Dear Stockholder:

It is our pleasure to invite you to the 2012 Annual Meeting of Stockholders of Arotech Corporation, a Delaware corporation, to be held at 10:00 a.m. local time on Monday, August 13, 2012 at the offices of Lowenstein Sandler P.C., 1251 Avenue of the Americas, 17th Floor, New York, New York.

As per our usual practice, we are distributing our proxy materials primarily over the Internet. We believe that this method of distribution encourages more stockholders to vote their proxies and reduces the cost and environmental impact of mass distribution of paper proxy materials. If you wish to receive a paper or e-mail copy of the proxy materials, you may do so in accordance with the procedures set forth in the Notice of Internet Availability of Proxy Materials. However, if you do decide that you want a paper copy of these proxy materials, we urge you to simply print a copy from off the Internet (available at <http://www.proxyvote.com>) rather than having your company incur the additional costs of printing and mailing.

The rules of the New York Stock Exchange (and applicable to our exchange, the Nasdaq Stock Market) provide that if your shares are held by a bank or broker, the bank or broker cannot vote your shares in connection with the election of our directors unless you provide voting instructions to the bank or broker. If you do not instruct your bank or broker how to vote, no votes will be cast on your behalf in the election of our directors at the Annual Meeting. Given this change, whether or not you plan to attend and regardless of the number of shares you own, it is important that your shares be represented at the meeting. You are accordingly urged to carefully review the proxy materials available to you on the Internet and to vote electronically through the Internet or by telephone, all in accordance with the procedures set forth in the Notice of Internet Availability of Proxy Materials, in order to ensure your representation and the presence of a quorum at the annual meeting. If you submit your proxy and then decide to attend the annual meeting to vote your shares in person, you may still do so if you hold your shares in your own name. Your proxy is revocable in accordance with the procedures set forth in the Proxy Statement.

Sincerely,

Robert S. Ehrlich
Chairman of the Board of Directors

QUESTIONS AND ANSWERS

Although we encourage you to read the proxy statement in its entirety, we include these Questions and Answers to provide background information and brief answers to several questions that you may have about the Annual Meeting.

Q. What is the purpose of the Annual Meeting?

A. At our Annual Meeting, stockholders will act upon the matters outlined in the accompanying Notice of Annual Meeting, including the following proposals:

1. To fix the number of Class I directors at three and to elect three Class I directors for a three-year term ending in 2015 and continuing until their successors are duly elected and qualified (beginning on page 2).
2. To consider and act upon a proposal to ratify the appointment of BDO USA, LLP as our independent auditors for the fiscal year ending December 31, 2012 (beginning on page 6).
3. To consider and act upon a proposal to adopt the Company's 2012 Employee Stock Purchase Plan (beginning on page 7).
4. To act upon all other business that may properly come before the meeting or any postponements or adjournments thereof.

Q. Why have I received a Notice of Internet Availability of Proxy Materials?

A. We are distributing our proxy materials primarily over the Internet. We believe that this method of distribution encourages more stockholders to vote their proxies and reduces the cost and environmental impact of mass distribution of paper proxy materials. You will not receive a printed copy of our proxy materials unless you specifically request one. If you wish to receive a paper or e-mail copy of the proxy materials, you may do so in accordance with the procedures set forth in the Notice of Internet Availability of Proxy Materials. However, if you do decide that you want a paper copy of these proxy materials, we urge you to simply print a copy from off the Internet rather than having your company incur the additional costs of printing and mailing.

Q. Why is Arotech seeking stockholder approval for the first proposal?

A. Our by-laws provide for a Board of one or more directors. The number of directors is currently eight. Our Board is composed of three classes of similar size. The members of each class are elected in different years, so that only one-third of the Board is elected in any single year. Under Delaware law, directors of a corporation are elected by the stockholders, so we are presenting the Board of Directors' slate of Class I directors for election by the stockholders.

Q. Why is Arotech seeking stockholder approval for the second proposal?

A. Although stockholder ratification of the selection of BDO USA, LLP as our independent auditors is not required by our by-laws or otherwise, we are submitting the selection of BDO USA, LLP to our stockholders for ratification as a matter of good corporate practice.

Q. Why is Arotech seeking stockholder approval for the third proposal?

A.

An Employee Stock Purchase Plan, which would be open only to our non-executive level employees, will allow employees to elect to have part of their after-tax base pay applied to the purchase of common stock for the purpose of investing in the future performance of your Company. In this way, we believe that the interests of our employees can be aligned more closely with the proprietary interests of our stockholders. For this reason, the board believes that approval of the 2012 Employee Stock Purchase Plan is in our best interests and in the best interests of our shareholders.

Q&A-1

Table of Contents

Q. What shares can I vote?

A. All shares of our common stock owned by you as of the close of business on the record date, June [xx], 2012, may be voted by you. These shares include (i) shares held directly in your name as the stockholder of record, and (ii) shares held for you as the beneficial owner through a stockbroker, bank or other nominee. Each share of common stock owned by you entitles you to cast one vote on each matter to be voted upon.

Q. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A. Most of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker as to how to vote and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. If you do not vote your shares over the Internet or otherwise provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in “What vote is required to approve each proposal?” below.

Q. How can I vote my shares in person at the Annual Meeting?

A. Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you wish to vote your shares at the Annual Meeting, please bring the Notice of Internet Availability of Proxy Materials that you received, as well as proof of identification.

Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting. Shares held beneficially in street name may be voted in person by you at the Annual Meeting only if you obtain a signed proxy from the record holder giving you the right to vote the shares.

Q. What vote is required to approve each proposal?

A. Holders of a majority of the outstanding shares entitled to vote must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business.

With respect to the first proposal (election of directors), directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of

votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, abstentions and “broker non-votes” (see below) will not affect the outcome of the vote on this proposal.

With respect to the second and third proposals (ratification of the selection of BDO USA, LLP as our independent auditors and adoption of the 2012 Employee Stock Purchase Plan), the affirmative vote of a majority of the total votes cast at the Annual Meeting on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions will have the same practical effect as a negative vote on these proposals, and “broker non-votes” (see below) will not affect the outcome of the vote on these proposals.

Q&A-2

Table of Contents

Q. What are “broker non-votes”?

A. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed “routine” by the New York Stock Exchange, such as the selection of auditors. Nominees cannot vote on non-routine matters, including voting for the election of directors and voting on any matter relating to executive compensation, unless they receive voting instructions from beneficial holders, resulting in so-called “broker non-votes.” The effect of broker non-votes on each of the proposals that will be considered at the Annual Meeting is described above and in our proxy statement.

We believe that the proposal for the ratification of the selection of BDO USA, LLP as our independent auditors is considered to be a “routine” matter, and as a result we do not expect that there will be a significant number of broker non-votes on this proposal. We believe that the remaining proposal is not a “routine” matter, and as a result there may be a significant number of broker non-votes on this proposal.

Q. Where can I find the voting results of the meeting?

A. We will announce preliminary voting results at the meeting and publish final results in a Current Report on Form 8-K to be filed by us with the SEC by Tuesday, August 14, 2012, by 5:30 p.m. E.D.T.

Q. Who will count the votes?

A. An attorney with Lowenstein Sandler P.C., our outside counsel, will tabulate the votes and act as the inspector of elections.

Q. Who will bear the costs of this solicitation?

A. Our Board of Directors is making this solicitation, and we will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. If you choose to access the proxy materials over the Internet, however, you are responsible for Internet access charges you may incur. The solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We have hired Broadridge Financial Solutions, Inc. to assist us in providing Internet access and in the distribution of proxy materials. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

Q. What should I do now?

A. You should read this proxy statement carefully and promptly submit your proxy card or vote by telephone or the Internet as provided on the proxy card to ensure that your vote is counted at the Annual Meeting.

