PROXY STATEMENT FOR SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON OCTOBER 19, 2011

About the Special Meeting

This Proxy Statement and accompanying proxy are being furnished to the stockholders of Heritage-Crystal Clean, Inc. (the "Company") on or about September 26, 2011 in connection with the solicitation of proxies on behalf of the board of directors of the Company for use at the Special Meeting of Stockholders (the "Special Meeting") to be held on October 19, 2011 at the time and place and for the purposes set forth in the accompanying Notice of Special Meeting, and at any adjournments or postponements of that meeting. This Proxy Statement is also available on the Company's website at www.crystal-clean.com.

We are asking stockholders to approve an amendment to the Company's Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock of the Company from 18,000,000 shares to 22,000,000 shares (the "Proposal"), and to consider and transact such other business as may properly come before the meeting or any adjournment or postponement thereof.

Voting Procedures

Voting Rights. Only stockholders who owned our Common Stock at the close of business on September 19, 2011 (the "record date") may attend and vote at the Special Meeting. On the record date, 14,326,052 shares of Common Stock were outstanding. Stockholders are entitled to one vote per share of Common Stock that they own as of the record date on each matter that may properly come before the Special Meeting.

If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and these proxy materials are being sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to us, or to vote in person at the Special Meeting. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Special Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Special Meeting, unless you request, complete and deliver a legal proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

Quorum. The presence, in person or by properly executed proxy, of a majority of the outstanding Common Stock on the record date is necessary to constitute a quorum at the Special Meeting. If a quorum is not present at the time the Special Meeting is convened, the Company may adjourn or postpone the Special Meeting. Shares that are represented at the Special Meeting but abstain from voting on any or all matters and "broker non-votes" will be counted as shares present and entitled to vote in determining the presence of a quorum. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the Proposal is considered a routine matter on which a broker will have the discretion to vote even if instructions are not received from the beneficial owner.

The inspector of election appointed for the Special Meeting will determine the number of shares of our Common Stock present at the Special Meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

Required Vote. The affirmative vote of holders of seventy-five percent (75%) of all outstanding shares of Common Stock entitled to vote thereon will be required for the approval of the Proposal. Abstentions and broker non-votes will have the effect of a vote against this Proposal.

All Common Stock represented at the Special Meeting by properly executed proxies received prior to or at the Special Meeting and not properly revoked will be voted at the Special Meeting in accordance with the instructions indicated in such proxies. If no instructions are indicated, such proxies will be voted FOR the Proposal, and in the discretion of the proxy holders for all other matters

that come before the Special Meeting. The board of directors of the Company does not know of any matters, other than the matters described in the Notice of Special Meeting attached to this Proxy Statement that will come before the Special Meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by:

- filing with the Secretary of the Company, at or before the Special Meeting, a written notice of revocation bearing a date later than the date of the proxy;
- duly executing and dating a subsequent proxy relating to the Common Stock and delivering it to the Secretary of the Company at or before the Special Meeting; or
- attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute a revocation of a proxy).

Any written notice revoking a proxy should be sent to: Heritage-Crystal Clean, Inc., 2175 Point Boulevard, Suite 375, Elgin, Illinois 60123, Attention: Secretary.

Other

The proxies are solicited by the board of directors of the Company. In addition to the use of the mail, proxies may be solicited personally or by telephone or facsimile transmission, by directors, officers or employees of the Company or persons employed by the Company for the purpose of soliciting proxies. It is contemplated that brokerage houses, custodians, nominees and fiduciaries will be requested to forward the soliciting material to the beneficial owners of Common Stock held of record by such persons, and will be reimbursed for expenses incurred therewith. The cost of solicitation of proxies will be borne by the Company.

The date of this Proxy Statement is September 26, 2011.

PROPOSAL

APPROVAL OF AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 18,000,000 SHARES TO 22,000,000 SHARES

Our Amended and Restated Certificate of Incorporation currently authorizes 18,500,000 shares of capital stock, 18,000,000 of which are currently designated as Common Stock and 500,000 of which are currently undesignated as Preferred Stock, for which the Board of Directors has the authority to establish, in its discretion from time to time, the voting rights and other designations, preferences, rights, qualifications, limitations and restrictions. In fiscal 2010, we amended the Amended and Restated Certificate of Incorporation to increase our authorized Common Stock from 15,000,000 to 18,000,000 shares.

