INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

THE ANNUAL MEETING

The annual meeting will be held on May 27, 2004 at The Heritage - A Dolce Conference Resort, located at 522 Heritage Road, Southbury, Connecticut, at 10:00 a.m., local time.

THIS PROXY SOLICITATION

We are sending you this Proxy Statement because our Board of Directors is seeking your proxy to vote your shares at the annual meeting. This Proxy Statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission and is intended to assist you in voting your shares. On or about April 29, 2004, we will begin mailing information to all people who, according to our stockholder records, owned shares of our common stock at the close of business on April 19, 2004. As of March 31, 2004, there were 7,880,877 shares of our common stock outstanding.

Katy will pay the cost of requesting these proxies. Katy's directors, officers and employees may request proxies in person or by telephone, mail, facsimile or letter.

VOTING YOUR SHARES

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

You are entitled to one vote at the annual meeting for each share of Katy's common stock that you owned of record at the close of business on April 19, 2004. The number of shares you own (and may vote) is listed on the enclosed proxy card.

You may vote your shares at the annual meeting in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot. We will give you a ballot at the annual meeting. To vote by proxy, you must complete and return the enclosed proxy card. By completing and returning the proxy card, you will be directing the persons designated on the proxy card to vote your shares at the annual meeting in accordance with the instructions you give on the proxy card.

Your proxy card will be valid only if you sign, date and return it before the annual meeting. IF YOU COMPLETE THE PROXY CARD EXCEPT FOR THE VOTING INSTRUCTIONS, THEN YOUR SHARES WILL BE VOTED IN ACCORDANCE WITH THE BOARD OF DIRECTORS RECOMMENDATIONS. You may revoke your proxy at any time before it is voted by any of the following means:

- Notifying the Secretary of Katy in writing that you wish to revoke your proxy.
- Submitting a proxy dated later than your original proxy.
- Attending the annual meeting and voting. Merely attending the annual meeting will not by itself revoke a proxy; you must vote your shares at the annual meeting to revoke the proxy.

The Board of Directors does not expect any matter other than the proposals discussed in this Proxy Statement to be presented at the annual meeting. However, if any other matter properly comes before the annual meeting, your proxies will act on such matter in their discretion.

QUORUM AND VOTES REQUIRED FOR APPROVAL

The presence in person or by proxy of holders of a majority of the outstanding shares of common stock will constitute a quorum for the annual meeting. For purposes of the quorum and the discussion below regarding the vote necessary to take stockholder action, the stockholders who are present at the annual meeting in person or by proxy and who abstain are considered stockholders who are present and entitled to vote and they count toward the quorum. Abstentions and shares of record held by a broker or its nominee that are voted on any matter are included in determining whether a quorum is present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Each share of common stock is entitled to one vote on each matter to come before the annual meeting. With regard to the election of directors, you may vote for a candidate or withhold your vote. If a quorum is present, directors will be elected by a plurality of the votes cast for the election of directors. "Plurality" means that the nominees who receive the largest number of votes cast will be elected as directors, up to the maximum number of directors to be elected at the annual meeting. Consequently, any shares not voted (whether by abstention or withholding authority) have no impact on the election of directors except to the extent the failure to vote for one candidate results in another candidate receiving a larger number of votes.

If a quorum is present, the approval of Proposal 2 requires the affirmative vote of the holders of a majority of the common stock present, in person or by proxy, at the annual meeting. With respect to this matter, a stockholder may (i) vote "For" the matter, (ii) vote "Against" the matter, or

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

(iii) "Abstain" from voting on the matter. A vote to abstain from voting on this proposal has the same effect as a vote against such matter.