Q. How do I vote if I hold shares directly?

A. If you own your shares directly, you may vote your shares by attending the Annual Meeting in person and completing a ballot or returning your validly executed proxy card at the meeting. The Annual Meeting will begin promptly at 10:00 a.m. local time on Monday, August 13, 2012 at the offices of Lowenstein Sandler P.C., 1251 Avenue of the Americas, 17th Floor, New York, New York. Attendance at the Annual Meeting will not, by itself, result in the revocation of a previously submitted proxy. Even if you are planning to attend the Annual Meeting, we

Edgar Filing: AROTECH CORP - Form PRE 14A

encourage you to submit your proxy in advance to ensure the representation of your shares at the Annual Meeting.

If you do not want to attend the Annual Meeting and you hold your shares directly, you may vote by granting a proxy. To grant a proxy, vote over the Internet or by telephone as instructed in the Notice of Availability of Proxy Materials, or mail a signed proxy card, as soon as possible so that your shares may be represented at the Annual Meeting.

Votes over the Internet or by telephone must be received by 11:59 p.m. E.D.T. on August 12, 2012 in order to be counted.

Q&A-3

Table of Contents

Q. How do I vote if I hold shares in street name?

A.If you do not want to attend the Annual Meeting and you hold your shares in a stock brokerage account or if your shares are held by a bank or nominee (i.e., in “street name”), you must provide your broker with directions on how to vote your shares. Your broker will provide you with instructions regarding how to direct your broker to vote your shares. It is important to follow these instructions carefully to ensure your shares are represented at the Annual Meeting. If you do not provide directions to your broker, your shares will not be voted at the Annual Meeting.

If you want to attend the Annual Meeting and you hold your shares in street name, you must obtain a signed proxy card from your broker, bank or other nominee acting as record holder that gives you the right to vote the shares. Your broker will provide you with instructions regarding how to obtain a signed proxy card from the bank or other nominee acting as record holder in order to enable you to vote your shares in person at the Annual Meeting.

Q. What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials?

A.It means your shares are registered in different ways or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q. How can I change my vote after I have mailed my proxy card?

A.If you are a holder of record, you may generally change your vote by delivering a later-dated proxy or written notice of revocation to our Corporate Secretary before the Annual Meeting, or by attending the Annual Meeting and voting in person. If your shares are held in “street name” by your broker, you must follow the instructions received from your broker regarding how to change your vote.

ANNUAL MEETING OF THE STOCKHOLDERS
OF AROTECH CORPORATION
TO BE HELD ON AUGUST 13, 2012

PROXY STATEMENT

The accompanying proxy is solicited by and on behalf of the Board of Directors of Arotech Corporation, for use at our Annual Meeting of Stockholders and any postponements and adjournments thereof. The meeting is to be held at the offices of Lowenstein Sandler P.C., 1251 Avenue of the Americas, 17th Floor, New York, New York, on Monday, August 13, 2012 at 10:00 a.m. local time, and thereafter as the meeting may be postponed or adjourned from time to time, for the purposes described in the accompanying Notice of Annual Meeting of Stockholders.

Stockholders of record at the close of business on June [xx], 2012 will be entitled to vote at the annual meeting. As of June [xx], 2012, there were [xx,xxx,xxx] shares of our common stock outstanding held of record by [xxx] record stockholders. Each holder of common stock is entitled to one vote per share on each matter that comes before the annual meeting.

This proxy statement and the enclosed form of proxy will be available on the Internet to you commencing on or about July 3, 2012. We are also providing Internet access to our annual report for the fiscal year ended December 31, 2011 to our stockholders along with this proxy statement.

Voting Procedures and Vote Required

Proxies that are properly marked, dated, and signed, or submitted electronically via the Internet or by telephone by following the instructions on the proxy card, and not revoked will be voted at the annual meeting in accordance with any indicated directions. If no direction is indicated, proxies will be voted FOR fixing the number of Class I directors at three and to elect three Class I directors for a three-year term ending in 2015 and continuing until their successors are duly elected and qualified; FOR ratifying the appointment of BDO USA, LLP as our independent auditors for the fiscal year ending December 31, 2012; FOR the adoption of the 2012 Employee Stock Purchase Plan; and IN THE DISCRETION OF THE HOLDERS OF THE PROXIES with respect to any other business that properly comes before the annual meeting and all matters relating to the conduct of the annual meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (“broker non-votes”), those shares will not be considered as voting with respect to that matter. We believe that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general requirements of Delaware law concerning voting of shares and determination of a quorum.

You may revoke your proxy at any time before it is voted by delivering to the Secretary of our company a written revocation or a duly executed proxy bearing a later date than the date of the proxy being revoked (including a proxy voted over the Internet or by telephone). Any record stockholder attending the annual meeting in person may revoke his or her proxy and vote his or her shares at the annual meeting.

Table of Contents

Votes cast by proxy or in person at the annual meeting will be tabulated by the Inspector of Elections, with the assistance of our transfer agent. The Inspector of Elections will also determine whether or not a quorum is present at the annual meeting. The presence of a quorum is required to transact the business proposed to be transacted at the annual meeting. The presence in person or by proxy of holders of a majority of the outstanding shares of our common stock entitled to vote will constitute a quorum for the transaction of business at the annual meeting. Abstentions and broker non-votes (as defined above) will be counted for purposes of determining the presence or absence of a quorum.

With respect to the first proposal (election of directors), directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, abstentions and “broker non-votes” (see below) will not affect the outcome of the vote on this proposal.

With respect to the second and third proposals (ratification of the selection of BDO USA, LLP as our independent auditors and approval of the 2012 Employee Stock Purchase Plan), the affirmative vote of a majority of the total votes cast at the Annual Meeting on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions will have the same practical effect as a negative vote on these proposals, and “broker non-votes” (see below) will not affect the outcome of the vote on these proposals.

The solicitation of proxies will be conducted over the Internet and by mail, and we will bear all attendant costs. These costs will include the expense of preparing and mailing proxy solicitation materials for the annual meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation materials regarding the annual meeting to beneficial owners of our common stock. We have hired Broadridge Financial Solutions, Inc. to assist us in providing Internet access and in the distribution of notices and of proxy materials. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders. We may conduct further solicitation personally, telephonically or by facsimile through our officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

We are not aware of any matters other than those described in this proxy statement that will be acted upon at the annual meeting. In the event that any other matters do come before the annual meeting for a stockholder vote, the persons named as proxies in the form of proxy being delivered to you along with this proxy statement will vote in accordance with their best judgment on those matters.

At least ten days before the annual meeting, we will make a complete list of the stockholders entitled to vote at the meeting open to the examination of any stockholder for any purpose germane to the annual meeting. The list will be open for inspection during ordinary business hours at our principal executive offices, which are located at 1229 Oak Valley Drive, Ann Arbor, Michigan 48108, and will also be made available to stockholders present at the annual meeting.

PROPOSAL NUMBER 1
ELECTION OF DIRECTORS

Our certificate of incorporation and by-laws provide for a Board of three or more directors, composed of three classes of similar size. As indicated below, we currently have three directors in Class I (with a term of office expiring this year), three directors in Class II (with a term of office expiring in 2014), and two directors in Class III (with a term of office expiring in 2013).

