to a resolution passed by the Board of Directors for the following purposes:

to recommend to the Board of Directors nominees for director and to consider any nominations properly made by a stockholder;

upon request of the Board of Directors, to review and report to the Board with regard to matters of corporate governance; and

to make recommendations to the Board of Directors regarding the agenda for Annual Stockholders Meetings and with respect to appropriate action to be taken in response to any stockholder proposals.

The Nominating and Governance Committee held one meeting during the fiscal year ended December 31, 2004. The Board of Directors of the Company established the Nominating and Governance Committee to promote responsible corporate governance practices and currently intends to maintain the Committee going forward.

Director Nominations

Under Delaware law, there are no statutory criteria or qualifications for directors. No criteria or qualifications have been prescribed by the Board at this time. The Nominating and Governance Committee does not have a charter or a formal policy with regard to the consideration of director candidates. However, it acts under the guidance of the corporate governance guidelines approved by the Board of Directors on January 27,

6

2004, as amended January 25, 2005, and posted on the Company's website at www.rpc.net under the Governance section. A written copy of the Corporate Governance Guidelines can be obtained free of charge by writing to The Secretary, RPC, Inc., 2170 Piedmont Road NE, Atlanta, Georgia 30324. The Board believes that it should preserve maximum flexibility in order to select directors with sound judgment and other desirable qualities. According to the Company's corporate governance guidelines, the Board of Directors will be responsible for selecting its own members. The Board delegates the screening process to the Nominating and Governance Committee. This Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the then current make-up of the Board. This determination takes into account all factors which the Committee considers appropriate, such as independence, experience, strength of character, mature judgment, technical skills, diversity, age and the extent to which the individual would fill a present need on the Board. The Company's By-laws provide that nominations for the election of directors may be made by any stockholder entitled to vote for the election of directors. Nominations must comply with an advance notice procedure which generally requires, with respect to nominations for directors for election at an annual meeting, that written notice be addressed to: Secretary, RPC, Inc., 2170 Piedmont Road, NE, Atlanta, Georgia 30324, not less than ninety days prior to the anniversary of the prior year's annual meeting and set forth the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years, the nominee's qualifications, the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and any other information relating to the person that would be required to be disclosed in a proxy statement or other filings. Other requirements related to the notice are contained in the Company's By-laws. The Committee will consider nominations from stockholders who satisfy these requirements. The Committee is responsible for screening the nominees that are selected by the Board of Directors for nomination to the Board and for service on committees of the Board. To date, the Company has not received a recommendation for a director nominee from a stockholder. All of the nominees for directors being voted upon at the Annual Meeting to be held on April 26, 2005 are directors standing for re-election.

Director Communications

The Company also has a process for interested parties, including stockholders, to send communications to the Board of Directors, Presiding Director, any of the Board Committees or the non-management directors as a group. Such communications should be addressed as follows:

Mr. Henry B. Tippie
c/o Internal Audit Department
RPC, Inc.
2170 Piedmont Road NE
Atlanta, Georgia 30324.

Instructions for communications with the directors are posted on our website at www.rpc.net under the Governance section. All communications received from interested parties are forwarded to the Board of Directors. Any communication addressed solely to the Presiding Director or the non-management directors will be forwarded directly to the appropriate addressee(s).

Director Independence and NYSE Requirements

Controlled Company Exemption

The Company is not required by law or NYSE listing requirements to have a Nominating or Compensation Committee composed of independent directors, nor to have a Board of Directors the majority of which are independent. Because the Company is a controlled corporation, as defined by NYSE Rule 303A.00, the Company is exempt from NYSE Rules 303A.01, 303A.04 and 303A.05 and does not undertake compliance with those provisions. The Company is a controlled corporation because a group that includes the Company's Chairman of the Board R. Randall Rollins, his brother Gary W. Rollins who is also a director and certain companies under their control, possesses in excess of fifty percent of the Company's voting power.

