**The Royal Bank of Scotland Group plc – Interim Results for the half year ended 30 June 2009 - Amendment**

Due to a clerical error, an incorrect version of the table analysing credit risk assets by industry sector was included on page 99 of the Interim Results announcement on 7 August 2009. This does not affect the income statement, balance sheet, cash flow statement or the Group's results.

The correct version of the table is shown below:-

**Credit risk**

(continued)

**Credit risk assets****by industry and geography****(Core and Non-Core)**

Industry analysis plays an important part in assessing potential concentration risk in the loan portfolio.

Heightened monitoring applies to industry sectors where the Group believes there is a high degree of risk or potential for volatility in the future.