The nominees named below are presently serving as directors, and all of them are anticipated to be available for election and able to serve. From May 1991 until January 1993, Mr. Ehrlich was our Vice Chairman of the Board, from May 1991 until October 2002 he was our Chief Financial Officer, and from October 2002 until December 2005, Mr. Ehrlich also held the title of President. Mr. Ehrlich was a director of Eldat, Ltd., an Israeli manufacturer of electronic shelf labels, from June 1999 to August 2003. From 1987 to June 2003, Mr. Ehrlich served as a director of PSC Inc. ("PSCX"), a manufacturer and marketer of laser diode bar code scanners, and, between April 1997 and June 2003, Mr. Ehrlich was the chairman of the board of PSCX. PSCX filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in November 2002. Mr. Ehrlich received a B.S. and J.D. from Columbia University in New York, New York.

Mr. Ehrlich has experience as an accountant, an attorney and as an investment banker. He has been involved with public companies since the late 1960s, both as an investment banker and as the chief financial officer and a director of Mattel, where he was instrumental in helping to uncover fraudulent practices in the preparation of certain of that company's financial statements, and he continued to serve as a director of Mattel through the late 1980s. After leaving Mattel, Mr. Ehrlich founded his own boutique investment banking company and became a director of certain of the companies involved in his investment banking business. Mr. Ehrlich ultimately became the Chairman and CEO of Fresenius USA, Inc. and of PSCX, prior to becoming our Chief Financial Officer in 1991 and our Chief Executive Officer in 2002. We believe that Mr. Ehrlich's background and experience make him appropriate to serve as one of our directors in light of our business and structure.

Arthur S. Leibowitz has been one of our directors since June 2009. Mr. Leibowitz is a lecturer at Adelphi University School of Business, where he teaches courses in accounting to both graduate and undergraduate students. Before joining Adelphi University, Mr. Leibowitz was an audit and business assurance partner at PwC. During his twenty-seven years at PwC, Mr. Leibowitz served in a national leadership role for PwC's retail industry group and was the portfolio audit partner for one of PwC's leading private equity firms. Mr. Leibowitz is a certified public accountant in New York State and received a B.S. in accounting from Brooklyn College in New York.

Mr. Leibowitz brings many years of experience as an audit and business assurance partner at PwC with extensive financial accounting knowledge that is critical to our board of directors. His skills are a vital asset to our board of directors at a time when accurate and transparent accounting, a sound financial footing and exemplary governance practices are essential. We believe that Mr. Leibowitz's background and experience make him appropriate to serve as one of our directors in light of our business and structure.

Class III Directors

Edward J. Borey has been one of our directors since December 2003. From July 2004 until October 2006, Mr. Borey served as Chairman and Chief Executive Officer of WatchGuard Technologies, Inc., a leading provider of network security solutions (NasdaqGM: WGRD). From December 2000 to September 2003, Mr. Borey served as President, Chief Executive Officer and a director of PSCX. Prior to joining PSCX, Mr. Borey was President and CEO of TranSenda (May 2000 to December 2000). Previously, Mr. Borey held senior positions in the automated data collection industry. At Intermec Technologies Corporation (1995-1999), he was Executive Vice President and Chief Operating Officer and also Senior Vice President/General Manager of the Intermec Media subsidiary. Mr. Borey holds a B.S. in Economics from the State University of New York, College of Oswego, an M.A. in Public Administration from the University of Oklahoma, and an M.B.A. in Finance from Santa Clara University.

Mr. Borey has served as the chief executive officer of two public companies and as chief operating officer of one public and one private company, some of which were very active in mergers and acquisitions. He has a wealth of experience in the issues facing public companies and businesses in general, including in turnaround situations, and he has strong experience in marketing in North America, Europe and Asia. His background also includes experience with support and maintenance of military ground vehicles and auxiliary ground vehicles, fixed and rotary aircraft, and

simulation for the United States and foreign militaries. We believe that Mr. Borey's background and experience make him appropriate to serve as one of our directors in light of our business and structure.

Table of Contents

Elliot Sloyer has served as a director since October 2007. Mr. Sloyer is a Managing Member of WestLane Capital Management, LLC, which he founded in 2005. From 1992 until 2005, Mr. Sloyer was a founder and Managing Director of Harbor Capital Management, LLC, which managed convertible arbitrage portfolios. Mr. Sloyer is active in community organizations and currently serves on the investment committee of a charitable organization. Mr. Sloyer also serves as a director of Trans-Lux Corporation, a designer and manufacturer of digital signage display solutions (OTC: TNLX). Mr. Sloyer has a B.A. from New York University.

Mr. Sloyer's investment advisor experience brings valuable insight to the Board in enabling us to anticipate the reactions and concerns of the investment community. We believe that Mr. Sloyer's background and experience make him appropriate to serve as one of our directors in light of our business and structure.

Board Recommendation

Our Board of Directors has determined that is in the best interests of Arotech and its stockholders to elect the slate of nominees listed above as our Class I Directors. Accordingly, our Board of Directors unanimously recommends that you vote "FOR" the proposal fixing the number of Class I Directors at three and "FOR" election of the Class I Nominees described above.

Vote Required

Directors will be elected by a plurality of the votes cast by the holders of our common stock voting in person or by proxy at the annual meeting. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will have no effect on the vote for election of directors.

PROPOSAL NUMBER 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

BDO USA, LLP ("BDO"), independent certified public accountants, have served as our independent auditors since June 2006. The Audit Committee has selected BDO as our independent auditors for the fiscal year ending December 31, 2012 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting.

BDO served as our independent auditors during the fiscal years ended December 31, 2011 and 2010. BDO's report on the financial statements for the years ended December 31, 2011 and 2010 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, auditing scope or accounting principles.

Table of Contents

Stockholder ratification of the selection of BDO as our independent auditors is not required by our by-laws or otherwise. However, we are submitting the selection of BDO to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain BDO. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of Arotech and its stockholders.

Board Recommendation

Our Board of Directors has determined that is in the best interests of Arotech and its stockholders to ratify the appointment of BDO as our independent auditors. Accordingly, our Board of Directors unanimously recommends that you vote “FOR” the proposal.

Vote Required

The affirmative vote of a majority of the votes cast at the meeting at which a quorum representing a majority of all outstanding shares of our common stock is present and voting, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum; abstentions will have the same practical effect as a negative vote on this proposal, and broker non-votes will not have any effect on the outcome of this proposal.

The Board of Directors Recommends a Vote FOR Ratification of
BDO USA, LLP as our Independent Auditors.

PROPOSAL NUMBER 3 APPROVAL OF 2012 EMPLOYEE STOCK PURCHASE PLAN

Our Board of Directors is asking our stockholders to approve our 2012 Employee Stock Purchase Plan (the “ESPP”). Our ESPP was adopted by our Board of Directors on June [xx], 2012. The ESPP became effective upon its adoption by our Board of Directors, which is responsible for the administration of the ESPP. Under Section 423 of the Internal Revenue Code, the ESPP must be adopted by the Company’s shareholders within one (1) year before or after its adoption by the Board. Set forth below is a description of the material terms of the ESPP. Please see Annex A for a complete copy of the ESPP.

General

We may issue a maximum of 500,000 shares of our common stock under the ESPP. The ESPP terminates on the tenth (10th) anniversary of its adoption by our Board of Directors. Our Board of Directors may amend or terminate the ESPP.

Purpose

We believe that employees’ participation in the ESPP will align them more closely with the interests of the Company and our stockholders.

