LLOYDS BANKING GROUP PLC ('GROUP') - NOTIFICATION OF TRANSACTIONS BY PERSONS DISCHARGING MANAGERIAL RESPONSIBILITIES ('PDMRs') IN ORDINARY SHARES OF THE GROUP OF 10 PENCE EACH ('SHARES')

On 25 February 2016, the Group published details of upcoming remuneration disclosures for the Group, including salary, bonus, Long-Term Incentive Plan (LTIP) awards and Fixed Share Awards for PDMRs ('Summary Remuneration Announcement'). Where awards had not yet been made, estimates were provided. The Group announces that the following awards were made and released today.

This announcement should be read in conjunction with the Summary Remuneration Announcement and disclosures in the 2015 Annual Report and Accounts published earlier today. The 2015 Annual Report and Accounts is available on the 'Financial Performance' page in the 'Investors & Performance' section of the Group's website www.lloydsbankinggroup.com.

2015 GROUP ANNUAL BONUS

As announced on 25 February 2016, annual bonus awards are deferred into Shares under the Lloyds Banking Group Deferred Bonus Plan ('Deferred Bonus Award') and are subject to performance adjustment throughout the deferral period and, where applicable, clawback. For Executive Directors, awards are determined in the same way as employees across the Group by reference to Group, business area and individual performance. Information regarding the performance of the Executive Directors in 2015 can be found in the Annual Report and Accounts. Deferred Bonus Awards made to Executive Directors and members of the Group Executive Committee are subject to clawback for at least seven years from the date of grant.

Group Chief Executive

The Group Chief Executive, António Horta-Osório, was today granted a Deferred Bonus Award in the amount of 1,164,253 Shares(1). The vesting of the Deferred Bonus Award is subject to additional conditions that either the share price must remain above 75.5 pence on average for any 126 consecutive trading days during the five years following grant or the UK government sells 100 per cent of its shareholding during the three years following grant. Subject to either of the conditions being met, vesting may commence no sooner than two years following grant. If neither of the conditions has been met by the fifth anniversary of the award, the award will lapse entirely.

Executive Directors

The Executive Directors, George Culmer and Juan Colombás were today granted a Deferred Bonus Award. The Deferred Bonus Awards are subject to deferral until at least March 2018.

Deferred Bonus Awards for 2012, 2013 and 2014 Performance

As announced on 25 February 2016, Deferred Bonus Awards are due to be released in 2016 which relate to performance in 2012, 2013 and 2014. In accordance with the Group's deferral policy, a proportion of the Shares are released over three years, being received in tranches in March and September.

In June 2015, the Group reached a settlement with the FCA with regard to aspects of its Payment Protection Insurance (PPI) complaint handling process during the period March 2012 to May 2013. As a result, the Remuneration Committee decided to make adjustments to bonuses awarded in respect of performance in 2012 and 2013 to the members of the Group Executive Committee and some other senior executives, in recognition of their ultimate oversight of the PPI complaint handling operations. Details of the adjustments applied to the deferred bonuses awarded to the Executive Directors were disclosed in the Summary Remuneration Announcement.

In this respect, the Group announces that today, after the settlement of income tax and national insurance contributions, the PDMRs listed in the table below received the number of Shares (for no payment) as set out by their name. A further announcement will be made in September for the September release. The release today incorporates the above mentioned performance adjustments, where applicable.

Mr Horta-Osório's annual bonus awards for 2012, 2013 and 2014 performance are subject to additional conditions including deferral for five years and accordingly will not be released in 2016.

Release of Long-Term Incentive Awards made in March 2013

As announced on 25 February 2016, the Group has performed strongly over the performance period of the 2013 LTIP awards, continuing to transform the business for the benefit of our shareholders. During the performance period of the plan (from 1 January 2013 to 31 December 2015), the Group's share price increased by 47 per cent from 49.69 pence to 73.07 pence.

The scale of the challenge was set out in stretching targets of the 2013 LTIP as approved by the Remuneration Committee and our shareholders. The value of these awards vesting reflects not only the achievement of targets, but also the increase in share price over the performance period, currently around 25 per cent higher than at the time of award and in line with the increase realised by shareholders. At the end of the performance period, it has been assessed that these awards will vest at 94.18 per cent of maximum.

In this respect, the Group announces that, after the settlement of income tax and national insurance contributions, the PDMRs listed in the table below today received the number of Shares (including dividend equivalents) as set out by their name, following the partial vesting of long-term awards made in March 2013.
