(2) Forms of Grant Notice. On March 11, 2010, the Human Resources and Compensation Committee approved the annual equity award to executive officers and senior management Associates of the Company, consisting of stock options, time-based restricted stock units, and performance-based restricted stock units.

The number of performance units granted is a target award which may increase or decrease based on the extent to which the Company achieves the performance measurement established by the Committee at the beginning of the performance cycle, which is our fiscal year. The payout matrix

established by the Committee sets forth a range of payout percentages (from 0 to 200%) relative to the Company's actual results for the fiscal year. The performance measurement is earnings per share, defined as diluted earnings per share from continuing operations, excluding any unusual and/or extraordinary items identified by the Committee.

For participants to receive 100% of the target award for 2010, the Company must generate earnings per share of \$1.58 for the fiscal year. To receive the maximum of 200% of the target award, the Company must generate earnings per share of \$1.86. Once the performance cycle ends, the actual performance units earned are then subject to additional time-based vesting requirements. One-third of the earned award vests on each of the first three anniversaries of the grant date provided the participant remains continuously employed with the Company during that time. In addition, following the end of the performance cycle, dividend equivalents accrue on any outstanding unvested performance units. Upon vesting, the performance units and related dividend equivalents are paid out in shares of JCPenney common stock.

A copy of the Form of Notice of 2010 Performance Unit Grant is filed herewith as Exhibit 10.1 and is incorporated herein by reference. The respective Forms of Notice of Grant to be used in connection with grants of stock options and time-based restricted stock units have previously been filed with the Securities and Exchange Commission.