Eligibility

Any employee of the Company who customarily works more than twenty (20) hours or more per week, more than five (5) months in a calendar year, and has been employed at least ninety (90) days by the Company is eligible to

participate in the ESPP; provided, however, that “Highly Compensated Employees,” as defined in Section 414(q) of the Internal Revenue Code on 1986, as amended (as of the date of this proxy statement, this generally means employees who make in excess of \$115,000 per year), and our “named executive officers” within the meaning of Item 402 of Regulation S-K promulgated by the Securities and Exchange Commission (see “Compensation and Other Matters – Executive Officer Compensation Report,” below) are not eligible to participate in the ESPP. Employees of any Company subsidiary designated by the Board of Directors may also participate.

Table of Contents

Participation

Eligible employees may voluntarily elect to participate in the ESPP by completing a payroll deduction authorization which is effective on the first trading day of each offering period, the first of which will commence on August 14, 2012, and end on November 30, 2012. Subsequent offering periods shall have a duration of approximately six (6) months each and are anticipated to commence on the first trading day on or after June 1 and November 30 of each year. Payroll deductions are limited to fifteen percent (15%) of the employee's cash compensation, including base salary, commissions, bonuses and incentive payments, but excluding severance and non-cash compensation. Pre-tax contributions made to a company 401(k) plan will be treated as compensation for purposes of the ESPP. No employee is to be granted an option under the ESPP (i) to the extent that, after the grant, the employee would own stock of the Company or outstanding options to purchase such stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock in the Company or any subsidiary; or (ii) to the extent that his or her rights to purchase stock under all employee stock purchase plans of the Company and its subsidiaries accrues at a rate which exceeds \$25,000 of fair market value of such stock (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time.

Purchase Price

The payroll deductions authorized by participating employees are to be used to purchase newly issued shares of common stock from the Company at a purchase price of eighty-five percent (85%) of the fair market value of a share of common stock on the employee's enrollment date of that offering period or on the exercise date of the offering period, whichever is lower. The purchase price may be adjusted by the Board in accordance with the ESPP.

Exercise and Withdrawal

Shares are purchased for participating employees automatically on the exercise date of an offering period, unless the participant elects in writing prior to such date not to complete the purchase. A participant may at any time during an offering period year give notice that he or she does not wish to continue to participate, and all amounts withheld are then refunded.

Income Tax Consequences

The ESPP is a "qualified" ESPP under Section 423 of the Internal Revenue Code. Under the Internal Revenue Code, no income will result to a participant upon the purchase of shares, and no deduction will be allowed by the Company. The gain, if any, resulting from a disposition of the share received by a participant is reported according to the provisions of Section 423 of the Internal Revenue Code, and will generally be taxed in part as ordinary income and part as capital gain.

Registration with the SEC

The Company will file a registration statement on Form S-8 with the Securities and Exchange Commission in order to register the issuance of the shares to be issued under the ESPP.

Board Recommendation

Our Board of Directors has determined that is in the best interests of Arotech and its stockholders to ratify the appointment of BDO as our independent auditors. Accordingly, our Board of Directors unanimously recommends that you vote "FOR" the proposal.

CORPORATE GOVERNANCE

We operate within a corporate governance plan for the purpose of defining responsibilities, setting high standards of professional and personal conduct, and assuring compliance with such responsibilities and standards. We monitor developments in the area of corporate governance. The Board has initiated actions consistent with the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission and The Nasdaq Stock Market.

In the fiscal year ending December 31, 2011, the Board held seven meetings. All directors attended at least 75% of the aggregate number of meetings of the Board and meetings of the committees of the Board on which such director serves.

As of January 1, 2011, members of the Board of Directors satisfied the applicable independent director requirements of both the Securities and Exchange Commission and Rule 4200 of The Nasdaq Stock Market. Our non-management directors meet regularly in executive session separate from management.

It is our policy that each of our directors is invited and encouraged to attend our annual meeting of stockholders. All of our directors attended our 2011 annual meeting of stockholders.

Board Leadership Structure

We have chosen to combine the positions of Chairman of the Board and Chief Executive Officer. We believe that Mr. Ehrlich's long experience in business, both as a director and as chairman of the board of other public companies, as well as his unique understanding of our business, make it desirable that he serve as Chairman of our Board of Directors, and that the size of our company and the nature of our business do not require that the positions of Chairman and of Chief Executive Officer be bifurcated.

Our independent directors have not chosen to formally designate one of their number as lead independent director.

Committees of the Board of Directors

Our Board of Directors has an Audit Committee, a Compensation Committee, a Nominating Committee and an Executive and Finance Committee. The current composition of the various committees of the Board of Directors is as follows (the name of the chairman of each committee appears in italics):

Audit Committee	Compensation Committee	Nominating Committee	Executive and Finance Committee

Audit Committee

Created in December 1993, the purpose of the Audit Committee is to review with management and our independent auditors the scope and results of the annual audit, the nature of any other services provided by the independent auditors, changes in the accounting principles applied to the presentation of our financial statements, and any comments by the independent auditors on our policies and procedures with respect to internal accounting, auditing and financial controls. The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. In addition, the Audit Committee is charged with the responsibility for making decisions on the engagement, compensation, retention and oversight of the work of our independent auditors.

The Audit Committee consists of Prof. Jones (Chair) and Messrs. Borey, Sloyer and Leibowitz. Each member of the Audit Committee is an “independent director,” as that term is defined in Rule 4200(a)(15) of the listing standards and Marketplace Rules of the National Association of Securities Dealers (the “NASD”) and the SEC’s Rule 10A-3. All Audit Committee members possess the required level of financial literacy. We have determined that each of Prof. Jones and Mr. Leibowitz qualifies as an “audit committee financial expert” under applicable SEC and Nasdaq regulations. Prof. Jones and Mr. Leibowitz, as well as all the other members of the Audit Committee, are “independent,” as independence is defined in Rule 4200(a)(15) of the National Association of Securities Dealers’ listing standards and under Item 7(d)(3)(iv) of Schedule 14A of the proxy rules under the Exchange Act. The Audit Committee operates under a formal charter that governs its duties, which charter is publicly available through a hyperlink located on the investor relations page of our website, at <http://www.arotech.com/compro/investor.html>. Additionally, in compliance with SEC rules we are required to append a copy of the Audit Committee Charter to our proxy statement at least once every three years. We last sent a copy of our charter to our stockholders in our 2009 proxy statement. We have accordingly attached a copy of our Audit Committee Charter as Annex B hereto.

The Audit Committee held four meetings during the fiscal year ending December 31, 2011.

Compensation Committee

The Compensation Committee was established in December 1993. The duties of the Compensation Committee are to recommend compensation arrangements for our executive officers and review annual compensation arrangements for all other officers and significant employees.

The Compensation Committee consists of Dr. Eastman (Chair) and Messrs. Marrus and Sloyer. Each member of the Compensation Committee is an independent director as that term is defined in the NASD listing standards. The Compensation Committee operates under a formal charter that governs its duties, which charter is publicly available through a hyperlink located on the investor relations page of our website, at <http://www.arotech.com/compro/investor.html>.

The Compensation Committee maintains compensation and incentive programs designed to motivate, retain and attract management and utilize various combinations of base salary, bonuses payable upon the achievement of specified goals, discretionary bonuses and grants of restricted stock. Our Chief Executive Officer, Robert S. Ehrlich, our Chief Operating Officer, Mr. Steven Esses, and our Chief Financial Officer, Mr. Thomas J. Paup, are all parties to employment agreements with us. The Compensation Committee reviews the compensation, both cash and stock, of our executive officers on an annual basis, while taking into account as well changes in compensation during previous years. Some of these components, such as salary, are generally fixed and do not vary based on our financial and other performance; some components, such as bonus, are in whole or in part dependent upon the achievement of certain goals jointly agreed upon by our management and the Compensation Committee; and some components, such as stock options and restricted stock, have a value that is dependent upon our stock price at the time of award and going forward. The Compensation Committee reviews the compensation, both cash and stock, of our executive officers on

an annual basis, while taking into account as well changes in compensation during previous years.

