Announcement of Company Split (Small-scale / Summary Form  
Company Split) of Sony Finance International, Inc. into Sony Corporation  
in connection with the procedures to make So-net Entertainment Corporation a wholly-owned  
subsidiary of Sony Corporation

Sony Corporation (“Sony”) today announced that it has decided to succeed to certain rights and obligations related to common shares of So-net Entertainment Corporation (“So-net”) owned by Sony Finance International, Inc. (“SFI”), a wholly-owned subsidiary of Sony, and its related business by an “absorption-type company split”, as set forth below. This company split is a step in the process of making So-net a wholly-owned subsidiary of Sony as announced in the joint press release made by Sony and So-net on August 9, 2012.

Certain information is omitted from this announcement since this is an absorption-type company split conducted under the Companies Act of Japan in which Sony is expected to succeed to a business unit of Sony’s wholly-owned subsidiary.

1. Purpose of the company split

The purpose of this company split is to transfer certain rights and obligations related to So-net’s common shares owned by SFI and its related business to Sony as part of the procedures to make So-net a wholly-owned subsidiary of Sony.

(2) Method of the company split

This is an absorption-type company split between Sony (as the successor company) and SFI (as the splitting company).

(3) Details of the allotment upon the company split
