Item 5.02.

Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 21, 2008, the Compensation Committee of the Board of Directors of Marshall & Ilsley Corporation (the Company) approved a potential short-term incentive award for Kenneth C. Krei, Chairman, President and Chief Executive Officer of Marshall & Ilsley Trust Company National Association. The potential payout under the award is tied to the 2008 calendar year performance of the Company's Wealth Management business line, and is intended to provide Mr. Krei with incentive compensation based on the performance of the portions of the Company's business for which he is directly responsible. The award will be administered in accordance with the terms of the Company's Annual Executive Incentive Compensation Plan.

The award provides a potential cash incentive payment based on a percentage of Mr. Krei's salary, which is payable if the performance goals approved by the Compensation Committee are met for 2008. The Compensation Committee determined that the performance criteria for 2008 are Net Income (weighted 60%) and Revenue Growth (weighted 40%), each of which will be determined based on the combined results of the Company's Wealth Management segment and Investment Division, and approved the following threshold, target and maximum payout levels:

	Payout as a Percentage Base Salary		
	Wealth Management and Investment Division Net Income for 2008	Wealth Management and Investment Division Revenue Growth for 2008	Total Potential Annual Cash Incentive for 2008
Threshold	15.0%	10.0%	25.0%
Target	48.0%	32.0%	80.0%
Maximum	81.0%	54.0%	135.0%

Performance in relation to the performance criteria will be calculated independently, which would allow Mr. Krei to receive a payout under one of the criteria but not under the other. No payout will be made for performance below the threshold level.