Table of Contents

The Compensation Committee performs an annual review of our executive officers' cash compensation and share and option holdings to determine whether they provide adequate compensation for the services they perform, as well as adequate incentives and motivation to our executive officers and whether they adequately compensate our executive officers relative to comparable officers in other companies.

Compensation Committee meetings typically have included, for all or a portion of some of the meetings, a representative of The Burke Group, Inc., a well-known consulting firm specializing in executive officer compensation, as well as preliminary discussion with our Chairman and Chief Executive Officer prior to our Compensation Committee deliberating without any members of management present. For compensation decisions, including decisions regarding the grant of equity compensation relating to executive officers (other than our Chairman and Chief Executive Officer), the Compensation Committee typically considers the recommendations of our Chairman and Chief Executive Officer.

The Compensation Committee held three meetings during the fiscal year ending December 31, 2011.

Nominating Committee

The Nominating Committee, created in February 2003, identifies and proposes candidates to serve as members of the Board of Directors. Proposed nominees for membership on the Board of Directors submitted in writing by stockholders to Arotech's Secretary will be brought to the attention of the Nominating Committee.

The Nominating Committee consists of Mr. Marrus (Chair), Dr. Eastman and Prof. Jones. Each member of the Nominating Committee is an independent director as that term is defined in the NASD listing standards. The Nominating Committee makes recommendations to the Board of Directors regarding new directors to be selected for membership on the Board of Directors and its various committees. The Nominating Committee operates under a formal charter that governs its duties. The Nominating Committee's charter is publicly available through a hyperlink located on the investor relations page of our website, at <http://www.arotech.com/compro/investor.html>.

The Nominating Committee held one meeting during the fiscal year ending December 31, 2011.

Policies Regarding Director Qualifications

The Board has adopted policies regarding director qualifications. To be considered for nomination as a director, any candidate must meet the following minimum criteria:

- a. Ability and willingness to undertake a strategic governance role, clear and distinct from the operating role of management.
- b. High-level leadership experience in business, government, or other major complex professional or non-profit organizations that would have exposed the individual to the challenges of leadership and governance in a dynamic and highly competitive marketplace.
- c. Highly accomplished in their respective field, with superior credentials and recognition.
- d. Demonstrated understanding of the elements and issues relevant to the success of a large publicly-traded company in the current volatile business, legal and governance environment.
- e. Demonstrated business acumen and creative/strategic thinking ability.

Table of Contents

f. Personal Characteristics:

- Ø Ability and willingness to contribute special competencies to the Board in a collaborative manner. The areas of expertise required at any point in time may vary, based on the existing composition of the Board. They may include, but would not be limited to, capabilities honed as a CEO or a senior functional leader in operations, finance, information technology, marketing, organizational development, and experience making step change to transform a business.
- Ø Personal integrity and highest ethical character. Absence of any conflicts of interest, either real or perceived.
- Ø Willingness to apply sound and independent business judgment, enriching management and Board proposals or challenging them constructively as appropriate.
- Ø Willing to exert influence through strong influence skills and constructive teamwork. This is essential to effective collaboration with other directors as well as providing constructive counsel to the CEO.
- Ø Understanding of and full commitment to our governance principles and the obligation of each director to contribute to good governance, corporate citizenship, and corporate image for Arotech.
- Ø Willingness to devote the time necessary to assume broad fiduciary responsibility and to participate fully in Arotech governance requirements with appropriate due diligence and attention.

In this regard, each nominee will be asked to disclose the boards of directors on which he or she currently sits, and each current director will be asked to inform the Nominating Committee of additional corporate board nominations (both for-profit and non-profit). This notification is to ensure appropriate dialogue about the impact of the added responsibilities on the individual's availability to perform thoroughly his or her duties as an Arotech director.

Policies Regarding Diversity

The Board of Directors will consist of a majority of people who are active, primarily in business roles, and selected retired individuals. Those active in the business community will bring the most current business thinking, and retirees will bring their long experience and seasoned business judgment. Every effort will be made to achieve diversity in the Board's membership.

From time to time, the particular capabilities needed to round out the total Board's portfolio of competencies may vary. The Nominating Committee is empowered to consider the demographics of the total Board as it considers the requirements for each Board vacancy and to identify particular unique capabilities needed at that point in time.

Policies Regarding Director Nominations

The Board's Nominating Committee is responsible for the Board of Director's nomination process. New candidates for the Board of Directors may be identified by existing directors, a third party search firm (paid for its professional services) or may be recommended by stockholders. In considering new candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. However, all director nominees will be evaluated against the same standards and in the same objective manner, based on competencies and personal characteristics listed above, regardless of how they were identified. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

Edgar Filing: AROTECH CORP - Form PRE 14A

- Ø The name of the stockholder and evidence of the person's ownership of our stock, including the number of shares owned and the length of time of ownership; and

- Ø The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of Arotech and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board of Directors.

Table of Contents

The stockholder recommendation and information described above must be sent to Arotech's Secretary at 1229 Oak Valley Drive, Ann Arbor, Michigan 48108, and must be received by Arotech's Secretary not less than 120 days prior to the anniversary date of our most recent proxy statement in connection with our previous year's annual meeting of stockholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conduct one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Executive and Finance Committee

The Executive and Finance Committee, created in August 2001, exercises the powers of the Board during the intervals between meetings of the Board, in the management of our property, business and affairs (except with respect to certain extraordinary transactions).

The Executive and Finance Committee consists of Messrs. Ehrlich (Chair), Esses, Marrus and Sloyer.

The Executive and Finance Committee did not meet during the fiscal year ending December 31, 2011.

COMPENSATION AND OTHER MATTERS

Director Compensation Report

Non-employee members of our Board of Directors are entitled to a cash retainer of \$7,000 (plus expenses) per quarter, plus \$500 per quarter for each committee on which such outside directors serve. The Chairman of the Audit Committee receives an additional retainer of \$1,500 per quarter, and the Chairman of the Compensation Committee receives an additional retainer of \$1,000 per quarter. No per-meeting fees are paid. In addition, we have adopted a Non-Employee Director Equity Compensation Plan, pursuant to which non-employee directors receive an initial grant of a number of restricted shares having a fair market value on the date of grant equal to \$25,000 upon their election as a director, and an annual grant on March 31 of each year of a number of restricted shares having a fair market value on the date of grant equal to \$15,000. Each grant of restricted stock shall become free of restrictions in three equal installments on each of the first, second and third anniversaries of the grant, unless the director resigns from the Board prior to such vesting. Restrictions lapse automatically in the event of a director being removed for service other than for cause, or being nominated as a director but failing to be elected, or death, disability or mandatory retirement. Furthermore, all restrictions lapse prior to the consummation of a merger or consolidation involving us, our liquidation or dissolution, any sale of substantially all of our assets or any other transaction or series of related transactions as a result of which a single person or several persons acting in concert own a majority of our then-outstanding common stock.

Employment Contracts

Robert S. Ehrlich

Mr. Ehrlich is party to an amended and restated employment agreement with us executed in February 2012. The term of this employment agreement expires on December 31, 2013.

The employment agreement provides for a base salary of NIS 150,000 (approximately \$39,400 per month based on the exchange rate on January 1, 2012), as adjusted annually for Israeli inflation. Additionally, the board may at its discretion raise Mr. Ehrlich's base salary. The employment agreement also granted Mr. Ehrlich a retention bonus in the amount of 100,000 shares of restricted stock, which vests one-half annually on December 31, 2012 and 2013, with each such vesting being contingent on Mr. Ehrlich being employed by us on the scheduled vesting date and on performance criteria to be established by the Compensation Committee of our Board of Directors.