Under rules of self-regulatory organizations governing brokers, brokers holding shares of record for customers generally are entitled to vote on routine matters without voting instructions from their customers. The election of directors and the ratification of the appointment of PricewaterhouseCoopers LLP are considered routine matters. On non-routine matters, brokers must obtain voting instructions from customers. If a broker does not receive voting instructions from a customer on non-routine matters and accordingly does not vote on these matters, this is called a broker non-vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF PROPOSAL 1. IF ANY NOMINEE BECOMES UNAVAILABLE TO SERVE ON THE BOARD OF DIRECTORS FOR ANY REASON, YOUR PROXY WILL BE VOTED FOR A PERSON OR PERSONS TO BE SELECTED BY THE BOARD OF DIRECTORS. PROPOSAL 2 - RATIFICATION OF THE INDEPENDENT PUBLIC AUDITORS

PricewaterhouseCoopers LLP ("PwC"), independent public auditors, audited the financial statements of the Company for 2003. The Board of Directors, upon the recommendation of the Audit Committee, has approved the selection of PwC as independent public auditors to audit the books of Katy and its subsidiaries for the year ending December 31, 2004, to report on the consolidated balance sheets and related statement of operations of Katy and its subsidiaries, and to perform such other appropriate accounting services as may be required by the Board of Directors. The Board of Directors recommends that the stockholders vote in favor of ratifying the selection of PwC for the purposes set forth above. PwC has advised the Company that they are independent auditors with respect to the Company, within the meaning of standards established by the American Institute of Certified Public Accountants, the Independence Standards Board, and federal securities laws administered by the Securities and Exchange Commission.

A representative of PwC will be present at the annual meeting with the opportunity to make a statement and respond to appropriate questions.

PwC billed Katy for audit services and certain other professional services during 2003 and early 2004. These amounts are divided into the following four categories, and are detailed below.

Audit Fees

Fees for professional services rendered by PwC for the audit of the Company's annual financial statements for 2003 were \$507,051, of which an aggregate amount of \$477,820 had been billed through March 31, 2004.

Fees for professional services rendered by PwC in 2002 for the audits of the Company's annual financial statements for 2002, 2001 and 2000, and the review of the financial statements included in the Company's second and third quarter 2002 quarterly reports, were \$912,401. As a result of several factors described below, full reaudits of the 2001 and 2000 financial statements were required to be performed along with the routine 2002 audit. The reaudits had a significant impact on the level of fees for the 2002 audit. The reaudits of our 2001 and 2000 financial statements came about for two reasons: 1) the Company is a former client of Arthur Andersen LLP, which has ceased operations, and 2) as a result of the actual or planned sale of certain subsidiaries, the Company presented certain businesses as discontinued operations in its financial statements for all periods presented in accordance with generally accepted accounting principles. The accounting for discontinued operations resulted in changes to the presentation of nearly all amounts in the prior years' financial statements, which were audited by Arthur Andersen LLP. As a result of these circumstances, and the Company's interpretation of Auditing Interpretation 508 of Statement of Auditing Standards No. 58, "Reports on Financial Statements," we determined that full reaudits of the prior period financial statements were required.

Audit-Related Fees

PwC billed the Company \$74,709 of audit-related fees in 2003, of which \$63,709 consisted of fees for employee benefit plan audits, and \$11,000 is related to review and preparation in accordance with the Section 404 of the Sarbanes-Oxley Act of 2002.

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

PwC billed the Company \$98,227 of audit-related fees in 2002, of which \$96,227 consisted of fees for employee benefit plan audits, and \$2,000 is related to other audit and attest services, transaction and due diligence services, risk and controls review and financial accounting, reporting and compliance consulting matters.

Tax Fees

PwC billed the Company \$10,530 for tax compliance and advisory services in 2003.

PwC billed the Company \$7,350 for tax compliance and advisory services in 2002.

All Other Fees

There were no fees billed to the Company by PwC for all other services in 2003 or 2002.

REQUIRED VOTE

Approval of this proposal to ratify the appointment of PwC requires the affirmative vote by the majority of the outstanding shares of common stock present, in person, or by proxy, at the annual meeting.

