Item 1.01 Entry into a Material Definitive Agreement.

Investor Rights Agreement

On July 1, 2016, WEX Inc. (“WEX” or the “Company”) entered into an Investor Rights Agreement (the “IRA”) with (i) Mustang HoldCo 1 LLC, Warburg Pincus Private Equity (E&P) XI – B, L.P., Warburg Pincus Private Equity XI – C, L.P., WP XI Partners, L.P., Warburg Pincus Private Equity XI – B, L.P., WP Mustang Co-Invest – B L.P., WP Mustang Co-Invest – C L.P., Warburg Pincus XI (E&P) Partners – B, L.P., and Warburg Pincus (E&P) XI, L.P., (collectively, “the Sellers”), (ii) WP (Lexington) Holdings II, L.P., Warburg Pincus Private Equity (Lexington) XI – A, L.P., Warburg Pincus XI (Lexington) Partners – A, L.P., WP Mustang Co-Invest LLC (the parties in this clause (ii), together with the Sellers and certain permitted transferees, “the WP IRA Parties”) and (iii) certain other investors party thereto. The IRA was entered into pursuant to the previously announced Unit Purchase Agreement, dated as of October 18, 2015 (the “Purchase Agreement”) among the Company, the Sellers, WP Mustang Topco LLC (the “Target”) and Warburg Pincus Private Equity XI (Lexington), LLC (the “Blocker”), under which the Company agreed to acquire the Target and the Blocker from the Sellers (the “Acquisition”).

Pursuant to the Purchase Agreement and the IRA, the Company agreed to appoint one individual designated by the WP IRA Parties to serve on the Company’s Board of Directors. The IRA provides that so long as the WP IRA Parties (and certain permitted transferees) collectively hold Company common stock with a market value of \$200,000,000 or more, the Company will continue to nominate an individual designated by the WP IRA Parties for election to the Board of Directors. The IRA also restricts the transfer of shares of Company common stock held by the WP IRA Parties (and their permitted transferees) for one hundred eighty days after the effective date of the IRA, and restricts the transfer of more than one-third of the shares of Common Stock held by any individual WP IRA Party (and their permitted transferees) and certain other investors party to the IRA for one year after the effective date of the IRA, in each case subject to certain exceptions. The IRA provides customary registration rights to the WP IRA Parties with respect to the shares of Company common stock held by such parties. In addition the IRA restricts the WP IRA Parties and certain affiliates from, among other things, acquiring beneficial ownership of Company common stock, if, after such acquisition, the WP IRA Parties and certain affiliates would beneficially own ten percent or more of the outstanding Company common stock.

The foregoing description of the IRA does not purport to be complete and is qualified in its entirety by reference to the IRA, a copy of which is being filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Credit Agreement

On July 1, 2016, the Company entered into a Credit Agreement, by and among the Company and certain of its subsidiaries, as borrowers, WEX Card Holding Australia Pty Ltd., as designated borrower, and Bank of America, N.A., as administrative agent on behalf of the lenders (the “Credit Agreement”).

The Credit Agreement provides for a tranche A term loan facility in an amount equal to \$455.0 million that matures on July 1, 2021, a tranche B term loan facility in an amount equal to \$1,200.0 million that matures on July 1, 2023, and a \$470.0 million secured revolving credit facility, with a \$250.0 million sublimit for letters of credit and a \$20 million sublimit for swingline loans, that terminates on July 1, 2021. Additional loans of up to the greater of \$375.0 million (plus the amount of certain prepayments) and an unlimited amount subject to satisfaction of a consolidated leverage ratio test of 4.00 to 1.00 may be made available under the Credit Agreement upon request of the Company subject to specified terms and conditions, including receipt of lender commitments. On July 1, 2016 the Company borrowed the entire principal amount of the tranche A term loan facility, the entire principal amount of the tranche B term loan facility and \$220.0 million under the revolving credit facility to pay the cash portion of the purchase price for the Acquisition, repay the Target’s outstanding credit facilities, repay amounts outstanding under the Prior Credit Agreement (as defined below), and pay related fees, expenses and other transaction costs, as well as for working

capital and other general corporate purposes.