7

The Company's Audit Committee is composed of three independent directors as defined by the Company's Corporate Governance Guidelines, the New York Stock Exchange rules, the Securities Exchange Act of 1934, SEC regulations thereunder, and the Company's Audit Committee Charter. However, because the current members of the Compensation and Nominating and Governance Committees are the same as the members of the Audit Committee, those committees are in fact currently composed of independent directors as well.

Independence Guidelines

Under New York Stock Exchange listing standards, to be considered independent, a director must be determined to have no material relationship with the Company other than as a director. The New York Stock Exchange standards set forth a nonexclusive list of relationships which are conclusively deemed material.

The Company's Independence Guidelines (Appendix A to the Company's Corporate Governance Guidelines) provide that to be independent, a director must not have any relationship that would be considered material under New York Stock Exchange Standards. In addition, the Company's Guidelines provide that, except in special circumstances as determined by a majority of the Board, the following relationships are not material:

- (i) If the director, or a member of the director's immediate family, has received less than one hundred thousand dollars (US \$100,000) in direct compensation from the Company (other than director and committee fees and compensation for prior service which are not contingent in any way on continued services) during every 12 month period within the past three (3) years;
- (ii) If the director is a director or officer, or any member of the director's immediate family is a director or officer of a bank to which the Company is indebted, and the total amount of the indebtedness does not exceed one percent (1%) of the total assets of the bank for any of the past three (3) years;
- (iii) If the director or any member of the director's immediate family serves as an officer, director, trustee or primary spokesperson of a charitable or educational organization, and donations by the Company do not exceed the greater of one million dollars (US \$1,000,000) or two percent (2%) of the organization's total annual charitable receipts for any of the past three (3) years;
- (iv) If the director has a relationship with the Company of a type covered by item 404(a) and/or item 404(b) of the Securities and Exchange Commission's Regulation S-K (or any successor regulation), and that relationship need not, according to the terms of those items and any then-current proxy regulations, be disclosed in the Company's annual proxy statement (except for relationships described elsewhere in these guidelines in which case the other guidelines will govern);
- (v) If the director, or a member of the director's immediate family, has direct or beneficial ownership (as defined by Rule 13d-3 under the Securities Exchange Act of 1934) of any amount of any class of common stock of the Company.

Audit Committee Charter

Under the Company's Audit Committee Charter, in accordance with New York Stock Exchange listing requirements and the Securities Exchange Act of 1934, all members of the Audit Committee must be independent of management and the Company. A member of the Audit Committee is considered independent as long as he or she (i) does not accept any consulting, advisory, or compensatory fee from the Company, other than as a director or committee member; (ii) is not an affiliated person of the Company or its subsidiaries; and (iii) otherwise meets the independence requirements of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Nonmaterial Relationships

After reviewing all of the relationships between the members of the Audit Committee and the Company, the Board of Directors determined that none of the members of the Audit Committee had any relationships not included within the categorical standards set forth in the Independence Guidelines and disclosed above except as follows:

8

1. Mr. Tippie was employed by Rollins, Inc. (Rollins) from 1953 to 1970, and held several offices with that company during that time, including as Executive Vice President Finance, Secretary, Treasurer and Chief Financial Officer. Messrs. Randall and Gary Rollins are directors and executive officers of Rollins and are part of a group that has voting control of Rollins.
2. Mr. Tippie is Chairman of the Board of Directors of Dover Motorsports, Inc. and Dover Downs Gaming and Entertainment, Inc., on both of which Mr. Randall Rollins is a director.
3. Mr. Tippie is the executor of the Estate of John W. Rollins, Sr., the uncle of Gary and Randall Rollins, the trustee of the O. Wayne Rollins Foundation and of the Rollins Children's Trust. O. Wayne Rollins is the father of Gary and Randall Rollins. The beneficiaries of the Rollins Children's Trust include the immediate family members of Gary and Randall Rollins.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accountants are responsible for performing independent audits of the Company's consolidated financial statements and management's assessment that the Company maintained effective control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles; that is the responsibility of management.