Although the ratification of independent auditors is not required to be submitted to a vote of the stockholders, the Company believes that such ratification is a matter on which the stockholders should express their opinion. Notwithstanding stockholder approval of the ratification of independent auditors, the Audit Committee, in its discretion, may direct the appointment of new independent auditors at any time during the year, if the Audit Committee believes that such a change would be in the best interest of Katy and its stockholders. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain PwC as independent auditors for the fiscal year ending December 31, 2004.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT, CHANGE OF CONTROL AND OTHER ARRANGEMENTS

President and Chief Executive Officer

On June 28, 2001, C. Michael Jacobi entered into an employment agreement with Katy. The contract states that if Mr. Jacobi is terminated other than for cause, Katy will continue to pay his base salary for (i) one year, if such termination occurs other than as a result of a Change in Control, or (ii) two years, if such termination is a result of or within the six month period following a Change in Control.

Vice President, Chief Financial Officer, General Counsel and Secretary

On August 6, 2001, Amir Rosenthal entered into an employment agreement with Katy. The contract states in the event that, if prior to December 31, 2004, Mr. Rosenthal's employment is terminated other than for cause, or there is a Change of Control event after which (i) Mr. Rosenthal is terminated other than for cause, (ii) he is required to relocate or (iii) there is substantial change in his job responsibilities, Katy will continue to pay his regular base salary for a period of one year.

17

For purposes of Messrs. Jacobi's and Rosenthal's agreements, "Change in Control" means (i) a sale of 100% of Katy's outstanding capital stock, (ii) a sale of all or substantially all of Katy's operating subsidiaries or assets or (iii) a transaction or transactions in which any third party acquires Katy stock in an amount greater than that held by KKTU Holding Company and in which KKTU Holding Company relinquishes its right to nominate a majority of the candidates for election to the Board.

DIRECTORS' COMPENSATION

For 2003, directors who were not employed by Katy or its subsidiaries received: (i) an annual retainer of \$10,000; (ii) options to acquire 2,000 shares under the Directors Stock Option Plan (see below); (iii) a stock grant of 500 shares for service on the Board of Directors; and (iv) \$2,500 for attending each meeting of the Board. This group of directors also received in 2003: (i) an annual retainer of \$6,000 if they chaired a Board committee, and (ii) \$1,000 for attending each meeting of a Board committee. Class II directors and those directors that are also officers do not receive the compensation described in this section for their service on the Board of Directors. For 2004, there is no change anticipated for directors' compensation.

Under the Katy Industries, Inc. Non-Employee Director Stock Option Plan (the "Directors' Stock Option Plan"), each non-employee director who is not a Class II director receives on the date immediately following the annual meeting an annual grant of options to acquire 2,000 shares of Katy common stock. The exercise price is the fair market value on the date of grant. The director may exercise these options at any time during the ten years from the date of grant.

Directors receiving compensation for their services may also participate in the Directors' Deferred Compensation Plan which became effective June 1, 1995 (the "Directors' Deferred Compensation Plan"). Under this Plan, a director may defer directors' fees, retainers and other compensation paid for services as a

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

director until the later of the director's attainment of age 62 or ceasing to be a director. Each director has 30 days before the beginning of a Plan Year (as defined in the Directors' Deferred Compensation Plan) in which to elect to participate in the Directors' Deferred Compensation Plan. Directors may invest these amounts in one or more investment alternatives offered by Katy. Directors may elect to receive distributions of deferred amounts in a lump sum or five annual installments.

COMPENSATION COMMITTEE'S REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the "Compensation Committee") presents the following executive compensation report for the 2003 fiscal year:

The Compensation Committee consists of Wallace E. Carroll, Jr., (Chairman), Christopher Lacovara and Christopher W. Anderson. A current copy of the Compensation Committee charter is available on the Company's website at www.katyindustries.com. The Committee makes decisions on executive officer compensation and reports its decisions to the Board. It also seeks the Board's approval on the Chief Executive Officer's compensation. The following summarizes the compensation practice and philosophy that was in effect at Katy for the fiscal year ended December 31, 2003. Modifications to such philosophy have been, and may continue to be, made.