The employment agreement provides that we will pay an annual bonus, on a sliding scale, in an amount equal to 35% of Mr. Ehrlich's annual base salary then in effect if the results we actually attain for the year in question are 90% or more of the amount we budgeted at the beginning of the year, up to a maximum of 75% of his annual base salary then in effect if the results we actually attain for the year in question are 120% or more of the amount we budgeted at the beginning of the year. Mr. Ehrlich's previous employment agreement had an identical bonus provision. For 2010 and 2011, the Compensation Committee choose financial targets for determining eligibility for the above-referenced cash incentive bonus that are determined in part on the achievement of set budgetary forecast targets for adjusted EBITDA, a non-GAAP measurement, and in part on the achievement of other targets – in the case of 2011, targets for backlog. The Board's adjusted budget for 2011 called for EBITDA of \$1.35 million with backlog of at least \$55 million. Actual results were EBITDA of \$(314,000) with backlog of \$81.9 million. New bonus targets will be chosen for 2012 based upon future budgetary forecasts.

The employment agreement also contains various benefits customary in Israel for senior executives, tax and financial planning expenses and an automobile, and contain confidentiality and non-competition covenants. Pursuant to the employment agreements, we granted Mr. Ehrlich demand and "piggyback" registration rights covering shares of our common stock held by him.

We can terminate Mr. Ehrlich's employment agreement in the event of death or disability or for "Cause" (defined as conviction of certain crimes, willful failure to carry out directives of our board of directors or gross negligence or willful misconduct). Mr. Ehrlich has the right to terminate his employment upon a change in our control or for "Good Reason," which is defined to include adverse changes in employment status or compensation, our insolvency, material breaches and certain other events. Additionally, Mr. Ehrlich may terminate his agreement for any reason upon 120 days' notice.

Upon termination of employment, the employment agreement provides for payment of all accrued and unpaid compensation and benefits (including under most circumstances Israeli statutory severance), and (unless we have terminated the agreement for Cause or Mr. Ehrlich has terminated the agreement without Good Reason and without giving us 120 days' notice of termination) bonuses (to the extent earned) due for the year in which employment is terminated and severance pay in the amount of up to \$1,625,400. Furthermore, in respect of any termination by us other than termination for Cause or termination of the agreement due to Mr. Ehrlich's death or disability, or by Mr. Ehrlich other than for Good Reason, all outstanding options and all restricted shares will be fully vested. Restricted shares that have vested prior to the date of termination are not forfeited under any circumstances, including termination for Cause.

A table describing the payments that would have been due to Mr. Ehrlich under his employment agreement had Mr. Ehrlich's employment with us been terminated at the end of 2011 under various circumstances (pursuant to the terms of his then-current employment agreement) appears under "Potential Payments and Benefits upon Termination of Employment – Robert S. Ehrlich," below.

In April 2009, we, with the agreement of Mr. Ehrlich, funded a portion of his severance security by means of issuing to him, in trust, restricted stock having a value (based on the closing price of our stock on the Nasdaq Stock Market on the date on which Mr. Ehrlich and our board of directors agreed on this arrangement) of \$240,000, a total of 328,767 shares. We agreed with Mr. Ehrlich that the economic risk of gain or loss on these shares is to be borne by Mr. Ehrlich. Should Mr. Ehrlich leave our employ under circumstances in which he is not entitled to his severance package (primarily, termination for Cause as defined in his employment agreement), these shares would be returned to us for cancellation.

Additionally, in respect of any termination due to a change of control or a change in the primary location from which Mr. Esses shall have conducted his business activities during the 60 days prior to such change, all outstanding options and all restricted shares will be fully vested. Restricted shares that have vested prior to

Paup," below.

Others

Other employees have entered into individual employment agreements with us. These agreements govern the basic terms of the individual's employment, such as salary, vacation, overtime pay, severance arrangements and pension plans. Subject to Israeli law, which restricts a company's right to relocate an employee to a work site farther than sixty kilometers from his or her regular work site, we have retained the right to transfer certain employees to other locations and/or positions provided that such transfers do not result in a decrease in salary or benefits. All of these agreements also contain provisions governing the confidentiality of information and ownership of intellectual property learned or created during the course of the employee's tenure with us. Under the terms of these provisions, employees must keep confidential all information regarding our operations (other than information which is already publicly available) received or learned by the employee during the course of employment. This provision remains in force for five years after the employee has left our service. Further, intellectual property created during the course of the employment relationship belongs to us.

A number of the individual employment agreements, but not all, contain non-competition provisions which restrict the employee's rights to compete against us or work for an enterprise which competes against us. Such provisions generally remain in force for a period of two years after the employee has left our service.

Under the laws of Israel, an employee of ours who has been dismissed from service, died in service, retired from service upon attaining retirement age, or left due to poor health, maternity or certain other reasons, is entitled to severance pay at the rate of one month's salary for each year of service, pro rata for partial years of service. We currently fund this obligation by making monthly payments to approved private provident funds and by its accrual for severance pay in the consolidated financial statements.

Table of Contents

- (3)“Good Reason” is defined in Mr. Ehrlich’s employment agreement as (i) a change in Mr. Ehrlich’s status, title, position or responsibilities which, in Mr. Ehrlich’s reasonable judgment, represents a reduction or demotion in his status, title, position or responsibilities as in effect immediately prior thereto; (ii) a reduction in Mr. Ehrlich’s base salary; (iii) the failure by us to continue in effect any material compensation or benefit plan in which Mr. Ehrlich is participating; (iv) our insolvency or the filing (by any party, including us) of a petition for our winding-up; (v) any material breach by us of any provision of Mr. Ehrlich’s employment agreement; (vi) any purported termination of Mr. Ehrlich’s employment for cause by us which does not comply with the terms of Mr. Ehrlich’s employment agreement; and (vii) any movement of the location where Mr. Ehrlich is generally to render his services to us from the Jerusalem/Tel Aviv area of Israel.

- (8)Pursuant to Israeli law, we must contribute an amount equal to 7.5% of Mr. Ehrlich’s base salary to a continuing education fund, up to the permissible tax-exempt salary ceiling according to the income tax regulations in effect from time to time. At December 31, 2011, the ceiling then in effect was NIS 15,712 (approximately \$4,112). In Mr. Ehrlich’s case, we have customarily contributed to his continuing education fund in excess of the tax-exempt ceiling, and then reimbursed Mr. Ehrlich for the tax. The sums in the table reflect this additional contribution and the resultant tax reimbursement.
- (9)Under Israeli law, employees terminated other than for cause receive severance in the amount of one month’s base salary for each year of work, at their salary rate at the date of termination.

The managers' insurance funds reflected in the table do not include the 8.33% payments to a fund to secure payment of statutory severance obligations with respect to amounts paid prior to December 31, 2010, which funds are reflected in the table under the "Statutory severance" heading.

- (14) Pursuant to Israeli law, we must contribute an amount equal to 7.5% of Mr. Esses's base salary to a continuing education fund, up to the permissible tax-exempt salary ceiling according to the income tax regulations in effect from time to time. Arotech's independent accountants also provided to the Audit Committee the written disclosure required by Public Company Accounting Oversight Board Ethics and Independence Rule 3526, "Communication with Audit Committees Concerning Independence." The Committee discussed with the independent accountants that firm's independence and considered whether the non-audit services provided by the independent accountants are compatible with maintaining its independence.

Based on the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Arotech's Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission.