In fulfilling its oversight responsibilities with respect to the year ended December 31, 2004, the Audit Committee:

Authorized both the dismissal of Ernst & Young LLP (Ernst & Young) as its independent registered public accounting firm and the appointment of Grant Thornton LLP (Grant Thornton) as its new independent registered public accounting firm;

Reviewed with management the interim financial information included in the Forms 10-Q prior to their being filed with the SEC. In addition, the Committee reviewed all earnings releases with management prior to their release;

Reviewed and discussed with the Company's management and the applicable independent registered public accountants the audited consolidated financial statements of the Company as of December 31, 2004 and 2003 and for the three years ended December 31, 2004. The discussion included matters related to the conduct of the audit, such as the selection of and changes in accounting policies, significant adjustments arising from the audit and the absence of any disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements;

Reviewed and discussed with the Company's management and Grant Thornton, management's assessment that the Company maintained effective control over financial reporting as of December 31, 2004;

Discussed with the independent registered public accountants matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees; and

Received from the independent registered public accountants the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the registered public accountants the firm's independence from the Company.

Based upon the review and discussions referred to above, the Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company and subsidiaries as of December 31, 2004 and 2003 and for the three years ended December 31, 2004, management's report on internal control over financial reporting as of December 31, 2004 and the report of independent registered public accounting firm on internal control over financial reporting as of December 31, 2004 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 and for filing with the Securities and Exchange Commission.

In giving its recommendation to the Board of Directors, the Audit Committee has relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and (ii) the report of the Company's independent registered public accountants with respect to such financial statements.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Overview

During the fiscal year 2004, the members of the Compensation Committee of the Board of Directors held responsibility for determining the base salary and cash based incentive plans for the Named Executive Officers. The Compensation Committee also administers the stock based incentives for all of the Named Executive Officers. The Compensation Committee is comprised of outside directors who do not participate in the Company's compensation plans.

The Company is engaged in a highly competitive industry. The actions of the Named Executive Officers have a profound impact on the short-term and long-term profitability of the Company; therefore, the designs of the Named Executive Officers' compensation packages are very important. In order to retain key employees, the Company has an executive compensation package that is determined by increase in shareholder value, the overall performance of the Company, and the individual performance of the executive. The measures of the Company's performance considered by the Compensation Committee in determining the 2004 Named Executive Officers' compensation were long-term growth in net income and stockholder value improvements in addition to individual performance. The Committee subjectively weights these factors without any specific formula and adjusts the compensation of an executive based on individual performance compared to Company expectations and performance. During fiscal 2004, the Company performance met or exceeded its expectations at the time it set executive pay.

Pursuant to the above compensation philosophy, the three main components of the executive compensation packages are base salary, cash based incentives, and stock based incentive plans.

The Company's Named Executive Officers are also executive officers of Marine Products and receive compensation directly from Marine Products. The members of the Company's Compensation Committee also constitute the Compensation Committee of Marine Products. In determining the compensation for the Named Executive Officers at the Company, the Committee considers the dual responsibilities and sets compensation from the Company at such levels that the aggregate compensation received from both Marine Products and the Company is reasonable in light of the responsibilities and the performance of each Company. A discussion of the Company's executive officers' compensation at Marine Products is contained in its annual proxy statement filed with the U.S. Securities and Exchange Commission.

Base Salary

The factors subjectively used in determining base salary include the recent profit performance of the Company, the magnitude of responsibilities, the scope of the position, individual performance, and the salary received by peers in similar positions in the same geographic area, in addition to the base salary from Marine Products. These factors are not used in any specific formula or weighting. The base salaries of the Named Executive Officers are reviewed annually. Increases to base salaries for the Named Executive Officers ranged up to 18 percent in 2004 based on all the factors discussed above.