18

Compensation Philosophy

Katy's compensation program aims to align executive officers' economic interests with those of stockholders (including Katy's financial objectives and market performance). The Compensation Committee seeks to adjust compensation levels (through competitive base salaries and bonus payments) based on individual and Company performance. It reviews the executive compensation program annually in view of Katy's annual strategic and financial objectives and performance.

Compensation Program Components

Annual compensation for Katy's Chief Executive Officer and other executive officers (including the named executive officers) consists of two cash compensation components: base salary and annual cash bonuses. A third component, stock options and SARs, are used for executive retention, to attract new key people, and to align the long-term interests of eligible executives with those of stockholders.

Salary and bonus levels reflect job responsibility, Compensation Committee judgments of individual effort and performance, and Katy's financial and market performance (in light of the competitive environment in which Katy operates). Annual cash compensation is also influenced by comparable companies' compensation practices so that Katy remains reasonably competitive in the market. While competitive pay practices are important, the Compensation Committee believes that the most important considerations are individual merit and is Katy's financial and market performance. In considering Katy's financial and market performance, the Compensation Committee reviews, among other things, net income, cash flow, working capital and revenues and share price performance relative to comparable companies and historical performance.

The annual bonus plan compensates employees based on target bonus opportunities established by the Compensation Committee stated as a percentage of annual base salary for recommended key employees each year (including the

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

Chief Executive Officer and the other named executive officers). An employee achieves the target bonus opportunity if he or she meets 100% of pre-established performance goals. A higher or lower bonus is earned if performance exceeds or falls short of the target levels. All bonuses paid for 2003 were based on the provisions of the annual bonus plan. For 2003, all bonuses paid were based on the provisions of the annual bonus plan and all named executive officers received a bonus based on the achievement of specific performance goals. However, the Compensation Committee felt that certain employees, including one of the named executive officers (Thomas D. Burns), performed in a manner that exceeded expectations in certain areas that benefited the Company during 2003. As a result, cash bonuses were awarded in amounts indicated in the executive compensation table. These bonuses were less than the named executive officer's bonus target in each case, with the exception of David S. Rahilly. Also, employees at certain subsidiaries received bonuses based on the operating performance at their divisions

The Supplemental Retirement and Deferral Plan (the "Supplemental Deferral Plan"), among other things, allows participants to voluntarily defer up to 100% of their annual bonus and up to 50% of their base salary until retirement or termination of his or her employment. Katy invests voluntary deferrals and profit sharing allocations at the employee's election in several investment alternatives offered by Katy.

The third compensation component is a stock option and SAR program. Under Katy's current stock option program, the Board may provide compensation in the form of incentive stock

19

options, non-qualified stock options, stock appreciation rights, restricted stock, performance units or shares, and other incentive awards including cash bonuses, contingent on Katy's share price reaching certain goals specified under the stock option and SAR program. The Compensation Committee believes that the stock option and SAR program optimizes Katy's growth and profitability by providing incentives to employees which are consistent with Katy's goals and which link employees' personal interests to those of the stockholders. The stock option program is also intended to give Katy flexibility to attract, motivate, and retain the services of employees and other individuals who contribute to its success. During 2003, 30,000 stock options and 50,000 SARs were granted to employees.

Chief Executive Officer Compensation

C. Michael Jacobi became President and Chief Executive Officer in June 2001. Mr. Jacobi's salary for 2003 was increased in April 2003 from \$530,000 to \$540,000 on an annual basis. This increase was based upon his experience, qualifications and responsibilities. Mr. Jacobi was awarded a cash bonus of \$167,400 for his achievement of specific performance goals in 2003. Mr. Jacobi was not granted any stock options or SARs during 2003.

