On December 12, 2013, Calgon Carbon Corporation (the “Company”) announced that long-time Director and Chairman of the Board of Directors, Seth Schofield, will be retiring at the end of his term and not standing for re-election. He will continue to serve as a Director and Chairman until the 2014 Annual Meeting of Stockholders expected to be held in early May, 2014.

As permitted by its Bylaws, the Company’s Board of Directors has authorized and approved a reduction in the number of Directors from ten to nine, effective immediately prior to the 2014 Annual Meeting of Stockholders. As a result, three Directors will be elected at that meeting. The Board of Directors will elect a new Chairman at a future date.

**Item 8.01 Other Events**

On December 13, 2013, the Company issued a press release providing an update to its shareholders, including the announcement that its Board of Directors has authorized up to an additional \$100 million for the repurchase of the Company’s outstanding common stock. This authorization brings the total amount authorized since last November for share repurchases to \$200 million of which \$150 million is now available for repurchases. The timing of repurchases will depend upon several factors, including market and business conditions, and repurchases may be discontinued at any time.
