## About Unilever

Unilever is one of the world's leading suppliers of Food, Home and Personal Care products with sales in over 190 countries. We work with 174,000 colleagues around the world and generated annual sales of €49.8 billion in 2013. Over half of our company's footprint is in the faster growing developing and emerging markets (57% in 2013). Working to create a better future every day, we help people feel good, look good and get more out of life. Our portfolio includes some of the world's best known brands, 14 of which - Knorr, Persil / Omo, Dove, Sunsilk, Hellmann's, Surf, Lipton, Rexona / Sure, Wall's ice cream, Lux, Flora / Becel, Rama / Blue Band, Magnum and Axe / Lynx - now generate a turnover of €1 billion or more.

Our ambition is to double the size of our business, whilst reducing our overall environmental footprint (including sourcing, consumer use and disposal) and increasing our positive social impact. We are committed to helping more than a billion people take action to improve their health and well-being, sourcing all our agricultural raw materials sustainably by 2020, and decoupling our growth from our environmental impact. Supporting our three big goals, we have defined seven pillars, underpinned by targets encompassing social, environmental and economic areas.