Cash Based Incentives

The annual cash based incentive compensation for the Named Executive Officers are based upon broad performance objectives. The Named Executive Officers participate in a variety of individualized performance bonus plans designed by the Committee to encourage achievement of short-term goals. These programs all have payouts subjectively based on net income, budget objectives, and other individual performance objectives. The individual performance objectives relate to each Named Executive Officer improving the contribution of his or her functional area of responsibility to further enhance the earnings of the Company. Bonuses are not made subject to any plan or program, written or unwritten, that is communicated in advance to the Named Executive Officers. No specific performance criteria are established in advance, and no specific ranges for bonuses are established in advance. Bonuses for a particular fiscal year are generally determined during the first quarter of the following fiscal year and paid at the discretion of the Compensation Committee. Bonuses were paid in the first

quarter of 2005 for the year ended December 31, 2004 and totaled \$690,000 for the Named Executive Officers, based on improved financial performance of the Company in 2004 compared to 2003 and individual performance.

Stock Based Incentive Plans

Awards under the Company's Stock Incentive Plan are discretionary, and are not based on any specific formula and may or may not be granted in any given fiscal year. When considering grants under the plan, the Compensation Committee gives consideration to the overall performance of the Company and the performance of individual employees. The Plan is administered by the Committee, which consists of non-employee directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Based on improved financial performance of the Company in 2004 compared to 2003 and individual performance, the Committee granted to the Named Executive Officers a total of 79,500 shares of restricted stock. The restricted stock granted vests in 20 percent increments annually beginning in 2006.

The Compensation Committee currently believes that there are no employees whose total compensation including option grants under the Company's Stock Incentive Plans will materially exceed the \$1 million deductibility limit of Section 162(m) of the Internal Revenue Code of 1986, as amended, except as disclosed below. The most recent grants vest ratably over a six year period, thereby minimizing the likelihood of increasing stock prices resulting in an employee's annual compensation exceeding the Section 162(m) limitation. Therefore, the Committee has determined that the Company will not change its various compensation plans, or otherwise meet the requirements of such exemption, or take other actions to qualify such grants (or other compensation) for an exemption from the Section 162(m) limitation at this time.

However, in 2004, Richard A. Hubbell received total taxable compensation in excess of \$1 million due to the vesting of ten-year time lapse restricted shares issued in 1994. This resulted in an estimated increase in the Company's income tax liability of approximately \$257,000.

Chief Executive Officer Compensation

The Chief Executive Officer's compensation is determined by the Compensation Committee. For fiscal year 2004, the cash compensation of Richard A. Hubbell, was \$655,000, of which \$455,000 was base salary and \$200,000 was cash based incentive compensation. In addition, Mr. Hubbell was granted 30,000 shares of restricted stock, valued at \$9.21 per share, that vest in 20 percent increments annually beginning in 2006. The Chief Executive Officer's total 2004 compensation including base salary increases, cash based incentives and stock based incentives was based upon the long-term growth in revenues, net income, stockholder value improvements including increase in stock price and the Chief Executive Officer's individual performance towards achieving the goals listed above. The decision of the Compensation Committee was subjective and was not based upon any specific formula or guidelines. No member of the Compensation Committee participates in any Company incentive program.

COMMON STOCK PERFORMANCE

As part of the executive compensation information presented in this proxy statement, the Securities and Exchange Commission requires a five year comparison of the cumulative total stockholder return based on the performance of the stock of the Company, assuming dividend reinvestment, as compared with both a broad equity market index and an industry or peer group index. The indices included in the following graph are the Russell 2000 Index (Russell 2000), the Philadelphia Stock Exchange's Oil Service Index (OSX), and a peer group which includes companies that are considered peers of the Company, as discussed below (the Peer Group). The Company has voluntarily chosen to provide both an industry and a peer group index.

The Russell 2000 is a stock index representing small capitalization U.S. stocks. The components of the index had an average market capitalization in 2004 of \$857 million, and the Company was a component of the Russell 2000 during 2004. The Russell 2000 was chosen because it represents companies with comparable market capitalizations to the Company. The OSX is a stock index of 15 U.S. companies that

Edgar Filing: RPC INC - Form DEF 14A

provide oil drilling and production services, oilfield equipment, support services and geophysical/reservoir services. The Company is not a component of the OSX, but it was chosen because it represents a large group of companies that provide the same or similar products and services as the Company. The companies included in the Peer Group are Weatherford International, Inc., BJ Services Company, Superior Energy Services, Inc., and Halliburton Company. The companies included in the peer group have been weighted according to each respective issuer's stock market capitalization at the beginning of each year.