The Credit Agreement replaces the existing Second Amended and Restated Credit Agreement entered into on August 22, 2014, by and among the Company and certain of its subsidiaries, as borrowers, and WEX Card Holding Australia Pty Ltd., as designated borrower, and Bank of America, N.A., as administrative agent on behalf of consenting lenders (the “Prior Credit Agreement”).

Proceeds from the Credit Agreement may be used for working capital purposes, acquisitions (including, without limitation, the Acquisition), payment of dividends and other restricted payments, refinancing of indebtedness, and other general corporate purposes.

Amounts outstanding under the Credit Agreement bear interest at a rate equal to, at the Company’s option, (a) the Eurocurrency Rate, as defined in the Credit Agreement, plus a margin of between 1.75% to 3.25% (initially 3.25%) with respect to the tranche A term loan facility and the revolving credit facility and between 3.25% to 3.50% (initially 3.50%) with respect to the tranche B term loan facility (with the Eurocurrency Rate subject to a 0.75% floor in the case of the tranche B term loan facility and a 0.0% floor in the case of the tranche A term loan and revolving credit facility), in each case, based on the ratio of consolidated funded indebtedness of the Company and its subsidiaries to consolidated EBITDA or (b) the highest of (i) the Federal Funds Rate plus 0.50%, (ii) the prime rate announced by Bank of America, and (iii) the Eurocurrency Rate plus 1.00%, in each case plus a margin of 0.75% to 2.25% (initially 2.25%) with respect to the tranche A term loan facility and the revolving credit facility or 2.25% to 2.50% (initially 2.50%) with respect to the tranche B term loan facility, in each case, based on the ratio of consolidated funded indebtedness of the Company and its subsidiaries to consolidated EBITDA. In addition, the Company has agreed to pay a quarterly commitment fee at a rate per annum ranging from 0.30% to 0.50% (initially 0.50%) based on the ratio of consolidated funded indebtedness of the Company and its subsidiaries to consolidated EBITDA of the daily unused portion of the Credit Agreement. The tranche B term loan facility was issued with original issue discount of 1.00%.

The Credit Agreement requires the Company to prepay outstanding term loans, subject to certain exceptions, with:

solely with respect to the tranche B term loan facility, 50% (subject to reduction to 25% and 0% based upon the Company’s consolidated leverage ratio) of the Company’s annual Excess Cash Flow (as defined in the Credit Agreement);

100% of the net cash proceeds of certain asset sales where the proceeds exceed certain thresholds, and certain casualty and condemnation events, subject to reinvestment rights and certain other exceptions; and

100% of the net cash proceeds of any incurrence or issuance of certain debt, other than debt permitted under the Credit Agreement.

The Company may voluntarily prepay outstanding loans from time to time, subject to certain conditions, without premium or penalty other than customary “breakage” costs with respect to Eurocurrency Rate loans, provided, however, that if on or prior to the date that is twelve (12) months following the closing date, the Company prepays any loans under the tranche B term loan facility in connection with a repricing transaction, the Company must pay a prepayment premium of 1.00% of the aggregate principal amount of the tranche B term loans so prepaid.

The Company is required to make scheduled quarterly payments each equal to 1.25% in the case of the tranche A term loan facility, and 0.25% in the case of the tranche B term loan facility, of the original principal amount of the respective term loans made on the closing date, with the balance due at maturity.

