Yes No ..X..

If "Yes" is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b): 82- _____

HIGH FARE AIRLINES ARE STILL PROFITEERING
FROM FUEL SURCHARGES AS FUEL PRICES FALL

Ryanair, Europe's No.1 low fares airline, today (Thursday, 9th December 2004) criticised Europe's high fares airlines for continuing to price gouge consumers with ridiculous fuel surcharges, even though oil prices have fallen by over 30% to less than \$40 per barrel in recent weeks.

	FUEL SURCHARGE	AVERAGE FARE
RYANAIR	NO	EUR40
AIR FRANCE	YES	EUR222
LUFTHANSA	YES	EUR227
KLM	YES	EUR232
BA	YES	EUR272

Edgar Filing: RYANAIR HOLDINGS PLC - Form 6-K

(Source: Ryanair 12 months to March 04, latest published annual reports & published information)

Ryanair's Head of Communications, Paul Fitzsimmons said:

"When fuel prices started to increase last year, BA, Air France, KLM and Lufthansa were very quick to penalise consumers through extortionate fuel surcharges. Not content with just one fuel surcharge, airlines like BA have introduced THREE separate fuel surcharge increases to passengers.

"Fuel prices have now reduced by 30%, and still this profiteering by high fares airlines continues.

"Consumers can rest assured that Ryanair, which GUARANTEED to never introduce fuel surcharges, is committed to lowering fares to consumers, not increasing them. It is no wonder millions of consumers are choosing Ryanair because only Ryanair offers passengers Europe's lowest fares, unbeatable punctuality and customer service and GUARANTEED no fuel surcharges. It is time these already high fares airlines stop profiteering from fuel surcharges".

Ends.