COMPARISON OF FIVE-YEAR CUMULATIVE TOTAL RETURN*

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Effective with the spin-off in 2001, the Company began providing certain administrative services to Marine Products. The service agreements between Marine Products and the Company provide for the provision of services on a cost reimbursement basis and may be terminated upon six months notice. The services covered by these agreements include administration of certain employee benefit programs and other administrative services. Charges from the Company (or from corporations which are subsidiaries of the Company) for such services aggregated approximately \$546,000 in 2004.

During 2004, a subsidiary of RPC conducted business with companies owned by LOR, Inc. Mr. R. Randall Rollins, Chairman, and Mr. Gary W. Rollins, Director are officers, directors and controlling stockholders of LOR, Inc. In 2004, payments totaling approximately \$529,000 were made to these LOR, Inc. companies for the purchase of parts and repair services related to certain of RPC's oilfield operating equipment. RPC believes the charges incurred by its subsidiary are at least as favorable as the charges that would have been incurred for similar services from unaffiliated third parties.

RPC receives certain administrative services including an allocation for office space from Rollins. The service agreements between Rollins and the Company provide for the provision of services on a cost reimbursement basis and are terminable on six months notice. The services covered by these agreements include office space, administration of certain employee benefit programs, and other administrative services. Charges to the Company (or to corporations which are subsidiaries of the Company) for such services and rent aggregated \$76,000 in 2004.

EXECUTIVE EMPLOYMENT CONTRACTS

The Company's employment contracts with its Chief Executive Officer and the Company's other three most highly compensated executive officers (the Named Executive Officers) as of March 1, 2005 are oral, at will arrangements. Set forth below is a summary of the material terms of the compensation under such at will arrangements. Except as disclosed elsewhere in this proxy statement, the Named Executive Officers do not have guaranteed terms of employment. None of the Named Executive Officers are entitled to severance or other termination payments relating to a change of control in excess of \$100,000.

Base Salaries

None of the Named Executive Officers of the Company received salary increases in 2005. The annual base salaries for the Company's Named Executive Officers are disclosed in the Summary Compensation Table on page 16.

Discretionary Bonuses

Edgar Filing: RPC INC - Form DEF 14A

All of the Named Executive Officers are eligible for annual cash bonuses which are awarded on an entirely discretionary basis, following a review by the Company's Compensation Committee of the performance of the Company and the executives for the relevant year. The Compensation Committee's decisions are based upon broad performance objectives. The bonus program focuses on the achievement of short-term objectives. Bonus decisions are made based on a review of net income, budget objectives, and other individual performance objectives. The individual performance objectives considered by the Committee relate to each Named Executive Officer improving the contribution of his or her functional area of responsibility to further enhance the earnings of the Company.

Discretionary bonuses are not made subject to any plan or program, written or unwritten, that is communicated in advance to the Named Executive Officers. No specific performance criteria are established in advance, and no specific ranges for bonuses are established in advance. Bonuses for a particular fiscal year are generally determined during the first quarter of the following fiscal year and paid at the discretion of the Compensation Committee.

Bonuses were paid in the first quarter of 2005 for the year ended December 31, 2004 and totaled \$690,000 for all of the Named Executive Officers, as disclosed in the Summary Compensation Table on page 16.

14

Supplemental Retirement Plan

The Plan allows participants to defer up to 25 percent of base salary and up to 50 percent of annual bonus and commissions, subject to an overall maximum of \$500,000 in any given year, and other terms and conditions set forth in the Plan.

