The following text is the English version of a news release issued in Germany by HSBC Trinkaus & Burkhardt AG, an 80.4% indirectly owned subsidiary of HSBC Holdings plc.

HSBC HOLDINGS PLC
INTERNAL GROUP OWNERSHIP TRANSFER

In line with HSBC's strategy, which includes simplifying the management of the Group, the legal ownership of HSBC Private Banking Holdings (Suisse) S.A., the principal holding company for the Group's Global Private Banking entities, has been transferred from HSBC Bank plc to HSBC Holdings plc. The ownership of HSBC Private Bank (UK) Limited, the Group's UK-based private banking subsidiary, remains with HSBC Bank plc.

The legal transfer, which completes today, will move a global operation from a European holding company to HSBC Holdings plc, the Group holding company, thereby simplifying governance requirements and administrative processes.

The transfer is further evidence of execution of the Group's strategy to simplify, restructure and grow its businesses. It will facilitate the ongoing implementation of a global operating model for Global Private Banking with better integration and coordination within the Group.

There will be no impact from the transfer on customers or employees.