Summary

The Compensation Committee believes that the total compensation program for executive officers is appropriately related to individual performance and Katy's performance (including Katy's financial results and stockholder value). The Compensation Committee monitors the executive compensation of comparable companies and believes that Katy's compensation program is competitive and provides appropriate incentives for Katy's executive officers to work towards continued improvement in Katy's overall performance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2003, Katy paid Kohlberg & Co. \$500,000 for ongoing management advisory services. Katy expects to pay \$500,000 per year for these services, as outlined in the Recapitalization Agreement of June 2, 2001. Christopher W. Anderson is an Associate at Kohlberg & Co. Samuel P. Frieder and Christopher Lacovara are Principals of Kohlberg & Co. James A. Kohlberg is Co-Founder and Managing Principal of Kohlberg & Co. William F. Andrews, Chairman of the Board, is a consultant, or "Operating Principal," with Kohlberg & Co.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors met eight times during 2003. Each director in office at the time of such meeting attended at least 75% of the Board meetings and the meetings of the Board

20

committees of which he is a member. The non-management directors meet in executive session without members of management present at every regular Board meeting. At these meetings, the presiding director rotates through each non-management director based on the alphabetical order of the directors' last names.

Katy's bylaws provide for an Executive Committee to which the Board of Directors has assigned all powers delegable by law. The Executive Committee met informally through numerous telephone conferences at intervals between meetings of the full Board of Directors, and acted by unanimous consent without formal meetings. The Executive Committee consists of Christopher Lacovara, Christopher W. Anderson and C. Michael Jacobi.

The Board of Directors also has an Audit Committee, Compensation Committee and Nominating and Governance Committee. All of the members of these three Board committees are independent within the meaning of SEC regulations (as applicable), the listing standards of the New York Stock Exchange and Katy's Corporate Governance Guidelines.

In November 2003, the Board approved its Corporate Governance Guidelines. The Guidelines adopted by the Board meet or exceed the standards adopted by the New York Stock Exchange. The full text of the Corporate Governance Guidelines can be found in the Corporate Governance section of the Company's website (www.katyindustries.com). A copy may also be obtained upon request from the Company's Corporate Secretary.

Pursuant to the Corporate Governance Guidelines, the Board undertook its annual review of director independence in November 2003. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

affiliates, including those reported under "Certain Relationships and Related Transactions" below. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that all of the directors nominated for election at the annual meeting are independent of the Company and its management under the standards set forth in the Corporate Governance Guidelines, with the exception of C. Michael Jacobi and Robert M. Baratta. Mr. Jacobi is considered a non-independent inside director because of his employment as a senior executive of the Company. Mr. Baratta is considered a non-independent director because he was a senior executive of the Company within the past three years.

The Audit Committee consists of Daniel B. Carroll (Chairman), Christopher Lacovara and William F. Andrews. This Committee met six times during 2003. The Audit Committee reviews the results of the annual audit with Katy's independent auditors, reviews the scope and adequacy of Katy's internal auditing procedures and its system of internal controls, reviews Katy's financial statements and related financial issues with management and the independent auditors, and reports its findings and recommendations to the Board of Directors. Mr. Lacovara, a member of the Audit Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of the New York Stock Exchange. As mentioned above, the Board of Directors has determined that Mr. Lacovara is an independent director.

21

The Compensation Committee consists of Wallace E. Carroll, Jr. (Chairman), Christopher Lacovara and Christopher W. Anderson. This Committee, which reviews current and deferred compensation for Katy officers and for some officers and key employees of its subsidiaries, met two times during 2003. It makes decisions on executive officer compensation and reports its decisions to the Board of Directors. It also seeks the Board's approval on the Chief Executive Officer's compensation.

The Nominating and Governance Committee consists of Samuel P. Frieder (Chairman), William F. Andrews and Daniel B. Carroll. This Committee met two times during 2003. The Nominating and Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of Katy's Corporate Governance Guidelines, and sets and reviews policies and procedures in place throughout various disciplines within the Company to ensure high ethical standards are practiced. In addition, the Committee makes recommendations to the Board regarding candidates for the Board. The Committee reports its findings and recommendations to the Board. A current copy of the Nominating and Governance Committee charter is available on the Company's website at www.katyindustries.com.