Company Contributions

The Company makes certain Enhanced Benefit Contributions under the Plan on behalf of Mr. Hubbell, as disclosed in the Summary Compensation Table on page 16. The Company has retained absolute discretion to reduce the amount of Enhanced Benefit Contributions at any time for any reason, and may elect not to make any such contributions at all. The Company currently expects that Mr. Hubbell's last Enhanced Benefit Contribution will be made with respect to fiscal year 2008.

In addition to the Enhanced Benefit Contributions, the Company may make discretionary contributions on behalf of a Participant under the Plan in any amount and at any time. The Company has no obligation to make any such discretionary contribution, has no current plans to make such a contribution on behalf of any Named Executive Officer, and has never made any such contribution under the Supplemental Retirement Plan since its creation in August of 2002.

A copy of the Plan is filed as an exhibit to the Form 10-K for the year ended December 31, 2004 filed with the SEC on March 16, 2005. The material terms and conditions of the Plan are more particularly described in the Company's Form 8-K filed with the SEC on December 23, 2004.

- (1) The Company has granted employees two forms of restricted stock; performance restricted and time lapse restricted. The performance restricted shares are granted, but not earned and issued until certain five-year tiered performance criteria are met. The performance criteria are predetermined market prices of RPC common stock. On the date the common stock appreciates to each level (determination date), 20 percent of performance shares are earned. Once earned, the performance shares vest five years from the determination date. After the determination date, the grantee will receive all dividends declared and also voting rights to the shares. Time lapse restricted shares vest after a stipulated number of years from the grant date, depending on the terms of the issue. The Company has issued time lapse restricted shares that vest over ten years in prior years and in 2004 issued time lapse restricted shares that vest in 20 percent increments annually starting with the second anniversary of the grant, over six years from the date of grant. During these years, grantees receive all dividends declared and retain voting rights for the granted shares. As of December 31, 2004, 85,500 time lapse restricted shares and 15,770 performance restricted shares were held by Mr. Hubbell, 25,500 time lapse restricted shares and 908 performance restricted shares were held by Ms. Graham, and 42,750 time lapse restricted shares and 22,358 performance restricted shares were held by Mr. Palmer. The total number of shares held and their values on December 31, 2004 were as follows: Mr. Hubbell, 101,270 shares valued at \$1,696,000, Ms. Graham, 26,408 shares valued at \$442,000 and Mr. Palmer, 65,108 shares valued at \$1,091,000 of which 4,500 shares are subject to issuance upon meeting performance criteria as defined in the related Performance Restricted Stock Agreement. The time lapse restricted share certificates and the performance restricted share certificates that have been earned and issued are being held by the Company and may not be transferred by the Named Executive Officers until the shares vest. The December 31, 2004 values are based on the closing stock market price of \$16.75 and do not take into account any diminution of value attributable to vesting provisions of these shares.

Edgar Filing: RPC INC - Form DEF 14A

- (2) Effective July 1, 1984, the Company adopted the RPC 401(k) Plan (401(k) Plan), a qualified retirement plan designed to meet the requirements of Section 401(k) of the Internal Revenue Code (the Code). The 401(k) Plan provides for a matching contribution of fifty cents (\$0.50) for each dollar (\$1.00) of a participant's contribution to the 401(k) Plan that does not exceed six percent of his or her annual compensation (which includes commissions, overtime and bonuses). A participant's voluntary pre-tax salary deferrals made under the 401(k) Plan are in lieu of payment of compensation to the participant. The Company's Retirement Income Plan, a trustee defined benefit pension plan, provides monthly benefits upon retirement at age 65 to eligible employees. In the first quarter of 2002, the Company's Board of Directors approved

16

a resolution to cease all future benefit accruals under the Retirement Income Plan effective March 31, 2002. In lieu thereof, beginning in 2002, the Company began providing enhanced benefits in the form of cash contributions on behalf of certain long-service employees who were 40-65 years of age on or before December 31, 2002. These enhanced benefit contributions are discretionary and may be made annually, subject to a participant's continued employment, for a maximum of seven years. The contributions are made either to the non-qualified Supplemental Retirement Plan (SRP) or to the 401(k) Plan for each employee who is entitled to the enhanced benefits. The amounts shown in this column represent the Company match under the 401(k) Plan. In the case of Mr. Hubbell, the amount shown includes \$26,262 towards enhanced benefits. Beginning late in 2002, the Company began permitting selected highly compensated employees to defer a portion of their compensation into the SRP.

