Item 1.01 Entry into a Material Definitive Agreement

On March 4, 2010, General Moly, Inc. (the “Company”) and Hanlong (USA) Mining Investment, Inc. (“Hanlong”), an affiliate of Sichuan Hanlong Group, a large privately held Chinese company, signed a Securities Purchase Agreement (the “Purchase Agreement”) and certain other agreements as previously disclosed in the Company’s filings with the Securities and Exchange Commission. On July 30, 2010, the Company and Hanlong executed an amendment to the Purchase Agreement extending certain deadlines.

On October 26, 2010, the Company announced that it and Hanlong have executed an amendment to the Purchase Agreement setting the closing of Hanlong’s \$40 million purchase of the first tranche of equity in the Company, representing a 12.5% fully diluted stake and approximately 12 million shares, on December 20, 2010. The parties have agreed that the publication of the Mt. Hope project’s Draft Environmental Impact Statement (DEIS) is no longer a condition precedent to Hanlong’s first tranche equity investment. Timely publication of the DEIS does, however, remain a requirement of the entire agreement and, in conjunction with this amendment, the required date for DEIS publication has been extended to May 31, 2011 from February 28, 2011, although the Company does not currently estimate the additional time to be required.

On October 26, 2010, the Company issued a press release announcing the amendment and the acceleration of funding of the first tranche. A copy of the press release is attached hereto as Exhibit 99.1.

Item 2.02 Results of Operations and Financial Condition

On October 29, 2010, the Company issued a press release announcing its unaudited financial results for the quarter and nine months ended September 30, 2010. A copy of the press release is attached hereto as Exhibit 99.2.

The information contained in this Item 2.02 and in Exhibit 99.2 shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section.
