Item 8.01. Other Events.

On December 23, 2016, the registrant issued a press release announcing that, due to a recently adopted Chinese policy relating to outbound investments by Chinese companies, it has agreed with China-based Innovative Medical Management Co. Ltd., or Innovative, to extend the time of execution of the definitive agreements relating to Innovative's proposed investment of \$30,000,000. Prior to the recently adopted Chinese policy relating to outbound investments by Chinese companies, the parties initially intended to enter into definitive agreements relating to the proposed investment no later than December 26, 2016. As a result of the recently adopted Chinese policy, the parties now plan to continue the discussions with respect to the definitive agreements until they have received further clarification about such policies, which is expected during the first half of 2017.
