by Virgin Media TV plc, or Virgin, a leading UK entertainment company.

The transaction closed on May 21, 2009, following the approval thereof by Netplay's shareholders on May 11, 2009, the completion of the agreement between Netplay and Virgin for the assignment of the agreement dated June 2008, between TWG and Virgin and the payment of (pound)200,000 from TWG to Virgin.

At the closing, Netplay issued 8,533,333 shares of its ordinary shares to TWG, which shares were admitted to trading on May 21, 2009 on the London Stock Exchange plc's market known as AIM and of which 4,266,666 will be transferred to WGMI and be deposited with Panmure Gordon & Co., to be sold by it during the first year from the closing, as it shall reasonably require with a view to maintain an orderly market in the shares of Netplay.

Following the closing Netplay assumed all the liabilities of TWG with respect to the players' balances and after recording a liability of \$128,795 for TWG players' balance as of March 31, 2009, we do not expect to record additional liability with regard to such balances. In addition, we do not have any further liability to finance the maintenance and support services provided by Playtech Ltd. for the "Challenge Jackpot" application.

In connection with the closing, WMGI provided a guarantee for 50% of the debts of TWG to its creditors not to exceed (pound)750,000, which will terminate upon the earlier of (i) 30 days after compliance with TWG's obligations in connection with the transition of the "Challenge Jackpot" business, or (ii) September 30, 2009 (such earlier date shall be referred as the Release Date). Each of WMGI and TWM has also agreed that any outstanding loan amount not yet paid to them by TWG shall remain outstanding until the Release Date.
