Dear Sir/Madam,

Re: Consummation of an agreement for the sale of a portion of
Partner shares owned by the Company

(Immediate Report pursuant to Regulation 36(A) of the Securities Regulations (Periodic and
Immediate Reports), 5730 – 1970)

Further to the Immediate Report published by the Company on November 30, 2012 (reference no.: 2012-01-297369; this reference constitutes inclusion by way of referral) ("the Original Report"), concerning its engagement in an agreement on that date ("the Purchase Agreement") with S.B. Israel Telecom Ltd. ("the Buyer"), an Israeli special-purpose vehicle (SPV) controlled by Saban Capital Group, according to which the Company will sell to the Buyer a portion of Partner shares owned by the Company, all being pursuant to the conditions specified in the Purchase Agreement, the principal conditions of which are described in the Original Report; and further to the Immediate Report filed by the Company on December 12, 2012 (reference no.: 2012-01-308136; this reference constitutes inclusion by way of referral) in which the Company reported certain updates with respect to the Purchase Agreement, including with reference to the dates set forth therein and with respect to accounting, tax and cash flow implications of the Purchase Agreement; and further to the Immediate Report published by the Company on December 24, 2012 (reference no.: 2012-01-318807; this reference constitutes inclusion by way of referral), in which the Company furnished updates with respect to the fulfillment of some of the suspending conditions that are required for the consummation of the Purchase Agreement which are specified in clause 4(a) of the Original Report: the approval of the holders of the public notes, approval of Mizrahi Tefahot Bank Ltd. and clarification that the transaction, which is the subject of the Purchase Agreement, is not subject to the approval of the Antitrust Commissioner and does not require a report to him; and further to the Immediate Report filed by the Company on January 21, 2013 (reference no.: 2013-01-019908; this reference constitutes inclusion by way of referral), in which the Company reported, inter alia, the receipt of the Minister of Communications' approval for the closing of the transaction, which is the subject of the Purchase Agreement; the Company hereby reports as follows:

1. On January 29, 2013 (“the Consummation Date” as defined in the Original Report), the majority of the transaction, which is the subject of the Purchase Agreement, was consummated. As part of the transaction, the Company sold to the Buyer 47,833,333 Partner shares (“the Sold Shares”), of which the Company transferred to the Buyer on the Consummation Date 44,850,000 Partner Shares, which constitute, correct to date, approximately 28.82% of Partner’s share capital, while the Company retained the right to receive the share of the dividend, as specified in clause 7 below. In consideration of the Sold Shares, the Buyer paid the Company on the Consummation Date, a total of NIS 250 million in cash and in addition the Buyer assumed the Company’s entire debt in the amount of USD 300 million, which had been provided to the Company by Advent Investment Pte. Ltd. (“Advent”), a Singapore corporation controlled by the Hutchison Group (“the Advent Loan”), concurrently and as an integral part of the consummation of the assignment agreement of the same date between the Company and Advent (as defined in clause 7.1 of the Original Report). Accordingly, as of the Consummation Date, the Company was fully released from any indebtedness in respect of the Advent Loan. In addition, on the Consummation Date, the reciprocal waiver and release document between the Company and Advent came into effect, by virtue whereof the Company and Advent each irrevocably and unconditionally waived towards each other and any party on its behalf, any claim and/or allegation that might exist between them in relation to the Advent Loan (as specified in clause 7.2 of the Original Report).
2. Furthermore, to the best of the Company’s knowledge and as it was informed by the Buyer, on the Consummation Date, the Buyer purchased from Leumi Partners Ltd. (which is subrogating for Bank Leumi le-Israel B.M.) (“BLL”), 3,200,000 Partner shares, which constitute, correct to date, approximately 2.06% of Partner’s share capital (“BLL Transaction”). Despite that stated in clause 1.4 of the Original Report, the Company did not purchase Partner shares from BLL on the Consummation Date. Within the scope of the BLL Transaction, the Company and BLL agreed to amend the purchase agreement between them dated August 21, 2009, the principal provisions of which were specified in the Immediate Report published by the Company on August 23, 2009 (reference no.: 2009-01-204756; this reference constitutes inclusion by way of referral). Pursuant to the said amendment, which came into effect on the Consummation Date, the minority shareholder rights of BLL, pursuant to the purchase agreement between BLL and the Company, were terminated, which include: a tag-along right, reserving of rights in the instance of a change of control, the right to appoint a director and particular veto rights, as well as restrictions on interested-party transactions in Partner.
3. On the Consummation Date, the shareholders’ agreement that was signed between the Company and the Buyer came into effect, which regulates their rights in Partner and their relations as controlling shareholders of Partner (for a description of this agreement, see clause 8 of the Original Report).

