NOTE 5. RECENT ACCOUNTING PRONOUNCEMENTS

SFAS 141
In July 2001, FASB issued SFAS No. 141, "Business Combinations," which is effective for business combinations initiated after June 30, 2001. SFAS No. 141

Edgar Filing: IMAGING TECHNOLOGIES CORP/CA - Form 10-Q/A

eliminates the pooling of interest method of accounting for business combinations and requires that all business combinations occurring on or after July 1, 2001 be accounted for under the purchase method. The Company does not expect SFAS No. 141 to have a material impact on its financial statements. SFAS 142

In July 2001, the FASB issued SFAS No. 142, "Goodwill and Other Intangible Assets," which is effective for fiscal years beginning after December 15, 2001. Early adoption is permitted for entities with fiscal years beginning after March 15, 2001, provided that the first interim financial statements have not been previously issued. SFAS No. 142 addresses how intangible assets that are acquired individually or with a group of other assets should be accounted for in the financial statements upon their acquisition and after they have been initially recognized in the financial statements. SFAS No. 142 requires that goodwill and intangible assets that have indefinite useful lives not be amortized but rather be tested at least annually for impairment, and intangible assets that have finite useful lives be amortized over their useful lives. SFAS No. 142 provides specific guidance for testing goodwill and intangible assets that will not be amortized for impairment. In addition, SFAS No. 142 expands the disclosure requirements about goodwill and other intangible assets in the years subsequent to their acquisition. Impairment losses for goodwill and indefinite-life intangible assets that arise due to the initial application of SFAS No. 142 are to be reported as resulting from a change in accounting principle. However, goodwill and intangible assets acquired after June 30, 2001 will be subject immediately to the provisions of SFAS No. 142. The Company does not expect SFAS No. 142 to have a material effect on its financial statements. Previously, the Company amortized \$118 thousand of goodwill.