- (3) Mr. Rollins, Mr. Hubbell, Mr. Palmer and Ms. Graham are also executive officers of Marine Products and receive compensation directly from Marine Products.

BENEFIT PLANS

The Company's Retirement Income Plan, a trustee defined benefit pension plan, provides monthly benefits upon retirement at age 65 to eligible employees. In the first quarter of 2002, the Company's Board of Directors approved a resolution to cease all future benefit accruals under the Retirement Income Plan effective March 31, 2002. Retirement Income Plan benefits are based on the average of the employee's compensation from the Company for the five consecutive complete calendar years of highest compensation during the last ten consecutive complete calendar years (final average compensation) immediately preceding March 31, 2002. Accordingly the pension plan table has not been presented under this section.

The current years of service for the four individuals named in the Summary Compensation Table are: R. Randall Rollins 30, Richard A. Hubbell 15, Linda H. Graham 15 and Ben M. Palmer 4. The annual benefit payable at the later of retirement or age 65 for the Named Executive Officers is \$261,600 for Mr. Rollins, \$41,400 for Mr. Hubbell, \$24,900 for Ms. Graham and \$9,400 for Mr. Palmer. In accordance with the Code (as amended by the Economic Growth and Tax Relief Reconciliation Act of 2001), the maximum annual benefit payable to a Retirement Income Plan beneficiary in 2004 was \$165,000. Retirement benefits accrued at the end of any calendar year or as of March 31, 2002 will not be reduced or increased by any subsequent changes in the maximum compensation limit.

The Plan also provides reduced early retirement benefits under certain conditions. In addition, as an owner with stock ownership in excess of five percent of the Company's voting securities, Mr. Rollins is required to receive mandatory distributions currently, even though he has not retired from the Company. The amount of distribution received during 2004 was approximately \$261,600 and is not subject to change after retirement.

In 2002, the Company began providing additional benefits on behalf of certain long-service employees in the form of discretionary cash contributions made either to the Company's 401(k) Plan (which is described below) or the Supplemental Retirement Plan as described above under Executive Employment Contracts. Amounts contributed to the accounts of the Named Executive Officers are reported in the All Other

Compensation column of the Summary Compensation Table on page 16.

Effective July 1, 1984, the Company adopted a qualified retirement plan designed to meet the requirements of Section 401(k) of the Code. The Company makes matching contributions of fifty cents (\$0.50) for each dollar (\$1.00) of a participant's contribution to the 401(k) Plan that does not exceed six percent of his or her annual compensation. The only form of benefit payment under the 401(k) Plan is a single lump-sum payment equal to the vested balance in the participant's account on the date the distribution is processed. Under the 401(k) Plan, the full amount of a participant's vested accrued benefit is payable upon his termination of employment, retirement, total and permanent disability, or death. Also under the 401(k) Plan, a participant may withdraw his or her pre-tax contributions to the extent of certain specified instances of financial hardship and may withdraw any amount from his or her pre-tax contribution account for any reason after attaining age 59-1/2. In addition, a participant may withdraw any amount from his or her rollover account for any reason. INDEPENDENT PUBLIC ACCOUNTANTS

Change in Accountants

The independent public accounting firm of Ernst & Young was initially engaged as the Company's auditors for the fiscal year ended December 31, 2004. Effective subsequent to the filing of its Quarterly report on Form 10-Q for the quarter ended June 30, 2004, the Company decided on August 17, 2004, to terminate Ernst & Young as the Company's independent registered public accountants, and to appoint Grant Thornton as its independent registered public accountants for the year ended December 31, 2004. The decisions to dismiss Ernst & Young and to appoint Grant Thornton were authorized by the Company's Audit Committee.