3.2 Notwithstanding any provision of the Plan to the contrary, no Employee shall be granted an Option under the Plan: (i) to the extent that, immediately after the grant, such Employee (or any other person whose stock would be attributed to such Employee pursuant to section 424(d) of the Code) would own stock of the Company and/or hold outstanding Options to purchase such stock possessing five percent (5%) or more of the total combined voting power or value of all classes of the stock of the Company or of any Subsidiary; or (ii) to the extent that his or her rights to purchase stock under all employee stock purchase plans of the Company and its Subsidiaries accrues at a rate which exceeds Twenty-Five Thousand Dollars (\$25,000) of fair market value of such stock (determined at the time such Option is granted) for each calendar year in which such Option is outstanding at any time.

4. Offering Periods. The Plan shall be implemented by consecutive Offering Periods with a new Offering Period commencing and ending as set forth in Section 2.13, or on such other date as the Board shall determine, and continuing thereafter until terminated in accordance with Section 20 hereof. The Board shall have the power to change the duration of Offering Periods (including the commencement dates thereof) with respect to future offerings without shareholder approval if such change is announced at least five (5) days prior to the scheduled beginning of the first Offering Period to be affected thereafter.

5. Participation.

5.1 An eligible Employee may become a Participant in the Plan by completing a Subscription Agreement authorizing payroll deductions in the form of Exhibit A to this Plan and filing it with the Company’s payroll office prior to the applicable Enrollment Date.

6.2 All payroll deductions made for a Participant shall be credited to his or her Account under the Plan. A Participant may not make any additional payments into such Account. Accounts shall be mere bookkeeping entries on the Company's books and records. Amounts credited to Accounts shall not be trust funds and may be commingled with the Company's general assets and applied to general corporate purposes. No interest or other earnings shall be paid or credited with respect to payroll deductions or any amounts accumulated in or credited to a Participant's Account.

6.3 A Participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or may increase or decrease the rate of his or her payroll deductions during the Offering Period by completing or filing with the Company a new Subscription Agreement authorizing a change in payroll deduction rate. The Committee may, in its discretion, limit the number of participation rate changes during any Offering Period. The change in rate shall be effective with the first full payroll period following five (5) business days after the Company's receipt of the new Subscription Agreement. A Participant's Subscription Agreement shall remain in effect for successive Offering Periods unless a new Subscription Agreement is filed by the Participant prior to the commencement of such Offering Period or the then existing Subscription Agreement is terminated as provided in Section 10 hereof.

6.4 Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3.2 hereof, a Participant's payroll deductions may be decreased to zero percent (0%) at any time during an Offering Period. Payroll deductions shall recommence at the rate provided in such Participant's Subscription Agreement at the beginning of the first Offering Period which is scheduled to end in the following calendar year, unless terminated by the Participant as provided in Section 10 hereof.

6.5 At the time the Option is exercised, in whole or in part, or at the time some or all of the Company's Common Stock issued under the Plan is disposed of, the Participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the Option or the disposition of the Common Stock. At any time, the Company may, but shall not be obligated to, withhold from the Participant's Compensation or other remuneration payable to the Participant the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Employee.

7. Grant of Option. On the Enrollment Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an Option to purchase on the Exercise Date during such Offering Period (at the applicable Purchase Price) up to a number of shares of the Company's Common Stock determined by dividing such Participant's Account as of the Exercise Date by the applicable Purchase Price; provided that such purchase shall be subject to the limitations set forth in Sections 3.2 and 13 hereof. No fractional shares shall be purchased; any payroll deductions accumulated in a Participant's Account which are not sufficient to purchase a full share shall be retained in the Participant's Account for the subsequent Offering Period, subject to earlier withdrawal by the Participant as provided in Section 10 hereof. Exercise of the Option shall occur as provided in Section 8 hereof, unless the Participant has withdrawn pursuant to Section 10 hereof. The Option shall expire on the last day of the Offering Period.

8. Exercise of Option.

8.1 Unless a Participant withdraws from the Plan as provided in Section 10 hereof, his or her Option with respect to an Offering Period shall be exercised automatically on the Exercise Date of such Offering Period, and the maximum number of full shares subject to Option shall be purchased for such Participant at the applicable Purchase Price with the accumulated payroll deductions credited to his or her Account. No fractional shares shall be purchased; any payroll deductions accumulated in a Participant's Account which are not sufficient to purchase a full share shall be retained in the Participant's Account for the subsequent Offering Period, subject to earlier withdrawal by the Participant as provided in Section 10 hereof. Any monies left over in a Participant's Account after the Exercise Date

shall be returned to the Participant. During a Participant's lifetime, a Participant's Option to purchase shares hereunder is exercisable only by him or her.

8.2 If the Board or the Committee determines that, on a given Exercise Date, the number of shares with respect to which Options are to be exercised may exceed: (i) the number of shares of Common Stock that were available for sale under the Plan on the Enrollment Date of the applicable Offering Period; or (ii) the number of shares available for sale under the Plan on such Exercise Date, the Board may in its sole discretion: (x) provide that the Company shall make a pro rata allocation of the shares of Common Stock available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants, and continue all Offering Periods then in effect; or (y) provide that the Company shall make a pro rata allocation of the shares available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants, and terminate any or all Offering Periods then in effect pursuant to Section 20 hereof. The Company may make a pro rata allocation of the shares available on the Enrollment Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares for issuance under the Plan by the Company's shareholders subsequent to such Enrollment Date.

9. Delivery. As promptly as practicable after each Exercise Date on which a purchase of shares occurs, the Company shall arrange the delivery to each Participant, as appropriate, of a certificate representing the shares purchased upon exercise of his or her Option. Notwithstanding the foregoing, the Company may hold stock certificates on behalf of a Participant until such time as a Participant requests delivery of such certificates.

10. Withdrawal.

10.1 A Participant may withdraw all but not less than all the payroll deductions credited to his or her Account and not yet used to exercise his or her Option under the Plan at any time by giving written notice to the Company in the form of Exhibit B to this Plan or in such other manner prescribed by the Committee. All of the Participant's payroll deductions credited to his or her Account shall be paid to such Participant promptly after receipt of notice of withdrawal and such Participant's Option for the Offering Period shall be automatically terminated, and no further payroll deductions for the purchase of shares shall be made for such Offering Period by such Participant. If a Participant withdraws from an Offering Period, payroll deductions shall not resume at the beginning of the succeeding Offering Period unless the Participant delivers to the Company a new Subscription Agreement.

10.2 A Participant's withdrawal from an Offering Period shall not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the Participant withdraws.

11. Termination of Employment. Upon a Participant's ceasing to be an Employee, for any reason, he or she shall be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such Participant's Account during the Offering Period but not yet used to exercise the Option shall be returned to such Participant or, in the case of his or her death, to the person or persons entitled thereto under Section 15 hereof, and such Participant's Option shall be automatically terminated.

13.2 A Participant shall have no ownership interest or voting right in shares covered by his or her Option until such Option has been exercised and the shares purchased as a result thereof have been delivered.

13.3 Shares to be delivered to a Participant under the Plan shall be registered in the name of the Participant or in the name of the Participant and his or her spouse jointly with the right or survivorship.

14. Administration. The Board or the Committee, as determined in the sole discretion of the Board, shall administer the Plan. The Board or the Committee shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Board or the Committee shall, to the full extent permitted by law, be final and binding upon all parties.

