## Edgar Filing: WORTHINGTON INDUSTRIES INC - Form 8-K

Item 1.01. Entry into a Material Definitive Agreement.

-----

On September 29, 2005, Worthington Industries, Inc. ("Worthington Industries") entered into a Second Amended and Restated Revolving Credit Agreement (the "Second Amended Credit Agreement") among Worthington Industries, as Borrower; PNC Bank, National Association, as Issuing Lender, Swingline Lender and Administrative Agent; Wachovia Bank, National Association; The Bank of Nova Scotia; Credit Suisse, Cayman Islands Branch (formerly Credit Suisse First Boston, Cayman Islands Branch); Fifth Third Bank (Central Ohio); U.S. Bank National Association; Comerica Bank; Citizens Bank of Pennsylvania; The Northern Trust Company; The Huntington National Bank; JPMorgan Chase Bank; National City Bank; Wells Fargo Bank, National Association; and LaSalle Bank, National Association, as Lenders (collectively with PNC Bank, National Association, the "Lenders"); and The Bank of Nova Scotia, as Syndication Agent and Sole Bookrunner; with The Bank of Nova Scotia and PNC Capital Markets, Inc. serving as Joint Lead Arrangers, and U.S. Bank National Association, Wachovia Bank, National Association and Comerica Bank serving as Co-Documentation Agents. The Second Amended Credit Agreement amends and restates in its entirety the Amended and Restated Revolving Credit Agreement, dated as of July 22, 2004 (the "Existing Credit Agreement"), to which Worthington Industries and all of the Lenders except LaSalle Bank National Association had been parties.

PNC Bank, National Association served as issuing lender, swingline lender and administrative agent under the Existing Credit Agreement and continues to serve in those capacities under the Second Amended Credit Agreement. The Bank of Nova Scotia served as syndication agent and sole bookrunner under the Existing Credit Agreement and continues to serve in those capacities under the Second Amended Credit Agreement. In addition, The Bank of Nova Scotia and PNC Capital Markets, Inc. had served as joint lead arrangers under the Existing Credit Agreement and continue to serve in that capacity under the Second Amended Credit Agreement. With the exception of LaSalle Bank National Association, each of the Lenders under the Second Amended Credit Agreement had also been a lender under the Existing Credit Agreement. In addition, certain of the Lenders under the Second Amended Credit Agreement provide other banking services not specifically outlined in the Second Amended Credit Agreement to Worthington Industries, its subsidiaries and its joint ventures, in the ordinary course of their respective businesses.

The Second Amended Credit Agreement represents a syndicated unsecured revolving credit facility under which aggregate revolving credit commitments of \$435 million will be available. The Existing Credit Agreement provided for the same amount of availability. Worthington Industries has the right to reduce the aggregate amount of the revolving credit commitments.

The Existing Credit Agreement had been due to expire on May 9, 2007. The Second Amended Credit Agreement provides for an extension of the revolving credit commitments to September 29, 2010. In addition, the Second Amended Credit Agreement reduces the facility fees payable from the amounts provided for in the Existing Credit Agreement and eliminates the utilization fee provided for in the Existing Credit Agreement. The Second Amended Credit Agreement also replaces the leverage ratio financial covenant in the Existing Credit Agreement with the interest coverage ratio financial covenant described below.

expenditures, acquisitions and dividends. The Second Amended Credit Agreement provides that up to \$50 million of the \$435 million aggregate revolving credit commitments may be used for trade letters of credit for the benefit of Worthington Industries and/or its subsidiaries and standby letters of credit for the benefit of Worthington Industries.

The Second Amended Credit Agreement has several borrowing options. Interest rates may be based on (i) a Base Rate; or (ii) a Eurodollar Rate plus a margin based on the then current S&P and Moody's ratings in respect of Worthington Industries' senior, unsecured, long-term indebtedness.

As Swingline Lender, PNC Bank, National Association has also agreed to make swingline loans to Worthington Industries from time to time prior to September 29, 2010; provided that (i) the aggregate principal amount of swingline loans outstanding at any time may not exceed \$30 million and (ii) the sum of outstanding letters of credit, swingline loans and other loans made under the Second Amended Credit Agreement may not exceed \$435 million. Swingline loans will bear interest at the applicable Base Rate.

The terms of the Second Amended Credit Agreement provide for customary representations and warranties and affirmative covenants and also contain customary negative covenants providing limitations subject to negotiated carve-outs.

The Second Amended Credit Agreement requires that the ratio (the "interest coverage ratio"), for Worthington Industries and its subsidiaries on a consolidated basis, of (i) consolidated EBITDA for four consecutive fiscal quarters, taken as a single accounting period, to (ii) consolidated interest expense for such period, not be less than 3.25 to 1.00 at the end of any fiscal quarter. In addition, the Second Amended Credit Agreement requires that the ratio, for Worthington Industries and its subsidiaries on a consolidated basis, of (a) consolidated indebtedness to (b) consolidated indebtedness plus consolidated stockholders' equity, not be greater than 55% at the end of any fiscal quarter.

The terms of the Second Amended Credit Agreement include customary events of default such as payment defaults; material inaccuracies in representations or warranties; unremedied covenant defaults; bankruptcy, insolvency or occurrence of a similar event; cross-defaults to other material indebtedness; uninsured material judgments; and the occurrence of a defined change of control of Worthington Industries. Upon the occurrence of an event of default, the Lenders may, among other things, terminate their commitments under the Second Amended Credit Agreement and declare any of the then outstanding loans or letter of credit reimbursement obligations due and payable immediately.

As of September 29, 2005, there were no loans (including swingline loans) or letters of credit outstanding under the Existing Credit Agreement. As of September 30, 2005, no loans (including swingline loans) or letters of credit had been issued under the Second Amended Credit Agreement.