For the fiscal years ended December 31, 2002 and 2003, Ernst & Young's report on the financial statements of the Company did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company's fiscal years ended December 31, 2002 and 2003, and the subsequent interim period through August 17, 2004, there were no disagreements between the Company and Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to the satisfaction of Ernst & Young would have caused them to make reference to the subject matter of the disagreement in connection with their reports. The following reportable events described under Item 304(a)(1)(v) of Regulation S-K did not occur within the Company's fiscal years ended December 31, 2002 and 2003 or during any subsequent interim period through August 17, 2004.

1. Ernst & Young did not advise the Company that the internal controls necessary to develop reliable financial statements did not exist,
2. Ernst & Young did not advise the Company that it would be unable to rely on management's representation,
3. Ernst & Young did not advise the Company of the need to significantly expand the scope of its audit,
4. Ernst & Young did not advise the Company that information had come to its attention that had caused it to conclude that there was a material impact to the fairness or reliability of a previously issued audit report or the underlying financial statements.

During the Company's fiscal years ended December 31, 2002 and 2003, and from January 1, 2004 through August 17, 2004, neither the Company nor someone acting on the Company's behalf consulted Grant Thornton regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, (ii) the type of audit opinion that might be rendered on the Company's financial statements, or (iii) any matter that was either the subject of a disagreement, as defined in Regulation S-K Item 304(a)(1)(iv), or a reportable event as defined in Regulation S-K Item 304(a)(1)(v).

The Company filed a Report on Form 8-K with the SEC on August 20, 2004 regarding the change in accountants.

Pre-approval

All of the services described above were pre-approved by the Company's Audit Committee. The Audit Committee has determined that the payments made to its independent registered public accountants for these services are compatible with maintaining such auditors' independence. All of the hours expended on the principal accountant's engagement to audit the financial statements of the Company for the years 2004 and 2003 were attributable to work performed by full-time, permanent employees of the principal accountant.

The Audit Committee is directly responsible for the appointment and termination (subject, if applicable, to shareholder ratification), compensation, and oversight of the work of the independent registered public accountants, including resolution of disagreements between management and the independent registered public accountants regarding financial reporting. The Audit Committee is responsible for pre-approving all audit and non-audit services provided by the independent registered public accountants and ensuring that they are not engaged to perform the specific non-audit services proscribed by law or regulation. The Audit Committee has delegated pre-approval authority to its Chairman with the stipulation that his decision is to be presented to the full Committee at its next scheduled meeting. The Audit Committee has no other pre-approval policies.

KEY RESPONSIBILITIES

The Committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board and report results of their activities to the Board on a regular basis. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company as well as the Company's internal controls. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report hereon.

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take appropriate actions to set the overall corporate tone for quality financial reporting, sound business risk practices, and ethical behavior. The following shall be the principal duties and responsibilities of the Committee. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate under the circumstances.

The Committee shall be directly responsible for the appointment and termination (subject, if applicable, to shareholder ratification), compensation, and oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding financial reporting. The Committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The decisions of any Committee member to whom pre-approval authority is delegated must be presented to the full Committee at its next scheduled meeting.

At least annually, the Committee shall obtain and review a report by the independent auditors describing:

The firm's internal quality control procedures.

Any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

All relationships between the independent auditor and the Company (to assess the auditor's independence).

In addition, the Committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and the New York Stock Exchange listing standards.

The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation. Also, the Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Code of Conduct).

The Committee shall meet separately periodically with management, the internal auditors, and the independent auditors to discuss issues and concerns warranting Committee attention. The Committee shall provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the Committee. The Committee shall review with the independent auditor any audit problems or difficulties and management's response.

The Committee shall receive regular reports from the independent auditor on the critical policies and practices of the Company, and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management.

The Committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertion.

The Committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

The Committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The chair of the Committee may represent the entire Committee for the purposes of this review.

The Committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.

The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.