15. Designation of Beneficiary.

15.1 A Participant, in its Subscription Agreement, may designate a beneficiary who is to receive any shares and cash, if any, from the Participant's Account under the Plan in the event of such Participant's death subsequent to an Exercise Date on which the Option is exercised but prior to delivery to such Participant of such shares and cash. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant's Account under the Plan in the event of such Participant's death prior to exercise of the Option. If a Participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

15.2 Such designation of beneficiary may be changed by the Participant at any time by written notice. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

16. Transferability. Neither payroll deductions credited to a Participant's Account nor any rights with regard to the exercise of an Option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 15 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

17. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

Table of Contents

18. Reports. Individual accounts shall be maintained for each Participant in the Plan. Statements of account shall be given to Participants at least annually, which statements shall set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.

19. Adjustments Upon Changes in Capitalization, Dissolution, Liquidation, Merger or Asset Sale.

19.1 Changes in Capitalization. Subject to any required action by the shareholders of the Company, the Reserves, the maximum number of shares each Participant may purchase each Purchase Period (pursuant to Section 7), as well as the price per share and the number of shares of Common Stock covered by each Option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration". Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

19.2 Dissolution or Liquidation. Unless provided otherwise by the Board, in the event of the proposed dissolution or liquidation of the Company, the Offering Period then in progress shall terminate immediately prior to the consummation of such proposed dissolution or liquidation and a cash amount shall be paid to each Participant that is equal to the amount of his or her Account.

19.3 Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each outstanding Option shall be assumed or an equivalent Option substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Option, the Board may terminate any Offering Period then in progress by setting a new Exercise Date (the "New Exercise Date"). The New Exercise Date shall be before the date of the Company's proposed sale or merger. The Board shall notify each Participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the Participant's Option has been changed to the New Exercise Date and that the Participant's Option shall be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 10 hereof.

20. Amendment or Termination.

20.1 The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 19 hereof, no such termination can affect Options previously granted, provided that an Offering Period may be terminated by the Board on any Exercise Date if the Board determines that the termination of the Offering Period or the Plan is in the best interests of the Company and its shareholders. Except as provided in Section 19 and this Section 20 hereof, no amendment may make any change in any Option theretofore granted which adversely affects the rights of any Participant. To the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any other applicable law, regulation or stock exchange rule), the Company shall obtain shareholder approval in such a manner and to such a degree as required.

Table of Contents

20.2 Without shareholder consent and without regard to whether any Participant rights may be considered to have been “adversely affected,” the Board (or the Committee) shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company’s processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts withheld from the Participant’s Compensation, and establish such other limitations or procedures as the Board (or its Committee) determines in its sole discretion advisable which are consistent with the Plan.

20.3 In the event the Board determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Board may, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

20.3.1 Altering the Purchase Price for any Offering Period including an Offering Period underway at the time of the change in Purchase Price;

20.3.2 Shortening any Offering Period so that Offering Period ends on a new Exercise Date, including an Offering Period underway at the time of the Board action; and

20.3.3 Allocating shares.

Such modifications or amendments shall not require stockholder approval or the consent of any Plan Participants.

21. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an Option unless the exercise of such Option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

22. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of the Company. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 20 hereof.

23. No Employment Rights. The Plan does not, directly or indirectly, create any right for the benefit of any employee or class of employees to purchase any shares of Common Stock under the Plan, or create in any employee or class of employees any right with respect to continuation of employment by the Company, and it shall not be deemed to interfere in any way with the Company’s right to terminate, or otherwise modify, an employee’s employment at any time.

24. No Effect Upon Benefits. Neither the grant nor the exercise of any Option hereunder will affect the benefits under any benefit plan of the Employer, and no amount or benefit granted or received hereunder shall be considered compensation for any purposes of any other benefit plan or program of the Employer.
25. Trading Policy Restrictions. Option exercises under the Plan shall be subject to the terms and conditions of any insider trading policy established by the Company .
26. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.
27. Equal Rights and Privileges. All eligible employees shall have equal rights and privileges with respect to the Plan so that the Plan qualifies as an “employee stock purchase plan” within the meaning of Section 423 or any successor provision of the Code and the related regulations. Any provision of the Plan which is inconsistent with Section 423 or any successor provision of the Code shall, without further act or amendment by the Company or the Committee, be reformed to comply with the requirements of Section 423. This Section 27 shall take precedence over all other provisions in the Plan.

3. The Audit Committee shall require the outside auditors to advise the Audit Committee in advance in the event that the outside auditors intend to provide any professional services to the Company other than services provided in connection with an audit or a review of the Company’s financial statements (“non-audit services”); provided that such non-audit services are not listed in Section 10A(g) of the Exchange Act (“prohibited services”). 4. The Audit Committee shall obtain confirmations from time to time from the Company's outside auditing firm that such firm is not providing to the Company (i) any prohibited services, or (ii) any other non-audit service or any auditing service that has not been approved in advance by the Audit Committee. The Audit Committee shall have the authority to approve the provision of non-audit services that have not been pre-approved by the Audit Committee, but only to the extent that such non-audit services qualify under the de minimus exception set forth in Section 10A(i)(1)(B) of the Exchange Act. The Audit Committee shall record in its minutes and report to the Board all approvals of non-audit services granted by the Audit Committee.
5. The Audit Committee shall meet with the outside auditors, with no management in attendance, to openly discuss the quality of the Company's accounting principles as applied in its financial reporting, including issues such as (a) the appropriateness, not just the acceptability, of the accounting principles and financial disclosure practices used or proposed to be used by the Company, (b) the clarity of the Company's financial disclosures and (c) the degree of aggressiveness or conservatism that exists in the Company's accounting principles and underlying estimates and other significant decisions made by the Company's management in preparing the Company's financial disclosures. The Audit Committee shall then meet, without operating management or the outside auditors being present, to discuss the information presented to it.
6. The Audit Committee shall meet with the outside auditors and management to review the Company's quarterly reports on Form 10-Q and annual report on Form 10-K and discuss any significant adjustments, management judgments and accounting estimates and any significant new accounting policies before such forms are filed with the SEC. The Audit Committee shall require the outside auditors to report to the Audit Committee all critical accounting policies and practices to be used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with the Company's management, ramifications of the use of such alternative disclosures and treatments, the treatments preferred by the outside auditors and other material written communications between the outside auditors and the Company's management, including management's letters and schedules of unadjusted differences.
7. Upon the completion of the annual audit, the Audit Committee shall review the audit findings reported to it by the outside auditors, including any comments or recommendations of the outside auditors, with the entire Board.
8. The Audit Committee shall review all reports received from the federal and state regulatory authorities and assure that the Board is aware of the findings and results. In addition, it will meet with the appropriate members of senior management designated by the Audit Committee to review the responses to the respective regulatory reports.
9. The Audit Committee shall consider and review with management: (a) significant findings during the year and management's responses thereto, including the status of previous audit recommendations and (b) any difficulties encountered in the course of their audits, including any restrictions on the scope of activities or access to required information.
10. The Audit Committee shall consider and approve, if appropriate, changes to the Company's auditing and accounting principles and practices, as suggested by the outside auditors or management, and the Audit Committee shall review with the outside auditors and management the extent to which such changes have been implemented (to be done at an appropriate amount of time prior to the implementation of such changes as decided by the Audit Committee).
11. The Audit Committee shall prepare a letter for inclusion in the Company's proxy statement describing the discharge of the Audit Committee's responsibilities.

13. Commencing on such date as Section 102(a) of the Sarbanes-Oxley Act of 2002 (the “Act”) becomes effective, the Audit Committee shall obtain confirmation from the outside auditors at the commencement of each audit that such firm is a “registered public accounting firm” as such term is defined under the Act.
14. The Audit Committee shall have the authority to engage independent counsel and other advisers as it determines necessary to perform its duties.