The entire Board of Directors considers and selects nominees for directors on the basis of recommendations from the Nominating and Governance Committee. The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management. Additionally, subject to compliance with the requirement of the bylaws, the Nominating and Governance Committee will consider nominations from stockholders.

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below.

- o the ability of the prospective nominee to represent the interests of the shareholders of the Company;
- o the prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- o the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and
- o the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, will interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the

22

persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

Pursuant to the advance notice provision of our bylaws, stockholder nominations for directors must be received by Katy not less than 50 days or more than 90 days before the annual meeting. Any nominations for directors made by stockholders must include the following information regarding the nominee: name; age; business address; residence address; principal occupation or employment; class and number of shares of Katy beneficially owned; and any other information required to be disclosed in a proxy solicitation for the election of directors. Additionally, the stockholder making such nomination must provide his or her name and address, and the number of shares of the Company beneficially owned by such stockholder. No person is eligible for election as a director of the Company unless he or she is nominated (i) by the Board of Directors or (ii) in accordance with the foregoing requirements.

AUDIT COMMITTEE REPORT

The Audit Committee acts pursuant to a written charter, as amended on March 9, 2004, by the Board of Directors. A current copy of the Audit Committee charter is available on the Company's website at www.katyindustries.com. As set forth in more detail in the charter, the Audit Committee's primary

Edgar Filing: KATY INDUSTRIES INC - Form DEF 14A

responsibilities are focused in four broad categories:

1. Recommend to the Board of Directors the appointment of independent auditors;
2. Consult with management or independent auditors regarding the audit scope and the audit plan;
3. Review and approve company financial statements; and
4. Review with management and independent auditors the adequacy of internal controls.

The Audit Committee has adopted pre-approval policies and procedures for audit and permissible non-audit procedures provided by our independent auditors, consistent with the requirements of SEC regulations. The policy provides for the pre-approval of particular types of services and provides specific cost limits for each such service on an annual basis. All other services provided by our independent auditors must be individually pre-approved by the Audit Committee. In determining whether to pre-approve services, the Audit Committee considers whether such services are consistent with the rules of the SEC on auditor independence. The Audit Committee delegates to its members the authority to address any requests for pre-approval of services between Audit Committee meetings. Any pre-approval determination by a member of the committee must be reported to the Audit Committee at its next scheduled meeting. There is no delegation of the Audit Committee's pre-approval authority to management. Requests or applications to provide services that require pre-approval by the Audit Committee must be submitted to the Audit Committee by both the independent auditor and the Chief Financial Officer, Treasurer or Assistant Treasurer of the Company, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has reviewed and discussed the audited financial statements for the year ending 2003 with management and the Company's independent auditors, and has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards 61 (Communications with Audit Committees). The Audit Committee has received the

23

written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with the independent auditors the independent auditors' independence from Katy and the Company's management. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in Katy's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission.

HOUSEHOLDING

Unless we have received contrary instructions, the Company may send a single copy of the annual report, proxy statement and notice of annual meeting to any household at which two or more stockholders reside if the Company believes the stockholders are members of the same family. Each stockholder in the household will continue to receive a separate proxy card. This process, known as "householding," reduces the volume of duplicate information received at your household and helps to reduce the Company's expenses.

If you would like to receive your own set of the Company's annual disclosure documents this year or in future years, follow the instructions described below. Similarly, if you share an address with another stockholder and together both of you would like to receive only a single set of the Company's annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact our corporate office at 765 Straits Turnpike, Middlebury, Connecticut 06762, Attn: Secretary, and inform us of your request.

If a bank, broker or other nominee holds your shares please contact your bank, broker or other nominee directly.
