**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 19, 2019, Woodward, Inc. (the “Company”) announced that, effective February 20, 2019, Thomas G. Cromwell has been appointed to the newly created position of Vice Chairman and Chief Operating Officer for Woodward. As Chief Operating Officer, Mr. Cromwell will have direct oversight of the Company’s business groups, as well as Global Supply Chain and the Company’s True North operational excellence group. Mr. Cromwell reports directly to Thomas A. Gendron, the Company’s Chairman of the Board and Chief Executive Officer.

Mr. Cromwell, 50, is a proven growth leader with significant global experience in advanced manufacturing settings and a track record of delivering superior operational results. From 2009 to 2019, he served in various roles at Kohler Co., Inc., including leadership positions in various operating units and most recently as the Group President for Kohler Power Group, a multi-billion dollar business unit of Kohler, a privately held manufacturing company. Before joining Kohler, he held a series of operations-focused executive leadership positions across Modine Manufacturing Company, a thermal management company, in both the US and Germany.

Mr. Cromwell will receive a base salary of \$575,000 annually, and will participate in the Company’s annual short-term incentive compensation plan, with an annual incentive pay target of 75% of his base salary. Mr. Cromwell will also participate in the Company’s long-term incentive compensation plan (the “LTI”), which is comprised of an equity compensation component and a cash component. Mr. Cromwell’s total annual target under the LTI is \$1,500,000, of which the cash component will represent \$230,000 (40% of his base salary). For the Company’s fiscal year 2019, Mr. Cromwell’s annual target LTI value will be prorated to \$1,000,000 consisting of a non-qualified stock option grant of 38,700 options with an exercise price equal to the closing price of the Company’s stock as quoted on NASDAQ on the date of grant (Mr. Cromwell will not receive or accrue any cash amounts under the LTI during the Company’s fiscal year 2019). These options will vest over four years at a rate of 25% per year. Mr. Cromwell will also receive sign-on incentives in the form of a one-time \$500,000 cash payment and a one-time \$500,000 Company contribution to the Woodward Executive Benefit Plan. He will also be eligible to participate in the Company’s benefits programs. Additionally, Mr. Cromwell will enter into a change of control agreement substantially in the form and on the terms entered into by the Company’s other officers. The Company will also cover Mr. Cromwell’s commuting travel expenses from his current state of residence to Fort Collins, CO for up to six (6) months.