The Board of Directors has unanimously approved and adopted, subject to stockholder approval, an Amendment to our Amended and Restated Certificate of Incorporation, providing for an increase in the authorized number of shares of Common Stock from 18,000,000 to 22,000,000 shares. The following is the text of the proposed amendment to the first paragraph of Article FOURTH of the Amended and Restated Certificate of Incorporation:

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is Twenty-Two Million Five Hundred Thousand (22,500,000) shares of capital stock, consisting of (i) Twenty-Two Million (22,000,000) shares of Common Stock, \$0.01 par value per share (“Common Stock”), and (ii) Five Hundred Thousand (500,000) shares of preferred stock, \$0.01 par value per share (the “Preferred Stock”).

As of September 19, 2011, the record date for our special meeting, there were 14,326,052 shares of Common Stock outstanding, held by approximately 233 stockholders of record. In addition, as of September 19, 2011, we had the authority to issue options to purchase up to 869,942 shares of Common Stock pursuant to our 2008 Omnibus Incentive Plan, and 39,754 shares pursuant to our Employee Stock Purchase Plan of 2008. No Preferred Stock is outstanding.

If this Proposal is approved by our stockholders, the Amendment to our Amended and Restated Certificate of Incorporation will become effective upon the filing of a Certificate of Amendment with the Delaware Secretary of State, which filing would be expected to take place as soon as practicable following the special meeting.

The Board of Directors believes it is desirable for our Company to have the flexibility to issue additional shares of Common Stock in excess of the amount which is currently authorized without further stockholder action. The Board believes that the availability of such additional shares will provide our Company with the flexibility to (i) issue Common Stock for possible future financings, stock dividends, acquisitions, repayment of indebtedness or stock option plans, (ii) provide liquidity for funding possible acquisitions or other strategic investments, including projects such as the Company's used oil re-refinery, or (iii) issue Common Stock for other general corporate purposes that may be identified in the future by the Board. In May 2010, we increased the number of authorized shares of Common Stock from 15,000,000 shares to 18,000,000 shares and in June 2010, we completed a public offering of 3,450,000 shares of Common Stock and used the net proceeds from the offering to fund a portion of our used oil re-refinery. While the Board of Directors continually considers our capital structure and various financing alternatives, the Board has no commitments to issue any additional shares of Common Stock at this time. The Board of Directors will determine whether, when and on what terms the issuance of shares may be warranted in the future in connection with our capital structure and financing needs.

As is the case with the current authorized but unissued shares of Common Stock, the additional shares of Common Stock authorized by this proposed amendment could be issued upon approval by the Board of Directors without further vote of our stockholders except as may be required in particular cases by applicable law, regulatory agencies or the rules of the Nasdaq Stock Market. Under Delaware law, stockholders who do not vote for this Proposal are not entitled to appraisal rights with respect to their shares of Common Stock. The issuance of additional shares of Common Stock may have a dilutive effect on earnings per share and, for stockholders who do not purchase additional shares to maintain their pro rata interest in our Company, on such stockholders' voting power. Stockholders other than The Heritage Group do not have preemptive rights to subscribe for additional securities that may be issued by the Company, which means that stockholders do not have a prior right to purchase any new issue of Common Stock in order to maintain their proportionate ownership interest in the Company. Under the Participation Rights Agreement, between us and The Heritage Group, The Heritage Group has the right to participate in our future equity offerings of Common Stock so that The Heritage Group retains its proportionate ownership in our Company.

If we issue additional shares of Common Stock or securities convertible into or exercisable for Common Stock, such issuance would have a dilutive effect on the voting power and could have a dilutive effect on the earnings per share of the Company's currently outstanding shares of Common Stock. Additionally, the Company has no current intention of using additional shares of Common Stock as an anti-takeover defense, however, such an issuance could be used to create impediments to or otherwise discourage persons attempting to gain control of the Company (through dilutive offerings or otherwise).

The affirmative vote of seventy-five percent (75%) of all shares entitled to vote thereon shall be required for approval of the proposed amendment to the Amended and Restated Certificate of Incorporation. Since abstentions and broker non-votes are not affirmative votes, they will have the effect of votes against the Proposal.

The Board recommends a vote FOR the Proposal to amend our Amended and Restated Certificate of Incorporation.