4. Subsequent to the completion of the transactions described above, the Company and the Buyer severally hold approximately 15.73% and approximately 30.87%, respectively, of Partner's share capital. In accordance with the Purchase Agreement, the Company has the right to appoint two directors to Partner's Board of Directors, and accordingly, Ilan Ben-Dov, the chairman of the Board of Directors of the Company and Yahel Shachar, the Company's CEO, will continue to serve as members of Partner's Board of Directors. Suny Electronics Ltd., the controlling shareholder of the Company, which is not a party to the transaction, holds approximately 1.40% of Partner's share capital, while the public holds the balance of the holdings.
5. Upon the Company's release from its debt in respect of the Advent Loan, as specified above in clause 1, the balance of the Company's indebtedness has been reduced by a total of USD 300 million, i.e., by approximately NIS 1.121 billion correct to January 29, 2013.
6. Further to that stated in the aforesaid Immediate Report of December 12, 2012, concerning the accounting, tax and cash flow implications relative to the Company, in light of the decrease of the Partner share rate on the stock exchange and in light of the decrease of the dollar exchange rate², the total accounting implications on the Company's financial reports after consummation of the transaction shall result in a loss for the shareholders of the Company of approximately NIS 225 million, based on the data in the Company's books correct to September 30, 2012, regarding investment in Partner and without taking into account the consideration with respect to the share of the dividend. As specified above and below, the Company retained the right to receive the sum of the share of the dividend with respect to the shares that were transferred on the Consummation Date. Assuming that the complete share of the dividend shall be received, the Company will record income from dividend with respect to the said share of the dividend in the amount of approximately NIS 115 million, and in light of the transfer of the additional shares, as described in clause 7 below, net income in the amount of approximately NIS 54 million shall be recorded³. It should be noted that in light of the decrease of the dollar exchange rate, a profit will be recorded as a result of the decrease in the commitment value for the Advent Loan. In addition, additional changes may occur after the Company will complete its examinations with respect to the accounting, tax and cash flow implications until the date that the Company's financial reports for December 31, 2012 will be published.
7. The Company wishes to call the investors' attention to the fact that an additional part of the transaction, which is the subject of the Purchase Agreement has not yet been consummated, as specified in clause 1.3 of the Original Report. Within the scope of this additional part, which is expected to be executed on a deferred consummation date (one or more), subject to the fulfillment of the relevant suspending conditions, the Company shall transfer to the Buyer a pro rata portion from 2,983,333 additional Partner shares that are clear and free of any lien (approximately 1.92% of Partner's share capital), pro rata of the sum of the share of the Dividend to be transferred to the Company at the time of said transfer. The sum of the share of the Dividend is up to NIS 115 million and reflects a dividend per Partner share of up to NIS 2.56994 in respect of each of the 44,850,000 Partner shares that the Company transferred to the Buyer on the Consummation Date, this being in respect of dividends that Partner shall distribute at the height of Partner's distributable profits correct to December 31, 2012, if it decides to distribute. This sum shall be reduced proportionately (directly proportionate), insofar as Partner's total distributable profits correct to December 31, 2012 shall be less than NIS 400 million.

1 In accordance with the exchange rate of the dollar correct to January 28, 2013

2 In accordance with the Partner share rate and the dollar exchange rate correct to January 28, 2013

3 In accordance with the Partner share rate correct to January 28, 2013. The actual amount will be determined in accordance with the investment value in Partner in the Company's books upon receipt of the consideration with respect to the share of the dividend.

The Company wishes to emphasize that the consummation of the additional part of the transaction on the deferred consummation date (one or more), is subject to suspending conditions that are not within the Company's control, such as: the extent of Partner's distributable profits; resolutions that will be adopted by the authorized organs of Partner (if such resolutions shall be adopted) with respect to dividend distribution, the sum and the timing of the distribution; a release from lien and/or a purchase of Partner shares that are clear and free of lien, at a quantity that is sufficient for the purpose of executing the additional part of the transaction and/or the obtaining of financing for it.

Sincerely,

Scailex Corporation Ltd.

by: Mr. Yahel Shachar, C.E.O.