The Credit Agreement contains customary representations and warranties, as well as affirmative and negative covenants. Affirmative covenants include, subject to certain exceptions, financial and other reporting, payment of obligations, preservation of existence, maintenance of properties, maintenance of insurance, compliance with laws, maintenance of books and records, granting of inspection rights, use of proceeds, maintenance of all authorizations and approvals, compliance with regulatory requirements, further assurances and the addition of certain domestic subsidiaries to the Domestic Subsidiary Guaranty (as defined below), certain foreign subsidiaries to the Foreign Subsidiary Guaranty (as defined below), certain subsidiaries to the U.S. Security Agreement (as defined below) and the stock of certain domestic and foreign subsidiaries to the collateral covered by the U.S Security Agreement. Negative covenants include, subject to certain exceptions, limitations on liens and investments, limitations on indebtedness and guarantees of indebtedness, limitations on mergers, consolidations, asset sales and acquisitions, limitations on burdensome agreements, limitations on dividends and other restricted payments, limitations on affiliate transactions, and limitations on sale and leaseback transactions. The Credit Agreement also requires, solely for the benefit of the lenders under the tranche A term loan facility and the revolving credit facility, that the Company maintain at the end of each fiscal quarter the following financial ratios:

a consolidated EBITDA to consolidated interest charge coverage ratio of no less than 3.25 to 1.00; and a consolidated funded indebtedness (excluding (i) up to an agreed amount of consolidated funded indebtedness under permitted securitization transactions and (ii) the non-recourse portion of any permitted factoring transaction) to consolidated EBITDA ratio of, initially, no more than 5.40 to 1.00, which ratio shall step down to 5.25 to 1.00 at December 31, 2016, 5.00 to 1.00 at December 31, 2017, 4.25 to 1.00 at December 31, 2018 and 4.00 to 1.00 at December 31, 2019,

The Credit Agreement contains customary events of default, including, among others, non-payment of principal, interest or other amounts when due, violation of covenants, inaccuracy of representations and warranties in any material respect, cross-defaults with other indebtedness, the occurrence of certain ERISA or bankruptcy or insolvency events, certain undischarged judgments, the occurrence of a Change of Control (as defined in the Credit Agreement), the occurrence of certain regulatory or other enforcement actions against WEX Bank, a Utah industrial bank and a wholly-owned subsidiary of the Company, the cessation of a valid and perfected first priority lien pursuant to the Collateral Documents (as defined in the Credit Agreement), and the termination of subordination provisions of any document evidencing any subordinated indebtedness. Upon the occurrence and during the continuance of an event of default under the Credit Agreement, the Lenders may declare the loans and all other obligations under the Credit Agreement immediately due and payable.

The obligations of the subsidiary Borrowers under the Credit Agreement are guaranteed by the Company pursuant to a Guaranty, dated as of July 1, 2016, in favor of Bank of America and the Lenders.

The obligations of the Borrowers under the Credit Agreement are guaranteed by Wright Express Fueling Solutions, Inc., FleetOne Holdings, LLC, FleetOne, L.L.C., TransPlatinum Service, LLC, EB Holdings Corp., EB Holdings II Corp., WEX Health, Inc., Benaissance, LLC, Wright Express Holdings 2, LLC (“Wright Express 2”), and Wright Express Holdings 3, LLC (“Wright Express 3”), WP Mustang Topco LLC, WP Mustang Holdings LLC, WP Mustang Sub LLC, Truckers B2B, LLC, EFS Payments LLC, Warburg Pincus Private Equity XI (Lexington), LLC, and TCH Canada Inc., each a direct or indirect wholly-owned subsidiary of the Company (collectively, the “Domestic Guarantors”) pursuant to a Domestic Subsidiary Guaranty, dated as of July 1, 2016, in favor of Bank of America, as agent for the Lenders (the “Domestic Subsidiary Guaranty”) and WEX Australia Holdings Pty Ltd, WEX Card Holdings Australia Pty Ltd, WEX Australia Pty Ltd, WEX Fuel Cards Australia Ltd, WEX Europe Services BVBA, Wright Express Holdings 4 LP, WEX Europe Services Ltd, WEX Europe Services Holdings Limited, WEX Europe Services
